The forward-looking statements in this Annual Report on Form 10-KSB for the fiscal year ended December 31, 2002, involve known and unknown risks, uncertainties and other factors that could the cause actual results, performance or achievements of the Company to differ materially from those expressed in or implied by the forward-looking statements contained herein.

PART I.

ITEM 1. DESCRIPTION OF BUSINESS

Overview:

Shopss.com, Inc., a Utah corporation, changed its name to AccessTel, Inc. (the "Company") effective February 16, 2001, in conjunction with the acquisition of AccessTel, Inc., a Delaware corporation ("AccessTel"), in a reverse merger transaction effective December 18, 2000.

Effective December 18, 2000, the Company entered into a Share Exchange Agreement with AccessTel and the shareholders of AccessTel pursuant to which the Company acquired all of the shares of AccessTel in exchange for 22,418,980 shares of common stock, which represented 80% of the issued and outstanding shares of common stock of the Company after giving effect to the transaction. An additional 13,681,560 shares of common stock were reserved for issuance under the Company's stock option plan. At the closing of this transaction, the existing officers and directors of the Company resigned, and new officers and directors were appointed.

Litigation to rescind this transaction was subsequently commenced on May 1, 2001, and a receiver was appointed on May 3, 2001.

The information contained herein is based on the information available to the receiver, but due to the commencement of litigation and the appointment of a receiver, such information may not be complete or accurate. Information provided herein is given to the best knowledge of the receiver, and where it is indicated herein that "management believes" or similar references to management's knowledge, this information is provided to the best knowledge of the receiver, and not management.

The financial statements for the years ended December 31, 2001 and 2002, exclude the operations of AccessTel. The balance sheets as of December 31, 2001 and 2002, include the assets and liabilities of Shopss.com, Inc.'s operations and excludes the assets and liabilities of AccessTel's operations due to the rescission litigation.

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company has suffered recurring losses, has no operations and has a deficiency in working capital and shareholders' equity at December 31, 2001 and 2002. These factors raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. The Company's independent certified public accountants have included a modification paragraph in their report on the Company's financial statements for the year ended December 31, 2002, with respect to this matter.

The Company is currently insolvent and has no business operations. The Company's current efforts are focused on maintaining the corporate entity and pursuing litigation against former members of management. As a result of the matters described herein, the Company may have to file for protection under the United States Bankruptcy Code. Accordingly, there can be no assurances that the Company will be able to continue in existence.

Developments during 2001 and 2002:

On May 1, 2001, Reed & Wangsgard, L.C. (formerly Droz, Reed & Wangsgard, L.C.) filed suit in the Third Judicial District Court of Salt Lake County, State of Utah (the "Court"), Civil No. 010903821 (the "Action"), to assert claims, on behalf of its clients, prior management of the Company, against AccessTel and the original shareholders of AccessTel. The complaint in the Action demanded rescission of the Share Exchange Agreement, and alleged that the Company was induced to enter into the Share Exchange Agreement through a series of false representations made by AccessTel and its shareholders. The complaint also included alternative causes of actions for fraud, conversion, injunctive relief, and the issuance of a Writ of Replevin.

On May 3, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable Raymond Uno, Judge of the Court, issued an Order appointing Leonard W. Burningham, Esq., a member of the Utah State Bar, as receiver for the Company. Pursuant to such Order, the receiver was and is authorized to prepare and file reports with the Securities and Exchange Commission.

On May 16, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Temporary Restraining Order prohibiting the transfer of any shares of common stock issued by AccessTel and/or Shopss.com, Inc. which were issued in the name of any defendant (other than the transfer agent) or held for the benefit of any such defendant.

On May 27, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Preliminary Injunction enjoining Atlas Stock Transfer Company from registering the transfer of, or reissuing, any shares of common stock issued by the Company and/or Shopss.com, Inc. which were issued in the name of any defendant (other than Atlas Stock Transfer Company) or are held for the benefit of any defendant to the suit.

On January 17, 2002, Reed & Wangsgard, L.C. received written confirmation from an agent of the Board of Directors of the Company that said Board of Directors have come to a unanimous decision to settle the claim for rescission of the Share Exchange Agreement by rescinding the Share Exchange Agreement. However, the Board of Directors of the Company failed and/or refused to follow through with their agreement to rescind the Share Exchange Agreement. As a result, Reed & Wangsgard, L.C. filed a Motion to Enforce Settlement with respect to the agreement to rescind the Share Exchange Agreement.

