GENERAL INFORMATION

Important Notice Regarding Availability of Proxy Materials for Stockholder Meeting to be Held on August 11, 2009.

This Proxy Statement and our Annual Report on Form 10-K, or the Annual Report, for the year ended December 31, 2008, are available to stockholders on our website at www.prospectac.com/regulatory.htm.

Why did I receive these proxy materials?

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Prospect of proxies to be voted at the Annual Meeting and at any adjournment or postponement of the Annual Meeting. This Proxy Statement was sent to anyone who owned shares of our common stock as of the close of business on July 13, 2009 (the "Record Date"). The Annual Meeting will be held at 9130 Galleria Court, Third Floor Conference Room, Naples, Florida 34109, on August 11, 2009, at 9:00 a.m., Eastern time. These proxy materials are being mailed to our stockholders on or about July 20, 2009.

What happens at the Annual Meeting?

At the Annual Meeting, our stockholders will vote on the matters described in this Proxy Statement.

What is a "proxy?"

A proxy is your legal designation giving another person permission to vote the stock you own. The person you designate is called your "proxy," and the document that designates someone as your proxy is called a "proxy" or "proxy card." A proxy card is included with this Proxy Statement. When you sign the proxy card, you designate David A. Minella and James J. Cahill as your proxies at our Annual Meeting.

What if other matters come up at the Annual Meeting?

The matters described in this proxy statement are the only matters we know of that will be voted at the Annual Meeting. If other matters are properly presented at the Annual Meeting, the proxy holders will vote their shares as they see fit.

Who is paying for this Proxy Statement and the solicitation of my proxy, and how are proxies solicited?

We will pay the cost of soliciting proxies for the Annual Meeting. Proxies may be solicited on behalf of Prospect by directors, officers or employees of Prospect in person or by mail, telephone, or facsimile or other means of communication. In addition, brokerage firms, banks and other custodians, nominees and fiduciaries will send copies of these proxy materials to the beneficial owners of the stock held by them. We will reimburse these institutions for the reasonable costs they incur to do so. Though we do not plan to do so now, we may later decide to retain a professional proxy solicitation service. The cost of that service would be paid by us.

Who is entitled to vote?

Only the record holders on the Record Date will be entitled to vote at the Annual Meeting. The list of stockholders entitled to vote at the Annual Meeting will be available for inspection during ordinary business hours, as required by our Bylaws, by requesting such list from Darlene Krawec at 9130 Galleria Court, Suite 300, Naples, Florida 34109, at least ten days before the Annual Meeting.

Table of Contents

How many votes do I have?

For each matter to be voted upon, you have one vote for each share of common stock you owned as of the Record Date. You do not have cumulative voting rights. On the Record Date, 31,250,000 shares of our common stock were outstanding.

What is a "stockholder of record?"

If your shares are registered in your name with our transfer agent, Continental Stock Transfer & Trust Company, then you are considered the stockholder of record for those shares. We send proxy materials directly to all stockholders of record.

If your shares are held through a stock broker, bank or other nominee, you are considered the beneficial owner of those shares, even though you are not the stockholder of record. In that case, these proxy materials have been forwarded to you by your stock broker, bank or other nominee (who is actually considered the stockholder of record). As the beneficial owner of shares of our common stock, you have the right to tell your broker, bank or other nominee how to vote using the proxy materials. However, because you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from the stockholder of record.

What am I voting on?

You will be voting on:

1. The election of the two (2) nominees named in this Proxy Statement to the Board of Directors (Proposal No. 1); and
2. The proposal to ratify the appointment of McGladrey & Pullen, LLP, as our independent registered public accountants for fiscal year 2009 (Proposal No. 2).

The Board of Directors recommends that the stockholders vote **FOR** each Proposal. Unless you indicate otherwise on your proxy card, your proxies will be voted in favor of each Proposal.

How can I vote my shares in person at the Annual Meeting?

All stockholders of record may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you hold your shares through a bank, broker or other nominee, you must obtain a legal proxy from your bank, broker or other nominee and present it to the inspector of elections with your ballot to be able to vote in person at the Annual Meeting.

