OF MFIC CORPORATION
June 30, 2005**

Proxies in the form enclosed with this proxy statement are being solicited by the Board of Directors of MFIC Corporation, a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders to be held on Thursday, June 30, 2005, at 10:00 a.m., local time, at the offices of the Company located at 30 Ossipee Road, Newton, Massachusetts 02464 and at any adjournments thereof (the "Meeting").

Only stockholders of record as of the close of business on May 13, 2005 will be entitled to notice of and to vote at the Meeting. As of that date, 9,690,085 shares of common stock, par value \$.01 per share (the "Common Stock"), of the Company were issued and outstanding and entitled to vote at the Meeting. The shares of Common Stock are the only outstanding voting securities of the Company. Stockholders are entitled to cast one vote for each share held of record.

An Annual Report to Stockholders, containing financial statements for the fiscal year ended December 31, 2004, is being mailed together with this proxy statement to all stockholders entitled to vote. This proxy statement and the form of proxy enclosed with this proxy statement were first mailed to stockholders on or about June 3, 2005.

All properly executed proxies returned in time to be counted at the Meeting will be voted as stated below under "Voting Procedures." Any stockholder giving a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name in the space provided on the proxy.

Stockholders should return properly executed proxies to the address on the proxy cards. Execution of a proxy will not in any way affect a stockholder's right to attend the Meeting and vote in person. A stockholder may revoke a proxy at any time before it is voted at the Meeting by notifying the Secretary of the Company in writing at the address set forth above, by submitting a properly executed proxy bearing a later date, or by revoking the proxy at the Meeting. Attendance at the Meeting will not by itself constitute the revocation of a proxy.

In addition to the election of directors, the stockholders will consider a vote to ratify the Board of Director's selection of the Company's auditors (as recommended by the Company's Audit Committee), as further described in this proxy statement. Where a choice has been specified on the proxy with respect to these matters, the shares represented by the proxy will be voted in accordance with the specification and will be voted FOR these matters if no specification is indicated.

The Board of Directors of the Company knows of no other matters to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote properly may be taken, shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies.

PROPOSAL 1

ELECTION OF DIRECTORS

Each director of the Company is elected annually and holds office for the ensuing year and until his successor has been elected and qualified. The Company's By-laws state that the number of directors constituting the entire Board of Directors shall be determined by resolution of the Board of Directors. The Board of Directors has set the number of directors at five.

Shares represented by all proxies received by the Board of Directors and not marked as withholding authority to vote for any individual director or for all directors will be voted FOR the election of all the nominees, unless one or more nominees is unable or unwilling to serve. The Board of Directors knows of no reason why any such nominee would be unable or unwilling to serve as a director, but if such should be the case, proxies may be voted for the election of some other person as the Board of Directors may recommend in his place, or for fixing the number of directors at a lesser number. The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote on the election of directors is required to elect each member of the Board of Directors. See "Voting Procedures."

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF MR. GRUVERMAN, MR. LITTLE, MR. CORTINA, MR. PASLAWSKI AND MR. ROY AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

Board of Directors, Committees and Meetings

The business and affairs of the Company are managed on a day-to-day basis by the Company's management and executive officers, under the supervision and review of the Board of Directors. The Board of Directors of the Company held four meetings and acted by unanimous written consent on one occasion during the fiscal year ended December 31, 2004.

Ratification by the full Board of Directors is required with respect to decisions taken by the committees. During the fiscal year ended December 31, 2004, each of the directors attended more than 75% of the aggregate of (i) the total number of meetings of the Board of Directors, and (ii) the total number of meetings held by all committees on which each director served.

Written communications from the Company's stockholders can be sent to the Board of Directors at the Company's principal business address and marked to the attention of the specific Director with which the stockholder wishes to communicate, or if not to any specified director, then to the Chairman of the Board of Directors. All stockholder communications are forwarded to the specific Director to whom it is addressed. If addressed to the Board of Directors as a whole, the Chairman of the Board of Directors reviews each communication and determines, in his judgment, whether to forward it to the Board of Directors as a whole. This process has been adopted by a majority of the Company's independent directors.

