The Company has complied in all material respects with all applicable statutes and regulations of the United States and of all states, municipalities and applicable agencies and foreign jurisdictions or bodies in respect of the conduct of its business and operations except where lack of compliance would have no material effect on the Company or its business.

5.14. Trademarks and Patents. Schedule 5.14 contains a true, complete and correct list of all registered, certificated or issued trademarks, trade names, copyrights, United States and/or foreign patents and/or patent applications, continuations, divisionals and re-issue applications and continuation-in-part applications and any United States or foreign patents granted upon such applications, if any, owned or (to the extent evidenced by contract or license agreement) licensed or used or required to be used by the Company as of or prior to the Closing Date in connection with its business and, except as set forth on Schedule 5.14, each such trademark, trade name, patent and copyright (and application therefor) listed in Schedule 5.14 as being owned by the Company is not subject to any license, royalty arrangement, option or dispute and is free and clear of all material liens. To the best knowledge of the Company after due inquiry, none of the trademarks, trade names, patents or copyrights used by the Company in connection with its business infringes any trademark, trade name, patent or copyright of others in the United States or in any other country, in any way which materially adversely affects or which in the future is reasonable likely to materially adversely affect the business or operations of the Company. Except as set forth on Schedule 5.14 or in the Company's Annual Report on Form 10-K for the year ended July 31, 2001, no stockholder, officer or director of the Company or any other person owns or has any interest in any trademark, trade name, service mark, patent, copyright or application therefor, or trade secret, licenses, invention, information or proprietary right or

process, if any, used by the Company in connection with its business. The Company has no notice or knowledge of any objection or claim being asserted by any person with respect to the ownership, validity, enforceability or use of any such trademarks, trade names, patents and copyrights (and applications therefor) listed on Schedule 5.14 or challenging or questioning the validity or effectiveness of any license relating thereto. There are no unresolved conflicts with, or pending claims of, any other person, whether in litigation or otherwise, involving the trademarks, trade names, patents and copyrights (and applications therefor), and there are no liens, encumbrances, adverse claims, or rights of any other person which would prevent the Company from fulfilling its obligations under this Agreement except in all cases which would not have a Material Adverse Effect. To the best knowledge of the Company after due inquiry, the business of the Company, as presently conducted does not cause the Company to violate any trademark, trade name, patent, copyright, trade secret, license or proprietary interest of any other person or entity, in any way which materially adversely affects the business or operations of the Company as now being conducted. Except as disclosed in Schedule 5.14, the Company possesses all proprietary technology necessary for the conduct of its business.

5.16. Agreements. Except as set forth on Schedule 5.16 or as disclosed in the Company's proxy statement for its 2000 annual meeting of stockholders or as filed on the Company's most recent Annual Report on Form 10-K, the Company is not party to nor bound by any agreement or commitment, written or oral, which obligates the Company to make payments to any person, or which obligates any person to make payments to the Company, in the case of each such agreement in an amount exceeding \$60,000, or which is otherwise material to the conduct and operation of the business of the Company or any of its properties or assets, including, without limitation, all shareholder, employment, non-competition and consulting agreements and employee benefit plans and arrangements and collective bargaining agreements to which the Company is a party or by which it is bound. The Company has performed all material obligations required to be performed by it, and is not in default, or in receipt of any claim, under any such agreement or commitment, and the Company has no present expectation or intention of not fully performing all of such obligations, nor does the Company have any knowledge of any breach or anticipated breach by the other parties to any such agreement or commitment. Each Purchaser has been furnished with, or the Company has made available for such Purchaser's review, a true and correct copy of each written agreement referred to in Schedule 5.16, together with all amendments, waivers or other changes thereto.

5.17. Undisclosed Liabilities. Except to the extent reflected, disclosed or reserved against in the Financial Statements or the notes thereto and except for liabilities incurred since July 31, 2001 in the ordinary course and consistent with past practice, the Company does not have any obligation or liability whether absolute, accrued, contingent or otherwise, which is material to the business, operations, assets or financial condition of the Company.

5.18. Employees; Conflicting Agreements. Each Purchaser has experience in making investments in development stage biotechnology companies and is acquiring the Securities for its own account and not with a present view to, or for sale in connection with, any distribution thereof in violation of the registration requirements of the Securities Act. Each Purchaser consents to the placing of a legend on the certificates representing its respective Securities to the effect that, and each Purchaser acknowledges that, such Securities have not been registered under the Securities Act and may not be transferred unless registered in accordance with applicable securities laws or, in the opinion of counsel to the Purchasers (such opinion to be in form and substance reasonably satisfactory to the Company), exempt therefrom.

