A copy of the Company's 2000 Annual Report on Form 10-KSB (including Amendment 1 thereto), including financial statements for the years ended August 31, 2000 AND 1999, is being mailed to all shareholders herewith. Except for any portion of the Form 10-KSB, which is specifically incorporated by, reference into this Proxy Statement, the Form 10-KSB is not to be regarded as proxy solicitation material or as a communication by means of which any solicitation is being made. THE COMPANY WILL PROVIDE ANY SHAREHOLDER WITH A COPY OF ANY EXHIBIT TO THE FORM 10-KSB/A PURSUANT TO THE REQUEST PROCEDURE DESCRIBED IN THE FORM 10-KSB.

INFORMATION CONCERNING SOLICITATION AND VOTING

The following information is provided to stockholders to explain the use of this Proxy Statement for this Meeting:

RECORD DATE

Only stockholders of record at the close of business on December 29, 2000 are entitled to vote at the Meeting. The Company's Common Stock is its only class of voting securities. As of December 29, 2000, the Company had issued and outstanding 3,385,831 shares of Common Stock of record.

REVOCABILITY OF PROXIES

A PROXY FOR USE AT THE MEETING IS ENCLOSED. ANY STOCKHOLDER WHO EXECUTES AND DELIVERS A PROXY HAS THE RIGHT TO REVOKE IT AT ANY TIME BEFORE ITS EXERCISE BY FILING WITH THE SECRETARY OF THE COMPANY AN INSTRUMENT REVOKING IT OR A DULY EXECUTED PROXY BEARING A LATER DATE. IN ADDITION, A STOCKHOLDER MAY REVOKE A PROXY PREVIOUSLY EXECUTED BY HIM BY ATTENDING THE MEETING AND ELECTING TO VOTE IN PERSON.

VOTING AND SOLICITATION

Proxies are being solicited by the Board of Directors of the Company. The cost of this solicitation will be borne by the Company. Solicitation will be primarily by mail, but may also be made by telephone, fax transmission or personal contact by certain officers and directors of the Company, who will not

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

receive any compensation therefore. Shares of Common Stock represented by properly executed proxies will, unless such proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. IN THE ABSENCE OF SPECIFIC INSTRUCTIONS TO THE CONTRARY, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR EACH OF THE PROPOSALS DESCRIBED ABOVE. No business other than that set forth in the accompanying Notice of Annual Meeting of Stockholders is expected to come before the Meeting. Should any other matter requiring a vote of stockholders properly arise, the persons named in the enclosed form of proxy will vote such proxy in accordance with the recommendation of the Board of Directors.

Each share of Common Stock is entitled to one vote for each share held as of record, and there are no preemptive rights. The law of the state of California and the Company's current Certificate of Incorporation (the "Certificate of Incorporation") and Bylaws do provide for cumulative voting for the election of directors or any other purpose.

The effect of cumulative voting is that the holders of a majority of the outstanding shares of Common Stock may not be able to elect all of the Company's directors. No shareholder will be entitled to cumulate votes for a candidate, however, unless that candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the meeting, prior to the voting, of an intention to cumulate votes. A favorable vote consists of a simple majority of the shares entitled to vote at the meeting. The Company believes that as of December 30, 2000 the approximate number of shareholders of record of its common stock was 60 and that there were approximately 600 beneficial owners. This includes shares held in nominee or "street" accounts.

Only shareholders of record at the close of business on December 29, 2000, will be entitled to vote at the meeting. On December 20, 2000, there were 3,385,831 shares of the Common Stock issued and outstanding. Shareholders are entitled to one vote per share on all matters being submitted to shareholders at the meeting, other than with respect to the election of directors, for which cumulative voting is currently required under certain circumstances by applicable provisions of California Law. Under cumulative voting, each shareholder may give any one candidate whose name is placed in nomination prior to the commencement of voting a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which the shareholder's shares are normally entitled, or distribute such number of votes among as many candidates as the shareholder sees fit.

The Board of Directors knows of only two shareholders who owned more than five percent of the outstanding voting securities of the Company as of the record date: Walter S. Woltosz and Virginia E. Woltosz. See "Beneficial Ownership of Common Stock."

QUORUM; ABSTENTIONS; BROKER NON-VOTES

Shares representing 50% of the voting power of the 3,385,831 shares of Common Stock outstanding on the Record Date, which have voting rights, must be represented at the Meeting to constitute a quorum for conducting business. In the absence of a quorum, the stockholders present in person or by proxy, by majority vote and without further notice, may adjourn the meeting from time to time until a quorum is attained. At any reconvened meeting following such adjournment at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified.

The required quorum for the transaction of business at the Meeting is a

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR" or "AGAINST" a matter are treated as being present at the Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Meeting (the "Votes Cast") with respect to such matter.

The Company will count abstentions for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business, and (ii) the total number of Votes Cast with respect to a proposal (other than the election of directors). Accordingly, abstentions will have the same effect as a vote against the proposal.

Further, the Company intends to count broker non-votes for the purpose of determining the presence or absence of a quorum for the transaction of business, although broker non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Thus, a broker non-vote will not affect the outcome of the voting on a proposal.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Proposals of stockholders of the Company that are intended to be presented by such stockholders at the Company's next Annual Meeting of Stockholders for the fiscal year ending August 31, 2001 must be received by the Company no later than August 20, 2001, in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

The Board of Directors recommends that the shareholders vote FOR the reelection of the four incumbent directors described above under "Information Relating to Various Proposals Information Concerning Directors."

