Item 2.03 Creation of a Direct Financial Obligation.

Affordable Residential Communities Inc. announced on August 9, 2005 that its operating partnership, Affordable Residential Communities LP, has issued \$87 million aggregate principal amount of its 7¹/₂% senior exchangeable notes due 2025 to qualified institutional buyers in a private transaction. The operating partnership also has granted Merrill Lynch & Co., the initial purchaser of the notes, an option to purchase an additional \$13 million of notes within 30 days of the issuance of the notes.

The notes are senior unsecured obligations of the operating partnership and are exchangeable, at the option of the holders, into shares of the Company's common stock at an initial exchange rate of 69.8812 shares per \$1,000 principal amount of the notes (equal to an initial exchange price of approximately \$14.31 per share), subject to adjustment and, in the event of specified corporate transactions involving the Company or the operating partnership, an additional make-whole premium. The closing sale price of the Company's common stock, as reported on the New York Stock Exchange, on August 3, 2005, the date the notes were priced, was \$12.18 per share. Upon exchange, the operating partnership shall have the option to deliver, in lieu of shares of the Company's common stock, cash or a combination of cash and shares of the Company's common stock.

Prior to August 20, 2010, the notes are not redeemable at the option of the operating partnership. After August 20, 2010, the operating partnership may redeem all or a portion of the notes at a redemption price equal to the principal amount plus accrued and unpaid interest, if any, on the notes, if the closing price of the Company's common stock has exceeded 130% of the exchange price for at least 20 trading days in any consecutive 30-trading day period.

Holder of the notes may require the operating partnership to repurchase all or a portion of the notes at a purchase price equal to the principal amount plus accrued and unpaid interest, if any, on the notes on each of August 15, 2010, August 15, 2015 and August 15, 2020, or after the occurrence of certain corporate transactions involving the Company or the operating partnership.

The notes were sold to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933.