In addition the Company will, upon reasonable prior notice, make available to Purchasers or its representatives or designees (x) all assets, properties and non-confidential business records of the Company for inspection and (y) the directors and officers of the Company for interviews concerning the business, affairs and finances of the Company.

The Company will perform and be in compliance with and observe all of the provisions set forth in its Certificate of Incorporation and By-Laws to the extent that the performance of such obligations is legally permissible; provided that the fact that performance is not legally permissible will not prevent such nonperformance from constituting an event of default under this Agreement. Except with the consent of the Purchasers, which consent shall not be unreasonably withheld, the Company will not amend its Certificate of Incorporation or By-Laws or any Certificate of Designations for any series of Preferred Stock of the Company so as to affect adversely the rights of Purchasers under this Agreement, the Certificate of Incorporation or the By-Laws.

7.10. Consents and Waivers. The Company has obtained all consents and waivers needed to enable it to perform all of its obligations under this

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

Agreement and the transactions contemplated hereby.

7.15. Restrictive Agreement. The Company covenants and agrees that subsequent to the Closing, it shall not be a party to any agreement or instrument which by its terms would restrict the Company's performance of its obligations pursuant to this Agreement, the Certificate of Incorporation or By-laws of the Company or the Securities.

7.16. Publicity. The Company shall not issue any press release or make any other public announcement with respect to this Agreement or the transactions contemplated hereby or utilizing the names of Purchasers or their officers, directors, employees, agents or Affiliates without obtaining the prior approval of Purchasers, except as may be required by law or the regulations of any securities exchange.

7.20. Director and Observer. (a) The Purchasers shall be entitled to designate a Director to the Board of Directors of the Company. If necessary, the Board of Directors of the Company will elect such person to the Board of Directors by creating a new position on the Board of Directors promptly following such person's nomination by the Purchasers and shall nominate such person for election in connection with any stockholder vote for Directors, and the Company will use its best efforts to ensure that the stockholders of the Company agree to vote all their securities in favor of such person's election. The Company agrees to vote all voting securities for which the Company holds proxies, granting it voting discretion, or is otherwise entitled to vote, in favor of, and to use its best efforts in all respect to cause, the election of each such individual proposed by the Purchasers. In the event that a vacancy is created on the Board of Directors at any time by the death, disability, resignation or removal (with or without cause) of any such individual proposed and nominated by the Purchasers pursuant to this Agreement, the Company will, and will use its best efforts to ensure that the stockholders of the Company, vote all its voting securities to elect the individual proposed by the Purchasers to fill such vacancy and serve as a voting Director. Any Director or observer of the Purchasers pursuant to this Article 7 shall enter into a mutually satisfactory confidentiality agreement containing reasonable terms and conditions and similar in form and substance to that agreed to by each other Director of the Company. Such Director (or observer) shall also be subject to the terms and conditions of the Company's policies on trading restrictions.

(b) In addition to the rights set forth in Section 7.17(a), the Purchasers shall be entitled to designate a nonvoting observer who shall be entitled to attend all meetings of the Board of Directors and any of its committees and who shall be provided (i) reasonable prior notice of all meetings of the Board of Directors and any of its committees, (ii) reasonable prior notice of any action that the Board of Directors or any of its committees may take by written consent, (iii) promptly delivered copies of all minutes and other records of action by, and all written information furnished to, the Board of Directors or any of its committees and (iv) any other information requested by such observer which a member of the Board of Directors would be entitled to request to discharge his or her duties. Such observers shall be entitled to the same rights to expense reimbursement for attendance at meeting as any outside Director.

(c) If the Purchasers give notice to the Company that the Purchasers desire to remove a Director proposed by the Purchasers pursuant to this Agreement, the Company shall, and shall use its best effort to ensure that the stockholders of the Company shall, vote all its voting securities in favor of removing such Director if a vote of holders of such securities shall be required to remove the Director, and the Company agrees to take any action necessary to facilitate such removal.

(d) At any time that a designee of the Purchasers serves on the Company's Board of Directors, the Purchasers shall be entitled to representation on any committee of the Board of Directors proportionate with their representation of the Board as a whole.