PROPOSAL 2: APPROVAL OF AMENDMENTS TO THE COMPANY'S 1996 STOCK OPTION PLAN (THE "OPTION PLAN") TO INCREASE THE NUMBER OF SHARES UNDERLYING OPTIONS THAT MAY BE GRANTED UNDER THE PLAN FROM 1,000,000 TO 1,250,000.

The Board of Directors has approved, and recommends that shareholders approve, an amendment to the Company's 1996 Stock Option Plan (the "Option Plan") that would increase the number of shares of Common Stock underlying options that may be granted under the Option Plan from its present number of 1,000,000 SHARES TO 1,250,000 shares.

Shareholders are being asked to approve an amendment to the Company's 1996 Stock Option Plan (the "Option Plan") to provide for an increase in the number of shares of Common Stock reserved for issuance thereunder by 250,000 shares, from 1,000,000 SHARES TO 1,250,000 shares. As of November 30, 2000, there were no shares available for grant under the Option Plan. The Board believes that adding shares to the Option Plan is in the best interests of the Company because it will permit the Company to attract and retain employees by providing them with appropriate equity incentives. The Option Plan plays an important role in the Company's efforts to attract and retain employees of outstanding ability.

The Option Plan was adopted by the Board in September 1996 and approved by the shareholders of the Company in September 1996. The Board approved the proposed amendment to the Option Plan on December 18, 2000, to be effective upon shareholder approval. Set forth below is a summary of the principal features of the Option Plan, which summary is qualified in its entirety by reference to the terms and conditions of the Option Plan. The Company will provide, without charge, to each person to whom a Proxy Statement is delivered, a copy of the Option Plan. Any such request should be directed as follows: Secretary, Simulations Plus, Inc., 1220 W. Avenue J, Lancaster, California, 93534-2902; telephone number (661) 723-7723; facsimile (661) 723-5524.

SHARES SUBJECT TO THE OPTION PLAN. The stock subject to issuance under the Option Plan consists of shares of the Company's authorized but unissued Common Stock. The Board reserved an aggregate of 1,000,000 shares of Common Stock for issuance under the Option Plan. Shares subject to an option granted pursuant to the Option Plan that expires or terminates for any reason without being exercised or shares subject to an award granted pursuant to the Option Plan that are forfeited or are repurchased by the Company at the original issue price or are subject to an award granted pursuant to the Option Plan that otherwise terminates without shares being issued, will again become available for grant and issuance pursuant to awards under the Option Plan. This number of shares is

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

subject to proportional adjustment to reflect stock splits, stock dividends and other similar events. If the Company's shareholders adopt this Proposal, the maximum number of shares that may be issued under the Option Plan will be 1,250,000 shares.

ELIGIBILITY. Employees, officers, directors, consultants, independent contractors and advisors of the Company (and of any subsidiaries and affiliates) are eligible to receive awards under the Option Plan (the "Participants"). No Participant is eligible to receive more than 75,000 shares of Common Stock in any calendar year under the Option Plan. As of November 30, 2000, approximately 37 persons were in the class of persons eligible to participate in the Option Plan, no shares had been issued upon exercise of options and 992,294 shares were subject to outstanding options. As of that date, no shares were available for future grant. The closing price of the Company's Common Stock on the OTC Bulletin Board was \$1.75 per share as of December 20, 2000.

Over the term of the Option Plan through December 1, 2000, the following executive officers have been granted the following options to purchase shares under the Option Plan: Momoko Beran (Chief Financial Officer)--165,500, and Ronald F. Creeley (Vice President--Marketing and Sales)--165,000.

During this period, the Corporation's executive officers as a group have been granted options to purchase an aggregate of 310,500 shares under the Option Plan, and all employees as a group (excluding executive officers) have been granted options to purchase an aggregate of 681,794 shares under the Option Plan. During this period, each of the Company's current directors have been granted options under the Option Plan.

ADMINISTRATION. The Option Plan is administered by the Board of Directors (the "Board") of the Company. Subject to the terms of the Option Plan, the Board determines the persons who are to receive awards, the number of shares subject to each such award, and the terms and conditions of such awards. The Board also has the authority to construe and interpret any of the provisions of the Option Plan or any awards granted thereunder.

STOCK OPTIONS. The Option Plan permits the granting of options that are intended to qualify either as Incentive Stock Options ("ISOs") or Non-qualified Stock Options ("NQSOs"). ISOs may be granted only to employees (including officers and directors who are also employees) of the Company or any parent or subsidiary of the Company. The option exercise price for each ISO share must be no less than 100% of the "fair market value" (as defined in the Option Plan) of a share of Common Stock at the time the ISO is granted. The per share exercise price of an ISO granted to a 10% shareholder must be no less than 110% of the fair market value of a share of Common Stock at the time the ISO is granted. The option exercise price for each NQSO share must be no less than 85% of the fair market value of a share of Common Stock at the time of grant. The Company has not granted options under the Option Plan at less than fair market value and does not intend to do so in the foreseeable future.

