Item 8.01. Other Events.

On December 6, 2010, AGL Resources Inc. (AGL Resources) and Nicor Inc. (Nicor) entered into an Agreement and Plan of Merger, a copy of which was filed with the Securities and Exchange Commission (SEC) on December 7, 2010. AGL Resources is including as Exhibit 99.1, unaudited pro forma condensed combined consolidated financial statements that have been derived from the historical consolidated financial statements of AGL Resources and Nicor.

While AGL Resources does not believe the pending merger is “probable” within the meaning of Rules 3-05(a)(1)(i) or 11-01(a)(2) of the SEC’s Regulation S-X, it is providing these unaudited pro forma financial statements, which will be incorporated by reference into its registration statements previously filed with the SEC, because it believes this additional information may be helpful to its investors and other interested persons. AGL Resources notes that completion of the proposed merger is conditioned upon, among other things, regulatory approval by the Illinois Commerce Commission.