During February 2002, pursuant to the motion of counsel for AccessTel and the original shareholders of AccessTel, the Honorable L.A. Dever, Judge of the Court, issued an order limiting the Court's jurisdiction over certain of the

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

defendants to the Action. As a result, the Court continued to have jurisdiction over the corporate defendants and through it, plaintiffs may assert claims arising from the allegedly wrongful conduct of former members of management.

Developments Subsequent to December 31, 2002:

On May 1, 2003, a settlement was reached between the remaining parties to the Action. The material terms of the settlement include the requirement that the corporate defendants surrender all right, title and interest in and to those shares of common stock of the Company issued to them pursuant to the Share Exchange Agreement, and that all members of management of the Company that had been designated to serve as directors and executive officers of the Company at the closing of the Share Exchange Agreement resign from their respective management positions. As a result of the settlement, on May 6, 2003, prior management of the Company that had filed the complaint, caused to be filed with the Court a Motion to Dismiss the complaint, which has not yet been granted. Subject to the granting of the Motion to Dismiss the complaint, of the 16,718,763 shares issued to the corporate defendants, 11,356,782 of the surrendered shares have been delivered to counsel for prior management of the Company and will be duly canceled and returned to the authorized but unissued common stock of the Company, and 5,361,981 shares will be transferred to a private third party unrelated to the AccessTel parties pursuant to a confidential settlement of a separate legal action involving a legal debt owed by one of the AccessTel parties to the private third party. The current officers and directors of the Company resigned, and David C. Merrell, a former director and executive officer of the Company, was appointed as an interim officer and director of the Company. See the Company's 8-K Current Report dated May 6, 2003, which has been previously filed with the Securities and Exchange Commission. See Part III, Item 13.

Prospective Business Activities:

The Company's plan of operation subsequent to the settlement of the aforementioned litigation is to: (i) consider guidelines of industries in which the Company may have an interest; (ii) adopt a business plan regarding engaging in the business of any selected industry; and (iii) commence such operations through funding and/or the acquisition of a "going concern" engaged in any industry selected.

The Company is not currently engaged in any substantive business activity and has no commitment to engage in any such activity in the foreseeable future. In our present form, the Company may be deemed to be a vehicle to acquire or merge with a business or company. The commencement of any business opportunity will be preceded by the consideration and adoption of a business plan by the Board of Directors. The Company does not intend to restrict its search to any particular business or industry, and the areas in which it will seek out particular business opportunities or acquisitions, reorganizations or mergers may include, but will not be limited to, the fields of high technology, manufacturing, natural resources, service, research and development, communications, transportation, insurance, brokerage, finance and medically related fields, among others. The Company recognizes that the number of suitable potential business ventures that may be available to the Company may be extremely limited, and may be restricted to entities that desire to avoid what these entities may deem to be the adverse factors related to an initial public offering. The most prevalent of these factors include substantial time requirements, legal and accounting costs, the inability to obtain an underwriter who is willing to publicly offer and sell shares, the lack of or the inability to obtain the required financial statements for such an undertaking, limitations on the amount of dilution to public investors in comparison to the stockholders of any such entities, along with other conditions or requirements imposed by various federal and state securities

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

laws, rules and regulations. Any of these types of transactions, regardless of the prospects, would require the Company to issue a substantial number of shares of common stock, usually amounting to between 80% and 95% of the outstanding shares following the completion of any such transaction; accordingly, investments in any such private enterprise, if available, would be much more favorable than any investment in the Company.

Management intends to consider a number of factors prior to making any decision as to whether to participate in any specific business endeavor, none of which may be determinative or provide any assurance of success. These may include, but will not be limited to an analysis of the quality of the entity's management personnel; the anticipated acceptability of any new products or marketing concepts; the merit of technological changes; its present financial condition, projected growth potential and available technical, financial and managerial resources; its working capital, history of operations and future prospects; the nature of its present and expected competition; the quality and experience of its management services and the depth of its management; its potential for further research, development or exploration; risk factors specifically related to its business operations; its potential for growth, expansion and profit; the perceived public recognition or acceptance of its products, services, trademarks and name identification; and numerous other factors which are difficult, if not impossible, to properly or accurately analyze, let alone describe or identify, without referring to specific objective criteria.