Page 17 of 35

7.22. Certain Subsidiaries. The Company will not create any entity that would be a Subsidiary (as defined in Section 9.9) without the prior written consent of the Purchasers. Notwithstanding the foregoing, the Company may acquire any interest in any business from any person, firm or entity (whether by a purchase of assets, purchase of stock, merger or otherwise) using cash or stock without the prior written consent of the Purchasers.

7.23. Listing. The Company will take all action necessary to enable the Common Stock (when issued, outstanding, and registered with the SEC) to trade on each stock exchange, market, or quotation service on which any other shares of Common Stock are traded.

7.24. Adjustment to Per Share Price. If, commencing on the Closing Date and ending on the date that is one year from the Closing Date, the Company issues shares of Common Stock, or securities convertible into or exercisable for shares of Common Stock (other than securities sold by the Company through Paramount Capital, Inc.), at a price per share less than the Per Share Price, then the Company shall simultaneously issue to the Purchasers for no additional consideration, a number of shares of Common Stock sufficient to reduce the Per Share Price then in effect to equal the "Adjusted Price" (as defined below). For purposes of this section 7.24, the term Adjusted Price (which shall not be greater than the Per Share Price then in effect) shall equal a fraction, the numerator of which shall equal (1) the sum of (A) the number of shares of Common Stock outstanding on the record date of such issuance or sale multiplied by the Per Share Price then in effect plus (B) the Total Consideration (as defined below), and the denominator of which shall be the number of shares of Common Stock outstanding on the record date of such issuance or sale plus the maximum number of additional shares of Common Stock issued, sold or issuable upon exercise or conversion of such securities. "Total Consideration" shall mean the total amount, if any, received or receivable by the Company in consideration of the issuance or sale of such securities plus the total consideration, if any, payable to the Company upon exercise thereof. The provisions of this section 7.24 shall not apply (i) to issuances of securities in any corporate partnering arrangements (including mergers) consummated by the Company, (ii) to the exercise or conversion of options, warrants or other convertible securities outstanding as of the Closing Date, or (iii) to issuances which, in the aggregate, yield gross proceeds to the Company of less than \$250,000.

7.25. Right of First Refusal. In the event that, within the 12 month period following the Closing Date, the Company intends to conduct a private placement of its securities through a placement agent, broker-dealer or finder, pursuant to which it will pay such agent a commission, then the Company shall (a) notify Paramount Capital, Inc. ("Paramount") of such intent in writing detailing the terms of such proposed offering and (b) grant Paramount the right of first refusal to act as placement agent for the Company in such private placement. Paramount shall notify the Company within 15 days of its intent. In the event that Paramount declines to act as placement agent for the Company on the terms proposed to Paramount in the notice and the Company subsequently offers to a third-party the opportunity to act as placement agent on terms more favorable than those offered to Paramount, then the Company must first offer such opportunity to Paramount on such more favorable terms.

7.26 Granting of Consent. With respect to the requirement, in the various sub-paragraphs of this Section 7, as well as elsewhere in this Agreement, that the Company obtain the prior approval of the Purchasers, it shall be sufficient if the Company obtains the prior approval of Lindsay Rosenwald, M.D.

8. Registration of Common Stock.

8.1. Registration. (i) Not later than 120 days after the Closing Date, the Company will file with the SEC a shelf registration statement (the "Shelf Registration Statement") with respect to the resale of the Common Stock beneficially owned by Purchasers following the Closing (including the shares of Common Stock issuable upon exercise of the Warrants) (the "Registrable Securities"). The Company will use its best efforts to effect the registrations, qualifications or compliances (including, without limitation, the execution of any required undertaking to file post-effective amendments, appropriate qualifications under applicable blue sky or other state securities laws and appropriate compliance with applicable securities laws, requirements or regulations) as may be reasonably requested and as would permit or facilitate that sale and distribution of all Registrable Securities until the distribution thereof is complete; provided that the Company shall not be obligated to maintain the effectiveness of the Shelf Registration Statement (and any related qualifications and compliance) following such time as the

Page 18 of 35

Company shall deliver an opinion of counsel reasonably satisfactory to the holders of Registrable Securities (the "Holders") and in form and substance satisfactory to each Holder that (i) such Holders may sell in a single transaction all Registrable Securities then held or issuable to such Holder on a registered securities exchange or Nasdaq market under an applicable exemption from the registration requirements of the Securities Act and all other applicable securities laws and (ii) all transfer restrictions and restrictive legends with respect to such Registrable Securities will be removed upon the consummation of such sale.

