Form DEF 14A
March 31, 2008

April 4, 2008

Dear Shareholder:

We cordially invite you to attend the Annual Meeting of Shareholders of Pathfinder Bancorp, Inc. The Annual Meeting will be held at Patz Restaurant, 6 East First Street, Oswego, New York at 10:00 a.m., Eastern Time, on April 30, 2008.

The enclosed Notice of Annual Meeting and Proxy Statement describe the formal business to be transacted. During the Annual Meeting we will also report on our operations. Directors and officers, as well as a representative of our independent registered public accounting firm (also referred to as our "Auditors"), will be present to respond to questions that shareholders may properly present.

The Annual Meeting is being held so that shareholders may consider the election of two directors, each for a three year term, and the ratification of the appointment of Beard Miller Company LLP as our independent registered public accounting firm for the year ending December 31, 2008.

For the reasons set forth in the Proxy Statement, the Board of Directors unanimously recommends a vote "FOR" the election of two directors, each for a three year term, and the ratification of the appointment of Beard Miller Company LLP as our independent registered public accounting firm.

On behalf of the Board of Directors, we urge you to sign, date and return the enclosed proxy card as soon as possible, even if you currently plan to attend the Annual Meeting. This will not prevent you from voting in person, but will assure that your vote is counted if you are unable to attend the meeting. Your vote is important, regardless of the number of shares that you own.

Sincerely,

Thomas W. Schneider
President and Chief Executive Officer

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

ANNUAL MEETING OF SHAREHOLDERS
APRIL 30, 2008

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Pathfinder Bancorp, Inc. to be used at our annual meeting of shareholders, which will be held at Patz Restaurant, 6 East First Street, Oswego, New York on April 30, 2008, at 10:00 a.m., eastern time, and all adjournments of the annual meeting. The accompanying notice of annual meeting of shareholders and this proxy statement are first being mailed to shareholders on or about April 4, 2008.

REVOCATION OF PROXIES

Shareholders who sign the proxies we are soliciting will retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the annual meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors will be voted in accordance with the directions given thereon. Where no instructions are indicated, validly executed proxies will be voted "for" the proposals set forth in this proxy statement. If any other matters are properly brought before the annual meeting, the persons named in the accompanying proxy will vote the shares as directed by a majority of the Board of Directors in attendance at the annual meeting. We know of no additional matters that will be presented for consideration at the annual meeting. If a shareholder who wishes to bring a matter for shareholder consideration (other than a shareholder proposal) fails to notify us at least 45 days prior to the anniversary of the month and day of the mailing of last year's proxy statement, then management proxies are permitted to use their discretionary voting authority if the proposal is raised at the annual meeting without discussion of the matter in the proxy statement. We are not aware of any such proposals for this year's annual meeting.

Proxies may be revoked by sending written notice of revocation to our Secretary, at the address shown above, by delivering to us a duly executed proxy bearing a later date or by attending the annual meeting and voting in person. The presence at the annual meeting of any shareholder who had returned a proxy will not revoke the proxy unless the shareholder delivers his or her ballot in person at the annual meeting or delivers a written revocation to our Secretary prior to the voting of the proxy. If you are a shareholder whose shares are not registered in your name, you will need appropriate documentation from your record holder to vote in person at the annual meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Holders of record of our common stock, par value \$0.01 per share as of the close of business on March 17, 2008 (the "Record Date") are entitled to one vote for each share they own. As of the Record Date, we had 2,483,732 shares of common stock issued and outstanding of which 1,583,239 were held by our mutual holding company Pathfinder Bancorp, M.H.C., and 900,493 of which were held by shareholders other than Pathfinder Bancorp, M.H.C. ("Minority Shareholders"). The presence in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the annual meeting. If a shareholder holds shares in street name (i.e., the shares are held in a stock brokerage account or by a bank, trust, or other institution) and does not provide voting instructions to the holder of the account, such shares will be considered "Broker non-votes." Broker non-votes and proxies marked abstain will be counted for purposes of determining that a quorum is present. As to the election of directors, shareholders may cast their votes "For" or "Withheld." As

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

to the ratification of the retention of our independent registered public accounting firm, shareholders may cast their votes "For," "Against" or "Abstain." Directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which the authority to vote for the nominees being proposed is withheld. The affirmative vote of holders of a majority of the total votes cast at the annual meeting in person or by proxy,

-1-

without regard to broker non-votes or proxies as to which shareholders abstain, is required for ratification of Beard Miller Company LLP as our independent registered public accounting firm. Because our mutual holding company owns a majority of the outstanding shares, should it vote "For" the proposals, passage of the proposals would be assured.