The results of operations of any specific entity may not necessarily be indicative of what may occur in the future, by reason of changing market strategies, plant or product expansion, changes in product emphasis, future management personnel and changes in innumerable other factors. Furthermore, in the case of a new business venture or one that is in a research and development mode, the risks will be substantial, and there will be no objective criteria to examine the effectiveness or the abilities of its management or its business objectives. In addition, a firm market for its products or services may yet need to be established, and with no past track record, the profitability of any such entity will be unproven and cannot be predicted with any certainty.

Management will attempt to meet personally with management and key personnel of the entity sponsoring any business opportunity afforded to the Company, visit and inspect material facilities, obtain independent analysis or verification of information provided and gathered, check references of management and key personnel and conduct other reasonably prudent measures calculated to ensure a reasonably thorough review of any particular business opportunity; however, due to time constraints of time and resources, these activities may be limited.

The Company is unable to predict the time as to when and if it may actually participate in any specific business endeavor. The Company anticipates that proposed business ventures will be made available to it through personal contacts of directors, executive officers and principal stockholders, professional advisors, securities broker-dealers, venture capital personnel, members of the financial community and others who may present unsolicited proposals. In certain cases, the Company may agree to pay a finder's fee or to otherwise compensate the persons who submit a potential business endeavor in which the Company eventually participates. Such persons may include the directors, executive officers and beneficial owners of the Company's securities or their affiliates. In this event, such fees may become a factor in negotiations regarding any potential venture and, accordingly, may present a conflict of interest for such individuals. Management does not presently intend to acquire or merge with any business enterprise in which any member has a prior ownership interest.

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

Although the Company currently has no plans to do so, depending on the nature and extent of services rendered, it may compensate members of management in the future for services that they may perform for the Company. Because the Company currently has extremely limited resources, and it is unlikely to have any significant resources until it has determined a business or enterprise to engage in or has completed a merger or acquisition, management expects that any such compensation would take the form of an issuance of the Company's common stock to these persons; this would have the effect of further diluting the holdings of the Company's other stockholders. There are presently no preliminary agreements or understandings between the Company and members of management respecting such compensation.

Substantial fees are often paid in connection with the completion of acquisitions, reorganizations or mergers. These fees are usually divided among promoters or founders, and it is not unusual for a portion of these fees to be paid to members of management or to principal stockholders as consideration for their agreement to retire a portion of the shares of common stock owned by them. Management may actively negotiate or otherwise consent to the purchase of all or any portion of their common stock as a condition to, or in connection with, a proposed reorganization, merger or acquisition. It is not anticipated that any such opportunity will be afforded to other stockholders or that such stockholders will be afforded the opportunity to approve or consent to any particular stock buy-out transaction. In the event that such fees are paid, they may become a factor in negotiations regarding any potential acquisition by the Company and, accordingly, may also present a conflict of interest for such individuals. The Company has no present arrangements or understandings respecting any of these types of fees or opportunities. The Company's directors and executive officers have not used any particular consultants, advisors or finders on a regular basis.

None of the Company's directors, executive officers, founders, or their affiliates or associates, has had any negotiations with any representatives of the owners of any business or company regarding the possibility of an acquisition, reorganization, merger or other business opportunity for the Company; nor are there any similar arrangements with the Company.

History of the Company:

Immediately prior to October 27, 1999, the Company was an inactive public company. Effective October 27, 1999, pursuant to an Asset Purchase Agreement, the Company purchased from OSCM - OneStop.com, Inc., a Florida corporation ("OSCM"), an 80% ownership interest in CCM, all rights to an option to purchase the remaining 20% ownership interest in CCM, and all assets relating to the Shopss.com virtual shopping mall owned by OSCM, including all software, web-sites, and related technology, customers and customer lists, patents, trademarks and trade names. In exchange for the acquired assets, the Company issued to OSCM 12,000,000 shares of its common stock, which represented approximately 60% of its outstanding shares of common stock after giving effect to the transaction. The Company also agreed to assume the liabilities relating to the Shopss.com business as recorded on the financial statements of OSCM and the liabilities relating to the option of the stockholders of CCM to require OSCM to purchase the remaining 20% interest in CCM. Pursuant to a subsequent agreement in principle between the Company and OSCM, clarifications were made to the effect that none of the assets relating to the Shopss.com virtual shopping mall would include any of the assets or liabilities relating to the virtual shopping mall operated by a subsidiary of OSCM in Israel, any obligation of the Company to pay cash for the assets acquired from OSCM was cancelled, the holdings of OSCM in the Company were decreased by canceling 11,000,000 shares of common stock owned by OSCM, the Company issued a warrant to OSCM to purchase 3,000,000 shares of common stock at \$5.00 per share for a period of two years, and the Company agreed to cancel all amounts due from OSCM to the Company aggregating approximately \$1,600,000. Immediately after

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

the closing of the Asset Purchase Agreement, the Company effected a 5.435034 forward split of its common stock.

