PROXY STATEMENT

SOLICITATION AND REVOCATION OF PROXIES

The Board of Directors of International Bancshares Corporation, a Texas corporation (the "Company") is soliciting proxies to be used at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Monday, May 15, 2006 at 7:00 p.m., local time, at the **Laredo Country Club, 1415 Country Club Drive, Laredo, Texas, 78041**. The Company will pay for the cost of the proxy preparation and solicitation, including the reasonable charges and expenses of brokerage firms, banks or other nominees for forwarding proxy materials to street name holders.

It is expected that the solicitation of proxies will be primarily by mail. Proxies may be solicited personally by regular employees of the Company at a nominal cost. Any shareholder giving a proxy has the power to revoke it at any time prior to the voting of the proxy by giving notice in person or in writing to the Secretary of the Company or by appearing at the Annual Meeting, giving notice of revocation of the proxy and voting in person. The approximate date on which this proxy statement and the accompanying form of proxy are first sent or given to security holders is April 17, 2006.

VOTING AT MEETING

Only holders of record of common stock, par value \$1.00 per share ("Common Stock"), of the Company at the close of business on April 3, 2006, (the "Record Date") shall be entitled to vote at the Annual Meeting. There were 63,268,337 shares of Common Stock issued and outstanding on the Record Date held of record by approximately 2,640 shareholders. Each owner of record on the Record Date is entitled to one vote for each share of Common Stock held.

All shares entitled to vote represented by a properly executed and unrevoked proxy received in time for the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions given, but in the absence of instructions to the contrary, such shares will be voted affirmatively. Persons empowered as Proxies will also be empowered to vote in their discretion upon such other matters as may properly come before the meeting or any adjournment thereof. If any nominee for director shall be unable to serve, which is not now contemplated, the proxies will be voted for such substitute nominee(s) as the Board of Directors recommends.

A quorum for the transaction of business at the Annual Meeting requires representation, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock. The judges of election will treat abstentions and broker non-votes as shares that are present for purposes of determining the presence of a quorum for the transaction of business at the Annual Meeting. A quorum with respect to any specific proposal to be voted on at the Annual Meeting requires representation, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote on the proposal. Abstentions will be treated as present and entitled to vote with respect to any proposal submitted to the shareholders for a vote for purposes of determining both the presence of a quorum with respect to such proposal and the approval of such proposal. If a broker indicates on a proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, the holder(s) of such shares will not be considered as present and entitled to vote with respect to such matter for purposes of determining either the presence of a quorum with respect to such matter or the approval of such matter. With respect to any proposal other than the election of directors, such proposal shall be

determined by the affirmative vote of the holders of a majority of the shares of Common Stock represented, in person or by proxy, at the meeting and entitled to vote thereon. Thus, abstentions with respect to any such matter will have the same legal effect as a vote against such matter, while broker non-votes will not affect the outcome of such matter. With respect to the election of directors, the directors shall be elected by a plurality vote of the holders of shares of Common Stock present at the meeting and entitled to vote thereon.

PROPOSAL 1

None of the above nominees is a director of any other company which has a class of securities registered under, or is required to file reports under, the Securities Exchange Act of 1934 or of any company registered under the Investment Company Act of 1940.

EXECUTIVE OFFICERS

The executive officers of the Company are Dennis E. Nixon, President and Chairman of the Board; R. David Guerra, Vice President; and Imelda Navarro, Treasurer, all of whom are nominees for director.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Audit Committee

The Audit Committee of the Board of Directors during 2005 consisted of Lester Avigael, Irving Greenblum and Richard E. Haynes. The Committee met four times during the 2005 fiscal year. Each member of the Committee attended all four meetings except for Richard E. Haynes who missed one meeting. The primary functions of the Audit Committee are to recommend the appointment of the independent auditors; to review annual and quarterly financial reports and to review the results of audits by the internal auditor and the independent auditors. Under applicable law, the Audit Committee is required to review with management and the independent auditors the basis for all financial reports. The Board of Directors has adopted a separate Audit Committee Charter. The charter for the Audit Committee is attached as Annex A to this Proxy Statement.

