PROXY STATEMENT

The accompanying proxy is solicited by the Company's directors for voting at the annual meeting of shareholders to be held on December 28, 2009, and at any and all adjournments of such meeting. If the proxy is executed and returned, it will be voted at the meeting in accordance with any instructions, and if no

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

specification is made, the proxy will be voted for the proposals set forth in the accompanying notice of the annual meeting of shareholders. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to the Company at the address shown above or in person at the time of the meeting. Additionally, any later dated proxy will revoke a previous proxy from the same shareholder. This proxy statement was posted on the Company's website on November 16, 2009.

There is one class of capital stock outstanding. Provided a quorum consisting of one-third of the shares entitled to vote is present at the meeting, the affirmative vote of a majority of the shares of common stock voting in person or represented by proxy is required to elect directors and to adopt the other proposals to come before the meeting. Cumulative voting in the election of directors is not permitted.

Shares of the Company's common stock represented by properly executed proxies that reflect abstentions or "broker non-votes" will be counted as present for purposes of determining the presence of a quorum at the annual meeting. "Broker non-votes" represent shares held by brokerage firms in "street-name" with respect to which the broker has not received instructions from the customer or otherwise does not have discretionary voting authority. Abstentions and broker non-votes will not be counted as having voted against the proposals to be considered at the meeting.

Directors are elected annually and hold office until the next annual meeting of our stockholders and until their successors are elected and qualified. There have been no material changes to the procedures by which security holders may recommend nominees to the Company's board of directors. All executive offices are chosen by the board of directors and serve at the board's discretion.

Daniel B. O'Brien has served as the Company's President and Chief Executive Officer, as well as a director of the Company since June 1998. He has been involved in the swimming pool industry since 1990, when he founded the Company's subsidiary, Flexible Solutions Ltd. From 1990 to 1998 Mr. O'Brien was also a teacher at Brentwood College where he was in charge of outdoor education.

John H. Bientjes has been a director of the Company since February 2000. Since 1984, Mr. Bientjes has served as the manager of the Commercial Aquatic Supplies Division of D.B. Perks & Associates, Ltd., located in Vancouver, British Columbia, a company that markets supplies and equipment to commercial swimming pools which are primarily owned by municipalities. Mr. Bientjes graduated in 1976 from Simon Fraser University in Vancouver, British Columbia with a Bachelor of Arts Degree in Economics and Commerce.

Dr. Robert N. O'Brien has been a director of the Company since June 1998. Dr. O'Brien was a Professor of Chemistry at the University of Victoria from 1968 until 1986 at which time he was given the designation of Professor Emeritus. He held various academic positions since 1957 at the University of Alberta, the University of California at Berkley, and the University of Victoria. While teaching, Dr. O'Brien acted as a consultant and served on the British Columbia Research Council from 1968 to 1990. In 1987, Dr. O'Brien founded the Vancouver Island Advanced Technology and Research Association. Dr. O'Brien received his Bachelor of Applied Science in Chemical Engineering from the University of British Columbia in 1951; his Masters of Applied Science in Metallurgical Engineering from the University of British Columbia in 1952; his Ph.D. in Metallurgy from the University of Manchester in 1955; and was a Post Doctoral Fellow in Pure Chemistry at the University of Ottawa from 1955 through 1957. Dr. O'Brien is the father of Daniel B. O'Brien.

Dale Friend has been a director of the Company since December 2002. She has a diversified background in the area of accounting and her experience has been primarily in business, offering a wide range of accounting knowledge. Ms. Friend has worked for a number of companies in their accounting departments, including Novas Capital Corp. and DB Perks & Associates.

Eric Hodges has been a director of the Company since September 2004. Mr. Hodges is an accountant from Victoria who has over three decades of experience. He received his financial education from the University of Washington in Seattle where he played for the Huskies football program. Mr. Hodges continued playing football after college, with a successful, multiyear professional career with the British Columbia Lions of the Canadian Football League. In the past five years, Mr. Hodges has owned and operated Eric G. Hodges & Associates, a Victoria-based accounting firm with both Canadian and U.S. clientele. Mr. Hodges

is extremely familiar with both Canadian and United States generally accepted accounting principles ("GAAP"), since he has clients in both countries. Furthermore, his wide range of experience with small and quickly growing companies is an asset to the board of directors.

Daniel B. O'brien devotes substantially all of his time to the Company's business.

The Company's Board of Directors met twice during the year ended December 2008. All of the Directors attended each of these meetings either in person or by telephone conference call.

John Bientjes, Dale Friend, and Eric Hodges are independent directors as that term is defined in section 803 of the listing standards of the NYSE Amex.

For purposes of electing directors at its annual meeting the Company does not have a nominating committee or a committee performing similar functions. The Company's board of directors does not believe a nominating committee is necessary since the Company's board of directors is small and the board of directors as a whole performs this function. The current nominees to the Board of Directors were selected by a majority vote of the Company's independent directors.

The Company does not have any policy regarding the consideration of director candidates recommended by shareholders since a shareholder has never recommended a nominee to the board of directors. However, the Company's board of directors will consider candidates recommended by shareholders. To submit a candidate for the board of directors the shareholder should send the name, address and telephone number of the candidate, together with any relevant background or biographical information, to the Company's Chief Executive Officer, at the address shown on the cover page of this proxy statement. The board has not established any specific qualifications or skills a nominee must meet to serve as a director. Although the board does not have any process for identifying and evaluating director nominees, the board does not believe there would be any differences in the manner in which the board evaluates nominees submitted by shareholders as opposed to nominees submitted by any other person.