Can I change or revoke my vote after returning my proxy card?

Any stockholder giving a proxy can revoke it any time before it is exercised by (i) delivering written notice of revocation to the Corporate Secretary of Prospect at 9130 Galleria Court, Suite 318, Naples, Florida 34109; (ii) timely delivering a valid, later-dated proxy; or (iii) attending the Annual Meeting and voting in person. If you respond to this solicitation with a valid proxy and do not revoke it before it is exercised, it will be voted as you specified in the proxy.

How many votes must be present to hold the Annual Meeting?

A majority of the shares of our common stock outstanding on the Record Date must be present, either in person or by proxy, for a quorum at the Annual Meeting. On the Record Date, 31,250,000 shares of our common stock were outstanding. See "***How will abstentions and broker non-votes be treated?***" in this Proxy Statement for more information.

Table of Contents

How many votes are necessary to approve each proposal?

Proposal No. 1: Our directors are elected by a plurality of the votes of shares present at the Annual Meeting, either in person or by proxy. This means that the candidate who receives the most votes for a particular slot will be elected for that slot, whether or not the votes represent a majority.

Proposal No. 2: The ratification of the appointment of McGladrey & Pullen, LLP as our independent registered public accountants for fiscal year 2009 requires the affirmative vote of a majority of shares present at the Annual Meeting, either in person or by proxy, and entitled to vote at that meeting.

What is a "broker non-vote"?

If your shares are held in "street name" by a broker, your broker is the stockholder of record; however, the broker is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, the broker may exercise discretionary voting power to vote your shares with respect to "routine matters," but not "non-routine" items. A "broker non-vote" occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Proposal No. 1 and Proposal No. 2 are "routine matters."

How will abstentions and broker non-votes be treated?

Abstentions will be counted for the purpose of determining the existence of a quorum and will have the same effect as a negative vote on matters other than the election of directors. Only votes "for" or "withheld" are counted in determining whether a plurality has been cast in favor of a director. If a nominee holding shares for a beneficial owner indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter or otherwise does not vote such shares, including, for example, in the case of a broker non-vote, those shares will not be considered present and entitled to vote with respect to that matter, but will be counted for the purpose of determining the existence of a quorum.

Who will count the votes?

A representative of Prospect will tabulate votes cast by proxy and be appointed to act as the inspector of elections and tabulate votes cast in person at the Annual Meeting.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. Additionally, we will publish voting results in our fiscal 2009 third quarter Form 10-Q Report to be filed with the Securities and Exchange Commission (the "SEC").

Do you provide electronic access to the Proxy Statement and annual report?

Yes. You may obtain copies of this Proxy Statement and our Annual Report for the year ended December 31, 2008 on our website at <http://www.prospectac.com/2009meeting.htm>. **You may also obtain a copy of our Annual Report (without exhibits), without charge, by sending a written request to: David A. Minella, Chief Executive Officer and Chairman of the Board, Prospect Acquisition Corp., 9130 Galleria Court, Suite 318, Naples, Florida 34109.** We will provide copies of the exhibits to the Annual Report upon receipt of a request addressed to Prospect Acquisition Corp., 9130 Galleria Court, Suite 318, Naples, Florida 34109 and payment of a reasonable fee.

Table of Contents

What is "householding" and how does it affect me?

We have adopted a procedure approved by the SEC called "householding." Under this procedure, stockholders of record who have the same address and last name and who do not participate in electronic delivery of proxy materials will receive only one copy of our Notice of Annual Meeting, Proxy Statement and Annual Report, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure will reduce our printing costs and postage fees.

Stockholders who participate in householding will continue to receive separate proxy cards. Also, householding will not in any way affect dividend check mailings.

If you received a household mailing this year and you would like an additional copy of this Proxy Statement or our Annual Report mailed to you, we will deliver a copy promptly upon your request to: Prospect Acquisition Corp., 9130 Galleria Court, Suite 318, Naples, Florida 34109 or by calling (239) 254-4481. If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of our Notice of Annual Meeting, Proxy Statement and Annual Report, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our transfer agent, Continental Stock Transfer & Trust Company, 17 Broadway, New York, New York 10004, telephone: (212) 509-4000.