The Company's Board of Directors has determined that none of the Audit Committee members meets the audit committee financial expert criteria as defined by Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). While it might be possible to recruit a person who qualifies solely as a financial expert, the Board does not believe that the candidates would meet the other criteria that the Board has established for Board and Audit Committee members. The Board has determined that in order to fulfill all of the functions of the Board and Audit Committee, each member of the Board and the Audit Committee should meet all the criteria that have been established by the Board, and it is not in the best interest of the Company to nominate as a director someone who does not have all the experience, attributes and qualifications that we seek to further the interests of the Company. The Audit Committee consists of three directors, all of whom are independent within Rule 4200(a)(15) of the National Association of Securities Dealers listing standards and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, and each of whom has been selected for the Audit Committee by the Board based on the Board's determination that they are fully qualified to (i) review and understand the Company's financial statements, (ii) monitor the performance of management, (iii) monitor the Company's internal accounting operations, (iv) monitor the independent auditors, and (v) monitor the disclosures of the Company to the end that they fairly present the Company's financial condition and results of operations. In addition, the Audit Committee has the ability, on its own, to retain independent accountants or other consultants whenever it deems appropriate. The Board of Directors believes that this is fully equivalent to having a *financial expert* on the Audit Committee.

Stock Option Plan Committee

The Stock Option Plan Committee of the Board of Directors during 2005 consisted of Lester Avigael, Irving Greenblum and Richard E. Haynes. The Committee met three times during the 2005 fiscal year.

Edgar Filing: INTERNATIONAL BANCSHARES CORP - Form DEF 14A

Each member of the Committee attended all three meetings. The primary function of the Stock Option Plan Committee is the administration of the 2005 International Bancshares Corporation Stock Option Plan. Each member is independent within Rule 4200(a)(15) of the National Association of Securities Dealers listing standards.

Salary and Steering Committee of IBC

The Company's Board of Directors does not have a compensation committee or a committee performing similar functions. Since all cash compensation paid to executive officers of the Company is paid by the Company's lead bank subsidiary, IBC, the Salary and Steering Committee of IBC's Board of Directors is responsible for making recommendations to the IBC Board of Directors regarding each executive officer's compensation. The Salary and Steering Committee of IBC's Board of Directors during 2005 consisted of Lester Avigael, Daniel B. Hastings, Jr. and Richard E. Haynes. The Salary and Steering Committee met once during the 2005 fiscal year. Each member of the Committee attended the meeting. Each member is independent within Rule 4200(a)(15) of the National Association of Securities dealers listing standards.

Board Nominations

The Company's Board of Directors does not have a standing nominating committee or any other committee performing similar functions. The Company's Board of Directors has adopted a resolution setting forth certain Guidelines Regarding Nomination of Directors. The Company has not established a separate nominating committee because it desires active participation of all Board members in the analysis and process of making nominations. In addition, nominees are recommended, for selection by the whole Board of Directors, by a majority of the Company's directors who are "independent" as defined in Rule 4200 (a) (15) of the National Association of Securities Dealers listing standards. The Board believes that these measures maintain the integrity of the nomination process in the same manner that establishing a nominating committee would. The Guidelines are available on the Company's website at www.abc.com.

Pursuant to the Guidelines, the independent directors seek to recommend individuals as director nominees who have the highest personal and professional integrity, who have demonstrated exceptional ability and judgment and who will be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of shareholders. The independent directors utilize a variety of methods for identifying and evaluating director nominees. The independent directors will consider director candidates recommended by shareholders if provided with the following: (i) evidence in accordance with Rule 14a-8 under the Exchange Act of compliance with shareholder eligibility requirements; (ii) the written consent of the candidate(s) for nomination as a director and verification as to the accuracy of the biographical and other information submitted in support of the candidate; (iii) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director; and, (iv) all information regarding the candidate(s) and the submitting shareholder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board of Directors. Any recommendations received from shareholders will be evaluated in the same manner that other potential nominees are evaluated. Any shareholder that wishes to present a director candidate for consideration should submit the information identified above pursuant to the procedures set forth below under "Communication with the Board of Directors."

Attendance at Board Meetings

During 2005, the Board of Directors held ten meetings. All of the directors attended at least 75% of the aggregate of the total number of meetings of the Company's Board of Directors, except for Sioma Neiman who attended fewer than 75% of such meetings.

