1. To elect the following five (5) persons to serve as directors of the Corporation until the next annual meeting of shareholders and thereafter until their successors shall have been elected and qualified: Anthony So, Kim Wah Chung, Woo Ping Fok, J. Stewart Jackson IV and Henry F. Schlueter;
2. To ratify the selection of PricewaterhouseCoopers as the independent public accountants of the Corporation for the fiscal year ending March 31, 2009; and
3. To consider and act upon such other business as may properly come before the Meeting.

Only Shareholders of record at the close of business on February 20, 2009, shall be entitled to notice of and to vote at the Meeting. All Shareholders are cordially invited to attend the Meeting in person. Regardless of your plan to attend/not attend the Meeting, please vote either by phone or over the Internet or complete the enclosed proxy card and sign, date and return it promptly in the enclosed postage paid envelope. Sending in your proxy will not prevent you from voting in person at the Meeting.

We have elected to furnish proxy materials to our shareholders on the Internet. We believe this approach will allow us to provide our shareholders with the appropriate information while lowering costs to the Corporation. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the "Internet Notice") to our stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on a website referred to in the Internet Notice. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found on the Internet Notice.

The Corporation's annual report on Form 20-F for the year ended March 31, 2008, including its complete audited financial statements, as filed with the United States Securities and Exchange Commission (the "SEC") is available without charge upon written request from the Corporation at Unit 1915-1916, 19/F, Delta House, 3 On Yiu Street, Shek Mun, Shatin, Hong Kong. QUESTIONS AND ANSWERS RELATING TO THE ANNUAL MEETING

Why did I receive these materials?

Our shareholders as of the close of business on February 20, 2009, which we refer to as referred to as the "Record Date," are entitled to vote at

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

our Annual Meeting of shareholders, which will be held on March 27, 2009. As a shareholder, you are invited to attend the annual meeting and are requested to vote on the items of business described in this proxy statement. This proxy statement provides notice of the Meeting, describes the proposals presented for shareholder action and includes other information about the Corporation. The accompanying proxy card enables shareholders to vote on the matters without having to attend the annual meeting in person.

The cost of soliciting these Proxies, consisting of the printing, handling, and mailing of the Proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of common stock, will be paid by the Corporation.

In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the Corporation to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

Who is entitled to vote at the Meeting?

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to participate in the annual meeting. If you were a shareholder of record on the Record Date, you will be entitled to vote all of the shares that you held on that date at the Meeting, or any postponements or adjournments of the Meeting.

How many votes do I have?

You will be entitled to one vote for each outstanding share of our common stock you own as of the Record Date. As of the Record Date, there were 5,577,639 shares of our common stock outstanding and eligible to vote.

How many shares must be present or represented to conduct business at the Meeting?

The presence, in person or by proxy, of the holders of one-third of the outstanding shares of common stock is necessary to constitute a quorum at the Meeting. Based on the number of shares of our common stock outstanding on the Record Date, the holders of our common stock representing at least 1,859,212 votes will be required to establish a quorum. Proxies received but marked as abstentions, votes withheld and broker non-votes will be included in the calculation of the number of votes considered present at the Meeting.

How can I vote my shares in person at the Meeting?

Shares held in your name as the shareholder of record may be voted by you in person at the Meeting. Shares held by you beneficially in "street name" through a broker, bank or other nominee may be voted by you in person at the Meeting only if you obtain a legal proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares.

3

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the shareholder of record or beneficially in "street name," you may direct how your shares are voted without attending the Meeting. If you are a shareholder of record (that is, if your

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

shares are registered directly in your name with our transfer agent), you must complete and properly sign and date the accompanying proxy card and return it to us and it will be voted as you direct. If you are a shareholder of record and attend the meeting, you may deliver your completed proxy card in person. If you hold shares beneficially in "street name," you may vote by submitting voting instructions to your broker, bank or other nominee.

Can I vote by telephone or electronically?

