OF
TF FINANCIAL CORPORATION

**ANNUAL MEETING OF STOCKHOLDERS
APRIL 28, 2010**

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of TF Financial Corporation (the Company) to be used at the 2010 Annual Meeting of Stockholders of the Company which will be held at Holy Family University, One Campus Drive, Room 138, Newtown, Pennsylvania on April 28, 2010 at 9:30 a.m., Eastern Time. This proxy statement and the accompanying Notice of Annual Meeting of Stockholders, form of proxy and Annual Report are being first mailed to stockholders on or about March 29, 2010. The Company is the parent company of Third Federal Bank (the Bank), TF Investments Corporation and Penns Trail Development Corporation.

At the meeting, stockholders will consider and vote upon (i) the election of one director, and (ii) the ratification of the appointment of Grant Thornton LLP as the Company's independent auditor for the fiscal year ending December 31, 2010. The Board of Directors knows of no additional matters that will be presented for consideration at the meeting. Execution of a proxy, however, confers on the designated proxy holder discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, which may properly come before the meeting or any adjournment thereof.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the meeting and all adjournments thereof. Proxies may be revoked by written notice to the Secretary of the Company at the address above or by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the meeting. A proxy will not be voted if a stockholder attends the meeting and votes in person. Proxies solicited by the Board of Directors of the Company will be voted as specified thereon. **If no specification is made, proxies will be voted "FOR" the nominee for director set forth herein, and "FOR" the ratification of the appointment of Grant Thornton LLP as the Company's independent auditor for the fiscal year ending December 31, 2010.** The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director if the nominee is unable to serve, or for good cause will not serve, and matters incident to the conduct of the meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Stockholders of record as of the close of business on March 8, 2010 (the Record Date) are entitled to one vote for each share of Common Stock of the Company then held. As of the Record Date, the Company had 2,677,603 shares of Common Stock outstanding and eligible to vote.

The Certificate of Incorporation of the Company provides that in no event shall any record owner of any outstanding Common Stock which is beneficially owned, directly or indirectly, by a person who beneficially owns in excess of 10% of the then outstanding shares of Common Stock (the Limit) be entitled or permitted to any vote with respect to the shares held in excess of the Limit. Beneficial ownership is determined pursuant to Rule 13d-3 of the General Rules and Regulations promulgated pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act), and includes

(i) shares beneficially owned by such person or any of his or her affiliates (as defined in the Certificate of Incorporation), (ii) shares which such person or his or her affiliates have the right to acquire upon the exercise of conversion rights or options and (iii) shares as to which such person and his or her affiliates have or share investment or voting power, but shall not include shares beneficially owned by any employee stock ownership or similar plan of the issuer or any subsidiary.

The presence in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote (after subtracting any shares held in excess of the Limit) is necessary to constitute a quorum at the meeting. Abstentions and broker non-votes (*i.e.*, shares held by brokers on behalf of their customers, which may not be voted on certain matters because the brokers have not received specific voting instructions from their customers with respect to such matters) will be counted solely for the purpose of determining whether a quorum is present. In the event there are not sufficient votes for a quorum or to ratify or adopt any proposal at the time of the meeting, the meeting may be adjourned in order to permit the further solicitation of proxies. **Please note that the New York Stock Exchange ("NYSE") rules that govern how brokers vote your stock have changed. Your brokerage firm or other nominee may no longer vote your shares with respect to Proposal One without specific instructions from you as to how to vote with respect to the election of the nominee for director, because the election of directors is no longer considered a "routine" matter under the NYSE rules.**

As to the election of a director, the proxy card being provided by the Board of Directors allows a stockholder to vote for the election of the nominee proposed by the Board of Directors, or to withhold authority to vote for the nominee being proposed. Under the Company's bylaws, directors are elected by a plurality of votes cast.

Concerning all other matters that may properly come before the meeting, including the ratification of the appointment of the independent auditor, by checking the appropriate box, a stockholder may: (i) vote "FOR" the item, or (ii) vote "AGAINST" the item, or (iii) "ABSTAIN" with respect to the item. Unless otherwise required, such matters shall be determined by a majority of votes cast affirmatively or negatively without regard to (a) broker non-votes, or (b) proxies marked "ABSTAIN" as to that matter.

Security Ownership of Certain Beneficial Owners and Management

Persons and groups owning in excess of 5% of the Company's Common Stock are required to file reports regarding such ownership pursuant to the Exchange Act. PROPOSAL I ELECTION OF DIRECTORS

General Information and the Nominee

The Company's Certificate of Incorporation requires that directors be divided into three classes, each class as nearly equal in number as possible, each class to serve for a three-year period, with approximately one-third of the directors elected each year. The Board of Directors

Edgar Filing: TF FINANCIAL CORP - Form DEF 14A

currently consists of six members, although Director Dennis L. McCartney has announced his retirement and his term will expire at the Annual Meeting. Effective upon his retirement, the Board of Directors anticipates

amending the bylaws to reduce the size of the board to five members. Due to Mr. McCartney's retirement and the October 2009 death of George A. Olsen, both of whom had been the only members of the Board whose term would have expired at the Annual Meeting, the Board has reconfigured the Classes to comply with the requirement that they be as nearly equal in size as possible. Chairman Robert N. Dusek, who was re-elected at last year's Annual Meeting for a three-year term, has agreed to become a member of the Class that would be elected at this year's Annual Meeting and has been nominated by the Board to stand for election again for a three-year term. In the event he is unavailable for election by reason of death or other unexpected occurrence, the enclosed proxy, to the extent permitted by applicable law, may be voted with discretionary authority in favor of the election of any substitute nominee.