The exercise price of options granted under the Option Plan may be paid as approved by the Board at the time of grant: (1) in cash (by check); (2) by cancellation of indebtedness of the Company to the Participant; (3) by surrender of shares of the Company's Common Stock owned by the Participant for at least six months and having a fair market value on the date of surrender equal to the aggregate exercise price of the option; (4) by tender of a full recourse promissory note; (5) by waiver of compensation due to or accrued by the Participant for services rendered; (6) by a "same-day sale" commitment from the Participant and a National Association of Securities Dealers, Inc. ("NASD") broker; (7) by a "margin" commitment from the Participant and a NASD broker; or (8) by any combination of the foregoing.

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

TERMINATION OF OPTIONS. Except as provided below, each option expires ten years after the date of grant. Options granted to a 10% shareholder expire five years after the date of grant. In the event an optionee's relationship with the Company is terminated for any reason, including death or disability, the optionee will have the right to exercise the option at any time within six months (or such shorter or longer time period not exceeding five years as may be determined by the Board) after such termination to the extent the right to exercise such option has accrued and had not previously been exercised at the date of termination, but in any event no later than the option expiration date.

AMENDMENT OF THE OPTION PLAN. The Board may at any time terminate or amend the Option Plan, including amending any form of award agreement or instrument to be executed pursuant to the Option Plan. However, the Board may not amend the Option Plan in any manner that requires shareholder approval pursuant to the Code or the regulations promulgated thereunder, or pursuant to the Exchange Act or rule 16b-3 (or its successor) promulgated thereunder.

TERM OF THE OPTION PLAN. Unless terminated earlier as provided in the Option Plan, the Option Plan will expire in September 2006, ten years from the date the Option Plan was adopted by the Board.

FEDERAL INCOME TAX INFORMATION. THE FOLLOWING IS A GENERAL SUMMARY AS OF THE DATE OF THIS PROXY STATEMENT OF THE FEDERAL INCOME TAX CONSEQUENCES TO THE COMPANY AND PARTICIPANTS UNDER THE OPTION PLAN. FEDERAL TAX LAWS MAY CHANGE AND THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES FOR ANY SUCH PARTICIPANT WILL DEPEND UPON HIS OR HER INDIVIDUAL CIRCUMSTANCES. EACH PARTICIPANT HAS BEEN AND IS ENCOURAGED TO SEEK THE ADVICE OF A QUALIFIED TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PARTICIPATION IN THE OPTION PLAN.

Incentive Stock Options. A Participant will recognize no income upon grant of an ISO and incur no tax on its exercise (unless the Participant is subject to the alternative minimum tax ("AMT")). If the Participant holds shares acquired upon exercise of an ISO (the "ISO Shares") for more than one year after the date the option was exercised, and for more than two years after the date the option was granted, the Participant generally will realize long-term capital gain or loss (rather than ordinary income or loss) upon disposition of the ISO Shares. The gain or loss will be equal to the difference between the amount realized upon such disposition and the amount paid for the ISO Shares.

If the Participant disposes of ISO Shares prior to the expiration of either required holding period (a "disqualifying disposition"), the gain realized upon such disposition, up to the difference between the fair market value of the ISO Shares on the date of exercise (or, if less, the amount realized on a sale of such shares) and the option exercise price, will be treated as ordinary income. Any additional gain will be long-term or short-term capital gain, depending upon the amount of time the ISO Shares were held by the Participant.

Alternative Minimum Tax. The difference between the fair market value of the ISO Shares on the date of exercise and the exercise price is an adjustment to income for purposes of AMT. The AMT (imposed to the extent it exceeds the taxpayer's regular tax) is 26% of an individual taxpayer's alternative minimum taxable income (28% in the case of alternative minimum taxable income in excess of \$175,000). Alternative minimum taxable income is determined by adjusting regular taxable income for certain items, increasing that income by certain tax preference items (including the difference between the fair market value of the ISO Shares on the date of exercise and the exercise price), and reducing this amount by the applicable exemption amount (\$45,000 in case of a joint return, subject to reduction under certain circumstances). If a disqualifying disposition of the ISO Shares occurs in the same calendar year as exercise of the ISO, there is no AMT adjustment with respect to those ISO Shares. Also, upon

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

a sale of ISO Shares that is not a disqualifying disposition, alternative minimum taxable income is reduced in the year of sale by the excess of the fair market value of the ISO Shares at exercise over the amount paid for the ISO Shares.

Nonqualified Stock Options. A Participant will not recognize any taxable income at the time an NQSO is granted. However, upon exercise of an NQSO, the Participant must include in income as compensation an amount equal to the difference between the fair market value of the shares on the date of exercise and the Participant's exercise price. The included amount must be treated as ordinary income by the Participant and may be subject to withholding by the Company (either by payment in cash or withholding out of the Participant's salary.) Upon resale of the shares by the Participant, any subsequent appreciation or depreciation in the value of the shares will be treated as capital gain or loss.

Tax Treatment of the Company. The Company generally will be entitled to a deduction in connection with the exercise of an NQSO by a Participant to the extent that the Participant recognizes ordinary income and the Company withholds tax. The Company will be entitled to a deduction in connection with the disposition of ISO Shares only to the extent that the Participant recognizes ordinary income on a disqualifying disposition of the ISO Shares.

ERISA. The Option Plan is not subject to any the provisions of ERISA and is not qualified under Section 401(a) of the Code.