If you are a shareholder of record, you may vote by telephone, or electronically through the Internet, by following the instructions included with your proxy card. If your shares are held in "street name," please check your proxy card or contact your broker, bank or other nominee to determine whether you will be able to vote by telephone or electronically and the deadline for such voting.

Can I change my vote after I return my proxy card?

Yes. If you are a shareholder of record, you may revoke or change your vote at any time before the proxy is exercised by delivering to our Secretary at the address shown at the beginning of this proxy statement a notice of revocation, or by signing a proxy card bearing a later date or by attending the Meeting and voting in person.

For shares you hold beneficially in "street name," you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the Meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the Meeting in person and so request, although attendance at the Meeting will not by itself revoke a previously granted proxy.

Who counts the votes?

Votes will be counted and certified by Computershare Trust Company, N.A. ("Computershare"), our transfer agent. If you are a shareholder of record, your signed proxy card is returned directly to Computershare for tabulation. If you hold your shares in "street name" through a broker, bank or other nominee, your broker, bank or other nominee will return one proxy card to Computershare on behalf of its clients.

What are the Board of Directors' recommendations?

Unless you give other instructions on your proxy card, the person named as proxy holder on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board of Directors' recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board of Directors recommends FOR the election of directors named; and FOR the ratification of the selection of PricewaterhouseCoopers as independent public accountants of the Corporation for the year ending March 31, 2009.

The Corporation's executive officers and directors have advised the Corporation that they intend to vote their shares 2,280,877 (including those shares over which they hold voting power), representing approximately 40.9% as of February 20, 2009, of the outstanding shares of common stock, in favor of each of the proposals above.

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

Will shareholders be asked to vote on any other matters?

To the knowledge of the Corporation and its management, shareholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the Meeting, the persons named as proxies for shareholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Election of Directors.

The affirmative vote of a plurality of the votes cast at the Meeting is required for the election of directors (Proposal 1). A properly executed proxy marked "withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Ratification of PricewaterhouseCoopers and other items.

For the proposal to ratify the appointment of our independent registered public accounting firm for our year ending March 31, 2009 (Proposal 2) the affirmative vote of the holders of a majority of the votes cast in person or represented by proxy and entitled to vote on the item will be required for approval.

A properly executed proxy marked "abstain" with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

How are votes counted?

In the election of directors, you may vote "FOR" all or some of the nominees or your vote may "WITHHOLD AUTHORITY FOR" with respect to one or more of the nominees. You may not cumulate your votes for the election of directors.

For the Ratification of PricewaterhouseCoopers and other items of business, you may vote "FOR," "AGAINST" or "ABSTAIN." If you elect to "ABSTAIN," the abstention has the same effect as a vote "AGAINST." If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items.

If you hold your shares in "street name" through a broker, bank or other nominee rather than directly in your own name, then your broker, bank or other nominee is considered the shareholder of record, and you are considered the beneficial owner of your shares. We have supplied copies of our proxy statement to the broker, bank or other nominee holding your shares of record, and they have the responsibility to send it to you. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares at the Meeting. The broker, bank or other nominee that is the shareholder of record for your shares is obligated to provide you with a voting instruction

card for you to use for this purpose. If you hold your shares in a brokerage account but you fail to return your voting instruction card to your broker, your

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

shares may constitute "broker non-votes."

Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered present and entitled to vote on that proposal. If a quorum is present at the Meeting, the persons receiving the greatest number of votes will be elected to serve as directors. As a result, broker non-votes will not affect the outcome of the voting on the election of directors (Proposal 1). The ratification of the appointment of PricewaterhouseCoopers as our independent registered public accounting firm (Proposal 2) requires the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Meeting and entitled to vote on the proposal. A broker non-vote is treated as not being entitled to vote on the matter and, therefore, is not counted for purposes of determining whether the proposal has been approved. If you are a beneficial owner and your broker, bank or other nominee holds your shares in its name, it is permitted for the broker, bank or other nominees to vote your shares on the election of directors (Proposal 1) and the ratification of the appointment of our independent registered public accounting firm (Proposal 2). Without your voting instructions on these items a broker non-vote will occur.

