ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD DECEMBER 4, 2007

PROXY STATEMENT

SOLICITATION OF PROXIES

The Board of Directors of Pro-Dex, Inc. (the Company) has made these materials available to you on the Internet, or, upon your request, has delivered printed versions of these materials to you by mail, in connection with the Board's solicitation of proxies for use at the Company's Annual Meeting of Shareholders to be held at the DoubleTree Hotel Santa Ana, 201 E. MacArthur Blvd, Santa Ana, California, on Tuesday, December 4, 2007, at 8:00 A.M. Pacific Time, and at any and all adjournments or postponements thereof. Shareholders are requested to promptly vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials, which was previously mailed to you on or about October 24, 2007. If you request printed copies of the proxy materials by mail, you can also vote by mail or by telephone. All shares represented by each properly submitted and unrevoked proxy received in advance of the Annual Meeting will be voted in the manner specified therein, and if no direction is indicated, for each of the proposals described on the proxy card.

Any shareholder has the power to revoke his or her proxy at any time before it is voted. A proxy may be revoked by delivering a written notice of revocation to the Secretary of the Company prior to or at the Annual Meeting, by voting again on the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to 11:59 P.M. Eastern Time on December 3, 2007 will be counted), by submitting prior to or at the Annual Meeting a later dated proxy card executed by the person executing the prior proxy, or by attendance at the Annual Meeting and voting in person by the person submitting the prior proxy.

Any shareholder who would like to vote in person at the Annual Meeting and owns shares in street name, should inform his/her broker bank of such plans and request a legal proxy from the broker. Such shareholders will need to bring the legal proxy with them to the Annual Meeting and valid picture identification such as a driver's license or passport in addition to documentation indicating share ownership. Such shareholders who do not receive the legal proxy in time, should bring with them to the Annual Meeting their most recent brokerage account statement showing that they owned Pro-Dex, Inc. stock as of the record date. Upon submission of proper identification and ownership documentation, the Company will be able to verify ownership of its Common Stock and admit the shareholder to the Annual Meeting; however, such shareholder will not be able to vote his/her shares at the Annual Meeting without a legal proxy. Shareholders are advised that if they own shares in street name and request a legal proxy, any previously executed proxy will be revoked, and such shareholder's vote will not be counted unless he/she appears at the Annual Meeting and votes in person.

The Company's Board of Directors does not presently intend to bring any business before the Annual Meeting other than the proposals referred to in this proxy statement and specified in the Notice of Meeting. So far as is known to the Company's Board of Directors, no other matters are to be brought before the meeting. As to any business that may properly come before the meeting, however, it is intended that shares represented by proxies held by management will be voted in accordance with the judgment of the persons voting the shares.

This proxy statement, the accompanying proxy card and the Company's Annual Report are being made available on the internet at www.investoreconnect.com through the notice and access process to the Company's shareholders on or about October 19, 2007. The cost of soliciting proxies will be borne by the Company. The solicitation will be made through the internet and expenses will include reimbursement paid to brokerage firms and others for their expenses in forwarding solicitation material regarding the Annual Meeting to beneficial owners of the Company's Common Stock. Further solicitation of proxies may be made by mail upon request, and telephone or oral communications with some shareholders. The Company's regular employees, who will not receive additional compensation for the solicitation, or a compensated proxy solicitation firm, will make such further solicitations.

OUTSTANDING SHARES AND VOTING RIGHTS

Only holders of record of the 9,718,366 shares of the Company's Common Stock outstanding at the close of business on October 15, 2007, are entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. Under Colorado law, the Company's Articles of Incorporation and the Company's Bylaws, the holders of shares entitled to cast a majority of the total votes of the outstanding shares of stock entitled to vote on each matter, as of the record date, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be postponed or adjourned to allow additional time for obtaining additional proxies or votes. At any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn prior to the reconvening of the Annual Meeting. Shares of the Company's Common Stock represented in person or by proxy (regardless of whether the proxy has authority to vote on all matters), as well as abstentions and broker non-votes, will be counted for purposes of determining whether a quorum is present at the meeting.

An abstention is the voluntary act of not voting by a shareholder who is present at a meeting and entitled to vote.

Broker non-votes are shares of voting stock held in record name by brokers and nominees concerning which: (i) instructions have not been received from the beneficial owners or persons entitled to vote; (ii) the broker or nominee does not have discretionary voting power under applicable rules or the instrument under which it serves in such capacity; or (iii) the record holder has indicated on the proxy or has executed a proxy and otherwise notified the Company that it does not have authority to vote such shares on that matter.