NEW PLAN BENEFITS

The amounts of future option grants under the Option Plan are not determinable because, under the terms of the Option Plan, such grants are made in the discretion of the Board. Future option exercise prices are not determinable because they are based upon fair market value of the Company's Common Stock on the date of grant.

Need for Shareholder Approval of the Amendment to the Option Plan

In order to allow the options that have been issued as incentive stock options to receive the favorable tax treatment such options are allowed, as well as to obtain certain exemptions from Exchange Act Section 16 "short-swing profits" rules that would otherwise apply, shareholders of the Company must approve the amendment to the Option Plan within twelve months of the date it was adopted by the Board of Directors.

Vote Required

Approval of the amendment to the Option Plan requires the affirmative vote of a majority of the shares of Common Stock present and voting at a meeting if a quorum is present.

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR approval of Proposal 2.

PROPOSAL 3: TO RATIFY THE SELECTION OF SINGER, LEWAK, GREENBAUM & GOLDSTEIN LLP AS THE COMPANY'S INDEPENDENT ACCOUNTANTS

The Board has selected Singer, Lewak, Greenbaum & Goldstein LLP, independent public accountants, as independent auditors for the Company for 2001. A resolution is being submitted to shareholders at the meeting for ratification of such selection and the accompanying proxy will be voted for such ratification, unless instructions to the contrary are indicated therein.

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

Although ratification by shareholders is not a legal prerequisite to the Board's selection of Singer, Lewak, Greenbaum & Goldstein LLP as the Company's independent public accountants, the Company believes such ratification to be appropriate. If the shareholders do not ratify the selection of Singer, Lewak, Greenbaum & Goldstein LLP, the selection of independent public accountants will be reconsidered by the Board; however, the Board may select Singer, Lewak, Greenbaum & Goldstein LLP, notwithstanding the failure of the shareholders to ratify its selection.

The Board expects that representatives of Singer, Lewak, Greenbaum & Goldstein LLP will be present at the meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Singer, Lewak, Greenbaum & Goldstein LLP has been the Company's independent public accountants since 1996. For the fiscal year ended August 31, 2000, Singer, Lewak, Greenbaum & Goldstein LLP performed audit and other services for the Company including consultations during the year on matters related to accounting, financial reporting and the review of financial and related information that was included in filings with the Securities and Exchange Commission.

The appointment of auditors is approved annually by the Board.

Vote Required.

Approval of Proposal 3 requires the affirmative vote of a majority of the shares of Common Stock present and voting at a meeting if a quorum is present.

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR approval of Proposal 3.

OTHER MATTERS

The Board of Directors of the Company knows of no other matters to be presented at the annual meeting other than those described above. However, if any other matters properly come before the meeting, it is intended that any shares voted by proxy will be voted in the discretion of the Board of Directors.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 as amended (the "Exchange Act") requires the Company's officers and directors, and persons who own more than ten percent of its Common Stock to file reports of ownership and changes of ownership with the Securities and Exchange Commission and NASDAQ. Such persons are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of those forms received by the Company, or written representations from such persons that no Forms 5 were required to be filed, the Company believes that all Section 16(a) filing requirements for the fiscal year ended August 31, 2000 were met, except that the Company's directors Richard R. Weiss, and David Z. D'Argenio inadvertently failed to file a Form 4 on a timely basis with respect to the grant of options to purchase shares of Common Stock representing one transaction; AND DR. D'ARGENIO INADVERTENTLY FAILED TO FILE A FORM 3 ON A TIMELY BASIS WITH RESPECT TO A PURCHASE OF COMMON STOCK.

4. ADMINISTRATION OF THE PLAN.

(a) PROCEDURE. The Plan shall be administered by the Board. Members of the Board who are eligible for Options or have been granted Options may vote on any matters affecting the administration of the Plan or the grant of any Options pursuant to the Plan, except that no such member shall act upon the granting of an Option to himself or herself, but any such member may be counted

(b) POWERS OF THE BOARD. Subject to the provisions of the Plan, the Board shall have the authority, in its discretion: (i) to grant Incentive Stock Options and Nonstatutory Stock Options; (ii) to determine, upon review of relevant information and in accordance with Section 7 of the Plan, the fair market value per Share; (iii) to determine the terms and conditions of vesting of Options, the exercise price of the Options and the consideration to be paid for shares upon the exercise of Options (which exercise price and consideration shall be determined in accordance with Section 7 of the Plan); (iv) to determine the Employees to whom, and the time or times at which, Options shall be granted, and the number of Shares to be subject to each Option; (v) to prescribe, amend and rescind rules and regulations relating to the Plan; (vi) to determine the terms and provisions of each Option Agreement and each Stock Purchase Agreement (each of which need not be identical with the terms of other Options and Stock Purchase Agreements) and, with the consent of the holder thereof, to modify or amend each Option and Stock Purchase Agreement; (vii) to determine whether a stock repurchase agreement or other agreement will be required to be executed by any Employee as a condition to the exercise of an Option, and to determine the terms and provisions of any such agreement (which need not be identical with the terms of any other such agreement) and, with the consent of the Optionee, to amend any such agreement; (viii) to interpret the Plan, the Option Agreements, the Stock Purchase Agreements or any agreement entered into with respect to the grant or exercise of Options; (ix) to authorize any person to execute on behalf of the Company any instrument required to effectuate the grant of an Option previously granted by the Board or to take such other actions as may be necessary or appropriate with respect to the Company's rights pursuant to

Options or agreements relating to the grant or exercise thereof; and (x) to make such other determinations and establish such other procedures as it deems necessary or advisable for the administration of the Plan.