Director Independence

The NYSE AMEX requires that a majority of our Board of Directors must be composed of "independent directors," which is defined generally as a person other than an officer or employee of the Company or its subsidiaries or any other individual having a relationship, which, in the opinion of the Company's Board of Directors would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director.

Our Board of Directors has determined that each of Michael P. Castine, William Cvengros, Michael Downey, Daniel Gressel and John Merchant is an independent director as such term is defined under the rules of the NYSE AMEX and Rule 10A-3 of the Securities Exchange Act of 1934 (the "Exchange Act"). Our independent directors will have regularly scheduled meetings at which only independent directors are present.

We will not enter into our initial business combination with an entity that is affiliated with any of our officers, directors, sponsors or initial stockholders. All affiliated transactions will be on terms no less favorable to us than could be obtained from independent parties. All affiliated transactions must be approved by a majority of our independent and disinterested directors.

The Audit Committee has reviewed and discussed the audited financial statements of Prospect for fiscal year 2008 with Prospect's management. The Audit Committee has discussed with McGladrey & Pullen, LLP, our independent registered public accountants, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications).

Audit Committee

Our Board of Directors has established a standing audit committee, which consists of Michael P. Castine, William Cvengros, Daniel Gressel and John Merchant as the Chairman, each of whom has been determined to be "independent" as defined in Rule 10A-3 of the Exchange Act and the rules of the NYSE AMEX. The audit committee operates under a written charter, a copy of which is attached hereto as *Appendix A*. A copy of the charter is not available to stockholders on the Company's website. The audit committee's duties, which are specified in our audit committee charter, include, but are not limited to:

reviewing and discussing with management and the independent auditor the annual audited financial statements, and recommending to the Board of Directors whether the audited financial statements should be included in our annual report;

discussing with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of our financial statements;

inquiring and discussing with management our compliance with applicable laws and regulations;

pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;

determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work;

establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports that raise material issues regarding our financial statements or accounting policies;

monitoring compliance on a quarterly basis with the terms of our initial public offering and, if any noncompliance is identified, immediately taking all action necessary to rectify such noncompliance or otherwise causing compliance with the terms of our initial public offering; and

reviewing and approving all payments made to our initial stockholders, sponsors, officers or directors and their respective affiliates, other than a payment of an aggregate of \$7,500 per month to Teleos Management, L.L.C., an entity affiliated with Daniel Gressel, one of our directors, and LLM Capital Partners LLC, an entity affiliated with Patrick J. Landers, our president and a director, LLM Structured Equity Fund L.P. and LLM Investors L.P., for office space, secretarial and administrative services (amended December 31, 2008 to \$6,805.25 per month). Any payments made to members of our audit committee will be reviewed and approved by our Board of Directors, with the interested director or directors abstaining from

such review and approval.

Nominating Committee

Our Board of Directors has established a standing nominating committee, which consists of Michael P. Castine, William Cvengros, Daniel Gressel and Michael Downey, each of whom is an independent director under the NYSE AMEX's listing standards. The nominating committee is

Table of Contents

responsible for overseeing the selection of persons to be nominated to serve on our Board of Directors. The nominating committee considers persons identified by its members, management, stockholders, investment bankers and others.

The nominating committee operates under a written charter, a copy of which is attached hereto as *Appendix B*. A copy of the charter is not available to stockholders on the Company's website. The Nominating Committee has reviewed its charter and to the best of its knowledge it has acted in compliance with such charter during fiscal 2008.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees, which are specified in the nominating committee charter, generally provide that persons to be nominated:

should have demonstrated notable or significant achievements in business, education or public service;

should possess the requisite intelligence, education and experience to make a significant contribution to the Board of Directors and bring a range of skills, diverse perspectives and backgrounds to its deliberations; and

should have the highest ethical standards, a strong sense of professionalism and intense dedication to serving the interests of the stockholders.