Executive Sessions of Board of Directors

In addition to Board meetings, non-employee directors meet periodically in executive session without members of management present. The non-employee directors met in executive session once during 2005.

ANNUAL MEETING ATTENDANCE

The Company encourages all members of its Board of Directors to attend the annual meetings of shareholders, but it has not adopted a formal policy requiring attendance. All of the members of the Board of Directors of the Company who were directors at the time of the 2005 annual meeting of shareholders attended such meeting, except for Sioma Neiman.

(1) The formal stock repurchase program was initiated in 1999 and has been expanded periodically through 2006. The current program allows for the repurchase of up to \$175,000,000 of treasury stock through December 2006 of which \$20,714,000 remains.

REPORT OF THE SALARY AND STEERING COMMITTEE

The Company's compensation package for each of its executive officers consists of base salary, annual discretionary bonus and a discretionary incentive stock option grant. Also, certain executive officer(s) may receive compensation pursuant to the Company's Executive Incentive Compensation Plan. Stock option grants are determined by the Company's Stock Option Plan Committee and are discussed under that Committee's separate report below. All cash compensation paid to executive officers of the Company is paid by IBC. Base salary levels and annual bonuses are recommended by the Salary and Steering Committee of IBC (the "Committee"). The Committee during 2005 consisted of

Edgar Filing: INTERNATIONAL BANCSHARES CORP - Form DEF 14A

Lester Avigael, Daniel B. Hastings, Jr. and Richard E. Haynes. Each member of the Committee is independent within the of Rule 4200(a)(15) of the National Association of Securities Dealers listing standards.

The Committee reviews, discusses and analyzes the proposed compensation for each of the Company's executive officers. Before a vote is taken, members have an opportunity to ask for additional information, to raise and discuss further questions and to consult outside consultants and/or separate legal

counsel. The Committee's recommendations regarding each executive officer's compensation is subjective with regard to both the base salary and bonus. Although the annual financial performance of IBC is the most important factor in the subjective analysis, non-financial goals are also considered by the Committee. Further, the Committee considers the aggregate amounts and mix of all the components of compensation when determining any single component thereof. The bonus program is intended to compensate each executive officer for the officer's contribution to IBC's financial performance during the previous year. At the end of each year based on the financial performance of IBC as well as the perceived non-financial contribution by each executive officer, a base salary recommendation for the next year and a bonus recommendation for the previous year is made for each executive officer by the Committee. The overall bonus pool for executive officers is affected by the earnings performance of IBC for the previous year. All base salary and bonus recommendations of the Committee are subject to final approval of the Board of Directors of IBC.

With respect to the compensation of Mr. Nixon, the CEO of the Company, the Committee members recommend to the Board of Directors of IBC the CEO's salary and bonus based on its subjective determination. In determining the CEO compensation, the Committee reviews the objectives of the Company for the previous year and the attainment thereof, including, but not limited to, the Company's financial performance. For services rendered to IBC in 2005, Mr. Nixon received a cash bonus under IBC's discretionary cash bonus program of \$550,000. During 2005, the Company met both the return on average total assets and the return on average total shareholders' equity targets established pursuant to the 1997 Executive Incentive Compensation Plan (the "EICP") by the Committee. Accordingly, Mr. Nixon received an incentive award under the EICP of \$600,000 for services rendered to the Company during 2005. The amounts of the cash bonus and the incentive award were largely affected by the strong financial results of the Company during 2005, which included (i) net income of \$141 million, or \$2.21 per share-basic, an amount which represents a 15.1% increase in earnings per share compared to the previous year, (ii) the Company's return on average total assets of 1.37% and (iii) the Company's return on average total shareholders' equity of 17.97%. Based on this review, the Committee finds Mr. Nixon's total compensation in the aggregate to be reasonable and not excessive. The Company's compensation package for each of its executive officers consists of base salary, annual discretionary bonus and a discretionary incentive stock option grant. Also, certain executive officer(s) may receive compensation pursuant to the Company's Executive Incentive Compensation Plan. Stock option grants are determined by the Company's Stock Option Plan Committee and are discussed under the Committee's separate report below. All cash compensation paid to executive officers of the Company is paid by IBC.