(c) EFFECT OF THE BOARD'S DECISION. All decisions, determinations and interpretations of the Board shall be final and binding on all Optionees and any other holders of Options.

5. ELIGIBILITY. Options may be granted only to Employees (including employees of the Company who are also directors of the Company and directors of the Company that are not employees). An Employee who has been granted an Option may, if such Employee is otherwise eligible, be granted additional Options.

6. TERM OF PLAN. Effectiveness of the Plan shall be subject to approval by the shareholders of the Company within 12 months before or after the date the Plan is adopted; provided, however, that Options may be granted pursuant to the Plan prior to such shareholder approval subject to subsequent approval of the Plan by such shareholders. Shareholder approval shall be obtained by the affirmative votes of the holders of a majority of voting shares of the Company's capital stock present and entitled to vote at a meeting of shareholders duly held in accordance with the laws of the State of California or by such other means authorized under law. The Plan shall continue in effect for a term of ten years unless sooner terminated in accordance with the terms and provisions of the Plan.

7. OPTION PRICE AND CONSIDERATION.

(a) EXERCISE PRICE. The exercise price per Share for the Shares to be issued pursuant to the exercise of a Nonstatutory Stock Option shall be not less than 85% of the "fair market value" per Share, as described below. The exercise price per Share for the Shares to be issued pursuant to the exercise of an Incentive Option shall be the fair market value per Share. However, with respect to both Incentive Stock Options and Nonstatutory Stock Options, the exercise price shall be 110% of the fair market value per Share on the date of grant in the case of any Optionee who, at the time the Option is granted, owns

stock (as determined under Section 424(d) of the Code) possessing more than 10% of the total combined voting power of all classes of stock of the Company or its Parent or Subsidiaries.

(b) FAIR MARKET VALUE. The fair market value per Share on the date of grant shall be determined by the Board in its sole discretion, exercised in good faith; provided, however, that where there is a public market for the Common Stock, the fair market value per Share shall be the average of the closing bid and asked prices of the Common Stock on the date of grant, as reported in The Wall Street Journal (or, if not so reported, as otherwise reported by the National Association of Securities Dealers Automated Quotations ("Nasdaq") System), or in the event the Common Stock is listed on a stock exchange or, on The Nasdaq Stock Market, the fair market value per Share shall be the closing price on the exchange or on the Nasdaq Stock Market as of the date of grant of the Option, as reported in The Wall Street Journal.

(c) PAYMENT OF CONSIDERATION. The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Board in its discretion on the date of grant and may consist of cash, check, promissory notes or other forms of legally permitted consideration if authorized by the Board in connection with the grant of an Option.

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

8. OPTIONS.

(a) TERMS AND PROVISIONS OF OPTIONS. As provided in Section 4 of this Plan and subject to any limitations specified herein, the Board shall have the authority to determine the terms and provisions of any Option granted under the Plan or any agreement required to be executed in connection with the grant or exercise of an Option. Each Option granted pursuant to this Plan shall be evidenced by an Option Agreement. Options granted under the Plan are conditioned upon the Company obtaining any required permit or order from appropriate governmental agencies, authorizing the Company to issue such Options and Shares issuable upon exercise thereof.

(b) NUMBER OF SHARES. Each Option Agreement shall state the number of Shares to which it pertains and whether such option is intended to constitute an Incentive Stock Option or a Nonstatutory Stock Option. The maximum number of Shares which may be awarded as Options under the Plan during any calendar year to any Optionee is 75,000 Shares. If an Option held by an Employee is canceled, the canceled Option shall continue to be counted against the maximum number of Shares for which Options may be granted to such Employee and any replacement Option granted to such Employee shall also count against such limit.

(c) TERM OF OPTION. The term of each Option may be up to ten years from the date of grant thereof, as determined by the Board upon the grant of the Option and specified in the Option Agreement, except that the term of an Incentive Stock Option granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent of the total combined voting power of all classes of stock of the Company or its Parent or Subsidiaries, shall not exceed five years from the date of grant thereof.

(d) EXERCISE OF OPTION.

(i) PROCEDURE FOR EXERCISE; RIGHTS AS A SHAREHOLDER. Any Option shall vest and become exercisable at such times, in such installments and under such conditions as may be determined by the Board, specified in the Option Agreement and as shall be permissible under the terms of the Plan, including performance criteria with respect to the Company and/or the Optionee as may be determined by the Board.

An Option may be exercised in accordance with the provisions of this Plan as to all or any portion of the Shares then exercisable under an Option, from time to time during the term of the Option. An Option may not be exercised for a fraction of a Share.

An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company at its principal business office in accordance with the terms of the Option Agreement by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company, accompanied by

an executed Stock Purchase Agreement (including the attachments thereto)

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

substantially in the form of Exhibit B hereto and as may be modified by the Board from time to time, and any other agreements required by the terms of the Plan and/or the Option Agreement. Full payment may consist of such consideration and method of payment allowable under Section 7 of the Plan. Until the Option is properly exercised in accordance with the terms of this Section 8(d), no right to vote or to receive dividends or any other rights as a shareholder shall exist with respect to the Optioned Stock. No adjustment shall be made for a dividend or other right for which the record date is prior to the date the Option is exercised, except as provided in Section 10 of the Plan.

