Stock Awards to Certain Executive Officers

On September 10, 2015, the Compensation Committee and the Board of Directors of the Company approved the grant of stock awards to Julie J. Brown, the Company's Senior Vice President and Chief Technical Officer, and Mauro Premutico, the Company's Vice President Legal and General Manager, Patents and Licensing, pursuant to the Universal Display Corporation Equity Compensation Plan. Dr. Brown's award consists of 125,000 shares of common stock of the Company and Mr. Premutico's award of 75,000 shares.

The awards will commence vesting following the vesting in full of previous restricted share awards made to Dr. Brown and Mr. Premutico. As such, Dr. Brown's award will vest in five equal installments on March 8 of each year from 2017 through 2021, while Mr. Premutico's award will vest in four equal installments on April 16 of each year from 2018 through 2021. Vesting is subject to the grantee's continued employment with the Company through the applicable vesting date. The awards are subject to accelerated vesting in the event of a change in control of the Company. The grantee is required to retain the shares for one year after vesting, except in the event of his or her death or a change in control of the Company. The stock award agreements contain "clawback" provisions that require forfeiture of the shares awarded, whether or not vested, on request of the Compensation Committee under specified circumstances during the one-year retention period.