The Company does not have a policy with regard to board member's attendance at annual meetings. All board members, with the exception of Eric Hodge attended the last annual shareholder's meeting held on June 26, 2008.

Holders of the Company's common stock can send written communications to the Company's entire board of directors, or to one or more board members, by addressing the communication to "the Board of Directors" or to one or more directors, specifying the director or directors by name, and sending the communication to the Company's offices in Victoria, British Columbia. Communications addressed to the Board of Directors as whole will be delivered to each board member. Communications addressed to a specific director (or directors) will be delivered to the director (or directors) specified.

Security holder communications not sent to the board of directors as a whole or to specified board members are not relayed to board members.

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

Stock Option Program

The Company's Stock Option Program involves the issuance of options, from time to time, to the Company's employees, directors, officers, consultants and advisors. Options are granted by means of individual option agreements. Each option agreement specifies the shares issuable upon the exercise of the option, the exercise price, the expiration date and other terms and conditions of the option.

If the option holder is an employee, and if he or she ceases to be employed by the Company, the option holder may, during the 30-day period following termination of employment, exercise the option to the extent the option was exercisable on the date of termination. In the case of death or disability, the option holder (or his or her administrator) has twelve months

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

from the date of death or disability to exercise the option to the extent the option was exercisable on the date of death or disability.

The options are subject to adjustment by reason of a recapitalization, reclassification, stock split, combination of shares, dividend or other distribution payable in capital stock. Upon a merger, liquidation, dissolution or other consolidation, the Company will provide each option holder with one-months' prior written notice informing the option holder that he or she may exercise the option in full (to the extent it has not been previously exercised) within the one-month period. Following the expiration of the one month period, the options will terminate.

The options may not be transferred, assigned, pledged or hypothecated in any way (except by will or the laws of descent) and are not subject to execution, attachment or similar process.

All of the options granted have terms of between one and five years after the date of grant and reflect exercise prices equal to the fair market value of a share of the Company's common stock, as determined by the Company's board of directors on the date of grant. All of the options contain vesting provisions pursuant to which the options are fully exercisable within a fixed number of months after the date of grant.

All option grants made during a fiscal year are submitted for shareholder approval at the next annual shareholder meeting. To date, the Company's shareholders have approved all of the grants.

Compensation Committee

The Company's Compensation Committee consists of Dr. Robert O'Brien and John Bientjes. Dr. O'Brien is not independent as that term is defined in Section 803 of the listing standards of the NYSE AMEX.

The Compensation Committee is empowered to review and approve the annual compensation and compensation procedures for the Company's officers and determines the total compensation level for the Company's Chief Executive Officer. The total proposed compensation of the Company's Chief Executive Officer is formulated and evaluated by its Chief Executive Officer and submitted to the Company's Compensation Committee for consideration.

During the year ended December 31, 2008 the Compensation Committee met once. All members of the Compensation Committee attended this meeting.

During the year ended December 31, 2008, Daniel B. O'Brien, the Company's only executive officer did not participate in deliberations of the Company's Compensation Committee concerning executive officer compensation. During the year ended December 31, 2008, no director of the Company was also an executive officer of another entity, which had an executive officer of the Company serving as a director of such entity or as a member of the Compensation Committee of such entity.

11

During the year ended December 31, 2008, no director of the Company was also an executive officer of another entity, which had one of our executive officers serving as a director of such entity or as a member of the compensation committee of such entity.

The following is the report of the Compensation Committee:

The key components of the Company's executive compensation program include annual base salaries and long-term incentive compensation consisting of stock options. It is the Company's policy to target compensation (i.e., base salary, stock option grants and other benefits) at approximately the median of comparable companies in the industries in which the Company competes. Accordingly, data on compensation practices followed by other companies in the industries in which the Company competes is considered.

The Company's long-term incentive program consists exclusively of periodic grants of stock options with an exercise price equal to the fair market value of the Company's common stock on the date of grant. To encourage retention, the ability to exercise options granted under the program may be subject to vesting restrictions. Decisions made regarding the timing and size of option grants take into account the performance of both the Company and the employee, "competitive market" practices, and the size of the option grants made in prior years. The weighting of these factors varies and is subjective. Current option holdings are not considered when granting options.

Audit Committee

The Company's Audit Committee consists of John Bientjes, Dale Friend and Eric Hodges, all of whom and have strong financial backgrounds. The purpose of the Audit Committee is to review and approve the selection of the Company's auditors and review the Company's financial statements with the Company's independent registered public accounting firm. The Audit Committee also serves

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

as an independent and objective party to monitor the Company's financial reporting process and internal control systems. The Audit Committee meets periodically with management and the Company's independent auditors. Mr. Hodges is the audit committee's financial expert.

- (3) The Audit Committee has received the written disclosures and the letter from the Company's independent registered public accounting firm required by PCAOB (Public Company Accounting Oversight Board) standards, and had discussed with the Company's independent registered public accounting firm the independent registered public accounting firm's independence; and
- (4) Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission.

Audit-related fees represent amounts billed for reviewing amendments to the Company's 10-K and 10-Q reports. Before Cinnamon Jang Willoughby was engaged by the Company to render audit or non-audit services, the engagement was approved by the Company's audit committee. The Company's Board of Directors is of the opinion that the audit fees charged by Before Cinnamon Jang Willoughby, are consistent with Before Cinnamon Jang Willoughby maintaining its independence from the Company.
