Forward Looking Statements

This Quarterly Report contains forward-looking statements as that term is

Edgar Filing: DCAP GROUP INC/ - Form 10QSB

defined in the federal securities laws. The events described in forward-looking statements contained in this Quarterly Report may not occur. Generally these statements relate to business plans or strategies, projected or anticipated benefits or other consequences of our plans or strategies, projected or anticipated benefits from acquisitions to be made by us, or projections involving anticipated revenues, earnings or other aspects of our operating results. The words "may," "will," "expect," "believe," "anticipate," "project," "plan," "intend," "estimate," and "continue," and their opposites and similar expressions are intended to identify forward-looking statements. We caution you that these statements are not guarantees of future performance or events and are subject to a number of uncertainties, risks and other influences, many of which are beyond our control, that may influence the accuracy of the statements and the projections upon which the statements are based. Factors which may affect our results include, but are not limited to, the risks and uncertainties associated with undertaking different lines of business, the lack of experience in operating certain new business lines, the decline in the number of insurance companies offering insurance products in our markets, the volatility of insurance premium pricing, government regulation, competition from larger, better financed and more established companies, the possibility of tort reform and a resultant decrease in the demand for insurance, the uncertainty of litigation with regard to our hotel lease, the dependence on our executive management, our ability to continue to obtain the necessary financing to operate our premium finance business, and our ability to raise additional capital which may be required in the near term. Any one or more of these uncertainties, risks and other influences could materially affect our results of operations and whether forward-looking statements made by us ultimately prove to be accurate. Our actual results, performance and achievements could differ materially from those expressed or implied in these forward-looking statements. We undertake no obligation to publically update or revise any forward-looking statements, whether from new information, future events or otherwise.

Explanatory Note

Throughout this Quarterly Report, the words "DCAP Group," "we," "our," and "us" refer to DCAP Group, Inc. and the operations of DCAP Group, Inc. as a whole. References to "DCAP Insurance" and the "DCAP Companies" in this Annual Report mean our wholly-owned subsidiary, Dealers Choice Automotive Planning Inc., and affiliated companies, and the operations of our insurance-related subsidiaries.

DCAP GROUP, INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
SIX MONTHS ENDED JUNE 30, 2002 AND 2001 (UNAUDITED)

1. The Condensed Consolidated Balance Sheet as of June 30, 2002, the Condensed Consolidated Statements of Operations for the three and six months ended June 30, 2002 and 2001 and the Condensed Consolidated Statements of Cash Flows for the six months ended June 30, 2002 and 2001 have been prepared by us without audit. In our opinion, the accompanying unaudited condensed consolidated financial statements contain all adjustments necessary to present fairly in all material respects our financial position as of June 30, 2002, results of operations for the three and six months ended June 30, 2002 and 2001 and cash flows for the six months ended June 30, 2002 and 2001. This report should be read in conjunction with our Annual Report on Form 10-KSB for the year ended December 31, 2001.

2. Summary of Significant Accounting Policies:

a. Principles of consolidation

The accompanying consolidated financial statements include the accounts of all subsidiaries and joint ventures in which we have a majority voting interest or voting control. All significant intercompany accounts and transactions have been eliminated.

b. Revenue recognition

We recognize commission revenue from insurance policies at the beginning of the contract period, on income tax preparation when services are completed, and on automobile club dues equally over the contract period. Franchise fee revenue is recognized when substantially all of our contractual requirements under the franchise agreement are completed. Refunds of commissions on the cancellation of insurance policies are reflected at the time of cancellation.

Premium financing fee revenue is earned based upon the origination of premium finance contracts sold by agreement to third parties. The contract fee gives consideration to an estimate as to the collectability of the loan amount. Periodically, actual results are compared to estimates previously recorded, and adjusted accordingly.

Revenues from room sales are recorded at the time services are performed.

c. Website Development Costs

Technology and content costs are generally expensed as incurred, except for certain costs relating to the development of internal-use software, including those relating to operating our website, that are capitalized and depreciated over two years. No costs were incurred during the six months ended June 30, 2002.

d. Reclassifications

Certain reclassifications have been made to the consolidated financial

Edgar Filing: DCAP GROUP INC/ - Form 10QSB

statements for the three and six months ended June 30, 2001 to conform with the classifications used for the three and six months ended June 30, 2002.