The Company expects, absent extraordinary circumstances, that each member of the Board of Directors will attend the Company's Annual Meeting of Stockholders. Last year, all members of the Board of Directors attended the 2004 Annual Meeting of Stockholders in person.

The Nominating Committee. The Board of Directors of the Company has a standing nominating committee comprised of all the Directors, each of whom, except for Mr. Gruverman, is independent in accordance with the standards of the Securities and Exchange Commission. In accordance with Item 7 of Rule 14a-101, although the Company is not presently listed on any national securities exchange, each of the Directors on the Nominating Committee, except for Mr. Gruverman, are independent in accordance with the standards of the American Stock Exchange. The Nominating Committee does not have a charter. The Nominating Committee reviews and reports to the Board on an occasional basis regarding the size and composition of the Board. The Nominating Committee acted by unanimous written consent one time in 2004 and acted by unanimous written consent on April 20, 2005 to consider and nominate the slate of directors for election at this Annual Meeting.

The Nominating Committee accepts and considers nominations by directors, executive officers, employees, advisors and consultants and security holders. The Company may hire an outside consultant to help in the search for a new director. Stockholders should submit nominations in writing to the Company's Board of Directors, which should be mailed to the Company's principal mailing address, addressed to the attention of the Corporate Secretary. When the Nominating Committee becomes aware of a vacant seat on the Board of Directors, whether because of retirement or resignation of a director or otherwise, the Nominating Committee, or a subcommittee thereof, reviews all nominations received, and recommends whether nominees should be submitted to the full Board of Directors. Neither the Nominating Committee nor the Board of Directors has established any specific minimum criteria or qualifications that a nominee must possess. The Nominating Committee and the Board of Directors review all nominees on the basis of the nominee's qualifications, including the nominee's independence, education and business experience. In addition, the Nominating Committee considers

other factors, such as whether a nominee will have sufficient time to devote to being an active member of the Board of Directors.

Mr. Gruverman, the Company's Chief Executive Officer, Chairman of the Board of Directors and the holder of approximately 21% of the Company's outstanding securities, has previously recommended candidates for open director positions.

The Compensation Committee. The Compensation Committee, of which Messrs. Cortina, Little, Paslawski and Roy were members during the fiscal year ended December 31, 2004 and are currently members, determines who receives stock options under the Company's stock plans (except for the 1989 Plan, under which grants are automatically made) and also reviews and approves employee remuneration. Each of the members of the Compensation Committee was independent under the standards of the Securities Exchange Commission. In accordance with Item 7 of Rule 14a-101, although the Company is not presently listed on any national securities exchange, each of the Directors on the Compensation Committee is independent in accordance with the standards of the American Stock Exchange. The Compensation Committee does not have a charter. The Compensation Committee acted by unanimous written consent on four occasions during the fiscal year ended December 31, 2004.

The Audit Committee. The Audit Committee, which currently consists of Messrs. Little, Paslawski and Roy, each of whom is an independent director under the standards of the Securities Exchange Commission, oversees the accounting, financial reporting and tax functions of the Company, including matters relating to the internal control over financial reporting and the appointment and activities of the Company's independent accountants. In accordance with Item 7 of Rule 14a-101, although the Company is not presently listed on any national securities exchange, each of the Directors on the Audit Committee is independent in accordance with Section 121(A) of the listing standards of the American Stock Exchange. Mr. Paslawski is the Audit Committee "financial expert," as defined in Item 401(h)(i) of Regulation S-K. The Audit Committee met four times last year and acted by unanimous written consent on two occasions during the fiscal year ended December 31, 2004.

The Audit Committee has a charter, which is reviewed at least annually by the Audit Committee and the entire Board of Directors. The Audit Committee charter was last revised on January 16, 2003 and is being filed with this proxy statement as Appendix A. The Audit Committee charter is available on the Company's website.

Compensation Committee Report on Executive Compensation

The Compensation Committee reviews and determines on both an annual and an as-needed basis the compensation of the Company's executive officers. The Company determines all elements of an executive officer's compensation, including salary, bonus, options, benefits and all other aspects of the total compensation package. Executive officers are those officers designated by the Board of Directors to have the broadest responsibility and policy-making authority in the Company. The Company currently has four executive officers, including Irwin J. Gruverman, the Company's Chief Executive Officer, Robert P. Bruno, the Company's President, Dennis Riordan, the Company's Controller, and Jack M. Swig, the Company's General Counsel and Vice-President Corporate Development.