After the closing of the Asset Purchase Agreement, the Company relied on OSCM for a substantial portion of its working capital and provided OSCM with computers and other equipment. As a result of certain financial difficulties experienced by OSCM, OSCM was unable to provide working capital to the Company and was also unable to pay the Company for the equipment which the Company had delivered to OSCM and its affiliated entities. As a result of these financial difficulties, the Company ceased operations and became insolvent, sold or wrote-off its operating assets, and terminated all of its employees during the three months ended June 30, 2000.

Effective December 18, 2000, the Company entered into a Share Exchange Agreement with AccessTel and the shareholders of AccessTel pursuant to which the Company acquired all of the shares of AccessTel in exchange for 22,418,980 shares of common stock, which represented 80% of the issued and outstanding shares of common stock of the Company after giving effect to the transaction. An additional 13,681,560 shares of common stock were reserved for issuance under the Company's stock option plan. At the closing of this transaction, the existing officers and directors of the Company resigned, and new officers and directors were appointed.

On January 16, 2001, the Board of Directors of the Company unanimously adopted and a majority of the shareholders approved a stock option plan that provides for the issuance of up to 20,000,000 shares of common stock of the Company.

On January 24, 2001, the Board of Directors of the Company unanimously adopted and a majority of the shareholders approved an amendment to the Articles of Incorporation to increase the total authorized number of shares of capital stock from 50,000,000 to 120,000,000, of which 100,000,000 shares are common stock and 20,000,000 shares are preferred stock.

On February 16, 2001, the Company filed Articles of Amendment to its Articles of Incorporation with the State of Utah to change the name of the Company from Shopss.com, Inc. to AccessTel, Inc., and to increase the Company's equity capitalization to 100,000,000 shares of common stock and 20,000,000 shares of preferred stock.

ITEM 2. DESCRIPTION OF PROPERTY

As of December 31, 2002, the Company did not own or lease any property.

ITEM 3. LEGAL PROCEEDINGS

On May 1, 2001, Reed & Wangsgard, L.C. (formerly Droz, Reed & Wangsgard, L.C.) filed suit in the Third Judicial District Court of Salt Lake County, State of Utah (the "Court"), Civil No. 010903821 (the "Action"), to assert claims, on behalf of its clients, prior management of the Company, against AccessTel and the original shareholders of AccessTel. The complaint in the Action demands rescission of the Share Exchange Agreement, and alleges that the Company was induced to enter into the Share Exchange Agreement through a series of false representations made by AccessTel and its shareholders. The complaint also includes alternative causes of actions for fraud, conversion, injunctive relief, and the issuance of a Writ of Replevin.

On May 3, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable Raymond Uno, Judge of the Court, issued an Order appointing Leonard W. Burningham, Esq., a member of the Utah State Bar, as receiver for the Company. Pursuant to such Order, the receiver is authorized to prepare and file reports with the Securities and Exchange Commission.

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

On May 16, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Temporary Restraining Order prohibiting the transfer of any shares of common stock issued by AccessTel and/or Shopss.com, Inc. which were issued in the name of any defendant (other than the transfer agent) or held for the benefit of any such defendant.

On May 27, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Preliminary Injunction enjoining Atlas Stock Transfer Company from registering the transfer of, or reissuing, any shares of common stock issued by the Company and/or Shopss.com, Inc. which were issued in the name of any defendant (other than Atlas Stock Transfer Company) or are held for the benefit of any defendant to the suit.

On January 17, 2002, Reed & Wangsgard, L.C. received written confirmation from an agent of the Board of Directors of the Company that said Board of Directors have come to a unanimous decision to settle the claim for rescission of the Share Exchange Agreement by rescinding the Share Exchange Agreement. However, the Board of Directors of the Company failed and/or refused to follow through with their agreement to rescind the Share Exchange Agreement. As a result, Reed & Wangsgard, L.C. filed a Motion to Enforce Settlement with respect to the agreement to rescind the Share Exchange Agreement.