Assuming a quorum is present, for Proposal 2 (the election of directors) the three nominees for director (or in the event Proposal No. 1 is not approved, the two nominees for director for the Class I positions and the one person for the Class II position) receiving the highest number of affirmative votes will be elected; votes withheld and votes against a nominee have no practical effect. In matters other than election of directors, assuming that a quorum is

present, for each matter, the matter will be approved if the votes cast in favor of the matter exceed the votes cast opposing the matter. In such matters, abstentions and broker non-votes will not be included in the vote totals and, therefore, will have no effect on the vote. Each shareholder will be entitled to one vote, in person or by proxy, for each share of Common Stock held of record on the record date. Votes cast at the meeting will be tabulated by the person or persons appointed by the Company to act as inspectors of election for the meeting.

Recommendation of the Company's Board of Directors

The Company's Board of Directors recommends that the Company's shareholders vote for each of the proposals described in this proxy statement and the accompanying Notice of Meeting.

THE PROPOSALS TO BE VOTED UPON AT THE MEETING ARE DISCUSSED IN DETAIL IN THIS PROXY STATEMENT. YOU ARE STRONGLY URGED TO READ AND CONSIDER CAREFULLY THIS PROXY STATEMENT IN ITS ENTIRETY.

Proposal No. 1

Approval of the Amendment of the Company's Articles of Incorporation to Remove Class I, Class II and Class III Board member designations.

General

Article 9 of the Company's Articles of Incorporation establish three (3) classes of directors (Class I, Class II and Class III) with terms of three years each. Generally, absent earlier resignation of a Class member, the terms of the classes are staggered and one Class stands for re-election at each annual meeting of shareholders. On September 20, 2007, the Board of Directors approved an amendment of the Company's Articles of Incorporation to remove the class designations for each of the director's terms, subject, in the case of the amendment to the Articles of Incorporation, to shareholder approval at the Annual Meeting. If approved by the Company's shareholders, the amendment shall be filed with the Colorado Secretary of State shortly following the Annual Meeting and will be in effect upon filing. The amendment to Article 9 will not shorten the current term of any director as of the date of the Annual Meeting (December 4, 2007).

Article VI, Section 6.5 of the Company's Bylaws permits the Board to amend the Bylaws by majority vote. Similar to the Articles of Incorporation, the Bylaws contain provisions concerning the classification of the Board of Directors. To cause the Bylaws to be consistent with the Articles of Incorporation, the Board anticipates amending the Company's Bylaws to remove its classified Board designation shortly following approval of this Proposal by the Company's shareholders. If this Proposal is not approved, the Board will not amend the Bylaws as described above.

The Company's management believes that current best practices of corporate governance maintain that the entire board should be subject to reelection at each annual shareholders' meeting. If this proposal is approved, the class designation of the Board of Directors in Article 9 will be eliminated and, following amendment of the Bylaws by the Board (as discussed above) and upon the expiration of the current terms of the existing Board members, the entire Board will be subject to reelection at subsequent annual shareholders' meetings. Mr. Murphy and Mr. Giannini are the two incumbent directors with current terms that extend beyond the Annual Meeting (Mr. Giannini's term expires at the 2008 Annual Shareholders' Meeting and Mr. Murphy's term expires at the 2009 Annual Shareholders' Meeting). Accordingly, if Proposal No. 1 is approved by the Company's shareholders, all director positions will be elected annually commencing with the 2009 Annual Shareholders' Meeting.

This proposal would amend Article 9 to read in its entirety as follows:

Article 9 : The number of directors of the Corporation shall be fixed in accordance with the Bylaws of the Corporation. The Board of Directors shall not be split in to separate classes nor staggered. The adoption of this Article shall not serve to shorten the current term of any member of the Board of Directors as of December 4, 2007.

If this Proposal No. 1 is not approved by Company's the shareholders, then the election of Messrs. Isaac and Mesenbrink as the two Class I director nominees and Mr. Healy as a Class II director nominee as set forth in Proposal

No. 2 shall proceed under the Company's Articles of Incorporation as currently in effect. In such case, the Class I director nominees shall be elected for a term of three years and the Class II director nominee shall serve the remaining one year term of such class.