8.2. Registration Procedures. In connection with the registration of any Registrable Securities under the Securities Act as provided in this Section 8, the Company will use its best efforts, as expeditiously as possible to:

(a) Prepare and file with the SEC the Shelf Registration Statement with respect to such Registrable Securities and use its best efforts to cause such Shelf Registration Statement to become effective within 45 days from the date on which it is filed;

(b) Prepare and file with the SEC such amendments and supplements to such Shelf Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Shelf Registration Statement effective until the disposition of all securities in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such Shelf Registration Statement shall be completed, and to comply with the provisions of the Securities Act (to the extent applicable to the Company) with respect to such dispositions;

(c) Furnish to each seller of such Registrable Securities such number of copies of such Shelf Registration Statement and of each such amendment and supplement thereto (in each case including all exhibits), such number of copies of the prospectus included in such Shelf Registration Statement (including each preliminary prospectus), in conformity with the requirements of

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

the Securities Act, and such other documents, as such seller may reasonably request, in order to facilitate the disposition of the Registrable Securities owned by such seller;

(d) Use its best efforts to register or qualify such Registrable Securities covered by such Shelf Registration Statement under such other securities or blue sky laws of such jurisdictions as any seller reasonably requests, and do any and all other acts and things which may be reasonably necessary or advisable to enable such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller, except that the Company will not for any such purpose be required to qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not, but for the requirements of this Section 8.2(d) be obligated to be qualified, to subject itself to taxation in any such jurisdiction, or to consent to general service of process in any such jurisdiction;

(e) Provide a transfer agent and registrar for all such Registrable Securities covered by such Shelf Registration Statement not later than the effective date of such Shelf Registration Statement;

(f) Notify each seller of such Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event as a result of which the prospectus included in such Shelf Registration Statement contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading, and, at the request of any such seller, the Company will prepare a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus will not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading. The Purchasers agree to suspend, upon request of the Company, any disposition of Registrable Securities pursuant to the Registration Statement contemplated hereby during any period.

(g) Cause all such Registrable Securities to be listed on each securities exchange or automated over-the-counter trading system on which similar securities issued by the Company are then listed;

(h) Enter into such customary agreements (including, in the event Purchasers elect to engage an underwriter in connection with the Shelf Registration Statement, an underwriting agreement containing customary

Page 19 of 35

terms and conditions) and take all such other actions as reasonably required in order to expedite or facilitate the disposition of such Registrable Securities; and

(i) Make available for inspection by any seller of Registrable Securities, all financial and other records, pertinent corporation documents and properties of the Company, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such seller in connection with the Shelf Registration Statement pursuant to Section 8.1.

8.3 Registration and Selling Expenses. (a) All expenses incurred by the Company in connection with the Company's performance of or compliance with this Section 8, including, without limitation (i) all registration and filing fees (including all expenses incident to filing with the National Association of Securities Dealers, Inc.), (ii) blue sky fees and expenses, (iii) all necessary printing and duplicating expenses, (iv) all fees and disbursements of counsel and accountants retained by the Company (including the expenses of any audit of

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

financial statements) and (v) a single counsel retained by the Purchasers; provided that the Company shall not be required to pay for the costs of any in-house counsel and the amount of any fees for outside counsel shall be offset against the \$10,000 cap described in Section 11.2 (all such expenses being called "Registration Expenses"), will be paid by the Company except as otherwise expressly provided in this Section 8.3.

(b) The Company will, in any event, in connection with any registration statement, pay its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal, accounting or other duties in connection therewith and expenses of audits of year-end financial statements), the expense of liability insurance and the expenses and fees for listing the securities to be registered on one or more securities exchanges or automated over-the-counter trading systems on which similar securities issued by the Company are then listed.

(c) Nothing in this Agreement shall be construed to prevent any Holder or Holders of Registrable Securities from retaining such counsel as they shall choose at their own expense.

8.4. Other Public Sales and Registrations. The Company agrees that it will not, on its own behalf, file or cause to become effective any other registration of any of its securities under the Securities Act or otherwise effect a public sale or distribution of its securities (except pursuant to registration on Form S-8 and Form S-4 or any successor form relating to a special offering to the employees or security holders of the Company) until at least 60 days have elapsed after the effective date of the Shelf Registration Statement without the prior written consent of the Purchasers.