Persons and groups who beneficially own in excess of five percent of the common stock are required to file certain reports with the Securities and Exchange Commission (the "SEC") regarding such ownership. The following table sets forth, as of the Record Date, the shares of common stock beneficially owned by directors individually, by executive officers individually, by executive officers and directors as a group and by each person who was the beneficial owner of more than five percent of our outstanding shares of common stock. None of the shares beneficially owned by directors, executive officers or nominees to the board of directors have been pledged as security or collateral for any loans.

SMALLER REPORTING COMPANY

The Company has elected to prepare this Proxy and other annual and periodic reports as a "Smaller Reporting Company" consistent with rules of the Securities and Exchange Commission effective February 4, 2008.

CONDUCT OF MEETING

In accordance with the bylaws, and by action of the Board of Directors, the Chair of the Board will preside over the annual meeting. The Chair of the Board has broad authority to ensure the orderly conduct of the meeting. This includes discretion to recognize shareholders who wish to speak, and the right to determine the extent of discussion on each item of business. Rules governing the conduct of the meeting have been established and will be available at the meeting along with the Agenda.

PROPOSAL 1 - ELECTION OF DIRECTORS

Our Board of Directors is currently composed of nine members. Our bylaws provide for three classes as nearly equal in number as possible of Directors, one class to be elected annually. We are electing two Directors this year since

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

two terms expire. In 2006, we had ten Directors, and elected four. Following the retirement of Mr. Gagas as Director on January 14, 2000, the Company amended its bylaws to reduce the number of directors from ten to nine. As a result, there are two director seats available for election. Directors are generally elected to serve for a three-year period and until their respective successors shall have been elected and qualify. Two Directors will be elected at the annual meeting, each to serve for a three-year period and until their respective successors shall have been elected and qualify. The Board of Directors' Nominating/Governance Committee has nominated Thomas W. Schneider and Chris R. Burritt to serve as directors. In 2009, one of the four directors to be elected will be proposed for a two year term, resulting in the creation of three classes of three directors.

The table below sets forth certain information regarding the composition of the Board of Directors, including the terms of office of Board members. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominees) will be voted at the annual meeting for the election of the nominees identified below. If the nominee is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why any of the nominees would be unable to serve if elected. Except as indicated herein, there are no arrangements or understandings between any nominee and any other person pursuant to which such nominee was selected.

OWNERSHIP REPORTS BY OFFICERS AND DIRECTORS

Our common stock is registered with the SEC pursuant to Section 12(b) of the Securities Exchange Act of 1934 (the "Exchange Act"). Our officers and directors and beneficial owners of greater than 10% of our common stock ("10% beneficial owners") are required to file reports on Forms 3, 4 and 5 with the SEC disclosing beneficial ownership and changes in beneficial ownership of the common stock. SEC rules require disclosure in our Proxy Statement or Annual Report on Form 10-K of the failure of an officer, director or 10% beneficial owner of our common stock to file a Form 3, 4, or 5 on a timely basis. All of our officers and directors filed these reports in a timely fashion, with the following exceptions. Form 4's were not filed timely on four trades during the year; two occurring on January 24, 2007 (Directors L William Nelson and Corte Spencer), one on February 8, 2007 and one on August 17, 2007 (Director Lloyd Stemple). All of these filings were exempt from Form 4 filings, however, as

small acquisitions. Subsequent filings were made on January 30, 2007, March 8, 2007 and August 23, 2007, respectively.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The business of the Board of Directors is conducted through meetings and activities of the Board and its committees. COMPENSATION COMMITTEE

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

The Compensation Committee meets periodically to review the performance of officers and employees and to determine compensation programs and adjustments. The entire Board of Directors ratifies the recommendations of the Compensation Committee. In the year ending December 31, 2007, the members of the Compensation Committee were Directors Manwaring, Resnick, Spencer, Burritt and Nelson. All of these Directors are "Independent" pursuant to Nasdaq listing requirements. The Compensation Committee met 6 times during the year ended December 31, 2007. The Compensation Committee has a charter which is available at our website at www.pathfinderbank.com.

