PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

There are hereby incorporated by reference into this Registration Statement the following documents and information heretofore filed with the Securities and Exchange Commission (the "Commission") by Proton Laboratories, Inc. (the "Registrant"):

1. The Registrant's Annual Report on Form 10-KSB for the year ended December 31, 2004, filed pursuant to Section 13(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").
2. All other reports filed pursuant to Section 1(a) or 15(d) of the Exchange Act since the end of our last fiscal year which are: Form 10-QSB for the quarter ended March 31, 2005;
3. The description of the Registrant's Common Stock contained in Registrant's Registration Statement on Form SB-2 relating to the Registrant's Common Stock filed pursuant to Section 12(g) of the Exchange Act on August 25, 2003.

All documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such documents.

Item 4. Description of Securities.

Not applicable.

Edgar Filing: PROTON LABORATORIES INC - Form S-8

Item 5. Interests of Named Experts and Counsel.

Joel Seidner, Esq., Attorney At Law, 1240 Blalock Road, Suite 250, Houston, Texas 77055, tel. (713) 461-2627 ext. 210, has acted as our legal counsel for this offering. The validity of the shares offered by this prospectus has been passed upon for Proton Laboratories, Inc. by Mr. Seidner. As of June 2, 2005, Mr. Seidner owns 86,000 shares of our common stock.

Item 6. Indemnification of Directors and Officers.

The Washington Business Corporation Act at Title 23 RCW provides that we shall indemnify our officers and directors and hold harmless each person who was, is or is threatened to be made a party to or is otherwise involved in any threatened proceedings by reason of the fact that he or she is or was our director or officer, against losses, claims, damages, liabilities and expenses actually and reasonably incurred or suffered in connection with such proceeding.

However, the statutory indemnity does not apply to: (a) acts or omissions of the director finally adjudged to be intentional misconduct or a knowing violation of law; (b) unlawful distributions; or (c) any transaction with respect to which it was finally adjudged that such director personally received a benefit in money, property, or services to which the director was not legally entitled.

Our Articles of Incorporation and By-Laws also state that we indemnify our officers and directors and hold harmless each person who was, is or is threatened to be made a party to or is otherwise involved in any threatened proceedings by reason of the fact that he or she is or was our director or officer, against losses, claims, damages, liabilities and expenses actually and reasonably incurred or suffered in connection with such proceeding.

Insofar as indemnification for liabilities arising under the Securities Act

of 1933 may be permitted to our directors, officers and controlling persons pursuant to the forgoing provisions or otherwise, we have been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in that Act and is, therefore, unenforceable.

Item 7. Exemption from Registration Claimed.

Edgar Filing: PROTON LABORATORIES INC - Form S-8

(a) The Registrant hereby undertakes that it will:

(1) File, during any period in which it offers or sells securities, a post-effective amendment to this Registration Statement to:

(i) Include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) Reflect in the prospectus any facts or events which, individually or together, represent a fundamental change in the information in the Registration Statement; and

(iii) Include any additional or changed material information on the plan of distribution.

(2) For determining liability under the Securities Act, treat each post-effective amendment as a new Registration Statement of the securities offered, and the Offering of the securities at that time to be the initial bona fide Offering.

(3) File a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the Offering.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