8.5. Indemnification. (a) The Company shall indemnify, to the extent permitted by law, each holder of Registrable Securities, its officers and directors, if any, and each person, if any, who controls such holder within the meaning of the Securities Act, against all losses, claims, damages, liabilities and expenses (under the Securities Act or common law or otherwise) caused by any untrue statement or alleged untrue statement of a material fact contained in any registration statement or prospectus (and as amended or supplemented if the Company has furnished any amendments or supplements thereto) or any preliminary prospectus, which registration statement, prospectus or preliminary prospectus shall be prepared in connection with the registration contemplated by this Section 8, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages, liabilities or expenses are caused by any untrue statement or alleged untrue statement contained in or by any omission or alleged omission from information furnished in writing by such holder to the Company in connection with the registration contemplated by this Section 8, provided the Company will not be liable pursuant to this Section 8.5 if such losses, claims, damages, liabilities or expenses have been caused by any selling security holder's failure to deliver a copy of the registration statement or prospectus, or any amendments or supplements thereto, after the Company has furnished such holder with the number of copies required by Section 8.2(c).

(b) In connection with any registration statement in which a holder of Registrable Securities is participating, each such holder shall furnish to the Company in writing such information as is reasonably requested by the Company for use in any such registration statement or prospectus and shall severally, but not jointly, indemnify, to the extent permitted by law, the Company, its directors and officers and each person, if any, who

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

controls the Company within the meaning of the Securities Act, against any losses, claims, damages, liabilities and expenses resulting from any untrue statement or alleged untrue statement of a material fact or any omission or alleged omission of a material fact required to be stated in the registration statement or prospectus or any amendment thereof or supplement thereto or necessary to make the statements therein not misleading, but only to the extent such losses, claims, damages, liabilities or expenses are caused by an untrue statement or alleged untrue statement contained in or by an omission or alleged omission from information so furnished in writing by such holder in connection with the registration contemplated by this Section 8. If the offering pursuant to any such registration is made through underwriters, each such holder agrees to enter into an underwriting agreement in customary form with such underwriters and to indemnify such underwriters, their officers and directors, if any, and each person who controls such underwriters within the meaning of the Securities Act to the same extent as hereinabove provided with respect to indemnification by such holder of the Company.

(c) Promptly after receipt by an indemnified party under Section 8.5 (a) or (b) of notice of the commencement of any action or proceeding, such indemnified party will, if a claim in respect thereof is made against the indemnifying party under such Section, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under such Section. In case any such action or proceeding is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and, to the extent that it wishes, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel approved by such indemnified party (such approval not to be unreasonably withheld), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under such Section for any legal or any other expenses subsequently incurred by such indemnified party in connection with the defense thereof (other than reasonable costs of investigation) unless incurred at the written request of the indemnifying party. Notwithstanding the above, the indemnified party will have the right to employ counsel of its own choice in any such action or proceeding if the indemnified party has reasonably concluded that there may be defenses available to it which are different from or additional to those of the indemnifying party, or counsel to the indemnified party is of the opinion that it would not be desirable for the same counsel to represent both the indemnifying party and the indemnified party because such representation might result in a conflict of interest (in either of which cases the indemnifying party will not have the right to assume the defense of any such action or proceeding on behalf of the indemnified party or parties and such legal and other expenses will be borne by the indemnifying party). An indemnifying party will not be liable to any indemnified party for any settlement of any such action or proceeding effected without the consent of such indemnifying party.

(d) If the indemnification provided for in Section 8.5(a) or (b) is unavailable under applicable law to an indemnified party in respect of any losses, claims, damages or liabilities referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect the relative fault of the Company on the one hand and of the Holders on the other in connection with the statements or omissions which resulted in such losses, claims, damages, or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company on the one hand and of the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

or the omission to state a material fact relates to information supplied by the Company or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages and liabilities referred to above shall be deemed to include, subject to the limitations set forth in Section 8.5(c), any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who is not guilty of such fraudulent misrepresentation.

(e) Promptly after receipt by the Company or any holder of Securities of notice of the commencement of any action or proceeding, such party will, if a claim for contribution in respect thereof is to be made against another party (the "contributing party"), notify the contributing party of the commencement thereof; but the omission so to notify the contributing party will not relieve it from any liability which it may have to any other party other than for contribution under this Agreement. In case any such action, suit, or proceeding is brought against

Page 21 of 35

any party, and such party notifies a contributing party of the commencement thereof, the contributing party will be entitled to participate therein with the notifying party and any other contributing party similarly notified.

