Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

As described in Item 5.07 of this Current Report on Form 8-K, at the Annual Meeting of Stockholders of Quest Diagnostics Incorporated (the "Company") held on May 21, 2013 (the "2013 Annual Meeting"), upon the recommendation of the Board of Directors, the stockholders voted on and approved amendments to the Company's Restated Certificate of Incorporation to:

- (a) declassify the Board of Directors and provide for the annual election of all directors. The amendment eliminates the classification of the Board of Directors beginning in 2014 and concluding in 2016; and
- (b) eliminate the Company's Series A Junior Participating Preferred Stock. This preferred stock was authorized in 1996 in connection with a stockholders rights plan; the rights plan has expired and the preferred stock was never issued and no longer serves a purpose. Eliminating this preferred stock returns 1,300,000 shares constituting such series to the general pool of preferred stock available to be issued under the Company's Restated Certificate of Incorporation.

The amendments to the Restated Certificate of Incorporation were filed with the Secretary of State of the State of Delaware on May 21, 2013 and were effective as of such date. A composite copy setting forth the provisions of the Restated Certificate of Incorporation, as amended, is attached as Exhibit 3.1 hereto and is incorporated by reference into this Item 5.03.

600,000,000 shares, of the par value of \$0.01 each, are to be Common Stock.

The relative voting, dividend, liquidation and other rights, preferences and limitations of the shares of each class are as follows:

I. The Preferred Stock may be issued from time to time in one or more series, each such series to have the number of shares and designation, and the shares of each such series to have such relative rights, preferences or limitations, as the Board of Directors, subject to the limitations prescribed by law or provided herein, may from time to time fix, before issuance, by filing an appropriate certificate ("Certificate of Designation") with the Secretary of State pursuant to the General Corporation Law of the State of Delaware. The authority of the Board of Directors with respect to each series shall include, but not be limited to, the fixing of the following:

- (a) The number of shares to constitute the series and the distinctive designation thereof;
- (b) The dividend rate on the shares of the series; whether dividends shall be cumulative, and, if so, from what date or dates;
- (c) Whether or not the shares of the series shall be redeemable and, if redeemable, the terms upon which the shares of the series may be redeemed and the premium, if any, over and above the par value thereof and any dividends accrued thereon which the share of the series shall be entitled to receive upon the redemption thereof;
- (d) Whether or not the shares of the series shall be subject to the operation of a retirement or sinking fund to be applied to the purchase or redemption of such shares for retirement and, if such retirement or sinking fund be established, the annual amount thereof and the terms and provisions relative to the operation thereof;

II. Holders of shares of Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors, out of funds legally available for the payment of dividends, dividends at the rates fixed by the Board of Directors for the respective series, before any dividends shall be declared and paid, or set apart for payment, on any other class of stock of the Corporation ranking junior to the Preferred Stock either as to dividends or assets, with respect to the same dividend period.

III. Whenever, at any time, dividends on the then outstanding Preferred Stock as may be required by the terms of the certificate creating the series representing the shares outstanding shall have been paid or declared and set apart for payment on the then outstanding Preferred Stock and after complying with all the provisions with respect to any retirement or sinking fund or funds for any series of Preferred Stock, the Board of Directors may, subject to the provisions of any certificate creating any series of Preferred Stock with respect to the payment of dividends on any other class or classes of stock, declare and pay dividends on the Common Stock, and the Preferred Stock shall not be entitled to share therein.

IV. Upon any liquidation, dissolution or winding-up of the Corporation, after payment if any is required, shall have been made in full to the Preferred Stock as provided in any certificate creating any series thereof, but not prior thereto, the Common Stock shall, subject to the respective terms and provisions, if any, of any such certificate, be entitled to receive any and all assets remaining to be paid or distributed, and the Preferred Stock shall not be entitled to share therein.

V. No holder of Common Stock or any series of Preferred Stock shall, as such holder, have any preemptive or preferential right of subscription to any stock of any class of the Corporation or to any obligations convertible into any such stock or to any right of subscription to, or to any warrant or option for, the purchase of any stock, other than such, if any, as the Board of Directors of the Corporation in its discretion may determine from time to time.

VI. The holders of the Common Stock shall have the right to vote on all questions to the exclusion of all other classes of stock, except as by law expressly provided or as otherwise expressly provided with respect to the holders of any other class or classes of stock.