The Compensation Committee of the Board of Directors (the "Committee") is comprised of Directors Chris Burritt, Bruce Manwaring, William Nelson, Janette Resnick and Corte Spencer, all of whom are "independent" pursuant to Nasdaq listing rules. The Committee annually reviews the performance of the Chief Executive Officer and other executive officers and recommends to the Board of Directors changes to base compensation, as well as the amount of any bonus to be awarded. In determining whether the base salary of an officer should be increased, the Committee and the Board of Directors take into account individual performance, performance of the Company and information regarding compensation paid to executives of peer group institutions performing similar duties in the Bank's market area.

While the Committee and the Board of Directors do not use strict numerical formulas to determine changes in compensation for the Chief Executive Officer and Senior Vice Presidents, and while they weigh a variety of different factors in their deliberations, they have emphasized and will continue to emphasize earnings, profitability, earnings contribution to capital, capital strength, asset quality, and return on tangible equity as factors in setting the compensation of the Chief Executive Officer and senior officers. Non-quantitative factors considered by the Committee and the Board of Directors in 2007 included general management oversight of the Company, the quality of communication with the Board of Directors, and the productivity of employees. Finally, the Committee and the Board of Directors considered the standing of the Company with customers and the community, as evidenced by customer and community complaints and compliments. While the Committee and the Board of Directors considered each of the quantitative and non-quantitative factors described above, such factors were not assigned a specific weight in evaluating the performance of the Chief Executive Officer and Senior Vice Presidents.

There were no salary increases for the Company and Bank's five executive officers, including Mr. Schneider during 2007.

-6-

The following table shows the compensation of Thomas W. Schneider, our principal executive officer, and the two most highly compensated other executive officers ("Named Executive Officers") who received total compensation of \$100,000 during the past fiscal year for services to the Company or any of its subsidiaries during the years ended December 31, 2007 and 2006, respectively.

The Company also offers educational assistance to full-time employees who have worked for the Company for at least one year and who desire to take courses at any accredited school of learning. The Company also provides long-term disability income insurance for all employees equal to the lesser of \$6,000 per month or 60% of the employee's basic monthly earnings.

The Company contributes annually to the Retirement Plan an amount necessary to satisfy the actuarially determined minimum funding requirements in accordance with the Employee Retirement Income Security Act of 1974 ("ERISA").

At the normal retirement age of 65 the Retirement Plan is designed to provide a life annuity. The retirement benefit provided is equal to 1.5% of a participant's average monthly compensation for periods after May 1, 2004, and 2.0% of the participant's average monthly compensation for credited service prior to May 1, 2004 based on the average of the three consecutive years during the last 10 years of employment which provides the highest monthly average compensation multiplied by the participant's years of credited service (not to exceed 30 years) to the normal retirement date. Retirement benefits also are payable upon retirement due to early and late retirement. Benefits also are paid from the Retirement Plan upon a Participant's disability or death. A reduced benefit is payable upon early retirement at or after age 60, or the completion of 30 years of service with the Company. Upon termination of employment other than as specified above, a participant who was employed by the Company for a minimum of five years is eligible to receive his or her accrued benefit reduced or early retirement or a deferred retirement benefit commencing on such participant's normal retirement date. For these purposes, "compensation" includes total compensation (including salary reduction contributions made under the 401(k) Plan or the flexible benefits plan sponsored by the Company), but does not include compensation in excess of \$225,000. The Company, in its discretion, may match participants' salary reduction contributions based upon Company profits for the current fiscal year. All employee contributions and earnings thereon are fully and immediately vested. All employer matching contributions vest at the rate of 20% per year beginning at the end of a participant's second year of service with the Company until a participant is 100% vested after six years of service. Participants also will vest in employer matching contributions when they reach the normal retirement age of 65 or later, or upon death or disability regardless of years of service.

Plan benefits will be paid to each participant in a lump sum. At December 31, 2007, the market value of the 401(k) Plan trust fund was approximately \$3,965,000. The Master Agreement provides a supplemental retirement income benefit in an annual amount equal to highest average compensation received by the executive during any 36 month period while employed by the Company, multiplied by a wage replacement percentage designated in the individual executive's joinder agreement, less the actual annual amount available to the executive from the Company's other tax-qualified or nonqualified plans. Benefits under the Master Agreement are payable to the executive upon the benefit age designated in the individual executive's joinder agreement. Benefits will be payable in monthly installments beginning on the executive's benefit age and continuing for a period of months designated in the individual executive's joinder agreement. Payments to an executive, or to his beneficiary, may be made from the Master Agreement upon the executive's death, total or permanent disability, or termination of service with the Company.

