Report of Independent Accountants

To the Stockholders and Board of Directors of FirstEnergy Corp.:

In our opinion, the consolidated balance sheet and consolidated statement of capitalization and the related consolidated statements of income, common stockholders' equity, preferred stock, cash flows and taxes included in FirstEnergy Corp.'s Annual Report on Form 10-K/A for the year ended December 31, 2002, which is incorporated by reference in this Form U5S, present fairly, in all material respects, the financial position of FirstEnergy Corp. and subsidiaries as of December 31, 2002, and the results of their operations and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Company's management; our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall

Edgar Filing: FIRSTENERGY CORP - Form U5S

financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 2(E) to the consolidated financial statements, the Company changed its method of accounting for goodwill in 2002.

As discussed in Note 2(L) to the consolidated financial statements, the Company has revised the presentation of its Consolidated Statement of Income for the year ended December 31, 2002.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplementary consolidating information in the accompanying Form U5S is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, results of operations and cash flows of the individual companies. Accordingly, we do not express an opinion on the financial position, results of operations and cash flows of the individual companies. However, the supplementary consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.