Employee retirement benefits

With effect from January 1, 1988, BEL, a wholly-owned foreign

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

subsidiary of the Corporation in Hong Kong, implemented a defined contribution plan (the "Plan") with a major international assurance company to provide life insurance and retirement benefits for its employees. All permanent full time employees who joined Bonso Electronics Limited, a wholly owned subsidiary of the Company ("BEL") before December 2000, excluding factory workers, are eligible to join the provident fund plan. The eligible employee of the Plan is required to contribute 5% of their monthly salary, while BEL is required to contribute from 5% to 10% based on the eligible employee's salary, depending on the number of years of the eligible employee's service.

The Mandatory Provident Fund (the "MPF") was introduced by the Hong Kong Government, and commenced in December 2000. BEL joined the MPF by implementing a plan with a major international assurance company. All permanent Hong Kong full time employees who joined BEL in or after December 2000,

10

excluding factory workers, are eligible to join the MPF. The eligible employee's and employer's contributions to the MPF are both at 5% of the eligible employee's monthly salary and are subject to a maximum contribution of HK\$1,000 (US\$128) monthly.

Pursuant to the relevant PRC regulations, the Group is required to make contributions for each employee at rates based upon the employee's standard salary base as determined by the local Social Security Bureau, to a defined contribution retirement scheme organized by the local Social Security Bureau in respect of the retirement benefits for the Group's employees in the PRC.

The contributions to each of the above schemes are recognized as employee benefit expense when they are due and are charged to the consolidated statement of income (loss). The Group's total contributions to the above schemes for the years ended March 31, 2006, 2007 and 2008 amounted to \$145,719, \$164,348 and \$251,538, respectively. The Group has no other obligation to make payments in respect of retirement benefits of the employees.

Compensation Pursuant to Options to Purchase Common Stock

Stock Option and Bonus Plans

The 1996 Stock Option Plan

In October 1996, our stockholders adopted the 1996 Stock Option Plan (the "Employees' Plan") which provides for the grant of options to purchase an aggregate of not more than 400,000 shares of our common stock. In January 2000, our shareholders approved the proposal of the Board of Directors to increase from 400,000 to 900,000 in the aggregate the number of options to purchase common stock under the Employees' Plan. The purpose of the Employees' Plan is to make options available to management and employees in order to encourage them to secure or increase on reasonable terms their stock ownership and to encourage them to remain with the Corporation.

The Employees' Plan is administered by a committee appointed by the Board of Directors which determines the persons to be granted options under the Employees' Plan, the number of shares subject to each option, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than ten years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

of common stock. No options granted under the Employee Plan are transferable by the optionee other than by will or the laws of descent and distribution and each option will be exercisable during the lifetime of the optionee, only by such optionee.

The exercise price of an option granted pursuant to the Employees' Plan may be paid in cash, by the surrender of options, in common stock, in other property, including the optionee's promissory note, or by a combination of the above, at our discretion.

During the fiscal year ended March 31, 2008, no options were granted under the Employees Plan.

The 1996 Non-Employee Directors' Stock Option Plan

In October 1996, our stockholders adopted the 1996 Non-Employee Directors' Stock Option Plan (the "Non-Employee Directors' Plan") which provides for the grant of options to purchase an aggregate of not more than 100,000 shares of common stock. In January 2000, our shareholders approved the proposal of the Board of Directors to increase from 100,000 to 600,000 in the aggregate the number of options to purchase common stock under the Non-Employee Directors' Plan.

On November 16, 2006, the Board of Directors of the Corporation voted to rescind the Corporation's 1996 Non-Employee Directors' Stock Option Plan (the "Non-Employee Directors' Plan"). All options previously granted under the Non-Employee Directors' Plan continue in full force and effect pursuant to their terms of grant.

The 2004 Stock Option Plan

On March 23, 2004, our stockholders adopted the 2004 Stock Option Plan (the "2004 Plan") which provides for the grant of up to six hundred thousand (600,000) shares of the Corporation's common stock in the form of stock options, subject to certain adjustments as described in the 2004 Plan.