The Master Agreement is considered an unfunded plan for tax and ERISA purposes. All obligations arising under the Master Agreement are payable from the general assets of the Company. The 2007 contribution made on behalf of Mr. Schneider in connection with the Master Agreement is set forth in note (3) to the Summary Compensation Table.

Stock Option Plan. The Pathfinder Bancorp, Inc. 1997 Stock Option Plan (the "Stock Option Plan") authorizes the grant of stock options and limited rights to purchase 132,249 shares of Common Stock. The Stock Option Plan authorizes grants of (i) options intended to qualify as "incentive stock options," (ii) options that do not qualify as incentive stock options ("non-statutory options") and (iii) limited rights (described below) that are exercisable only upon a change in control of the Company (as defined). Non-employee directors are eligible to receive only non-statutory options. No options were granted during the past year.

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

On December 19, 2000, the Board of Directors accepted the voluntary rescission of all issued and unvested incentive stock options and non-statutory stock options under the Pathfinder Bank 1997 Stock Option Plan.

In July 2001, the Board approved the re-issuance of 38,499 stock options remaining in the 1997 Stock Option Plan. The exercise price is equal to the market value of the Company's shares at the date of grant (\$8.34). The options granted under the re-issuance have a 10-year term. All options have vested under the Stock Option Plan.

During the year, neither Mr. Schneider nor any of the officers listed on the Summary Compensation Table acquired any stock through the exercise of options. As of December 31, 2007, no in-the-money unexercised options were held by Mr. Schneider.

The Board of Directors may amend, suspend or terminate the Stock Option Plan except that such amendments may not impair awards previously granted. Shareholders of the Company must approve any amendment to the Stock Option Plan that would increase the number of options, decrease an option exercise price, extend the term of the Stock Option Plan or any option, or change the persons or category of persons eligible to be granted options. The exercise of options will have a dilutive effect on the ownership interests of existing shareholders. Further, the exercise of options may render more difficult or discourage a merger, tender offer or other takeover attempt even if such transaction or event would be beneficial to shareholders generally, the assumption of control by a holder of a large block of the Company's securities, a proxy contest or the removal of incumbent management.

NOMINATING/GOVERNANCE COMMITTEE

The Nominating/Governance Committee met 5 times in the year ending December 31, 2007 to address issues concerning corporate governance, succession planning, and to nominate directors to fulfill the terms of the upcoming year. In the year ended December 31, 2007, the Nominating/Governance Committee was comprised of directors Thomas, Manwaring, Joyce and Resnick, all of whom are "Independent" pursuant to the Nasdaq listing requirements. The Nominating/Governance Committee has a charter in the form of governance guidelines which is available at our website at www.pathfinderbank.com.

Among other things, the functions of the Nominating/Governance Committee include the following:

- to lead the search for individuals qualified to become members of the Board and to select director nominees to be presented for shareholder approval;
- to review and monitor compliance with the requirements for board independence; and
- to review the committee structure and make recommendations to the Board regarding committee membership.

The Nominating/Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Nominating/Governance Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Nominating/Governance Committee would solicit suggestions for director candidates from all Board members. In addition, the Nominating/Governance Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. The Nominating/Governance Committee would seek to identify a candidate who, at a minimum, satisfies the following criteria:

- has personal and professional ethics and integrity and whose values are compatible with ours;
 - has had experiences and achievements that have given him or her the ability to exercise and develop good business judgment;
- 10-
- is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;
 - is familiar with the communities in which we operate and/or is actively engaged in community activities;
 - is involved in other activities or interests that do not create a conflict with his or her responsibilities to us and our shareholders; and
 - has the capacity and desire to represent the balanced, best

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

interest of our shareholders as a group, and not primarily a special interest group or constituency.

The Nominating/Governance Committee will also take into account whether a candidate satisfies the criteria for "independence" under the Nasdaq corporate governance listing standards and, if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an Audit Committee Financial Expert.

The Nominating/Governance Committee will consider candidates for the Board of Directors recommended by shareholders. In order to make a recommendation to the Board of Directors, a shareholder must own no less than 500 shares of the corporation. Shareholders who are so qualified may send their recommendations to our Corporate Secretary for forwarding to the Nominating/Governance Committee. In light of the due diligence required to evaluate recommendations, said recommendations for the Nominating/Governance candidate for the 2009 annual meeting must be made by June 30, 2008.

