Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) The Company has adopted a new form of agreement for the award of Performance-Based Stock Units to executive officers. The material terms of the new performance-based stock unit award agreement are substantially the same as the prior stock unit agreement that applied to such awards, except that the performance test has been changed so that one half of the units will vest three years after the grant date subject to a test based on total shareholder return relative to the performance of the S&P500 over three years and the other one half will be subject to a test based on earnings per share over three years relative to the performance of the S&P500. Under each test, the number of units that vest will depend on the Company's percentile rank for each performance measure relative to the S&P500, as shown below:

The new form of stock unit award agreement is attached as Exhibit 10.1 to this Report and is incorporated herein by reference.