The Salary and Steering Committee has considered the limitations on deductibility of compensation of the named executive officers under Section 162(m) of the Internal Revenue Code. The Steering Committee's current policy is to seek to ensure that substantially all such compensation is deductible under Section 162(m) when paid. Nevertheless, there can be no assurance that all compensation will be deductible under Section 162(m). In addition, the Salary and Steering Committee reserves the right to use its judgment to authorize compensation payments that may not be deductible under Section 162(m) when the Committee believes such payments are appropriate and in the best interests of the Company and its shareholders. This report is submitted on behalf of the Salary and Steering Committee, Lester Avigael, Daniel B. Hastings and Richard E. Haynes.

REPORT OF THE STOCK OPTION PLAN COMMITTEE

The Stock Option Plan Committee of the Board of Directors determines the stock option grants to executive officers and key salaried employees of the Company. The Company awarded 4,250 options to the Executive Officers of the Company during the 2005 fiscal year. The Stock Option Plan Committee met three times during the 2005 fiscal year. The primary purpose of the Company's Stock Option Plan is to increase the interest of the executive and key salaried employees of the Company, the subsidiary banks and non- bank subsidiaries in its future growth and success through the added incentive created by the

opportunity afforded for stock ownership under the Plan. The size of the option grants were determined by the Stock Option Plan Committee based upon a subjective assessment of the respective employee's performance, compensation level and other factors. The exercise price of each option equaled the fair market value of the Common Stock as of the date of grant. This report is submitted on behalf of the Stock Option Plan Committee, Lester Avigael, Irving Greenblum and Richard E. Haynes.

REPORT OF THE AUDIT COMMITTEE

The Company's Audit Committee is responsible for providing objective and independent oversight of the Company's accounting functions and internal controls. Such oversight responsibility includes, but is not limited to, making recommendations concerning the engagement of independent auditors, reviewing the consolidated financial statements and the scope of the independent annual audit, reviewing and reassessing the adequacy of the Audit Committee's charter, reviewing with the independent auditors the results of their audit, considering the range of audit and non-audit fees, monitoring internal financial and accounting controls and performing such other oversight functions as may be requested from time to time by the Board of Directors. The Audit Committee reviewed internal controls independently of management and corporate staff and reviewed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2005, with management and the independent auditors. Management has the responsibility for the preparation, presentation and integrity of the Company's consolidated financial statements and the independent auditors have the responsibility for auditing the Company's consolidated financial statements and expressing an opinion as to their conformity with U.S. generally accepted accounting principles.

REPORT:

The Audit Committee has:

reviewed and discussed the audited consolidated financial statements with management;

discussed with the independent auditors the matters required to be discussed by SAS 61; and

received the required information and communications from the independent auditors required by Independence Standards Board Standard No. 1, and discussed with the auditors the auditors' independence.

Based on the review and discussions with management and the Company's independent auditors referenced above, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 filed with the SEC.

The Board of Directors has determined that the members of the Audit Committee are "independent" as defined in Rule 4200(a)(15) of the National Association of Securities Dealers listing standards and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934. The Audit Committee has adopted a written charter.

This report is submitted on behalf of the Audit Committee.

This report by the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

The following table sets forth the aggregate fees billed to International Bancshares Corporation for each of the years ended December 31, 2005 and 2004 by the Company's principal accountant firm, KPMG LLP.

	December 31,	
	2005	2004
Audit fees	\$ 1,539,177	\$ 903,958
Audit-related fees (1)	5,512	132,488
Audit and audit related fees	1,544,689	1,036,446
Tax fees (2)	223,538	134,145
All other fees		
Total fees	\$ 1,768,227	\$ 1,170,591

(1) Audit related fees consisted principally of fees for due diligence services.

(2) Tax fees consisted of fees for tax consultation and tax compliance services.

None of the audit related fees or tax fees billed in 2005 or 2004 were provided under the de minimis exception to the Audit Committee pre-approval requirements.