Shareholders may submit the names of candidates to be considered by writing to our Corporate Secretary, at 214 West First Street, Oswego, New York 13126. The submission must include the following information:

- the name and address of the shareholder as it appears on our books, and number of shares of our common stock that are owned beneficially by such shareholder (if the shareholder is not a holder of record, appropriate evidence of the shareholder's ownership will be required).
- the name, address and contact information for the candidate, and the number of shares of our common stock that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the shareholder's ownership should be provided).
- a statement of the candidate's business and educational experience.
- such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A.
- a statement detailing any relationship between us and the candidate.
- a statement detailing any relationship between the candidate and any of our customers, suppliers or competitors.
- detailed information about any relationship or understanding between the proposing shareholder and the candidate and
- a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

The Nominating/Governance Committee will consider shareholder recommendations made in accordance with the above similarly to any other nominee proposed by any other source. We have not paid a fee to any third party to identify or evaluate any potential nominees. Moreover, the Nominating/Governance Committee has not received within the last year a recommended nominee from a

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

shareholder who beneficially owned more than five percent (5%) of the Company's common stock for at least one (1) year, or from a group of shareholders owning more than five (5%) percent of the common stock.

AUDIT COMMITTEE

The Audit Committee consists of Directors Manwaring, Nelson, Spencer and Joyce. The Audit Committee meets on a periodic basis with the internal auditor to review audit programs and the results of audits of specific areas, on regulatory compliance issues, as well as to review information to further their financial literacy skills. The Audit Committee meets with the Auditors to review quarterly and annual filings, the results of the annual audit and other related matters. The Chairman of the Audit Committee may meet with the Auditors on quarterly filing issues in lieu of the entire committee. Each member of the Audit Committee is "independent" as defined in the listing standards of Nasdaq and SEC Rule 10A-3. Our Board of Directors has adopted a written charter for the Audit Committee which is available on our website at www.pathfinderbank.com.

The Audit Committee maintains an understanding of our key areas of financial risk and assesses the steps management takes to minimize and manage such risks; selects and evaluates the qualifications and performance of the Auditors, ensures that the internal and external auditors maintain no relationship with management and/or us that would impede their ability to provide independent judgment; oversees the adequacy of the systems of internal control; reviews the nature and extent of any significant changes in accounting principles; and oversees that management has established and maintained processes reasonably calculated to ensure our compliance with all applicable law, regulations, corporate policies and other matters contained in our Code of Ethics which is available on our website at www.pathfinderbank.com.

Committee has established procedures for the confidential, anonymous submission by employees of concerns regarding accounting or auditing matters.

The Board of Directors of Pathfinder Bancorp, Inc. has determined that Bruce E. Manwaring, chairman of the Audit Committee in 2005, 2006, and 2007 qualifies as a financial expert serving on the committee. Mr. Manwaring meets the criteria established by the Securities and Exchange Commission.

The Board of Directors has also determined that Mr. Manwaring and all of the Audit Committee members meet the definition of "Independent" as prescribed by the Nasdaq listing requirements, and are all financially literate.

Audit And Related Fees

Beard Miller Company LLP billed us a total of \$96,367 for the audit of our 2007 annual financial statements and for the review of the related Forms 10-Q. During the fiscal year ended December 31, 2006, Beard Miller Company LLP billed us a total of \$89,061 for the audit of our 2006 annual financial statements and its review of the related Forms 10-Q.

The Audit Committee considered whether the provision of non-audit services was compatible with maintaining the independence of its Auditors. The Audit Committee concluded that performing such services in 2007 did not affect the auditors' independence in performing their function as independent registered public accounting firm.

All Other Fees

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

Aggregate fees billed for non audit and audit related fees rendered by Beard Miller Company LLP during the years ended December 31, 2007 and 2006 were as follows:

	2007	2006

Recurring and non-recurring tax services	\$15,750	\$15,000
All other fees	\$ 0	\$ 0

Recurring and non-recurring tax services include assistance in connection with the New York State Franchise tax examination.

Policy On Audit Committee Pre-Approval Of Audit And Non-Audit Services Of The Independent Registered Public Accounting Firm

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the Auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The Auditors and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the Auditors in accordance with this pre-approval, and the fees for the services performed to date.