As soon as practicable after any proper exercise of an Option in accordance with the provisions of the Plan, the Company shall, without transfer or issue tax to the Optionee, deliver to the Optionee at the principal executive office of the Company or such other place as shall be mutually agreed upon between the Company and the Optionee, a certificate or certificates representing the Shares for which the Option shall have been exercised. The time of issuance and delivery of the certificate(s) representing the Shares for which the Option shall have been exercised may be postponed by the Company for such period as may be required by the Company, with reasonable diligence, to comply with any applicable listing requirements of any national or regional securities exchange or any law or regulation applicable to the issuance or delivery of such Shares. No Option may be exercised unless the Plan has been duly approved by the Shareholders of the Company in accordance with applicable law. Notwithstanding anything to the contrary herein, the terms of a Stock Purchase Agreement required to be executed and delivered in connection with the exercise of an Option may require the certificate or certificates representing the Shares purchased upon the exercise of an Option to be delivered and deposited with the Company as security for the Optionee's faithful performance of the terms and conditions of his or her Stock Purchase Agreement.

Exercise of an Option in any manner shall result in a decrease in the number of Shares which thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(ii) TERMINATION OF STATUS AS AN EMPLOYEE. If an Optionee ceases to serve as an Employee for any reason other than death, Disability or Termination for Cause, and thereby terminates his or her Continuous Status As An Employee, to the extent that such Optionee was entitled to exercise the Option at the date of such termination, such Optionee shall have the right to exercise the Option at any time within 30 days subsequent to the last day of such Optionee's Continuous Status As An Employee (unless at the time of grant of such Option the Board specified a longer period, not to exceed 90 days, provided, however, that no Option shall be exercisable after the expiration of the term set forth in the Option Agreement. To the extent that such Optionee was not entitled to exercise the Option at the date of the terminating event, or if such Optionee does not exercise such Option (which such Optionee was entitled to exercise) within the time specified herein, the Option shall terminate. In the event that an Optionee's Continuous Status As An Employee terminates due to death or Disability, to the extent that such Optionee was entitled to exercise the Option at the date of such termination, the Option may be exercised any time within 180 days subsequent to the death or Disability of the Optionee (unless at the time of grant of such Option the Board specified a longer period, not to exceed one year), provided, however, that no Option shall be exercisable after the expiration of the Option term set forth in the Option Agreement. To the extent that such Optionee was not entitled to exercise such Option at the date of his or her termination due to death or Disability or if such Option is not

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

exercised (to the extent it could be exercised) within the time specified herein, the Option shall terminate. If an Optionee's Continuous Employment with the Company terminates due to his her Termination for Cause, his or her Option shall terminate as of the date of such Termination for Cause to the extent not exercised as of such date.

(e) LIMIT ON VALUE OF OPTIONED STOCK. To the extent that the aggregate fair market value (determined at the time an Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by an Optionee during any calendar year under all incentive stock option plans of the Company, its Parent or its Subsidiaries, if any, exceeds \$100,000, the Options in excess of such limit shall be treated as Nonstatutory Stock Options.

(f) EXPIRATION OF OPTION. Notwithstanding any provision in the Plan, including but not limited to the provisions set forth in this Section 8, an Option may not be exercised, under any circumstances, after the expiration of its terms.

9. NONTRANSFERABILITY OF OPTIONS. Options granted under this Plan may not be sold, pledged, assigned, hypothecated, gifted, transferred or disposed of in any manner, either voluntarily or involuntarily by operation of law, other than by will or by the laws of descent or distribution or as a transfer between spouses incident to a divorce, and any such attempt may result, at the discretion of the Board, in the termination of such Options. During the lifetime of the Optionee, his or her Option may be exercised only by such Optionee or his or her legal guardian.

10. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION OR MERGER.

(a) Subject to any required action by the shareholders of the Company, the number of Shares covered by each outstanding Option, and the number of Shares which have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option or repurchase of Shares from an Optionee upon termination of employment or service, as well as the exercise price per Share covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, combination, recapitalization or reclassification of the Common Stock, or the payment of a stock dividend (but only on the Common Stock) or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company (other than stock bonuses to Employees or directors); provided, however, that the conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to the Plan or an Option.

(b) In the event of a proposed dissolution or liquidation of the Company or the sale of all or substantially all of the assets of the Company (other than in the ordinary course of business), or the merger, consolidation or reorganization of the Company with or into another corporation as a result of which the Company is not the surviving corporation as a result of which the outstanding Shares are exchanged for or converted into cash or property or securities not of the Company, the Board shall (i) make provision for the assumption of all outstanding Options by the successor corporation or a Parent or a Subsidiary thereof, or (ii) declare that outstanding Options shall

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

terminate as of a date fixed by the Board which is at least 30 days after the notice thereof to the Optionee (unless such 30-day period is waived by the Optionee) and shall give each Optionee the right to exercise his or her option as to all or any part of the Shares underlying such Option, including shares as to which such Options would not otherwise be exercisable, provided such exercise does not violate Section 8(d)(ii) of the Plan.