During February 2002, pursuant to the motion of counsel for AccessTel and the original shareholders of AccessTel, the Honorable L.A. Dever, Judge of the Court, issued an order limiting the Court's jurisdiction over certain of the defendants to the Action. As a result, the Court continued to have jurisdiction over the corporate defendants and through it, plaintiffs may assert claims arising from the allegedly wrongful conduct of current management.

On May 1, 2003, a settlement was reached between the remaining parties to the Action. The material terms of the settlement include the requirement that the corporate defendants surrender all right, title and interest in and to those shares of common stock of the Company issued to them pursuant to the Exchange Agreement, and that all members of management of the Company that had been designated to serve as directors and executive officers of the Company at the closing of the Exchange Agreement resign from their respective management positions. As a result of the settlement, on May 6, 2003, prior management of the Company that had filed the complaint, caused to be filed with the Court a Motion to Dismiss the complaint. Subject to the granting of the Motion to Dismiss the complaint, of the 16,718,763 shares issued to the corporate defendants, 11,356,782 of the surrendered shares have been delivered to counsel for prior management of the Company and will be duly canceled and returned to the authorized but unissued common stock of the Company, and 5,361,981 shares will be transferred to a private third party unrelated to the AccessTel parties pursuant to a confidential settlement of a separate legal action involving a legal debt owed by one of the AccessTel parties to the private third party. The current officers and directors of the Company resigned, and David C. Merrell, a former director and executive officer of the Company, was appointed as an interim officer and director of the Company.

Lawrence Liang, the Company's Chief Executive Officer, President and a director, and Stuart Bockler, the Company's Chief Financial Officer, Secretary and a director as of December 31, 2002, were named as defendants in the Complaint, and resigned as officers and directors of the Company effective April 24, 2003.

The financial statements for the years ended December 31, 2001 and 2002, exclude the operations of AccessTel. These advances have been used to fund general and administrative expenses, consisting primarily of legal and accounting fees. There can be no assurances that the shareholder will continue to make such advances to or on

INDEPENDENT AUDITORS' REPORT

Shareholders and Directors
AccessTel, Inc.

We have audited the accompanying balance sheets of AccessTel, Inc. as of December 31, 2002 and 2001, and the related statements of operations, shareholders' deficiency and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AccessTel, Inc. as of December 31, 2002 and 2001, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company has suffered from recurring losses from operations, including net losses of \$169,601 and \$259,677 for the years ended December 31, 2002 and 2001, respectively, and had a deficit in working capital and a deficiency in stockholders' equity as of December 31, 2002. These factors raise substantial doubt the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

On May 1, 2001, the Company was sued by the former shareholders of Shopss.com, Inc., which had been merged with the Company on December 18, 2000 as described at Note 1. The complaint alleged that AccessTel, Inc. and its former shareholders made false representations, inducing Shopss.com, Inc. to enter into the merger. The complaint demanded rescission. On May 3, 2001, the Court issued an order appointing a receiver for the Company to perform certain duties. This litigation was resolved during May 2003. The financial statements as of December 31, 2002 and 2001 and for the years then ended include the assets and liabilities of Shopss.com, Inc.'s operations and exclude the assets and liabilities of AccessTel, Inc.'s operations due to the rescission litigation.

ACCESSTEL, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2002 AND 2001

1. Business

Shopss.com, Inc., a Utah corporation, changed its name to AccessTel, Inc. (the "Company") effective February 16, 2001, in conjunction with the acquisition of AccessTel, Inc., a Delaware corporation ("AccessTel"), in a reverse merger transaction effective December 18, 2000.

Effective December 18, 2000, the Company entered into a Share Exchange Agreement with AccessTel and the shareholders of AccessTel pursuant to which the Company acquired all of the shares of AccessTel in exchange for 22,418,980 shares of common stock, which represented 80% of the issued and outstanding shares of common stock of the Company after giving effect to the transaction. An additional 13,681,560 shares of common stock were reserved for issuance under the Company's stock option plan. At the closing of this transaction, the existing officers and directors of the Company resigned, and new officers and directors were appointed.

Litigation to rescind this transaction was subsequently commenced on May 1, 2001, and a receiver was appointed on May 3, 2001.