8

3. The results of operations and cash flows for the three and six months ended June 30, 2002 are not necessarily indicative of the results to be expected for the full year.

4. Segment and Related Information. We have three reportable business segments: Insurance, Premium Finance and Hotel. The Insurance segment sells retail auto, motorcycle, boat, life, business, and homeowner's insurance and franchises. In addition, this segment offers tax preparation services and automobile club services for roadside emergencies. The Premium Finance segment offers property and casualty policyholders loans to finance the policy premiums. The Hotel segment operates the International Airport Hotel in San Juan, Puerto Rico. The Hotel caters generally to commercial and tourist travelers in transit.

Summarized financial information concerning our reportable segments is shown in the following tables:

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION.

SIX MONTHS ENDED JUNE 30, 2002 AND 2001

Results of Operations

Our net income for the six months ended June 30, 2002 was \$87,299 as compared to a net loss of \$887,605 for the six months ended June 30, 2001.

During the six months ended June 30, 2002, revenues from our DCAP Insurance operations were \$699,235 as compared to \$1,343,561 during the six months ended June 30, 2001. The decline in revenues from our insurance-related operations was generally due to the sale (and conversion to franchise status) of eight DCAP offices effective as of March 28, 2001. Since there have been no additional sales or closures of DCAP offices since that date, we do not anticipate that revenues from our insurance-related operations will substantially decline further over the balance of 2002.

Premium finance revenues increased \$386,894 during the six months ended June 30, 2002 as compared to the six months ended June 30, 2001. This increase was the result of (i) our renegotiation in June 2001 of our agreement regarding the sale of premium finance receivables that has given rise to increased revenues per transaction, (ii) an increase in the number of franchises utilizing our premium finance services, and (iii) an expansion of our premium finance marketing efforts to non-DCAP insurance agencies.

Hotel revenues decreased approximately \$80,000 between the six months ended June 30, 2001 and 2002 primarily due to the decline in air traffic following the terrorist attack of September 11, 2001.

Our general and administrative expenses for the six months ended June 30, 2002 were \$807,302 less than for the comparable period in 2001. In addition, our marketing expenses for the six months of 2002 were \$450,873 less than for the comparable period in 2001. These decreases were primarily due to the sale of stores discussed above. Further, our depreciation and amortization expenses decreased \$104,448 between the six months ended June 30, 2001 and 2002 primarily due to the sale of the stores, a write-off of goodwill as a result of the store sales, and a write off of fixed assets during the fourth quarter of 2001.

Our DCAP Insurance operations during the six months ended June 30, 2002, on a stand-alone basis, generated a net loss of \$41,120 as compared to a net loss of \$825,510 for the six months ended June 30, 2001 (after giving effect to a gain of \$56,043 on the sale of our ownership interest in a DCAP store). Our premium finance operations during the six months ended June 30, 2002, on a stand-alone basis, generated a net profit of \$304,984, as compared to a net profit of \$37,863 during the comparable period in 2001. The operations of the hotel during the six months ended June 30, 2002, on a stand-alone basis, generated net income of \$39,057 as compared to a net income of \$82,807 for the six months ended June 30, 2001. Losses from corporate-related items not allocable to reportable segments were \$215,622 during the six months ended June 30, 2002 as compared to \$182,765 for the six months ended June 30, 2001.

Edgar Filing: DCAP GROUP INC/ - Form 10QSB

Liquidity and Capital Resources

As of June 30, 2002, we had \$256,540 in cash and cash equivalents and a working capital deficiency of \$497,230. As of December 31, 2001, we had \$220,774 in cash and cash equivalents and a working capital deficiency of \$ 598,263.

Our liquidity at June 30, 2002 was insufficient to meet operating requirements. We believe that our continued efforts to expand our premium finance customer base of both DCAP and non- DCAP agencies, within and outside New York State, will help reduce our working capital deficiency and alleviate cash flow demands.

Management believes that the above efforts are reasonably capable of reducing our working capital deficiency and alleviating our cash flow demands during the 12 month period ending June 30, 2003. We can give no assurances that our efforts will be successful.

We have no current commitments for capital expenditures.

Plan of Operation

We are seeking to expand our insurance and premium finance operations through the acquisition of additional stores. We can give no assurance that our efforts will be successful.