(c) No fractional shares of Common Stock shall be issuable on account of any action described in this Section, and the aggregate number of shares into which Shares then covered by the Option, when changed as the result of such action, shall be reduced to the largest number of whole shares resulting from such action, unless the Board, in its sole discretion, shall determine to issue scrip certificates in respect to any fractional shares, which scrip certificates, in such event, shall be in a form and have such terms and conditions as the Board in its discretion shall prescribe.

11. TIME OF GRANTING OPTIONS. The date of grant of an Option shall, for all purposes, be the date on which the Board makes the determination granting such Option; provided, however, that if the Board determines that such grant shall be as of some future date, the date of grant shall be such future date. Notice of the determination shall be given to each Employee to whom an Option is so granted within a reasonable time after the date of such grant.

12. AMENDMENT AND TERMINATION OF THE PLAN.

(a) AMENDMENT AND TERMINATION. The Board may amend or terminate the Plan from time to time in such respects as the Board may deem advisable and shall make any amendments which may be required so that Options intended to be Incentive Stock Options shall at all times continue to be Incentive Stock Options for the purpose of the Code, except that, without approval of the holders of a majority of the shares of the Company's capital stock represented or present and entitled to vote at a valid meeting of the Company's shareholders at which action is taken on an amendment or revision, no such amendment or revision shall:

- (i) Increase the number of Shares subject to the Plan, other than in connection with an adjustment under Section 10 of the Plan;
- (ii) Materially change the designation of the class of Employees eligible to be granted Options;
- (iii) Remove the administration of the Plan from the Board except to a Committee;
- (iv) Materially increase the benefits accruing to participants under the Plan; or
- (v) Extend the term of the Plan.

(b) EFFECT OF AMENDMENT OR TERMINATION. Except as otherwise provided in Section 10, any amendment or termination of the Plan shall not affect Options already granted and such Options shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Optionee and the Company, which agreement must be

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

in writing and signed by the Optionee and the Company.

13. CONDITIONS UPON ISSUANCE OF SHARES.

(a) Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, applicable state securities laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) As a condition to the exercise of an Option, the Board may require the person exercising such Option to execute an agreement with, and/or may require the person exercising such Option to make any representation and warranty to, the Company as may in the judgment of counsel to the Company be required under applicable law or regulation, including but not limited to a representation and warranty that the Shares are being purchased only for investment and without any present intention to sell or to distribute such Shares if, in the opinion of counsel for the Company, such a representation is appropriate under any of the aforementioned relevant provisions of law.

14. RESERVATION OF SHARES. The Company, during the term of this Plan, shall at all times reserve and keep available, such number of Shares as shall be sufficient to satisfy requirements of the Plan.

The Company, during the term of this Plan, shall use its best efforts to seek to obtain from appropriate regulatory agencies any requisite authorization in order to issue and to sell such number of Shares as shall be sufficient to satisfy the requirements of the Plan. The inability of the Company to obtain from any such regulatory agency having jurisdiction the requisite authorization(s) deemed by the Company's counsel to be necessary for the lawful issuance and sale of any Shares hereunder, or the inability of the Company to confirm to its satisfaction that any issuance and sale of any Shares hereunder will meet applicable legal requirements, shall relieve the Company of any liability in respect to the failure to issue or to sell such Shares as to which such requisite authority shall not have been obtained.

15. STOCK OPTION AND STOCK PURCHASE AGREEMENTS. Options shall be evidenced by written Option Agreements in such form or forms as the Board shall approve from time to time. Upon the exercise of an Option, the Optionee shall sign and deliver to the Company a Stock Purchase Agreement in such form or forms as the Board shall approve from time to time.

16. EFFECTIVE DATE AND TERM OF PLAN. The Plan shall become effective upon shareholder approval as provided in Section 17 of the Plan. The Plan shall continue in effect for a term of ten years unless sooner terminated under Section 12 of the Plan.

17. SHAREHOLDER APPROVAL. Continuance of the Plan shall be subject to approval by the shareholders of the Company within 12 months before or after the date the Plan is adopted by the Board. If such shareholder approval is obtained at a duly held shareholders' meeting, it may be obtained by the affirmative vote of the holders of a majority of the shares of the Company represented or present and entitled to vote thereon. All Options granted prior to shareholder approval of the Plan are subject to such approval, and if such approval is not obtained within 12 months before or after the date the Plan is adopted by the Board all

such Options shall expire and shall be of no further force or effect.

18. TAXES, FEES, EXPENSES AND WITHHOLDING OF TAXES.

(a) The Company shall pay all original issue and transfer taxes (but not income taxes, if any) with respect to the grant of Options and/or the issue and transfer of Shares pursuant to the exercise thereof, and all other fees and expenses necessarily incurred by the Company in connection therewith, and will from time to time use its best efforts to comply with all laws and regulations which, in the opinion of counsel for the Company, shall be applicable thereto.

(b) The grant of Options hereunder and the issuance of Shares pursuant to the exercise thereof is conditioned upon the Company's reservation of the right to withhold, in accordance with any applicable law, from any compensation or other amounts payable to the Optionee, any taxes required to be withheld under federal, state or local law as a result of the grant or exercise of such Option or the sale of the Shares issued upon exercise thereof. To the extent that compensation or other amounts, if any, payable to the Optionee are insufficient to pay any taxes required to be so withheld, the Company may, in its sole discretion, require the Optionee, as a condition of the exercise of an Option, to pay in cash to the Company an amount sufficient to cover such tax liability or otherwise to make adequate provision for the Company's satisfaction of its withholding obligations under federal, state and local law.