The information contained herein is based on the information available to the receiver, but due to the commencement of litigation and the appointment of a receiver, such information may not be complete or accurate. Information provided herein is given to the best knowledge of the receiver, and where it is indicated herein that "management believes" or similar references to management's knowledge, this information is provided to the best knowledge of the receiver, and not management.

The financial statements for the years ended December 31, 2001 and 2002 exclude the operations of AccessTel. The balance sheets as of December 31, 2001 and 2002 include the assets and liabilities of Shopss.com, Inc.'s

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

operations and excludes the assets and liabilities of AccessTel's operations due to the rescission litigation.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company has suffered recurring losses, has no operations and has a deficiency in working capital and shareholders' equity at December 31, 2001 and 2002. These factors raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. The Company's independent certified public accountants have included a modification paragraph in their report on the Company's financial statements for the year ended December 31, 2002 with respect to this matter.

The Company is currently insolvent and has no business operations. The Company's current efforts are focused on maintaining the corporate entity and pursuing litigation against management. As a result of the matters described herein, the Company may have to file for protection under the United States Bankruptcy Code. Accordingly, there can be no assurances that the Company will be able to continue in existence.

2. Summary of Significant Accounting Principles

Cash and Cash Equivalents

The Company classifies highly liquid temporary investments with an original maturity of three months or less when purchased as cash equivalents.

Property and Equipment

Property and equipment are stated at cost. Maintenance and repairs are charged to expenses as incurred. Depreciation is provided for over the estimated useful lives of the individual assets using the straight-line method.

Fair Value of Financial Instruments

The carrying amounts reported in the balance sheet for cash, receivables, and accrued expenses approximate fair value based on the short-term maturity of these instruments.

Stock-Based Compensation

SFAS No. 123, "Accounting for Stock-Based Compensation", establishes a fair value method of accounting for stock-based compensation plans and for transactions in which an entity acquires goods or services from non-employees in exchange for equity instruments. SFAS No. 123 also encourages, but does not require, companies to record compensation cost for stock-based employee compensation. The Company has chosen to continue to account for stock-based compensation utilizing the intrinsic value method prescribed in Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees", with pro forma disclosures of net income (loss) as if the fair value method had been applied. Accordingly, compensation cost for stock options is measured as the excess, if any, of the fair market price of the Company's common stock at the date of grant over the amount an employee must pay to acquire the stock.

Comprehensive Income

The Company has adopted SFAS No. 130, "Reporting Comprehensive Income", which establishes standards for reporting and display of comprehensive income, its

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

components and accumulated balances. Comprehensive income is defined to include all changes in equity during a period from non-owner sources. Comprehensive income (loss) equaled net income (loss) for the years ended December 31, 2002 and 2001.

Income Taxes

The Company utilizes the liability method of accounting for income taxes as set forth in SFAS No. 109, "Accounting for Income Taxes." Under the liability method, deferred taxes are determined based on the difference between the financial statement and tax bases of assets and liabilities using enacted tax rates in effect in the years in which the differences are expected to reverse. As of December 31, 2002, the Company had federal net operating loss carryforwards of approximately \$1,200,000, which expire beginning in 2020. A 100% valuation allowance has been provided with respect to the deferred tax assets as the Company cannot determine that it is more likely than not that it will be able to realize the deferred tax assets.

Due to restrictions imposed by the Internal Revenue Code regarding substantial changes in ownership of companies with loss carryforwards, the utilization of the Company's federal net operating loss carryforwards will be limited as a result of changes in the Company's stock ownership in prior years.

Loss Per Share

The Company has adopted SFAS No. 128, "Earnings Per Share". SFAS No. 128 provides for the calculation of basic and diluted earnings per share. Basic earnings per share includes no dilution and is computed by dividing net income (loss) available to common stockholders by the weighted average number of common shares outstanding for the period. Diluted earnings per share reflects the potential dilution relating to outstanding stock options, warrants and convertible debt. The loss per common share does not include the exercise of outstanding stock options and warrants, since their effect would be anti-dilutive.

Accounting for Long-Lived Assets

SFAS No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed of", establishes guidelines regarding when impairment losses on long-lived assets, which include plant and equipment and certain identifiable intangible assets, should be recognized and how impairment losses should be measured. The Company periodically reviews such assets for impairment whenever circumstances and situations indicate that the carrying amounts may not be recoverable, and records any such losses in the period in which such determination is made.