Required Vote and Board Recommendation

Assuming the holders of shares entitled to cast a majority of the total votes of the outstanding shares of stock entitled to vote on this proposal, represented in person or by proxy, are present at the Annual Meeting, this proposal will be approved if the votes cast in favor of this proposal exceed the votes cast opposing this proposal. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present for this proposal, but will not be included in the vote totals for this proposal and, therefore, will have no effect on the vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE APPROVAL OF THE AMENDMENT OF THE COMPANY S ARTICLES OF INCORPORATION.

Proposal No. 2

ELECTION OF DIRECTORS

Current Board Structure and Director Terms

As discussed in Proposal No. 1, the Company s Articles of Incorporation currently provide for the classification of the Company s Board of Directors. The Board of Directors, which currently is composed of four (4) members, is divided into three (3) classes. Generally, absent earlier resignation of a Class member, one Class stands for re-election at each annual meeting of shareholders. The Board of Directors currently is comprised of two Class I directors (George J. Isaac and Michael A. Mesenbrink), one Class II director (Valerio L. Giannini), and one Class III director (Mark P. Murphy).

The term of the Class I directors expires in 2007 . The term of the Class II director expires in 2008. The term of the Class III director expires in 2009.

On September 20, 2007, the Board of Directors approved increasing the size of the Board to five (5) directors effective as of the Annual Meeting by adding an additional Class II director position. The Class II position has one year remaining on its term and stands for election again at the 2008 Annual Shareholders Meeting. Mr. William L. Healey has been nominated to fill the new Class II director position.

This Proposal No. 2 concerns the election of directors under two alternative scenarios:

- if Proposal No. 1 is approved by the Company s shareholders which amends the Company s Articles of Incorporation to remove the class designations of the Company s directors; or
- if Proposal No. 1 is not approved by the Company s shareholders and the Company retains its Class I, Class II and Class III director designations.

Effect of Vote for Directors Subject to Proposal No. 1

If Proposal No. 1 Approved. Under Proposal No. 1, the adoption of the amendment to Article 9 shall not serve to shorten the current term of any member of the Board of Directors. Following the Annual Meeting and election of the director nominees set forth in this proxy statement, Mr. Murphy and Mr. Giannini will be the only two incumbent directors each having a current term that extends beyond the Annual Meeting (Mr. Giannini s term expires at the 2008

Annual Shareholders Meeting and Mr. Murphy's term expires at the 2009 Annual Shareholders Meeting). Accordingly, if Proposal No. 1 is approved by the Company's shareholders, the classified structure of the Board shall be eliminated, director nominees Messrs. Isaac, Mesenbrink and Healey will be elected to a one year term, and Mr. Murphy and Mr. Giannini shall continue to serve the remainder of their respective current terms.

If Proposal No. 1 Not Approved. If Proposal No. 1 is not approved by the Company's shareholders, the election of Messrs. Isaac and Mesenbrink as the two Class I director nominees and Mr. Healy as a Class II director nominee as set forth in this Proposal No. 2 shall proceed under the Company's Articles of Incorporation as currently in effect. In such case, the Class I director nominees shall be elected for a term of three years and the Class II director nominee shall serve the remaining one year term allocated to Class II directors.

Certain information with respect to each of the nominees who will be presented at the Annual Meeting by the Board of Directors for election as a director is set forth below. Although it is anticipated that each nominee will be available to serve as a director, should that nominee become unavailable to serve, the proxies will be voted for such other person as may be designated by the Company's Board of Directors.

Unless the authority to vote for directors has been withheld in the proxy, the persons named in the accompanying proxy intend to vote at the Annual Meeting for the election of the nominees presented below. In the election of directors, assuming a quorum is present, the three nominees for director (or in the event Proposal No. 1 is not approved, the two Class I nominees and the one Class II nominee) receiving the highest number of votes cast at the meeting will be elected as directors of the Company.

The entire Board of Directors performs the functions of a nominating committee. In such capacity, the Board identifies and reviews the qualifications of candidate nominees to the Board of Directors. The procedures followed by the Board in the nomination process are set forth in Procedures as Governing the Nominating Process which serves as the Board's charter concerning nominating matters. The Procedures may be found on the Company's website at www.pro-dex.com as follows: From our main web page, first click on Investor Relations, then click on Governance, and then click on Procedures as Governing the Nominating Process.