4A. Intentionally Omitted

5. Directors.

(a) The business and affairs of the Corporation shall be managed by a Board of Directors consisting of not less than three nor more than twelve persons. The exact number of directors within the minimum and maximum limitations specified in the preceding sentence shall be fixed from time to time by the Board of Directors pursuant to a resolution adopted by the affirmative vote of a majority of the entire Board of Directors; and such exact number shall be six unless otherwise determined by a resolution so adopted by a majority of the entire Board of Directors. As used in this Certificate of Incorporation, the term "entire Board of Directors" means the total authorized number of directors which the Corporation would have if there were no vacancies.

As of the Distribution Date (as defined in the Transaction Agreement dated as of November 22, 1996 among Corning Incorporated, Corning Life Sciences Inc., the Corporation, Covance and Corning Clinical Laboratories Inc. (Michigan) (the "Distribution Date"), the directors shall be divided into three classes, as nearly equal in number as possible, with the term of office of the first class to expire at the 1998 Annual Meeting of Stockholders, the term of office of the second class to expire at the 1999 Annual Meeting of Stockholders, and the terms of office of the third class to expire at the 2000 Annual Meeting of Stockholders. Commencing with the 1998 Annual Meeting of Stockholders, directors elected to succeed those directors whose terms have thereupon expired shall be elected for a term of office to expire at the third succeeding Annual Meeting of Stockholders after their election. Notwithstanding the foregoing, at the 2014 Annual Meeting of Stockholders of the Corporation, the successors of the directors whose terms expire at that meeting shall be elected for a term expiring at the 2015 Annual Meeting of Stockholders of the Corporation; at the 2015 Annual Meeting of Stockholders of the Corporation, the successors of the directors whose terms expire at that meeting shall be elected for a term expiring at the 2016 Annual Meeting of Stockholders of the Corporation; and at each annual meeting of stockholders of the Corporation thereafter, the directors shall be elected for terms expiring at the next succeeding annual meeting of stockholders of the Corporation, with each director to hold office until his or her successor shall have been duly elected and qualified. Commencing with the 2016 Annual Meeting of Stockholders of the Corporation, the classification of the Board of Directors shall cease.

(b) Subject to the rights of the holders of any series of Preferred Stock or any other class of capital stock of the Corporation (other than the Common Stock) then outstanding, vacancies on the Board of Directors resulting from a newly created directorship, death, resignation, retirement, disqualification, removal from office or other cause shall be filled only by the affirmative vote of a majority of the remaining directors of the entire Board of Directors then in office, although less than a quorum, or by the sole remaining director. Any director so elected shall hold office until the next Annual Meeting of Stockholders of the Corporation (or, if so elected prior to the 2016 Annual Meeting of Stockholders of the Corporation, until the next election of the class for which such directors shall have been chosen) and until his successor is elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.

(c) Whenever the holders of any one or more series of Preferred Stock issued by the Corporation shall have the right, voting separately by series, to elect directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such

directorships shall be governed by this Paragraph 5 unless expressly otherwise provided by the resolution or resolutions providing for the creation of such series.

(d) Until the 2016 Annual Meeting of Stockholders, subject to the rights of the holders of any series of Preferred Stock or any other class of capital stock of the Corporation (other than the Common Stock) then outstanding, any director, or the entire Board of Directors, may be removed by the stockholders from office at any time prior to the expiration of his term of office, but only for cause, and only by the affirmative vote of the holders of record of outstanding shares representing a majority of the voting power of all of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors.

(e) Notwithstanding any other provision of this Certificate of Incorporation and subject to the other provisions of this Paragraph 5, the Board of Directors shall determine the rules and procedures that shall affect the Directors' power to manage and direct the business and affairs of the Corporation. Without limiting the foregoing, the Board of Directors shall designate and empower committees of the Board of Directors, shall elect and empower the officers of the Corporation, may appoint and empower other officers and agents of the Corporation, and shall determine the time and place of, and the notice requirements for, Board meetings, as well as quorum and voting requirements for, and the manner of taking, Board actions.