The Audit Committee has considered whether the provision of services covered in billings included under the "All Other Fees" category listed above is compatible with maintaining the principal auditors' independence. The Audit Committee has concluded that the provisions of such services would not jeopardize the independence of KPMG LLP as the Company's principal auditors. The Audit Committee's Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided to the Company by the independent accountants; provided, however, that the Audit Committee may specifically authorize its Chairman to pre-approve the provision of any non-audit service to the Company. Pre-approval is sought for each particular service and is subject to specific engagement authorization from the Audit Committee. These services may include audit services, audit related services, tax services and other services.

Representatives from KPMG LLP are expected to be present at the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from shareholders.

**SALARY AND STEERING COMMITTEE AND STOCK OPTION
PLAN COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

None of the members of the Salary and Steering Committee or the Stock Option Plan Committee was an officer or employee of the Company or any of its subsidiaries in 2005 nor was any member formerly an officer or employee of the Company or any of its subsidiaries. Some of the members of the Salary and Steering Committee, and some of these persons' associates, are current or past customers of one or more of the Company's subsidiaries. Since January 1, 2005, transactions between these persons and such subsidiaries have occurred, including borrowings. In the opinion of management, all of the transactions have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility. Additional transactions may take place in the future.

DIRECTOR INDEPENDENCE

The Company's Board of Directors has determined that a majority of its members are "independent" as defined in Rule 4200 (a) (15) of the National Association of Securities Dealers listing standards. As of April 3, 2006, the following members of the Board of Directors are not independent: Imelda Navarro, Dennis E. Nixon, R. David Guerra, and Antonio R. Sanchez, Jr.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

If deemed appropriate, the Company's Corporate Secretary will forward correspondence to the Chairman of the Board or any specific director to whom the correspondence is directed. ***INTEREST OF MANAGEMENT IN
CERTAIN TRANSACTIONS***

Some of the directors, executive officers and nominees for directors of the Company and principal shareholders of the Company and their immediate families and the companies with which they are associated were customers of, and had banking transactions with, the Company's subsidiary banks in the ordinary course of the subsidiary banks' business during 2005, and the Company anticipates that such banking transactions will continue in the future. All loans and commitments to loan included in such banking transactions were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing in the industry at the time for comparable transactions with other persons, which indebtedness is fully performing and complies with Federal lending restrictions included in section 22(h) of the Federal Reserve Act (12 U.S.C. 375b). The indebtedness, in the opinion of management of the Company, did not involve more than a normal risk of collectibility or present other unfavorable features.

IBC and Sanchez Oil & Gas Corporation, a related interest of Antonio R. Sanchez, Jr., who is a director and principal shareholder of the Company, jointly own, in varying percentages, certain aircraft used for business purposes by IBC, the other bank subsidiaries and Sanchez Oil and Gas Corporation. The net book value of IBC's aggregate interest in such aircraft as of April 3, 2006 was approximately \$13 million. Each bank subsidiary and Sanchez Oil and Gas Corporation pay the pro rata expense related to their actual use of the aircraft.

Section 16(a) Beneficial Ownership Reporting Compliance

Under the securities laws of the United States, the Company's directors, its executive officers and any persons holding more than ten percent of the Company's Common Stock are required to report their initial ownership of the Company's Common Stock and any subsequent changes in that ownership to the Securities and Exchange Commission. Specific due dates for these reports have been established and the Company is required to disclose in this proxy statement any failure to file such reports by the applicable dates during 2004. The Company believes that all of these filing requirements were timely satisfied. In making these disclosures, the Company has relied solely on written representations of its directors, executive officers and ten percent shareholders and copies of the reports that they have filed with the Commission.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors of the Company has appointed the firm of KPMG LLP to audit the accounts of the Company for the 2006 fiscal year. The firm has audited the books of the Company and its predecessor, IBC, annually since 1979.

Audit services rendered by KPMG LLP for the fiscal year ended December 31, 2005 included the annual audit of the Company's consolidated financial statements, which are included in reports to shareholders and the Securities and Exchange Commission; and consultation on accounting and related matters and services performed in connection with other regulatory filings.

Representatives of KPMG LLP are expected to be present at the annual meeting of shareholders with the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Ratification of the appointment of independent auditors is not a matter which is required to be submitted to a vote of shareholders, but the Board of Directors considers it appropriate for the shareholders to express whether they ratify the appointment. If shareholder ratification is not obtained, the Board of Directors would consider an alternative appointment for the succeeding fiscal year. The Board of

Directors of the Company recommends that the shareholders ratify the appointment of KPMG LLP as the independent auditors. The affirmative vote of a majority of the shares present and entitled to vote thereon will constitute approval.