19. LIABILITY OF COMPANY. The Company, its Parent or any Subsidiary which is in existence or hereafter comes into existence shall not be liable to an Optionee or other person if it is determined for any reason by the Internal Revenue Service or any court having jurisdiction that any Options intended to be Incentive Stock Options granted hereunder do not qualify as incentive stock options within the meaning of Section 422 of the Code.

20. INFORMATION TO OPTIONEE. The Company shall provide without charge at least annually to each Optionee during the period his or her Option is outstanding a balance sheet and income statement of the Company. In the event that the Company provides annual reports or periodic reports to its shareholders during the period in which an Optionee's Option is

outstanding, the Company shall provide each Optionee a copy of each such report.

21. INDEMNIFICATION. No member of the Committee or of the Board shall be liable for any act or action taken, whether of commission or omission, except in circumstances involving actual bad faith, or for any act or action taken, whether of commission or omission, by any other member or by any officer, agent, or Employee. In addition to such other rights of indemnification they may have as members of the Board, or as members of the Committee, the Committee shall be indemnified by the Company against reasonable expenses, including attorneys' fees actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken, by commission or omission, in connection with the Plan or any Option taken thereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Committee or Board member is liable for actual bad faith in the performance of his or her duties; provided that within 60 days after institution of any such action, suit or proceeding, a Committee or Board member shall in writing offer the Company the opportunity, at its own expense, to handle and defend the same.

22. NOTICES. Any notice to be given to the Company pursuant to the provisions of this Plan shall be given in writing, addressed to the Company in care of its Secretary at its principal office, and any notice to be given to an Employee to whom an Option is granted hereunder shall be delivered personally or addressed to him or her at the address given beneath his or her signature on his Option Agreement or Stock Purchase Agreement or at such other address as such Optionee or his or her transferee (upon the transfer of the Optioned Stock) may hereafter designate in writing to the Company. Any such notice shall be deemed duly given when enclosed in a properly sealed envelope or wrapper addressed as aforesaid, registered or certified, and deposited, postage and registry or certification fee prepaid, in a post office or branch post office regularly maintained by the United States Postal Service. It shall be the obligation of each Optionee and each transferee holding Shares purchased upon exercise of an Option to provide the Secretary of the Company, by letter mailed as provided hereinabove, with written notice of his or her direct mailing address.

23. NO ENLARGEMENT OF EMPLOYEE RIGHTS. This Plan is purely voluntary on the part of the Company, and the continuance of the Plan shall not be deemed to constitute a contract between the Company and any Employee, or to be consideration for a condition of the employment or service of any Employee. Nothing contained in this Plan shall be deemed to give any Employee the right to be retained in the employ or service of the Company, its Parent, Subsidiary or a successor corporation, or to interfere with the right of the Company or any such corporations to discharge or to retire any Employee at anytime with or without cause and with or without notice. No Employee shall have any right to or interest in Options authorized hereunder prior to the grant thereof to such Employee, and upon such grant he or she shall have only such rights and interests as are expressly provided herein, subject, however, to all applicable provisions of the Company's Articles of Incorporation, as the same may be amended from time to time.

24. LEGENDS ON CERTIFICATES.

(a) FEDERAL LAW. Unless an appropriate registration statement is filed pursuant to the federal Securities Act of 1933, as amended, with respect to the Options and Shares issuable under this Plan, each document or certificate representing such Options or Shares shall be endorsed thereon with a legend substantially as follows:

"THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE, AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE, TRANSFER OR DISTRIBUTION THEREOF. NO SUCH SALE, TRANSFER OR DISTRIBUTION MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATING THERETO OR AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED."

(b) ADDITIONAL LEGENDS. Each document or certificate representing the Options or Shares issuable under the Plan shall also contain legends as may be required under applicable blue sky laws or by any Stock Purchase Agreement or other agreement the execution of which is a condition to the exercise of an Option under this Plan.

25. AVAILABILITY OF PLAN. A copy of this Plan shall be delivered to the Secretary of the Company and shall be shown by him or her to any eligible person making reasonable inquiry concerning it.

26. INVALID PROVISIONS. In the event that any provision of this Plan is found to be invalid or otherwise unenforceable under any applicable law, such

Edgar Filing: SIMULATIONS PLUS INC - Form PRER14A

invalidity or unenforceability shall not be construed as rendering any other provisions contained herein as invalid or unenforceable, and all such other provisions shall be given full force and effect to the same extent as though the invalid or unenforceable provision was not contained herein.

27. SEVERABILITY. In the event that any provision of the Plan is found to be invalid or otherwise unenforceable under any applicable law, such invalidity or unenforceability shall not be construed as rendering any other provisions contained herein as invalid or unenforceable, and all such other provisions shall be given full force and effect to the same extent as though the invalid or unenforceable provision was not contained herein.

28. APPLICABLE LAW. To the extent that federal laws do not otherwise control, this Plan shall be governed by and construed in accordance with the laws of the State of California without regard to the conflict of laws principles thereof.