The Board will consider candidate nominees for election as a director who are recommended by shareholders. Recommendations should be sent to the Secretary of the Company and should include the candidate's name and qualifications and a statement from the candidate that he or she consents to being named in the proxy statement and will serve as a director if elected. In order for any such candidate to be considered for nomination and, if nominated, to be included in the proxy statement, such recommendation must be received by the Secretary not less than 120 days prior to the anniversary date of the Company's mailing of its proxy statement for the most recent annual meeting of shareholders.

The Board of Directors believes that it is desirable that directors possess an understanding of the Company's business environment and have the requisite knowledge, skills, expertise and diversity of experience such that the Board's ability to manage and direct the affairs and business of the Company is enhanced. Additional considerations may include an individual's capacity to enhance the ability of committees of the Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements. The Board of Directors may receive candidate nomination suggestions from current Board members, Company executive officers or other sources, which may be either unsolicited or in response to requests from the Board for such candidates. The Board may also, from time to time, engage firms that specialize in identifying director candidates. Once a person has been identified by the Board as a potential candidate, the Board may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Board determines that the candidate warrants further consideration, a member of the Board may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Board may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Board may consider all such information in light of information regarding any other candidates that the Board might be evaluating for nomination to the Board of Directors. Board members may also contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. With the nominee's consent, the Board may also engage an outside firm to conduct background checks on candidates as part of the nominee evaluation process. The Board's evaluation process does not vary based on the source of the recommendation.

As of June 30, 2007, three of the four members of the Board were independent directors (as defined in Rule 4200(a)(15) of the Nasdaq Marketplace Rules). No paid consultants were engaged by the Company, the Board or any

of its committees for the purposes of identifying qualified, interested Board candidates. A copy of the Board Procedures Concerning Nominations may be found at the Company's website at www.pro-dex.com. The Procedures may be found as follows: From our main web page, first click on Investor Relations, and then click on Governance, and then click on Procedures Governing the Nominating Function.

Employment Agreements and Executive Compensation

Employment Agreement with Mark Murphy.

Mr. Murphy has an employment agreement (Murphy Employment Agreement) with the Company dated August 14, 2006, concerning his employment as the Company's President and Chief Executive Officer. Under the terms of the Murphy Employment Agreement, Mr. Murphy is to receive an annual salary of \$280,000, subject to annual CPI adjustment, plus health and life insurance benefits available to all Company employees.

In addition to the foregoing salary and benefits, Mr. Murphy is eligible for additional compensation if he remains employed by the Company on a full time basis ("Continuing Employment Status") including the following:

Page 11

An annual bonus equal to (i) 0.75% of his annual salary, times (ii) each one percent (or any portion thereof) increases in pre-tax earnings (including extraordinary gains and losses) per share for fiscal years ending after July 1, 2006 over the prior fiscal year. The annual bonus shall be payable within ten days after Mr. Murphy has signed and the Company has filed with the Securities and Exchange Commission (SEC) the required Chief Executive Officer certifications, without qualification, for Form 10-KSB (or Form 10-K, as the case may be) for the most recent fiscal year. Such Continuing Employment Status shall not be required for additional compensation under the "annual bonus" benefits in the event that during the period (i) following the conclusion of the Company's fiscal year and (ii) prior to the Company's filing of Form 10-KSB (or Form 10-K, as the case may be), his employment is terminated by the Company without "Cause" or he resigns for "Good Reason," each as defined below. If his employment has been terminated by the Company without Cause prior to the time that he has signed such certifications, or by Mr. Murphy for Good Reason prior to the time that he has signed such certifications, the annual bonus shall be payable within thirty (30) days following the termination of his employment. The actual annual bonus for fiscal year ending June 30, 2007 shall not exceed \$25,000; and shall not exceed \$50,000 for fiscal year ending June 30, 2008. The bonus is not limited for fiscal years ending after June 30, 2008. There was no annual bonus for the fiscal year ending June 20, 2007 earned or paid.

The agreement also provides for a second bonus equal to the appreciation of an aggregate of 450,000 shares of the Company's Common Stock over the closing price of such number of shares on the day preceding the starting date of his employment with the Company. Entitlement to this second bonus was to vest at the rate of 33.333% per year commencing with the first anniversary of such starting date (subject to acceleration in certain events as described below), and all or any part of each incremental vested portion was to be exercisable within five years from the date such increment first vested and payable in cash in installments.