8.6. Additional Common Stock Issuable Upon Delay of Registration and Other Events. (a) Except to the extent any delay is due to the failure of a Holder to reasonably cooperate in providing to the Company such information as shall be reasonably requested by the Company in writing for use in the Shelf Registration Statement, if the Shelf Registration Statement is not filed with the SEC within 60 days following the Closing Date (the "Outside Target Date"), the Company shall immediately declare, issue and pay for no additional consideration to each Holder additional shares of Common Stock equal to one percent (1%) of the Common Stock then held by such Holder, for each 15-day period (or fraction thereof) after the Outside Target Date that the Registration Statement remains unfiled.

(b) All shares of Common Stock issuable pursuant to this Section 8.6 shall be duly authorized, fully paid and nonassessable shares of Common Stock and shall be included in the Shelf Registration Statement contemplated by Section 8.1. Such shares shall be registered in Purchasers' names or the name of the nominee(s) of Purchasers in such denominations as Purchasers shall request pursuant to instructions delivered to the Company.

FLEMINGTON PHARMACEUTICAL CORPORATION

Warrant for the Purchase of Shares of Common Stock

No. _____ Shares

FOR VALUE RECEIVED, Flemington Pharmaceutical Corporation, a Delaware corporation (the "Company"), hereby certifies that _____ or its registered assigns (the "Holder") is entitled to purchase from the Company, subject to the provisions of this Warrant (the "Warrant"), at any time commencing upon the date hereof (the "Initial Exercise Date"), and prior to 5:00 P.M., New York City time, on the date which is seven (7) years from the date hereof (the "Termination Date"), _____ fully paid and non-assessable shares of the common stock, \$.001 par value, of the Company ("Common Stock"), at an initial exercise price of \$0.75 per share of Common Stock for an aggregate exercise price of _____ (the aggregate purchase price payable for the Warrant Shares hereunder is hereinafter sometimes referred to as the "Aggregate Exercise Price"). The number of shares of Common Stock to be received upon exercise of this Warrant and the price to be paid for each share of Common Stock is subject to possible adjustment from time to time as hereinafter set forth. The shares of Common Stock or other securities or property deliverable upon such exercise as adjusted from time to time is hereinafter sometimes referred to as the "Warrant Shares." The exercise price of a share of Common Stock in effect at any time and as adjusted from time to time is hereinafter sometimes referred to as the "Per Share Exercise Price." The Per Share Exercise Price is subject to adjustment as hereinafter provided; in the event of any such adjustment, the number of Warrant Shares shall be adjusted by dividing the Aggregate Exercise Price by the Per Share Exercise Price in effect immediately after such adjustment. The Aggregate Exercise Price is not subject to adjustment.

1. Exercise of Warrant.

(a) The Holder may exercise this Warrant in whole or in part, at any time commencing upon the Exercise Date and prior to the Termination Date as follows:

(i) by presentation and surrender of this Warrant (with the subscription form at the end hereof duly executed) at the address set forth in Subsection 8(a) hereof, together with payment, by certified or official bank check payable to the order of the Company, of the Aggregate Exercise Price or the proportionate part thereof if exercised in part.

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

(ii) by the surrender of this Warrant (with the cashless exercise form at the end hereof duly executed) (a "Cashless Exercise") at the address set forth in Section 8(a) hereof. Such presentation and surrender shall be deemed a waiver of the Holder's obligation to pay the Aggregate Exercise Price, or the proportionate part thereof if this Warrant is exercised in part. In the event of a Cashless Exercise, the Holder shall exchange its Warrant for that number of Warrant Shares subject to such Cashless Exercise multiplied by a fraction, the numerator of which shall be the difference between (A) the last sale price of the Common Stock on the trading day prior to such date or, in case no such reported sales take place on such day, the average of the last reported bid and asked prices of the Common Stock on such day, in either case on the principal national securities exchange on which the Common Stock is admitted to trading or listed, or if not listed or admitted to trading on any such exchange, the representative closing sale price of the Common Stock as reported by the National Association of Securities Dealers, Inc. Automated Quotations System ("NASDAQ"), or other similar organization if NASDAQ is no longer reporting such information, or, if the Common Stock is not reported on NASDAQ, the high per share sale

Page 26 of 35

price for the Common Stock in the over-the-counter market as reported by the National Quotation Bureau or similar organization, or if not so available, the fair market value of the Common Stock as determined in good faith by the Board of Directors (the "Current Market Price") and (B) the Per Share Exercise Price, and the denominator of which shall be the then Current Market Price. For purposes of any computation under this Section 1(a), the then Current Market Price shall be based on the trading day immediately prior to the Cashless Exercise.

