## Explanation of Responses:

- \* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) On June 23, 2006, the reporting person converted 3,178,900 shares of Class B Common Stock into shares of Class A Common Stock on a one-for-one basis for no cost; accordingly, there was no applicable purchase or sale.
- In connection with the settlement of the Contract (as defined below), TLP Investment, L.P. (the "Counterparty") converted 1,000,000 shares of Class B Common Stock subject to the Contract to Class A Common Stock (on a one for one basis) in order to settle the Contract in Class A Common Stock pursuant to the terms of the Contract; accordingly, there was no applicable purchase or sale relating to such conversion.
- (2) On November 19, 2004, the Counterparty (the Counterparty is a limited partnership for which the reporting person directly or indirectly holds all the beneficial outstanding interest) entered into a pre-paid variable equity forward contract (the "Contract") with an unaffiliated third party buyer (the "Buyer") pursuant to which the Counterparty pledged 1,000,000 shares of Class B Common Stock of Tyson Foods, Inc. (the "Company") and agreed to settle the Contract with either a payment of cash or the delivery of up to 1,000,000 shares of the Company's Class A Common Stock (or Class B Common Stock immediately convertible into Class A Common Stock). The Counterparty chose to settle the Contract through the delivery of shares.
- (3) Under the terms of the Contract, the Counterparty agreed to deliver a number of shares of Class A Common Stock (or Class B Common Stock immediately convertible into Class A Common Stock) on the expiration date of the Contract as follows: (i) if the Final Price is less than the Floor Price, then 1,000,000 shares; (ii) if the Final Price is less than or equal to the Cap Price, but greater than or equal to the Floor Price, then a number of shares equal to 1,000,000 times the Floor Price divided by the Final Price; (iii) if the Final Price is greater than the Cap Price, then a number of shares equal to 1,000,000 multiplied by a fraction, the numerator of which is the sum of the Floor Price and the difference between the Final Price and the Cap Price, and the denominator of which is the Final Price.
- (4) The Contract had a Floor Price equal to \$16.6385/share and a Cap Price equal to \$19.9662/share, each based on an average market price of the Company's Class A Common Stock of \$16.6385/share over a four trading day period ending on November 19, 2004.
- (5) On the expiration date the Final Price was \$14.47633 (based on the average closing price for the Company's Class A Common Stock over a five day period ending on July 25, 2006) which was less than the Floor Price, resulting in the Counterparty delivering all 1,000,000 shares of the Company's Class A Common Stock to the Buyer.
- (6)

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
