Item 5.03 - Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

In 2006 The American Stock exchange ("AMEX"), pursuant to rules promulgated by the United States Securities and Exchange Commission, adopted a new listing standard requiring all of its listed companies to become "eligible" to participate in the Direct Registration System ("DRS") no later than January 1, 2008. DRS enables investors to maintain securities electronically on the books of a transfer agent or issuer, and allows for the electronic transfer of securities. To meet the AMEX requirements to become eligible to participate in the DRS, the Company's Board of Directors, on September 6, 2007, adopted a resolution amending the Company's bylaws to allow for the electronic registration and transfer of stock. The amendment makes the Company eligible to participate in the Direct Registration System.

Item 8.01 - Other Events

On September 6, 2007 the Board of Directors voted to sell the Company's Eastern Chemical Corporation subsidiary ("Eastern"), and directed the management of the Company to find a buyer for Eastern as soon as possible. The Company's goal is to complete the sale by December 31, 2007. On September 7, 2007 the Company issued a press release announcing its intention to sell Eastern. A copy of that press release is attached as Exhibit 99.1 to this Form 8-K