Accounting Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Transactions with Shareholder

During the years ended December 31, 2002 and 2001, pursuant to a line of credit with interest at 1% below the prime rate, a shareholder made advances to or on behalf of the Company aggregating \$23,063 and \$52,736, respectively. Related interest expense recorded during the years ended December 31, 2002 and

2001 was \$3,266 and \$1,808, respectively. These advances have been used to fund general and administrative expenses, consisting primarily of legal and accounting fees. There can be no assurances that the shareholder will continue to make such advances to or on behalf of the Company. The Company also incurred fees to the shareholder for services rendered of \$114,000 for the years ended December 31, 2002 and 2001.

4. Stockholders' Deficiency

On January 16, 2001, the Board of Directors of the Company unanimously adopted and a majority of the shareholders approved a stock option plan that provides for the issuance of up to 20,000,000 shares of common stock of the Company.

On January 24, 2001, the Board of Directors of the Company unanimously adopted and a majority of the shareholders approved an amendment to the Articles of Incorporation to increase the total authorized number of shares of capital stock from 50,000,000 to 120,000,000, of which 100,000,000 shares are common stock and 20,000,000 shares are preferred stock.

On February 16, 2001, the Company filed Articles of Amendment to its Articles of Incorporation with the State of Utah to change the name of the Company from Shopss.com, Inc. to AccessTel, Inc., and to increase the Company's equity capitalization to 100,000,000 shares of common stock and 20,000,000 shares of preferred stock.

5. Legal Proceedings

On May 1, 2001, Reed & Wangsgard, L.C. (formerly Droz, Reed & Wangsgard, L.C.) filed suit in the Third Judicial District Court of Salt Lake County, State of Utah (the "Court"), Civil No. 010903821 (the "Action"), to assert claims, on behalf of its clients, prior management of the Company, against AccessTel and the original shareholders of AccessTel. The complaint in the Action demands rescission of the Share Exchange Agreement, and alleges that the Company was induced to enter into the Share Exchange Agreement through a series of false representations made by AccessTel and its shareholders. The complaint also includes alternative causes of actions for fraud, conversion, injunctive relief, and the issuance of a Writ of Replevin.

On May 3, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable Raymond Uno, Judge of the Court, issued an Order appointing Leonard W. Burningham, Esq., a member of the Utah State Bar, as receiver for the Company. Pursuant to such Order, the receiver is authorized to prepare and file reports with the Securities and Exchange Commission.

On May 16, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Temporary Restraining Order prohibiting the transfer of any shares of common stock issued by AccessTel and/or Shopss.com, Inc. which were issued in the name of any defendant (other than the transfer agent) or held for the benefit of any such defendant.

On May 27, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Preliminary Injunction enjoining Atlas Stock Transfer Company from registering the transfer of, or reissuing, any shares of common stock issued by the Company and/or Shopss.com, Inc. which were issued in the name of any defendant (other than Atlas Stock Transfer Company) or are held for the benefit of any defendant to the suit.

On January 17, 2002, Reed & Wangsgard, L.C. received written confirmation from an agent of the Board of Directors of the Company that said Board of Directors have come to a unanimous decision to settle the claim for rescission of the

Share Exchange Agreement by rescinding the Share Exchange Agreement. However, the Board of Directors of the Company failed and/or refused to follow through with their agreement to rescind the Share Exchange Agreement. As a result, Reed & Wangsgard, L.C. filed a Motion to Enforce Settlement with respect to the agreement to rescind the Share Exchange Agreement.

During February 2002, pursuant to the motion of counsel for AccessTel and the original shareholders of AccessTel, the Honorable L.A. Dever, Judge of the Court, issued an order limiting the Court's jurisdiction over certain of the defendants to the Action. As a result, the Court continued to have jurisdiction over the corporate defendants and through it, plaintiffs may assert claims arising from the allegedly wrongful conduct of current management.

6. New Accounting Pronouncements

In August 2001, the FASB issued SFAS No. 143, "Accounting for Asset Retirement Obligations". SFAS No. 143 addresses the diverse accounting practices for obligations associated with the retirement of tangible long-lived assets and the associated asset retirement costs. The Company will be required to adopt SFAS No. 143 effective January 1, 2003. The Company does not expect that the adoption of SFAS No. 143 will have a significant effect on the Company's financial statement presentation or disclosures.