The Company's executive officer compensation program is designed to attract, motivate and retain talented management through a combination of base salary, bonuses, equity compensation such as options, and employee benefits. The Compensation Committee determines the level of compensation for each executive officer after reviewing the officer's responsibilities and past performance, the expectations for such officer's performance in the upcoming year and relevant data points for comparable companies.

Employment Agreements

The Company does not have employment agreements with any of its executive officers.

COMPENSATION OF DIRECTORS

The Company strives to provide adequate and competitive compensation to its Directors to encourage qualified directors to remain with the Company. The Company provides an annual cash stipend of \$12,000 to the Company's non-employee directors, and also provides option grants to them. Employee directors are not given compensation in addition to their employment compensation. Generally, directors are paid \$3,000 per quarter to attend all meetings of both the Board and its committees.

Non-employee directors are granted an option to purchase 25,000 shares upon joining the Board of Directors and 7,500 shares on the first business day after January 1 of each calendar year if the non-employee director remains a director through that date. The option grants are generally exercisable

in four equal installments after the date of grant. All shares are granted automatically pursuant to the terms of the Company's 1989 Stock Plan, as amended.

Non-employee directors do not currently participate in the Company's employee benefit plans. The Company does pay the premiums for the Company's directors and officers liability insurance, which covers each of the Company's officers and directors.

The Company's Board of Directors occasionally reviews the compensation received by the non-employee directors to determine if it is adequate and competitive, as compared to similar companies of comparable size.

VOTING PROCEDURES

The presence, in person or by proxy, of at least a majority of the outstanding shares of Common Stock entitled to vote at the Meeting is necessary to establish a quorum for the transaction of business. Shares represented by proxies pursuant to which votes have been withheld from any nominee for director, or which contain one or more abstentions or broker "non-votes," are counted as present for purposes of determining the presence or absence of a quorum for the Meeting. A "non-vote" occurs

when a broker or other nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

For all matters being submitted to Stockholders at the Meeting, the affirmative vote of a majority of shares present, in person or represented by proxy, and entitled to vote on that matter is required for approval. Shares voted to abstain, since they are not affirmative votes for the matter, will have the same effect as votes against the matter, while broker "non-votes," since they are not entitled to vote for the matter, have no effect on the vote.

OTHER BUSINESS

The Board of Directors knows of no business that will be presented for consideration at the Meeting other than that stated above. If any other business should come before the Meeting, votes may be cast pursuant to proxies in respect to any such business in the best judgment of the person or persons acting under the proxies.

STOCKHOLDER PROPOSALS

Under Rule 14a-8 promulgated under the Securities and Exchange Act of 1933, stockholders of the Company may present proper proposals for inclusion in the Company's proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals to the Company in a timely manner. In order to be considered for inclusion in the proxy statement distributed to stockholders prior to the annual meeting in the year 2006, a stockholder proposal must be received by the Company no later than February 3, 2006 and must otherwise comply with the requirements of Rule 14a-8. In order to be considered for presentation at the annual meeting of stockholders in the year 2006, although not included in the proxy statement, a stockholder proposal must comply with the requirements of the Company's by-laws and be received by the Company no later than April 12, 2006. Stockholder proposals should be delivered in writing to Irwin J. Gruverman, Secretary, MFIC Corporation, 30 Ossipee Road, Newton, Massachusetts 02464-9101.

EXPENSES AND SOLICITATION

The cost of solicitation of proxies will be borne by the Company. Proxies will be solicited principally through the mail. Directors, officers and regular employees of the Company may make further solicitation of proxies from some stockholders personally, by telephone, telegraph or special letter. No additional compensation, except for reimbursement of reasonable out-of-pocket expenses, will be paid for any such further solicitation. In addition, the Company may request banks, brokers, and other custodians, nominees and fiduciaries to solicit customers of theirs who have shares of the Company registered in the name of the nominee. The Company will reimburse any such persons for their reasonable out-of-pocket expenses.