6. Business Combination.

A. "Business Combination" shall mean:

(v) any reclassification of securities (including any reverse stock split), or recapitalization of the Corporation, or any merger or consolidation of the corporation with any Subsidiary or any other transaction (whether or not with or into or otherwise involving an Interested Stockholder) which has the effect, directly, or indirectly, of increasing the percentage of the outstanding shares of (a) any class of equity securities of the Corporation or any Subsidiary or (b)

D. "Continuing Director" shall mean (i) any member of the Board of Directors of the Corporation who (a) is neither the Interested Stockholder involved in the Business Combination as to which a vote of Continuing Directors is provided hereunder, nor an Affiliate, Associate, employee, agent, or nominee of such Interested Stockholder, or the relative of any of the foregoing, and (b) was a member of the Board of Directors of the Corporation prior to the time that such Interested Stockholder became an Interested Stockholder, (ii) any successor of a Continuing Director described in clause (i) who is recommended or elected to succeed a Continuing Director by the affirmative vote of a majority of Continuing Directors then on the Board of Directors of the Corporation, and (iii) any person who is a member of the Board of Directors of the Corporation at the Distribution Date and any successor thereto who is recommended or elected by the affirmative vote of a majority of the Continuing Directors then on the Board of Directors of the Corporation.

E. "Fair Market Value" shall mean: (i) in the case of stock, the highest closing sale price during the 30 day period immediately preceding the date in question of a share of such stock on the Composite Tape for New York Stock Exchange-Listed Stocks, or, if such stock is not reported on the Composite Tape, on the New York Stock Exchange, or, if such stock is not listed on such Exchange, on the principal United States securities exchange registered under the Exchange Act on which such stock is listed, or if such stock is not listed on any such exchange, the highest closing bid quotation with respect to a share of such stock during the 30-day period preceding the date in question on the National Association of Securities Dealers, Inc., Automated Quotations System or any similar inter-dealer quotation system then in use, or if no such quotation is available, the fair market value on the date in question of a share of such stock as determined by a majority of the Continuing Directors in good faith; and (ii) in the case of property other than cash or stock, the fair market value of such property on the date in question as determined by a majority of the Continuing Directors in good faith.

F. "Interested Stockholder" shall mean any Person (other than the Corporation or any Subsidiary) who or which:

(i) is, or was at any time within the two-year period immediately prior to the date in question, the Beneficial Owner of 10% or more of the voting power of the then outstanding Voting Stock of the Corporation; or

(ii) is an assignee of, or has otherwise succeeded to, any shares of Voting Stock of the Corporation of which an Interested Stockholder was the Beneficial Owner at any time within the two-year period immediately prior to the date in question, if such assignment or succession shall

have occurred in the course of a transaction, or series of transactions, not involving a public offering within the meaning of the Securities Act of 1933, as amended.

For the purpose of determining whether a Person is an Interested Stockholder, the outstanding Voting Stock of the Corporation shall include unissued shares of Voting Stock of the Corporation of which the Interested Stockholder is the Beneficial Owner but shall not include any other shares of Voting Stock of the Corporation which may be issuable pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, warrants or options, or otherwise, to any Person who is not the Interested Stockholder.

G. A “Person” shall mean any individual, partnership, firm, corporation, association, trust, unincorporated organization or other entity, as well as any syndicate or group deemed to be a person under Section 14(d) (2) of the Exchange Act.

H. “Subsidiary” shall mean any corporation of which the Corporation owns, directly or indirectly, (i) a majority of the outstanding shares of equity securities of such corporation, or (ii) shares having a majority of the voting power represented by all of the outstanding shares of Voting Stock of such corporation. For the purpose of determining whether a corporation is a Subsidiary, the outstanding Voting Stock and shares of equity securities thereof shall include unissued shares of which the Corporation is the Beneficial Owner but, except for the purposes of Section 1F, shall not include any other shares which may be issuable pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, warrants or options, or otherwise, to any Person who is not the Corporation.

I. “Voting Stock” shall mean outstanding shares of capital stock of the relevant corporation entitled to vote generally in the election of directors

(2) Higher Vote for Business Combinations. In addition to any affirmative vote required by law or by this Certificate of Incorporation, and except as otherwise expressly provided in Section 3 of this Paragraph 6, any Business Combination shall require the affirmative vote of the holders of record of outstanding shares representing at least eighty percent (80%) of the voting power of the then outstanding shares of the Voting Stock of the Corporation, voting together as a single class, it being understood that, for purposes of this Paragraph 6, each share of the Voting Stock of the Corporation shall have the number of votes granted to it pursuant to Paragraph 4 of this Certificate of Incorporation. Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that a lesser percentage may be specified, by law or in any agreement with any national securities exchange or otherwise.