In June 2002, the FASB issued SFAS No. 146, "Accounting for Costs Associated with Exit or Disposal Activities," which requires companies to recognize costs associated with exit or disposal activities when they are incurred rather than at the date of a commitment to an exit or disposal plan. Such costs covered by SFAS No. 146 include lease termination costs and certain employee severance costs that are associated with a restructuring, discontinued operation, plant closing, or other exit or disposal activity. SFAS No. 146 replaces the previous accounting guidance provided by the EITF No. 94-3, "Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity (including Certain Costs Incurred in a Restructuring)." SFAS No. 146 is to be applied prospectively to exit or disposal activities initiated after December 31, 2002. The Company does not anticipate that the adoption of SFAS No. 146 will have a significant impact on the Company's financial statement presentation or disclosures.

In November 2002, the FASB issued FASB Interpretation ("FIN") No. 45, "Guarantors Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others". FIN No. 45 clarifies disclosures that are required to be made for certain guarantees and establishes a requirement to record a liability at fair value for certain guarantees at the time of the guarantee's issuance. The disclosure requirements of FIN No. 45 have been applied in the Company's financial statements at December 31, 2002. The requirement to record a liability applies to guarantees issued or modified after December 31, 2002. The Company will adopt the measurement and recording provisions of FIN No. 45 prospectively beginning January 1, 2003.

In January 2003, the FASB issued FIN No. 46, "Consolidation of Variable Interest Entities, an Interpretation of ARB 51". FIN No. 46 requires that the primary beneficiary in a variable interest entity consolidate the entity even if the primary beneficiary does not have a majority voting interest. The consolidation requirements of FIN No. 46 are required to be implemented for any variable interest entity created on or after January 31, 2003. In addition, FIN No. 46 requires disclosure of information regarding guarantees or exposures to loss relating to any variable interest entity existing prior to January 31, 2003 in financial statements issued after January 31, 2003. FIN No. 46 is effective for the Company on January 31, 2003, and is not expected to have a significant impact on the Company's financial statement

Edgar Filing: ACCESSTEL INC /UT/ - Form 10KSB

presentation or disclosures.

In April 2003, the FASB issued Statements of Financial Accounting Standards No. 149 ("SFAS No. 149"), an amendment to SFAS No. 133. SFAS No. 149 clarifies under what circumstances a contract with initial investments meets the characteristics of a derivative and when a derivative contains a financing component. This SFAS is effective for contracts entered into or modified after June 30, 2003.

7. SUBSEQUENT EVENTS-UNAUDITED

On May 1, 2003, a settlement was reached between the remaining parties to the Action. The material terms of the settlement include the requirement that the corporate defendants surrender all right, title and interest in and to those shares of common stock of the Company issued to them pursuant to the Exchange Agreement, and that all members of management of the Company that had been designated to serve as directors and executive officers of the Company at the closing of the Exchange Agreement resign from their respective management positions. As a result of the settlement, on May 6, 2003, prior management of the Company that had filed the complaint, caused to be filed with the Court a Motion to Dismiss the complaint. Subject to the granting of the Motion to Dismiss the complaint, of the 16,718,763 shares issued to the corporate defendants, 11,356,782 of the surrendered shares have been delivered to counsel for prior management of the Company and will be duly canceled and returned to the authorized but unissued common stock of the Company, and 5,361,981 shares will be transferred to a private third party unrelated to the AccessTel parties pursuant to a confidential settlement of a separate legal action involving a legal debt owed by one of the AccessTel parties to the private third party. The current officers and directors of the Company resigned, and David C. Merrell, a former director and executive officer of the Company, was appointed as an interim officer and director of the Company.

Lawrence Liang, the Company's Chief Executive Officer, President and a director, and Stuart Bockler, the Company's Chief Financial Officer, Secretary and a director as of December 31, 2002, were named as defendants in the Complaint, and resigned as officers and directors of the Company effective April 24, 2003.

As a result of this settlement, the Company will record the cancellation of 11,356,782 shares of common stock during May 2003. As the settlement did not result in the Company gaining control of the assets or operations of AccessTel, the Company will not reflect such assets or operations in its financial statements subsequent to the settlement date.

The Company has also been sued by several creditors for non-payment of debts, and judgments have been entered for the payment of such debts, plus interest and legal fees, in some cases.