The purpose of the 2004 Plan is to secure key employees to remain in the employ of the Corporation and to encourage such employees to secure or increase on reasonable terms their common stock ownership in the Corporation. The Corporation believes that the 2004 Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Corporation.

The 2004 Plan is administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of who shall be a non-employee of the Corporation. The committee members currently are Anthony So and Woo Ping Fok. The committee determines the specific terms of the options granted, including the employees to be granted options under the plan, the number of shares subject to each option grant, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares of common stock. No options granted under the plan will be transferable by the optionee other than by will or the laws of descent and distribution and each option will be exercisable, during the lifetime of the optionee, only by the optionee.

The exercise price of an option granted pursuant to the 2004 Plan may

be paid in cash, by the surrender of options, in common stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the Committee.

As of March 31, 2008, no shares option had been granted under the Stock Bonus Plan.

2004 Stock Bonus Plan

On September 7, 2004, our stockholders adopted the 2004 Stock Bonus Plan (the "Stock Bonus Plan") which authorizes the issuance of up to five hundred thousand (500,000) shares of the Corporation's Common Stock in the form of stock a stock bonus.

The purpose of this Stock Bonus Plan is to: (i) induce key employees to remain in the employ of the Corporation, or of any subsidiary of the Corporation; (ii) encourage such employees to secure or increase their stock ownership in the Corporation; and (iii) reward employees, non-employee directors, advisors and consultants for services rendered or to be rendered to or for the benefit of the Corporation, or any of its subsidiaries. The Corporation believes that Stock Bonus Plan will promote continuity of management and increased incentive and personal interest in the welfare of the Corporation.

12

The Stock Bonus Plan shall be administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of who shall be a non-employee of the Corporation. The Committee members currently are Anthony So and Woo Ping Fok. The Committee has the authority, in its sole discretion: (i) to determine the parties to receive bonus stock, the times when they shall receive such awards, the number of shares to be issued, and the time, terms and conditions of the issuance of any such shares; (ii) to construe and interpret the terms of the Stock Bonus Plan; (iii) to establish, amend and rescind rules and regulations for the administration of the Stock Bonus Plan; and (iv) to make all other determinations necessary or advisable for administering the Stock Bonus Plan.

As of March 31, 2008, no shares had been granted under the Stock Bonus Plan.

CERTAIN TRANSACTIONS

Over the years, the Corporation has provided to and received cash advances from its officers and directors. In October 1994, the Board of Directors adopted a policy prohibiting the Corporation from making any loan or advance of money or property, or guaranteeing the obligation of any directors of the Corporation, and limiting the Corporation's ability to make such loans, advances or guarantees to officers of the Corporation or its subsidiaries unless a majority of independent, disinterested outside directors determine that such loan, advance or guarantee may reasonably be expected to benefit the Corporation. Further, all future material affiliated transactions, loans and loan guarantees, if any, will be made on terms that are no less favorable to the Corporation than those that are generally available from unaffiliated third parties. The Corporation has neither provided nor received any cash advances to its officers or directors since this policy was adopted.

During the fiscal year ended March 31, 2008 we paid Schlueter & Associates, P.C. an aggregate of \$59,365 for legal fees and expenses. Mr. Henry F. Schlueter, a director, is the Managing Director of Schlueter & Associates,

As of March 31, 2008, BEL had paid deposits of approximately \$1,528,000 with regard to potential investments in a commercial residential building and a land use right in the PRC. Subsequent to this fiscal year end, Mr. Anthony So, Chairman of Bonso decided to take up BEL's potential investments and paid BEL the full amount of approximately \$1,528,000 in September 2008. The carrying amount of the deposits approximates their fair value due to their short maturities.

During the year ended March 31, 2007, BEL had paid certain deposits of US\$799,000 for a potential investment in a hotel. Such potential investment was subsequently taken up by Mr. Anthony So and the full amount was paid to BEL in July 2007.
