If delivery of the prospectus is expected to be made pursuant to Rule 434 under the Securities Act, please check the following box:

### CALCULATION OF REGISTRATION FEE

| TITLE OF EACH CLASS OF<br>SECURITIES TO BE REGISTERED | AMOUNT TO<br>BE REGISTERED (1) | PROPOSED MAXIMUM<br>OFFERING PRICE<br>PER SHARE | PROPOSED MAXIMUM<br>AGGREGATE<br>OFFERING PRICE | AMOUNT<br>REGISTERED |
|---|--------------------------------|---|---|----------------------|
| Common stock, \$0.01 par value                        | 4,420,156 (2)                  | (3)   | (3)   |                      |

- (1) In the event of a stock split, stock dividend, or similar transaction involving common stock of the registrant, in order to prevent dilution, the number of shares registered shall be automatically increased to cover the additional shares in accordance with Rule 416(a) under the Securities Act.
- (2) As originally filed, this registration statement covered an aggregate of 11,524,853 shares. As amended by pre-effective amendment no. 1, this registration statement covered an aggregate of 11,580,629 shares, including 147,835 shares issued and outstanding and 11,432,794 shares underlying warrants, options and convertible promissory notes. As amended by this post-effective amendment no. 1, this registration statement now covers an aggregate of 4,420,156 shares of common stock, including 989,253 shares outstanding and 3,430,903 shares underlying warrants, options and convertible promissory notes.
- (3) The proposed maximum offering price per share has been estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(c) of the Securities Act. A registration fee of \$880.04 was paid upon the initial filing of this registration statement based upon a proposed maximum offering price per unit of \$0.83, which was the average of the high and low sales prices per share of the Registrant's common stock as reported on The Nasdaq National Market on June 7, 2002, and an amount to be registered of 11,524,853 shares. An additional registration fee of \$5.64 was paid upon the filing of pre-effective amendment no. 1. This additional registration fee was calculated by (a) multiplying (i) the difference between the aggregate number of shares being covered by pre-effective amendment no. 1 and the aggregate number of shares covered by the initial filing of this registration statement (i.e., 11,580,629 minus 11,524,853 equals 55,776) by (ii) a proposed maximum offering price per unit of \$1.10, which was the average of the high and low sales prices per share of the Registrant's common stock as reported on The Nasdaq National Market on July 15, 2002, and then (b) multiplying that product (i.e., 55,776 multiplied by \$1.10 equals \$61,353.60) by the then current fee rate (i.e., \$0.000092).

-2-

DEREGISTRATION OF SECURITIES

When declared effective, this registration statement no. 333-90574 covered 11,580,629 shares of the registrant's common stock. In accordance with the registrant's undertaking set forth in Part II, Item 17 of this registration statement, the registrant hereby deregisters 7,160,473 shares of its common stock that were registered on this registration statement but will not be resold under this registration statement, so that the number of shares of common stock registered for resale under this registration statement is 4,420,156.

-3-

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this post-effective amendment no. 1 to registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Irvine, State of California, on December 5, 2003.