The second bonus may be replaced at the Company's sole option on or before February 28, 2007 with a grant of 340,000 restricted shares of the Company's Common Stock of the Company in accordance with an equity incentive compensation plan vesting at the rate of 85,000 shares per year commencing January 2, 2007 or the grant date, whichever is later. If the restricted stock grant is pursuant to the Company's general equity incentive plan for its key employees as approved by the Company's Board of Directors and shareholders, then the Company is obligated to register such shares with the SEC. The Company replaced the stock appreciation rights with the restricted stock grant in February, 2007 and registered the shares with the SEC.

In the event of a transaction in which the Company's shareholders receive cash or marketable securities for their shares of stock of the Company (a "Liquidity Event"), the vesting of the unvested restricted shares or portion of the second bonus will accelerate immediately prior to the Liquidity Event based on the amount received by the Company's shareholders for their shares: 100% of the unvested restricted shares if the consideration received by Pro-Dex shareholders is \$5 per share or greater; 80% if between \$4 and \$5; and 60% if between \$3 and \$4.

In the event Mr. Murphy is terminated involuntarily by the Company without "Cause" or resigns with "Good Reason" as defined below, the Company shall pay him his (i) annual salary up through the date of termination plus (ii) accrued vacation plus (iii) severance equal to \$280,000 and (iv) any annual bonus or second bonus earned but not yet paid as of the termination date. With the exception of the earned amount of his annual bonus (to be paid within thirty (30) days of his termination), the severance payment referred to above shall be made in equal incremental payments over a period of twelve (12) months from the termination date.

The Murphy Employment Agreement defines "Cause" as termination due to: (i) Mr. Murphy's failure or inability to perform his duties with the Company or a related entity; (ii) his failure to substantially follow and comply with the specific and lawful directives of the Board or any officer of the Company or a related entity to whom he reports directly; (iii) the Board's determination on advice of counsel of his commission of an act of fraud or dishonesty; his engagement in illegal conduct, gross misconduct or an act of moral turpitude; or his material violation of any material written policy, guideline, code, handbook or similar document governing the conduct of directors, officers or employees of the Company or its related entities; or (iv) a material breach by Mr. Murphy of the terms of the Murphy Employment Agreement. The Murphy Employment Agreement defines "Good Reason" as: (i) a reduction in Mr. Murphy's salary or failure of the Company to pay any amount owing to him under the Murphy Employment Agreement when due; or a material reduction in benefits provided to him under the Murphy Employment Agreement; (ii) the Company's requiring him to be based full time in any office or location outside of a sixty (60) mile radius from his current residence in Yorba Linda, California; (iii) his being requested by the Board to execute any documents or take any action in violation of any laws or regulations applicable to the Company, commit an act of fraud or dishonesty violation of any material written policy, guideline, code, handbook or similar document governing the conduct of directors, officers or employees of the Company or its related entities; (iv) a Liquidity Event, in which he is not offered an executive position with substantially comparable compensation, benefits and incentives with any successor to the Company based in any office or location inside a sixty (60) miles radius from his current residence in Yorba Linda; California; or (v) a material breach by the Company of the Murphy Employment Agreement. Both the Company and Mr. Murphy have a 30 day cure period following a notice of "Cause" or "Good Reason" as the case may be.

Employment Agreement with Patrick Johnson

Mr. Johnson has an employment agreement (Johnson Employment Agreement) with the Company dated April 12, 2006, as amended October 18, 2006, concerning his employment as the Company's Executive Vice President and Chief Business Development Officer. Compensation Philosophy

The Company applies a consistent philosophy to compensation for all employees, including senior management. This philosophy is based on the premise that the achievements of the Company result from the coordinated efforts of all individuals working toward common objectives. The Company strives to achieve those objectives through teamwork that is focused on meeting the expectations of customers and shareholders. The Compensation Committee has the

authority to set all executive officer compensation. This authority historically has not been delegated to others, except the Board of Directors has also made such determinations. The Compensation Committee receives input from the Chief Executive Officer concerning his recommendations for executive compensation. The final deliberations and vote are made outside the presence of the Chief Executive Officer. To date, the Company has not engaged compensation consultants or persons performing similar functions.

The goals of the compensation program are to align compensation with business objectives and performance, and to enable the Company to attract, retain and reward executive officers that contribute to the long-term success of the Company. The Company's compensation program for executive officers is based on the same four principles applicable to compensation decisions for all employees of the Company:

- The Company pays competitively. The Company is committed to providing a pay program that helps attract and retain highly qualified people in the industry. To ensure that pay is competitive, the Company compares its pay practices with those of other leading companies of similar size and sets its pay parameters based on this review.