The nominating committee will consider a number of qualifications relating to management and leadership experience, background and integrity and professionalism in evaluating a person's candidacy for membership on the Board of Directors. The nominating committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time. The nominating committee does not distinguish among nominees recommended by stockholders and other persons.

Acquisition Committee

Our Board of Directors has established a standing acquisition committee, which consists of David A. Minella, Patrick J. Landers and Michael Downey. The acquisition committee is responsible for considering potential target businesses for our initial business combination. Pursuant to our Bylaws, our Board of Directors will not have authority to consider a potential initial business combination opportunity unless and until the acquisition committee has first unanimously recommended such initial business combination opportunity to the Board of Directors.

Code of Ethics and Committee Charters

We have adopted a code of ethics, which establishes standards of ethical conduct applicable to all of our officers, directors and employees. You will be able to review our code of ethics, as well as our committee charters, by accessing our public filings at the SEC's web site at www.sec.gov. In addition, a copy of the code of ethics will be provided without charge upon request to us. We intend to disclose any amendments to or waivers of certain provisions of our code of ethics in a Current Report on Form 8-K.

Conflicts of Interest

Our stockholders should also be aware of the following other potential conflicts of interest:

None of our officers and directors is required to commit his full time to our affairs and, accordingly, he may have conflicts of interest in allocating his time among various business activities.

Table of Contents

Our directors and members of our management team may become aware of business opportunities that may be appropriate for presentation to us as well as the other entities with which they are or may be affiliated. Some of our officers and directors are now and may in the future become affiliated with entities, including other blank check companies, engaged in business activities similar to those intended to be conducted by us, although each of our officers, directors and sponsors has agreed not to participate in the formation of, or become an officer or director of, any blank check company that may complete an initial business combination with an entity in the financial services industry until the earlier of (i) the date on which we have entered into a definitive agreement regarding our initial business combination or (ii) November 14, 2009.

The founders' common stock and sponsors' warrants are subject to transfer restrictions (and in the case of the sponsors' warrants, restrictions on exercise) and will not be released from escrow until specified dates after consummation of our initial business combination. In addition, the sponsors' warrants purchased by the sponsors and any warrants which our initial stockholders, sponsors, officers and directors purchased in our initial public offering or may purchase in the aftermarket will expire worthless if an initial business combination is not consummated. Additionally, our initial stockholders, including our directors, will not receive liquidation distributions with respect to any of their founders' common stock. For the foregoing reasons, our Board of Directors may have a conflict of interest in determining whether a particular target business is appropriate to effect an initial business combination with.

Our officers and directors may have a conflict of interest with respect to evaluating a particular business combination if the retention or resignation of any such officers and directors were included by a target business as a condition to any agreement with respect to an initial business combination.

In general, officers and directors of a corporation incorporated under the laws of the State of Delaware are required to present business opportunities to a corporation if:

the corporation could financially undertake the opportunity;

the opportunity is within the corporation's line of business; and

it would not be fair to the corporation and its stockholders for the opportunity not to be brought to the attention of the corporation.

Accordingly, as a result of multiple business affiliations, our officers and directors may have similar legal obligations relating to presenting business opportunities meeting the above-listed criteria to multiple entities. In addition, conflicts of interest may arise when our Board of Directors evaluates a particular business opportunity with respect to the above-listed criteria. We cannot assure you that any of the above mentioned conflicts will be resolved in our favor.

In order to minimize potential conflicts of interest which may arise from multiple corporate affiliations, we have entered into a business opportunity right of first review agreement with David A. Minella, our chairman and chief executive officer, who is affiliated with Flat Ridge Investments LLC, one of our sponsors, Patrick J. Landers, our president and a director, who is affiliated with LLM Structured Equity Fund L.P. and LLM Investors L.P., two of our sponsors, James J. Cahill, our chief financial officer and secretary, William Landman, one of our directors, who is affiliated with Capital Management Systems, Inc., one of our sponsors, and Michael P. Castine, William Cvengros, Michael Downey, Daniel Gressel and John Merchant, each of whom is a director, and each of our sponsors, which provides that from November 14, 2007 until the earlier of the consummation of our initial business combination or our liquidation in the event we do not consummate an initial business combination, we will have a right of first review with respect to business combination opportunities of which Messrs. Minella, Landers, Cahill, Landman, Castine, Cvengros, Downey, Gressel, Merchant and

Table of Contents

each of our sponsors, and companies or other entities that they manage or control become aware, in the financial services industry with an enterprise value of \$195 million or more.

