- (1) During 2009, the reporting person deferred certain amounts of compensation pursuant to a deferral election that was made under a nonqualified deferred compensation arrangement that was not compliant with Internal Revenue Code Section 409A. The amounts deferred were used to purchase shares of common stock in the Deferred Compensation Plan maintained by the issuer for the benefit of the reporting person. The nonqualified deferred compensation arrangement was eligible for voluntary correction under the terms of Internal Revenue Service Notice 2008-113. The voluntary correction provisions required the issuer to pay to the reporting person the amounts deferred that were not compliant with Section 409A and to adjust the reporting person's deferred compensation account for the distribution.
- (2) Each share deemed to be held by the Deferred Compensation Plan represents the right to receive one share of AEL common stock or the cash value thereof.
- (3) Shares of AEL common stock deemed held by the Deferred Compensation Plan are payable in AEL common stock or cash following termination of the reporting person's employment with AEL. The reporting person may transfer the AEL stock deemed held in his Deferred Compensation Account into an alternative investment at any time.