Audit Committee Report

In accordance with rules established by the SEC, the Audit Committee has prepared the following report for inclusion in this proxy statement:

As part of its ongoing activities, the Audit Committee has:

- Reviewed and discussed with management our audited consolidated financial statements for the year ended December 31, 2007;
- Discussed with the Auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended;
- Received the written disclosures and the letter from the Auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the Auditors their independence; and
- Considered the compatibility of non-audit services described above with maintaining auditor independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2007. The Audit Committee appointed Beard Miller Company LLP as Auditors for 2008, which appointment the shareholders will be asked to ratify at the Annual Meeting.

recommendation to the Board of directors. The committee reviews relevant peer group data similar to that used in the executive compensation review. The Committee believes that an appropriate compensation is critical to attracting, retaining and motivating directors who have the qualities necessary to direct the Company. A director may elect to defer a portion of fees pursuant to a Deferred Compensation Plan.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

There were no transactions or series of transactions since the beginning of the Company's last fiscal year or any currently proposed transaction where the Company was or is a participant and the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest.

The Sarbanes-Oxley Act of 2002 generally prohibits an issuer from (i) extending or maintaining credit; (ii) arranging for the extension of credit; or (iii) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, however, one of which is applicable to us. Namely, this prohibition does not apply to loans made by a depository institution that is insured by the FDIC and is subject to the insider lending restrictions of the Federal Reserve Act. The Company's subsidiary has made loans to each of the following Officers and/or Directors or their immediate families: Steven W. Thomas, James Dowd, Bruce Manwaring, Chris Burritt, Melissa Miller, George Joyce, L. William Nelson, Edward A Mervine, Thomas Schneider, Corte Spencer and Lloyd Stemple. All of these loans to our directors and officers by the Bank are made in conformity with the Federal Reserve Act and regulations promulgated thereunder.

All transactions between us and our executive officers, directors, holders of 10% or more of the shares of its common stock and affiliates thereof, are on terms no less favorable to us than could have been obtained by it in arm's-length negotiations with unaffiliated persons, or are available to all employees as a benefit. Such transactions must be approved by a majority of independent outside directors of ours not having any interest in the transaction, pursuant to our Code of Ethics.

SHAREHOLDER COMMUNICATIONS

The Board of Directors has established a process for shareholders to send communications to a director by either United States mail or electronic mail. Any shareholder who desires to communicate directly with our directors should send their communication to Board of Directors, Pathfinder Bancorp, Inc., 214 West First Street, Oswego, New York 13126 or by email to directors@pathfinderbank.com. The communication should indicate that the author is a shareholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, management will:

- Forward the communication to the Director or Directors to whom it is addressed;
- Attempt to handle the inquiry directly, for example where it is a request for information about us or it is a stock-related matter; or
- Not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

Edgar Filing: PATHFINDER BANCORP INC - Form DEF 14A

At each Board meeting, management shall present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the Directors.

CODE OF ETHICS

We have adopted a Code of Ethics that is applicable to our officers, directors and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Ethics is available on our website at www.pathfinderbank.com. Amendments to and waivers from the Code of Ethics will also be disclosed on our website.

A representative of Beard Miller Company LLP, is expected to attend the Annual Meeting to respond to appropriate questions and to make a statement if he so desires.

In order to ratify the selection of Beard Miller Company LLP, as our independent registered public accounting firm for 2008 the proposal must receive at least a majority of the votes cast, either in person or by proxy, in favor of such ratification. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act of 1934.

OTHER MATTERS

The Board of Directors is not aware of any business to come before the Annual Meeting other than the matters described above in the Proxy Statement. However, if any matters should properly come before the Annual Meeting, it is intended that holders of the proxies will act as directed by a majority of the Board of Directors, except for matters related to the conduct of the Annual Meeting, as to which they shall act in accordance with their best judgment. The Board of Directors intends to exercise its discretionary authority to the fullest extent permitted under the Securities Exchange Act of 1934.

Our Bylaws provide an advance notice procedure for certain business, or nominations to the Board of Directors, to be brought before an annual meeting. In the case of nominations to the Board, certain information regarding the nominee must be provided. Nothing in this paragraph shall be deemed to require us to include in its proxy statement and proxy relating to an annual meeting any shareholder proposal which does not meet all of the requirements for inclusion established by the SEC in effect at the time such proposal is received.