(3) When Higher Vote is Not Required.

The provisions of Section 2 of this Paragraph 6 shall not be applicable to any particular Business Combination, and such Business Combination shall require only such affirmative vote, if any, of the stockholders as is required by law and any other provision of this Certificate of Incorporation, if the conditions specified in either of the following paragraphs A and B are met:

A. Approval by Continuing Directors. The Business Combination shall have been approved by the affirmative vote of a majority of the Continuing Directors, even if the Continuing Directors do not constitute a quorum of the entire Board of Directors.

B. Form of Consideration, Price and Procedure Requirements. All of the following conditions shall have been met:

(i) With respect to each share of each class of Voting Stock of the Corporation (including Common Stock), the holder thereof shall be entitled to receive on or before the date of the consummation of the Business Combination (the "Consummation Date"), consideration, in the form specified in Section 3 (B) (ii) hereof, with an aggregate Fair Market Value as of the Consummation Date at least equal to the highest of the following:

(a) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Stockholder to which the Business Combination relates, or by any Affiliate or Associate of such Interested Stockholder, for any shares of such class of Voting Stock acquired by it (1) within the two-year period immediately prior to the first public announcement of the proposal of the Business Combination (the "Announcement Date") or (2) in the transaction in which it became an Interested Stockholder, whichever is higher;

(b) the Fair Market Value per share of such class of Voting Stock of the Corporation on the Announcement Date; and

(c) the highest preferential amount per share, if any, to which the holders of shares of such class of Voting Stock of the Corporation are entitled in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Corporation.

(ii) The consideration to be received by holders of a particular class of outstanding Voting Stock of the Corporation (including Common Stock) as described in Section 3(B) (i) hereof shall be in cash or if the consideration previously paid by or on behalf of the Interested Stockholder in connection with its acquisition of beneficial ownership of shares of such class of Voting Stock consisted in whole or in part of consideration other than cash, then in the same form as such consideration. If such payment for shares of any class of Voting Stock of the Corporation has been made with varying forms of consideration, the form of consideration for such class of Voting Stock shall be either cash or the form used to acquire the beneficial ownership of the largest number of shares of such class of Voting Stock previously acquired by the Interested Stockholder.

(iii) After such Interested Stockholder has become an Interested Stockholder and prior to the Consummation Date of such Business Combination: (a) except as approved by the affirmative vote of a majority of the Continuing Directors, there shall have been no failure to declare and pay at the regular date therefor any full quarterly dividends (whether or not cumulative) on the outstanding preferred stock of the Corporation, if any; (b) there shall have been (1) no reduction in the annual rate of dividends paid on the Common Stock of the Corporation (except as necessary to reflect any subdivision of the Common Stock) except as approved by the affirmative vote of a majority of the Continuing Directors, and (2) an increase in such annual rate of dividends as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction which has the effect of reducing the number of outstanding shares of Common Stock, unless the failure so to increase such annual rate is approved by the affirmative vote of a majority of the Continuing Directors; and (c) such Interested Stockholder shall

not have become the Beneficial Owner of any additional shares of Voting Stock of the Corporation except as part of the transaction which results in such Interested Stockholder becoming an Interested Stockholder.

(iv) After such Interested Stockholder has become an Interested Stockholder, such Interested Stockholder shall not have received the benefit, directly or indirectly (except proportionately as a stockholder of the Corporation), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by the Corporation.

(v) A proxy or information statement describing the proposed Business Combination and complying with the requirements of the Exchange Act and the General Rules and Regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations) shall be mailed to the stockholders of the Corporation at least 45 days prior to the consummation of such Business Combination (whether or not such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions thereof).