(b) If this Warrant is exercised in part only, the Company shall, upon presentation of this Warrant upon such exercise, execute and deliver (along with the certificate for the Warrant Shares purchased) a new Warrant evidencing the rights of the Holder hereof to purchase the balance of the Warrant Shares purchasable hereunder upon the same terms and conditions as herein set forth. Upon proper exercise of this Warrant, the Company promptly shall deliver certificates for the Warrant Shares to the Holder duly legended as authorized by the subscription form. No fractional shares or scrip representing fractional shares shall be issued upon exercise of this Warrant; provided that the Company shall pay to the holders of the Warrant cash in lieu of such fractional shares.

2. Reservation of Warrant Shares; Fully Paid Shares; Taxes. The Company hereby represents that it has, and until expiration of this Warrant agrees that it shall, reserve for issuance or delivery upon exercise of this Warrant, such number of shares of the Common Stock as shall be required for issuance and/or delivery upon exercise of this Warrant in full, and agrees that all Warrant Shares so issued and/or delivered will be validly issued, fully paid and non-assessable, and further agrees to pay all taxes and charges that may be imposed upon such issuance and/or delivery.

3. Protection Against Dilution.

(a) In the event the Company shall, at any time or from time to time after the date of issuance of this Warrant, issue or distribute to all of the holders of its shares of Common Stock evidence of its indebtedness, any other securities of the Company or any cash, property or other assets (any such event being herein called a "Special Dividend"), the Per Share Exercise Price shall be adjusted by multiplying the Per Share Exercise Price then in effect by a fraction, the numerator of which shall be the then Current Market Price (as

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

defined in paragraph 3(k) below) of the Common Stock, less the Current Market Price of the Special Dividend issued or distributed in respect of one share of Common Stock, and the denominator of which shall be the Current Market Price of the Common Stock. Such adjustment shall be made successively whenever such a record date is fixed. Such adjustment shall be made whenever any such distribution is made and shall become effective immediately after the record date for the determination of shareholders entitled to receive such distribution.

(b) In case the Company shall hereafter (i) pay a dividend or make a distribution on its capital stock in shares of Common Stock, (ii) subdivide its outstanding shares of Common Stock into a greater number of shares, (iii) combine its outstanding shares of Common Stock into a smaller number of shares or (iv) issue by reclassification of its Common Stock any shares of capital stock of the Company, the Per Share Exercise Price shall be adjusted to be equal to a fraction, the numerator of which shall be the Aggregate Exercise Price and the denominator of which shall be the number of shares of Common Stock or other capital stock of the Company issuable upon exercise of this Warrant assuming this Warrant had been exercised immediately prior to such action. An adjustment made pursuant to this subsection 3(b) shall become effective immediately after the record date in the case of a dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or reclassification.

(c) (i) Except as provided in subsections 3(a) and 3(b) (i), in the event the Company shall hereafter issue or sell any Common Stock, any securities convertible into Common Stock or any rights, options or warrants to purchase Common Stock or securities convertible into Common Stock, in each case for a price per share or entitling the holders thereof to purchase Common Stock at a price per share (determined by dividing (i) the total amount, if any, received or receivable by the Company in consideration of the issuance or sale of such securities plus the consideration, if any, payable to the Company upon exercise or conversion thereof (collectively, the "Total Consideration") by (ii) the number of additional shares of Common Stock issued, sold or issuable upon exercise or conversion of such securities) which is less than the then Current Market Price of the Common Stock (as defined below) but not below the current Per Share Exercise Price (which event is governed by subsection 3(c) (ii)), the Per Share Exercise Price shall be adjusted as of the date of such issuance or sale by multiplying the Per Share Exercise

Page 27 of 35

Price then in effect by a fraction, the numerator of which shall be (x) the sum of (A) the number of shares of Common Stock outstanding on the record date of such issuance or sale plus (B) the Total Consideration divided by the Current Market Price of the Common Stock, and the denominator of which shall be (y) the number of shares of Common Stock outstanding on the record date of such issuance or sale plus the maximum number of additional shares of Common Stock issued, sold or issuable upon exercise or conversion of such securities.