- The Company pays for sustained performance. Executive officers are rewarded based upon corporate performance and individual performance. Corporate performance is evaluated by the Board of Directors by reviewing the extent to which strategic and business plan goals are met, including such factors as revenues, operating profit and cash flow.
- The Company strives for fairness in the administration of pay and to achieve a balance of the compensation paid to a particular individual with the compensation paid to other executives both inside the Company and at comparable companies.
- The Company believes that employees should understand the performance evaluation and pay administration process.

Compensation Vehicles

The Company has historically used a compensation program that consists of cash and equity based compensation. The vehicles are:

Salary. The Company sets base salary for its employees by reviewing the base salary for competitive positions in the market in order to attract, retain, and motivate highly talented individuals at all levels in the organization.

Bonus. The Company utilizes incentive compensation plans for all employees to reward achievement of key objectives and goals.

Employee Stock Option Program. The purpose of this program is to provide additional incentives to selected employees to work to maximize shareholder value. The Compensation Committee of the Board of Directors makes all stock option grants. Stock options generally are granted with an exercise price equal to the fair market value of the underlying Common Stock on the date of grant and vest in equal annual installments over a four-year period.

Stock Appreciation Rights. The purpose of this program is to provide additional incentives to the Chief Executive Officer to work to maximize shareholder value. The Compensation Committee of the Board of Directors makes all grants of Stock Appreciation Rights. Stock Appreciation Rights generally are granted with a base price equal to the fair market value of the underlying Common Stock on the date of grant and vest in equal annual installments over a three-year period.

Restricted Stock. The Company utilizes restricted stock grants to provide an incentive vehicle to key management personnel. The Compensation Committee of the Board of Directors makes all grants of restricted stock under the terms of one of the Company's existing equity plans previously approved by the Company's shareholders. Restricted stock grants generally vest over a period of years as determined by the Compensation Committee.

AUDIT COMMITTEE REPORT

The Audit Committee reports to and acts on behalf of the Board of Directors in providing oversight to the financial management, independent auditors, and financial reporting procedures of the Company. The Company's management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing those statements. In this context, the Audit Committee has reviewed and discussed the audited financial statements contained in the 2007 Annual Report on Form 10-KSB with management and the independent auditors.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as amended, and has discussed with the independent auditors their independence. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by Moss Adams, LLP were compatible with maintaining their independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company s Annual Report on Form 10-KSB for the fiscal year ended June 30, 2007, for filing with the Securities and Exchange Commission.

The Audit Committee has retained Moss Adams, LLP to serve as the Company s independent auditors for the fiscal year ending June 30, 2008.

ACCOUNTING FEES

The Audit Committee's policy is to pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit. The Audit Committee considers whether the performance of any service by the Company's independent auditors is compatible with maintaining such auditor's independence.

The following table sets forth the aggregate fees billed to the Company for the fiscal years ended June 30, 2007 and June 30, 2006 by the Company's auditors, all of which were preapproved by the Audit Committee:

	<u>Fiscal 2007</u>	<u>Fiscal 2006</u>
Audit Fees ¹	\$131,000	\$126,406
Audit-Related Fees ²	\$2,725	\$86,131
Tax Fees ³	\$30,570	\$31,951
All Other Fees	\$ -	\$ -
Total	\$164,295	\$244,488

(1) *Audit Fees* consist of fees billed for professional services rendered for the audit of the Company's consolidated annual financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by Moss Adams LLP, in connection with statutory and regulatory filings or engagements.

(2) *Audit-Related Fees* consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under Audit Fees. This category includes fees related to the filing of the S-8 registration statement for the 2004 Restated Stock Option Plan; and consultation regarding accounting or disclosure treatment of transactions or events and/or the actual or potential impact of final or proposed rules, standards or interpretation by the SEC, FASB or other regulatory or standard-setting bodies as well as general assistance with implementation of the requirements of SEC rules or listing standards promulgated pursuant to the Sarbanes Oxley Act of 2002.

(3) *Tax Fees* consist of fees billed for professional services rendered for tax compliance, tax advice and tax planning. These services include assistance regarding federal state and local tax compliance, planning and advice.

(4) *All Other Fees* consist of fees for products and services other than the services reported above.