(4) Powers of Continuing Directors. A majority of the Continuing Directors shall have the power and duty to determine, on the basis of information known to them after reasonable inquiry, all facts necessary to determine compliance with this Paragraph 6, including, without limitation, (A) whether a person is an Interested Stockholder, (B) the number of shares of Voting Stock of the Corporation beneficially owned by any person, (C) whether a person is an Affiliate or Associate of another, (D) whether the requirements of paragraph B of Section 3 have been met with respect to any Business Combination, and (E) whether the assets which are the subject of any Business Combination have, or the consideration to be received for the issuance or transfer of securities by the Corporation or any Subsidiary in any Business Combination has, an aggregate Fair Market Value of \$20,000,000 or more; and the good faith determination of a majority of the Continuing Directors on such matters shall be conclusive and binding for all the purposes of this Paragraph 6.

(5) No Effect on Fiduciary Obligations.

A. Nothing contained in this Paragraph 6 shall be construed to relieve the members of the Board of Directors or an Interested Stockholder from any fiduciary obligation imposed by law.

B. The fact that any Business Combination complies with the provisions of Section 3 of this Paragraph 6 shall not be construed to impose any fiduciary duty, obligation or responsibility on the Board of Directors, or any member thereof, to approve such Business Combination or recommend its adoption or approval to the stockholders of the Corporation, nor shall such compliance limit, prohibit or otherwise restrict in any manner the Board of Directors, or any member thereof, with respect to evaluations of or actions and responses taken with respect to such Business Combination.

7. Special Stockholder Meetings. Except as otherwise required by law, special meetings of the stockholders may be called only by the Board of Directors.

8. Action by Unanimous Written Consent. From and after the Distribution Date, any action which may be taken at any annual or special meeting of stockholders may be taken without a meeting without prior notice and without a vote, if consent in writing, setting forth the action so taken, shall

be signed, in person or by proxy, by the holders of all outstanding stock entitled to vote thereon and no action by non-unanimous written consent shall be permitted.

9. Bylaws. The Board of Directors shall have the right to make, alter or repeal the Bylaws of the Corporation, subject to the right of the stockholders of the Corporation to alter or repeal any Bylaw made by the Board of Directors.

10. Elections. The election of directors of the Corporation need not be by written ballot, unless the Bylaws of the Corporation otherwise provide.

11. Indemnification.

(a) No director of the Corporation shall have any personal liability to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that this provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the General Corporation Law of the State of Delaware, or (iv) for any transaction from which the director derived an improper personal benefit.

(b) Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director or officer of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action either in an official capacity as a director or officer or in any other capacity while serving as a director or officer, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the General Corporation Law of the State of Delaware, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expenses, liability and loss (including attorneys' fees, judgments, fines, excise taxes pursuant to the Employee Retirement Income Security Act of 1974, as amended, or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation. The right to be indemnified conferred in this Paragraph 11 shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that the payment of such expenses incurred by the director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is to be rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan), in advance of the final disposition of proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Paragraph or otherwise. The Corporation may also provide indemnification to employees and agents of the Corporation with the same scope and effect as the foregoing indemnification of directors and officers.

(c) The indemnification provided by this Paragraph 11 shall not limit or exclude any rights, indemnities or limitations of liability to which any person may be entitled, whether as a matter of law, under the By-Laws of the Corporation, by agreement, vote of the stockholders or disinterested directors of the Corporation or otherwise.

(d) If a claim under paragraph (b) of this Paragraph 11 is not paid in full by the Corporation within sixty (60) days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the General Corporation Law of the State of Delaware for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard or conduct set forth in the General Corporation Law of the State of Delaware, nor an actual determination by the Corporation (including its Board, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall create a presumption that the claimant has not met the applicable standard of conduct.

(e) The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the corporation or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the General Corporation Law of the State of Delaware.

12. Amendment or Repeal. The affirmative vote of the holders of record of outstanding shares representing at least eighty percent (80%) of the voting power of all the outstanding Voting Stock of the Corporation shall be required to amend, alter or repeal, or adopt any provision or provisions inconsistent with, any provision of Paragraphs 5, 6, 7 and 8 and this Paragraph 12; provided, however, that this Paragraph 12 shall not apply to, and such eighty percent (80%) vote shall not be required for, any amendment, alteration, repeal or adoption of any inconsistent provision or provisions, declared advisable by the Board of Directors by the affirmative vote of two-thirds of the entire Board of Directors and a majority of the Continuing Directors.