In connection with the vote required for our initial business combination, all of the initial stockholders, have agreed to vote the founders' common stock in accordance with the vote of the public stockholders owning a majority of the shares of our common stock sold in our initial public offering. In addition, they have agreed to waive their respective rights to participate in any liquidation distribution with respect to the founders' common stock. If they purchased shares of common stock as part of our initial public offering or if they purchase shares in the open market, however, they would be entitled to vote such shares as they choose on a proposal to approve an initial business combination; however, in no event could they exercise conversion rights and convert their shares into a portion of the trust account.

To further minimize potential conflicts of interest, we have agreed not to consummate an initial business combination with an entity that is affiliated with any of our officers, directors, sponsors or initial stockholders, including any businesses that are either portfolio companies of our initial stockholders or sponsors or any entity affiliated with our officers, directors, initial stockholders or sponsors. Furthermore, in no event will any of our initial stockholders, sponsors, officers or directors, or any of their respective affiliates, be paid any finder's fee, consulting fee or other compensation prior to, or for any services they render in order to effectuate the consummation of an initial business combination.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

None of our executive officers has received any cash or other compensation for services rendered to us in any capacity. Commencing on November 14, 2007, the date of our prospectus related to our initial public offering, through the consummation of our initial business combination or our liquidation, pursuant to a letter agreement, we have paid and will continue to pay Teleos Management, L.L.C., an entity affiliated with Daniel Gressel, one of our directors, and LLM Capital Partners LLC, an entity affiliated with Patrick J. Landers, our president and a director, LLM Structured Equity Fund L.P. and LLM Investors L.P., a fee of \$4,500 and \$3,000, respectively, per month for office space and administrative services, including secretarial support (amended December 31, 2008 to \$4,083.15 and \$2,722.10, respectively). This arrangement has been agreed to by Teleos Management, L.L.C. and LLM Capital Partners LLC for our benefit and is not intended to provide Mr. Gressel or Mr. Landers compensation in lieu of a salary. We believe that such fees are at least as favorable as we could have obtained from an unaffiliated third-party. Other than the fees payable to Teleos Management, L.L.C. and LLM Capital Partners LLC, no compensation of any kind, whether from us or any entity affiliated with us, including finders' fees, consulting fees or other similar compensation, will be paid to, awarded to, or earned by any of our initial stockholders, sponsors, officers or directors, in each case in any capacity, or to any of their respective affiliates, for any services rendered prior to or in connection with the consummation of our initial business combination. However, such individuals and entities will be

Table of Contents

reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf such as identifying potential target businesses and performing due diligence on suitable business combinations. There is no limit on the amount of these out-of-pocket expenses; provided, however, that to the extent such out-of-pocket expenses exceed the available proceeds not deposited in the trust account and interest income of up to \$2.75 million on the balance in the trust account (subject to the holdback of a sufficient amount of interest income to pay any due and unpaid taxes on such \$2.75 million), such out-of-pocket expenses would not be reimbursed by us unless we consummate an initial business combination. Our audit committee will review and approve all payments made to our initial stockholders, sponsors, officers and directors, and any payments made to members of our audit committee will be reviewed and approved by our Board of Directors, with the interested director or directors abstaining from such review and approval.

Compensation Committee Interlocks and Insider Participation

Because none of our officers or directors presently receive compensation from us, we do not presently have a compensation committee.

No members of our Board of Directors has a relationship that would constitute an interlocking relationship with executive officers or directors of the Company or another entity.

