- (2) The number of underlying securities is based on the stock fund balance on November 13, 2009. The phantom stock units representing the award, and the dividends which accrue during the restrictive period, are to be settled 100% in cash, pending vesting.
- (5) The phantom stock units were accrued under the Johnson Controls Retirement Restoration Plan. The units are payable in cash following the reporting person's retirement from the issuer, and may be transferred by the reporting person into an alternative investment account.
- (6) The phantom stock units representing dividends which relate to restricted stock awards that were not deferred will vest when the non-deferred restricted shares vest, and will be paid in cash to the reporting person. Phantom stock units representing dividends which relate to vested, deferred restricted stock awards are payable in cash following the reporting person's termination from the issuer and may be transferred into an alternative investment account. Vesting continues when the reporting person retires from the issuer.
- (7) Fifty percent of the options vest after two years and the remaining 50% vests after three years.