PROPOSAL 3

PROPOSAL TO APPROVE THE INTERNATIONAL BANCSHARES CORPORATION 2006 EXECUTIVE INCENTIVE COMPENSATION PLAN

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE FOLLOWING RESOLUTION

"RESOLVED: That the International Bancshares Corporation 2006 Executive Incentive Compensation Plan adopted by the Board of Directors on March 9, 2006 be and hereby is approved, ratified and confirmed"

In furtherance of its belief that the continued success of the Company depends on its ability to attract, retain and motivate key employees, and in view of tax legislation which imposes limits on the Company's ability to deduct employee compensation, the Salary and Steering Committee of the Board of Directors of IBC (the "Committee") has reviewed the Company's executive incentive compensation program and recommends that the Company's shareholders approve the 2006 Executive Incentive Compensation Plan (the "2006 EICP" or the "Plan"). In order for payment of certain incentive awards to be deductible to the Company under the current Internal Revenue Code, they must be paid under a plan like the 2006 EICP. Shareholder approval of the 2006 EICP is necessary to pay the incentive awards contemplated by the Plan.

The approval of the Company's shareholders is required for adoption of the 2006 EICP.

The principal features of the 2006 EICP and of the operating guidelines which the Committee has adopted to implement the Plan are described below. The provisions are very similar to the provisions of the 1997 Executive Incentive Compensation Plan. Upon obtaining shareholder approval the 2006 EICP will replace the 1997 EICP. The full text of the 2006 EICP is annexed hereto as Exhibit A and should be referred to for a complete description of the provisions of the Plan.

Generally. The 2006 EICP provides for certain executive officer(s) of the Company to be granted annual incentive cash awards consistent with the objectives and limitations of the Plan. If approved by the Company shareholders, it is anticipated that the first award under the 2006 EICP will be made in January, 2007 to Mr. Nixon. The amount of the award is not known at this time.

Administration. The 2006 EICP vests broad powers in the Committee to administer and interpret the Plan. The Committee shall consist of two or more members of IBC's Board of Directors who are also members of the Company's Board of Directors and who are considered outside and disinterested for the purposes of the Internal Revenue Code and the Securities Exchange Act of 1934.

The Committee's powers include authority, within the limitations set forth in the Plan, to select the person(s) to be granted awards, to determine the time when awards will be granted, to determine whether objectives and conditions for earning awards have been met, to determine whether payment of an award will be made at the end of an award period or deferred, and to determine whether an award or payment of an award should be reduced or eliminated.

Eligibility to Receive Awards. Executive officers of the Company may at the discretion of the Committee be granted annual incentive awards under the 2006 EICP. The Company currently has three Executive Officers. Because the selection of participants is discretionary, it is impossible to determine the number of persons who will be eligible for awards under the Plan during its term. However, it is anticipated that only the Company's President will receive an award next year under the Plan.

Annual Incentive Awards. The amount of annual incentive awards paid to eligible executives under the 2006 EICP will be based upon the achievement by the Company of either one of the specified (i) return

Edgar Filing: INTERNATIONAL BANCSHARES CORP - Form DEF 14A

on average total assets or (ii) return on average total shareholders' equity targets which have been established in advance by the Committee. No payment under the Plan will be made unless at least one of the minimum return targets is met. All payments under the Plan will be made by International Bank of Commerce, Laredo, Texas.

In calculating the return for the purpose of certifying that a performance target has been achieved, the Committee will exclude significant unusual charges or income, including gains and losses resulting from changes in accounting, which are distortive of results year over year. "Significant unusual" items are items which are unusual as to their frequency or as to their size, as defined under U.S. generally accepted accounting principles.

Negative Discretion. Notwithstanding attainment of a target established for an award under the 2006 EICP, the Committee has the discretion to reduce some or all of an award that would otherwise be paid.

Award Maximum. No participant may receive more than 2.5% of the total income before income taxes of the Company for the year under the 2006 EICP in any calendar year.