Compensation Committee Report

Our Board of Directors has reviewed and discussed the Compensation Discussion and Analysis with management, and, based on such review and discussion, the Board of Directors determined that the Compensation, Discussion and Analysis be included in this Proxy Statement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

On July 18, 2007, we issued an aggregate of 4,312,500 shares of our common stock to Flat Ridge Investments LLC, LLM Structured Equity Fund L.P. and LLM Investors L.P., in exchange for an aggregate purchase price of \$25,000 in cash. Subsequent to the purchase of these shares, (i) Flat Ridge Investments LLC transferred at cost an aggregate of 431,252 of these shares to SJC Capital LLC, an entity affiliated with William Cvengros, one of our directors, and Michael P. Castine, Michael Downey and Daniel Gressel, each of whom is a director, (ii) LLM Structured Equity Fund L.P. and LLM Investors L.P. transferred at cost an aggregate of 345,000 of these shares to Capital Management Systems, Inc., (iii) LLM Structured Equity Fund L.P., LLM Investors L.P. and Capital Management Systems, Inc. transferred at cost an aggregate of 215,625 of these shares to James J. Cahill, our chief financial officer and secretary, (iv) LLM Structured Equity Fund L.P. transferred at cost an aggregate of 64,688 of these shares to James J. Cahill and (v) SJC Capital LLC, LLM Structured Equity Fund L.P., LLM Investors L.P., Michael P. Castine, Michael Downey, Daniel Gressel and Capital Management Systems, Inc. transferred at cost an aggregate of 161,721 of these shares to Flat Ridge Investments LLC. In October, 2007, the aggregate outstanding 4,312,500 shares of common stock were increased to 7,187,500 shares of common stock as a result of a 5-for-3 stock split declared by our Board of Directors. Subsequent to the stock split, Flat Ridge Investments LLC, LLM Structured Equity Fund L.P., LLM Investors L.P. and Capital Management Systems, Inc. transferred at cost an aggregate of 158,724 of these shares to John Merchant, one of our directors.

On December 21, 2007, upon the expiration of the underwriters over-allotment option granted in connection with our initial public offering, we repurchased an aggregate of 937,500 shares of founders' common stock from our initial stockholders at a price equal to \$0.0001 per share. In connection with such repurchase, we recorded the aggregate fair value of the shares purchased to treasury stock and a corresponding credit to additional paid-in capital based on the difference between the fair market value of the shares of common stock repurchased and the price equal to \$0.0001 per share (which was an

Table of Contents

aggregate total of \$93.75 for all 937,500 shares). Upon receipt, the repurchased shares were immediately cancelled, which resulted in the retirement of the treasury stock and a corresponding charge to additional paid-in capital.

The initial stockholders holding a majority of such shares are entitled to make up to three demands that we register these shares pursuant to an agreement signed on November 14, 2007. The holders of the majority of these shares may elect to exercise these registration rights at any time generally commencing nine months after the consummation of our initial business combination. In addition, these stockholders have certain "piggy-back" registration rights with respect to registration statements filed by us subsequent to the date on which these shares of common stock are released from escrow. We will bear the expenses of registering these securities.

Flat Ridge Investments LLC, LLM Structured Equity Fund L.P., LLM Investors L.P. and Capital Management Systems, Inc. have purchased an aggregate of 5,250,000 warrants at a price of \$1.00 per warrant (\$5.25 million in the aggregate) in a private placement that occurred simultaneously with the consummation of our initial public offering. The proceeds from the sale of the sponsors' warrants in the private placement were deposited into the trust account and subject to the trust agreement and are part of the funds to be distributed to our public stockholders in the event that we are unable to complete an initial business combination. The sponsors' warrants are identical to the warrants included in the units sold to the public in our initial public offering, except that the sponsors' warrants (i) are non-redeemable so long as they are held by any of the sponsors or their permitted transferees, (ii) are subject to certain transfer restrictions and will not be exercisable while they are subject to these transfer restrictions and (iii) may be exercised for cash or on a cashless basis. The sponsors have agreed not to transfer, assign or sell any of the sponsors' warrants until the date that is 30 days after the date we complete our initial business combination; provided however that transfers can be made before such time to permitted transferees who agree in writing to be bound by such transfer restrictions. For so long as the sponsors' warrants are subject to such transfer restrictions they will be held in an escrow account maintained by Continental Stock Transfer & Trust Company.

