Item 1.01. Entry into a Material Definitive Agreement

On February 14, 2008, SunCom Wireless, Inc. ("SunCom"), our wholly-owned subsidiary, successfully completed a consent solicitation related to its outstanding 8 1/2% senior notes due 2013 (the "Notes"). SunCom was soliciting consents to amend certain provisions of the indenture governing the Notes. The consent solicitation expired at 5:00 pm New York City time on February 14, 2008, and at that time SunCom had received consents to the proposed amendments from a majority in principal amount of Notes (other than Notes disregarded in accordance with the terms of the indenture governing the Notes). A copy of SunCom's press release announcing completion of the consent solicitation is attached to this report as Exhibit 99.1.

On February 15, 2008, SunCom and the indenture trustee signed a supplemental indenture giving effect to the amendments. The amendments to the indenture governing the Notes eliminate substantially all the existing requirements for SunCom to provide periodic reports and financial statements. The amendments also limit SunCom's compliance certificate obligations to the requirements set forth in the Trust Indenture Act. However, under the terms of the supplemental indenture, the amendments will not be operative until the merger between SunCom Wireless Holdings, Inc. and a wholly-owned subsidiary of T-Mobile USA, Inc. is closed and the consent payment is made to eligible holders.

SunCom Wireless Receives Requisite Consents in Consent Solicitation and
Amends Indenture Governing its 8 1/2% Senior Notes Due 2013

BERWYN, Pa (February 15, 2008) - SunCom Wireless, Inc. ("SunCom"), a wholly-owned subsidiary of SunCom Wireless Holdings, Inc. ("SunCom Holdings"), today announced that it had received, as of 5:00 p.m., New York City time, on February 14, 2008 (the "Expiration Time") consents from holders of approximately \$686,515,000 (representing receipt of consents from a majority of the principal amount held by holders other than certain significant holders that SunCom has chosen to treat as affiliates for purposes of the consent solicitation) (the "Requisite Consents") of SunCom's outstanding 8 1/2% Senior Notes due 2013 (the "Notes") pursuant to its previously announced consent solicitation for the Notes. SunCom has notified The Bank of New York, trustee

Edgar Filing: SUNCOM WIRELESS HOLDINGS, INC. - Form 8-K

under the indenture governing the Notes, that it has received the Requisite Consents (the "Trustee Notification"), terminating the revocation rights of holders who had delivered their consents prior to the Trustee Notification.

As a result of the receipt of the Requisite Consents, SunCom entered into a supplemental indenture incorporating the proposed amendments. The supplemental indenture provides that, upon the closing of the proposed merger between SunCom Holdings and a wholly-owned subsidiary of T-Mobile USA, Inc. (the "Merger") and the payment by SunCom of the consent payment to holders of Notes who validly delivered (and did not revoke) their consent prior to the Expiration Time, substantially all the existing requirements will be eliminated for SunCom to provide periodic reports and financial statements and SunCom's compliance certificate obligations will be limited to the requirements set forth in the Trust Indenture Act.

Upon the consummation of the Merger and other conditions described in the consent solicitation statement being met or waived, SunCom will promptly pay a consent payment to each holder who delivered (and did not validly revoke) a consent prior to the Expiration Time. The consent payment will be in the amount of \$1.00 for each \$1,000 principal amount of Notes with respect to which such holder validly delivered a consent.

Citi acted as solicitation agent and Global Bondholder Services acted as the information agent and tabulation agent for the consent solicitation.

This press release is for informational purposes only and is not a solicitation of consent with respect to the Notes. The consent solicitation was made solely pursuant to the consent solicitation statement and the related consent form, which set forth the complete terms of the consent solicitation.

SunCom is a provider of digital wireless communications services in the southeastern United States, Puerto Rico and the U.S. Virgin Islands.

Forward-Looking Statements

This press release includes "forward-looking statements" that reflect our current views as to future results and events with respect to the expected completion and timing of the Merger and other information relating to the consent solicitation and the Merger. These statements can be identified by the fact that they do not relate strictly to historical or current facts. You should be aware that forward-looking statements involve known and unknown risks and uncertainties. Although SunCom believes that the expectations reflected in these forward-looking statements are reasonable, SunCom cannot assure you that the actual developments or results we anticipate will be realized, or even if realized, that they will have the expected effects on the consent solicitation, the Merger and related transactions. These forward-looking statements speak only as of the date of this release and SunCom undertakes no obligation to update or revise any forward-looking statements made in this press release or elsewhere as a result of new information, future events or otherwise, except as required by law. In addition to other factors and matters contained in this document, we believe the following factors could cause actual events and results to differ materially from those discussed in the forward-looking statements:

Edgar Filing: SUNCOM WIRELESS HOLDINGS, INC. - Form 8-K

- o the outcome of any legal proceedings that have been or may be instituted against SunCom, SunCom Holdings and others relating to the consent solicitation or the Merger;
- o the inability to complete the Merger due to the failure to satisfy any remaining conditions to consummation of the Merger;
- o the failure of the Merger to be completed for any other reason;
- o the risk that the proposed transaction disrupts current plans and operations and/or results in difficulties in employee retention;
- o the amount of the costs, fees, expenses and charges related to the Merger;
- o the timing of the completion of the Merger or the impact of the Merger on our capital resources, profitability, cash requirements, management resources and liquidity;
- o risks and uncertainties relating to our business (including our ability to achieve strategic goals, objectives and targets over applicable periods), industry performance, the regulatory environment, general business and economic conditions; and
- o other risks and uncertainties detailed in our filings with the Securities and Exchange Commission, including our most recent filings on Forms 10-Q and Form 10-K.

The foregoing list and the risks reflected in our filings with the SEC should not be construed to be exhaustive. SunCom believes the forward-looking statements in this press release are reasonable; however, there is no assurance that the actions, events or results of the forward-looking statements will occur or, if any of them do, what impact they will have on the consent solicitation or the Merger.