Amendment and Termination. The Committee may amend or terminate the 2006 EICP so long as such action does not adversely affect any rights or obligations with respect to awards already outstanding under the Plan. Unless the shareholders of the Company shall have first approved thereof, no amendment of the Plan may increase the maximum amount per year which can be paid to any one participant under the Plan, change the performance goals for the awards or modify the requirements as to eligibility for participation in the Plan. The Committee may amend the Plan operating guidelines from time to time, consistent with the Plan.

No awards may be made under the 2006 EICP after December 31, 2016.

Federal Tax Consequences. Under the Internal Revenue Code as presently in effect, a grant of an award under the 2006 EICP would have no federal income tax consequence. The payment of the award is taxable to a participant as ordinary income. Amounts taxable to employees under the Plan will be deductible by the Company as compensation.

Whether or not an executive officer of the Company participates in the 2006 EICP, each executive officer of the Company will continue to be eligible to receive a cash bonus under IBC's existing, discretionary cash bonus program.

The Board of Directors recommends that shareholders vote **FOR** this proposal. The affirmative vote of the holders of a majority of the shares entitled to vote on this matter and represented in person or by proxy is required to approve the Plan. The persons named in the accompanying proxy will vote in accordance with the choice specified there on, or, if no choice is properly indicated, in favor of the adoption of the Plan.

SHAREHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

The 2007 Annual Meeting of Shareholders will be held on May 16, 2007. In connection with the Company's next annual meeting, shareholder proposals which are not submitted for inclusion in the Company's proxy materials pursuant to Rule 14a-8 under the Exchange Act may be brought before an annual meeting pursuant to Article II, Section 12 of the Company's Bylaws, which provides that business at an annual meeting of shareholders must be (a) pursuant to the Company's notice of meeting, (b) by or at the direction of the Board of Directors or (c) by any shareholder of the Company who was a shareholder of record at the time of giving of notice provided for in Section 12 of the Bylaws, who is entitled to vote at the meeting and who complies with the notice procedures set forth in Section 12. For business to be properly brought before an annual meeting by a shareholder, the shareholder must have given timely notice thereof in writing to the Corporate Secretary.

To be timely, a shareholder's notice shall be delivered to the Secretary of the Company at 1200 San Bernardo Avenue, Laredo, Texas 78042 not later than the close of business on the 60th day nor earlier than the close of business on the 90th day prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the shareholder to be timely must be so delivered not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. The Company's 2006 Proxy Statement was first sent to shareholders on April 17, 2006. Thus, the notice must be received by the Company no later than March 16, 2007. Such shareholder's notice is required to set forth as to each matter the shareholder proposes to bring before an annual meeting certain information specified in the Bylaws. A copy of the Bylaws of the Company may be obtained from the Secretary of the Company at the address set forth above.

Proposals from shareholders which are intended to be included in the proxy statement relating to the Company's 2007 Annual Meeting of Shareholders must comply with Rule 14a-8 under the Exchange Act and must be received in writing by the Company at its principal executive offices at the address set forth above no later than December 20, 2006.

OTHER MATTERS

No business other than the matters set forth in this proxy statement is expected to come before the meeting, but should any other matters requiring a vote of shareholders arise, including a question of adjourning the meeting, the persons named in the accompanying proxy will vote thereon according to their best judgment in the interest of the Company. In the event that any of the nominees for director should withdraw or otherwise become unavailable for reasons not presently known, the persons named as Proxies will vote for such substitute nominee(s) as the Board of Directors recommends, or in the absence of such recommendation, such other persons as they consider to be in the best interests of the Company.

(c) Termination. No awards shall be made under the Plan after December 31, 2016.

ANNEX A

INTERNATIONAL BANCSHARES CORPORATION

Audit Committee Charter

I. Audit Committee Purpose

The Audit Committee is appointed annually by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Audit Committee's primary duties and responsibilities are to:

Monitor the quality and integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting, legal and regulatory compliance, and ethical behavior.

Monitor the independence, qualifications and performance of the Company's independent auditors and internal auditing department.

Monitor the Company's financial statements and other financial information provided by the Company to its shareholders, the public and others.

Provide an avenue of communication among the independent auditors, management, the internal auditing department, and the Board of Directors.

The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the independent auditors as well as anyone in the organization.