The holders of the majority of these sponsors' warrants (or underlying shares) are entitled to make up to three demands that we register these securities pursuant to the registration rights agreement referred to above. The holders of the majority of these securities may elect to exercise these registration rights with respect to such securities at any time after we consummate an initial business combination. In addition, these holders will have certain "piggy-back" registration rights with respect to registration statements filed subsequent to such date. We will bear the expenses incurred in connection with the filing of any such registration statement.

Each of Teleos Management, L.L.C., an entity affiliated with Daniel Gressel, one of our directors, and LLM Capital Partners LLC, an entity affiliated with Patrick J. Landers, our president and a director, LLM Structured Equity Fund L.P. and LLM Investors L.P., has agreed that, commencing on November 14, 2007 through the acquisition of a target business, it will make available to us office space and certain office and secretarial services, as we may require from time to time. We have agreed to pay Teleos Management, L.L.C., \$4,500 per month and LLM Capital Partners LLC, \$3,000 per month for these services (amended December 31, 2008 to \$4,083.15 and \$2,722.10, respectively). This arrangement is solely for our benefit and is not intended to provide Mr. Gressel or Mr. Landers compensation in lieu of a salary. We believe, based on rents and fees for similar services in the Naples, Florida and Boston, Massachusetts metropolitan areas, that the fee charged by each of Teleos Management, L.L.C. and LLM Capital Partners LLC, is at least as favorable as we could have obtained from an unaffiliated person.

To fund pre-offering expenses associated with our initial public offering, Flat Ridge Investments LLC, LLM Structured Equity Fund L.P. and LLM Investors L.P. advanced an aggregate of \$200,000 to us in exchange for a promissory note, without interest, which was repaid from the proceeds of our initial public offering.

Castine, William Cvengros, Michael Downey, Daniel Gressel and John Merchant, each of whom is a director, and each of our sponsors, which provides that from November 14, 2007 until the earlier of the consummation of our initial business combination or our liquidation in the event we do not consummate an initial business combination, we will have a right of first review with respect to business combination opportunities of which Messrs. Minella, Landers, Cahill, Landman, Castine, Cvengros, Downey, Gressel, Merchant and each of our sponsors, and companies or other entities that they manage or control become aware, in the financial services industry with an enterprise value of \$195 million or more.

Other than the \$7,500 per month administrative fee (amended December 31, 2008 to \$6,805.25 per month) and reimbursable out-of-pocket expenses payable to our officers and directors, no compensation or fees of any kind, including finders' fees, consulting fees or other similar compensation, will be paid to awarded to or earned by any of our initial stockholders, sponsors, officers or directors, or to any of their respective affiliates, prior to or with respect to the initial business combination (regardless of the type of transaction that it is).

After our initial business combination, members of our management team who remain with us may be paid consulting, management or other fees from the combined company with any and all amounts being fully disclosed to stockholders, to the extent then known, in the proxy solicitation materials furnished to our stockholders. It is unlikely the amount of such compensation will be known at the time of a stockholder meeting held to consider our initial business combination, as it will be up to the directors of the post-combination business to determine executive and director compensation. In this event, such compensation will be publicly disclosed at the time of its determination in a Current Report on Form 8-K, as required by the SEC.

All ongoing and future transactions between us and any director or member of our management team, initial stockholders, sponsors, or their respective affiliates, including financing, will be on terms believed by us at that time, based upon other similar arrangements known to us, to be no less favorable than are available from unaffiliated third parties. Such transactions will require prior approval in each instance by our audit committee. We will not enter into our initial business combination with an entity that is affiliated with any of our officers, directors, sponsors or initial stockholders. All affiliated transactions will be on terms no less favorable to us than could be obtained from independent parties. All affiliated transactions must be approved by a majority of our independent and disinterested directors.