(c) (ii) Except as provided in subsection 3(a) and 3(b) (i), in the event the Company shall hereafter issue or sell any Common Stock, any securities convertible into Common Stock or any rights, options or warrants to purchase Common Stock or securities convertible into Common Stock, in each case for a price per share or entitling the holders thereof to purchase Common Stock at a price per share (the "Issue Price"), (determined by dividing (i) the Total Consideration by (ii) the number of additional shares of Common Stock issuable upon exercise or conversion of such securities) which is less than the then current Per Share Exercise Price in effect on the record date of such issuance, the Per Share Exercise Price shall be adjusted to equal the Issue Price.

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

(d) In the event of any capital reorganization or reclassification, or any consolidation or merger to which the Company is a party other than a merger or consolidation in which the Company is the continuing corporation, or in case of any sale or conveyance to another entity of the property of the Company as an entirety or substantially as an entirety, or in the case of any statutory exchange of securities with another corporation (including any exchange effected in connection with a merger of a third corporation into the Company), the Holder of this Warrant shall have the right thereafter to receive on the exercise of this Warrant the kind and amount of securities, cash or other property which the Holder would have owned or have been entitled to receive immediately after such reorganization, reclassification, consolidation, merger, statutory exchange, sale or conveyance had this Warrant been exercised immediately prior to the effective date of such reorganization, reclassification, consolidation, merger, statutory exchange, sale or conveyance and in any such case, if necessary, appropriate adjustment shall be made in the application of the provisions set forth in this Section 3 with respect to the rights and interests thereafter of the Holder of this Warrant to the end that the provisions set forth in this Section 3 shall thereafter correspondingly be made applicable, as nearly as may reasonably be, in relation to any shares of stock or other securities or property thereafter deliverable on the exercise of this Warrant. The above provisions of this subsection 3(e) shall similarly apply to successive reorganizations, reclassifications, consolidations, mergers, statutory exchanges, sales or conveyances. The issuer of any shares of stock or other securities or property thereafter deliverable on the exercise of this Warrant shall be responsible for all of the agreements and obligations of the Company hereunder. Notice of any such reorganization, reclassification, consolidation, merger, statutory exchange, sale or conveyance and of said provisions so proposed to be made, shall be mailed to the Holders of the Warrants not less than 30 days prior to such event. A sale of all or substantially all of the assets of the Company for a consideration consisting primarily of securities shall be deemed a consolidation or merger for the foregoing purposes.

(e) In case any event shall occur as to which the other provisions of this Section 3 are not strictly applicable but as to which the failure to make any adjustment would not fairly protect the purchase rights represented by this Warrant in accordance with the essential intent and principles hereof then, in each such case, the Holders of Warrants representing the right to purchase a majority of the Warrant Shares subject to all outstanding Warrants may appoint a firm of independent public accountants of recognized national standing reasonably acceptable to the Company, which shall give their opinion as to the adjustment, if any, on a basis consistent with the essential intent and principles established herein, necessary to preserve the purchase rights represented by the Warrants. Upon receipt of such opinion, the Company will promptly mail a copy thereof to the Holder of this Warrant and shall make the adjustments described therein. The fees and expenses of such independent public accountants shall be borne by the Company.

(f) Whenever the Per Share Exercise Price payable upon exercise of each Warrant is adjusted pursuant to this Section 3, the number of shares of Common Stock underlying a Warrant shall simultaneously be adjusted to equal the number obtained by dividing the Aggregate Exercise Price by the adjusted Per Share Exercise Price.

(g) No adjustment in the Per Share Exercise Price shall be required unless such adjustment would require an increase or decrease of at least \$0.005 per share of Common Stock; provided, however, that any adjustments which by

Edgar Filing: FLEMINGTON PHARMACEUTICAL CORP - Form SC 13D

reason of this subsection 3(g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 3 shall be made to the nearest cent or to the nearest 1/100th of a share, as the case may be. (h) Whenever the Per Share Exercise Price is adjusted as provided in this Section 3 and upon any modification of the rights of a Holder of Warrants in accordance with this Section 3, the Company shall promptly obtain, at its expense, a certificate of a firm of independent public accountants of recognized standing selected by the Board of Directors (who may be the regular auditors of the Company) setting forth the Per Share Exercise Price and the number of Warrant Shares after such adjustment or the effect of such modification, a brief statement of the facts requiring such adjustment or modification and the manner of computing the same and cause copies of such certificate to be mailed to the Holders of the Warrants.