The following table sets forth information with respect to the nominee for director and the directors continuing in office, including their names, ages, the years they first became directors of the Company or the Bank, and the number and percentage of shares of the Common Stock beneficially owned by each as of the Record Date. Each director of the Company is also a member of the Board of Directors of the Bank with the exception of Messrs. Stranford, and Gregory.

Meetings and Committees of the Board of Directors

The Company is governed by a Board of Directors and various committees of the Board which meet regularly throughout the year. During the year ended December 31, 2009, the Board of Directors of the Company held four regular meetings and no special meetings. During the year ended December 31, 2009, the Board of Directors of the Bank held twelve regular meetings and no special meetings. Other than Mr. Gregory, all directors attended more than 75% of the total meetings of the

Board of Directors of the Company and Committees on which such director served during the year ended December 31, 2009.

The Company is the parent company of the Bank and does not pay any cash compensation to the executive officers of the Company. The Company's Compensation Committee administers the TF Financial Corporation Incentive Compensation Plan. The Compensation Committee of the Bank determines compensation and benefits for the executive officers, who have no role in the determination of the amount or form of executive compensation. The Compensation Committee of the Bank is also responsible for matters regarding compensation and benefits, hiring, termination and affirmative action issues for other officers and employees of the Bank. The Compensation Committee of the Company is comprised of Messrs. Dusek (Chair), Tantala and Gregory and met one time in 2009. The Compensation Committee of the Bank comprises Messrs. Dusek (Chair), Tantala and Kenneth A. Swanstrom, a director of the Bank, and met one time in 2009. The Compensation Committees do not have charters.

The Audit Committee of the Company is comprised of Directors Tantala (Chair), Gregory and Dusek. All members of the Audit Committee have been determined by the Board of Directors to be independent under the rules of the Nasdaq Stock Market. The Board of Directors has determined that Mr. Gregory is an Audit Committee Financial Expert within the meaning of the regulations of the Securities and Exchange Commission.

The Audit Committee annually selects the independent auditors and meets with the accountants to discuss the annual audit. The Audit Committee is further responsible for overseeing internal control for financial reporting. The Audit Committee met four times during the year ended December 31, 2009. The Board of Directors has reviewed, assessed the adequacy of and approved a formal written charter for the Audit Committee, which is available at www.tffinancial.com.

Director Nomination Process

The Company does not have a standing nominating committee. The independent directors of the Company serve the functions of a nominating committee for selecting nominees for election of directors in accordance with the Company's Bylaws. As defined by Nasdaq, each of the six directors, other than John R. Stranford and Kent C. Lufkin, is an independent director. The independent directors met once during the year ended December 31, 2009 in this capacity. The Board feels it is appropriate for the independent directors to serve this function without forming a standing committee because the Company has a relatively small Board, making action by committee unnecessary for purposes of managing nominations. Because there is not a standing committee, the Company does not have a nominating committee charter, however, the Board has adopted a written policy addressing the nominating function.

The Company does not pay fees to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. The process for identifying and evaluating potential Board nominees includes soliciting recommendations from directors and officers of the Company and its wholly-owned subsidiary, Third Federal Bank. Additionally, the Board will consider persons recommended by stockholders of the Company in selecting the Board's nominees for election. There is no difference in the manner in which persons recommended by directors or officers versus persons recommended by stockholders in selecting Board nominees are evaluated.

To be considered in the selection of Board nominees, recommendations from stockholders must be received by the Company in writing by at least 120 days prior to the date the proxy statement for the previous year's annual meeting was first distributed to stockholders. Recommendations should identify the submitting stockholder, the person recommended for consideration and the reasons the submitting stockholder believes such person should be considered. Persons recommended for consideration as Board nominees should meet the director qualification requirements set forth in Article III, Sections 15

to 18 of the Company's Bylaws, which require that (i) directors must be stockholders of the Company, owning at least 5,000 shares; (ii) directors of the Company must reside within sixty miles of the Company's main office in Newtown, Pennsylvania; (iii) directors may not serve as a management official of another depository institution or depository holding company as those terms are defined by the regulations of the Office of Thrift Supervision; and (iv) directors must be persons of good character and integrity and must also have been nominated by persons of good character and integrity. The Board also believes potential directors should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage. The Company does not have a specific policy as to diversity.

Stockholder Communications

The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of stockholders. All of the Board's members attended the 2009 Annual Meeting of Stockholders.

Board Leadership Structure

Director Kent C. Lufkin serves as President and Chief Executive Officer of the Company and Director Robert N. Dusek serves as Chairman of the Board. The Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer and President will enhance Board independence and oversight. Moreover, the separation of the Chairman of the Board and Chief Executive Officer and President will allow the Chief Executive Officer and President to better focus on his growing responsibilities of running the Company, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Board's Role in the Risk Management Process

We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees and the committees of the Board of Directors of the Bank, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with the Chief Executive Officer and President to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

- (1) Includes for Mr. Lufkin the value of the stock award of 2,000 shares on 10/22/2008 that vests 33.33% annually beginning 10/22/2009, based on a fair value of \$20.65 per share on the grant date.
- (2) Represents the aggregate value of option awards granted during the year. For the assumptions used refer to the footnotes to the Company's audited consolidated financial statements included in the 2009 Annual Report to Stockholders. Included are option awards of: Mr. Lufkin 18,017 shares; Mr. Stewart 5,000 shares; Mr. Haggar and Ms. Kasporn 3,600 shares. These option awards were granted on 10/22/2008, vest 20% per year beginning 10/22/2009, and are exercisable at \$20.65 which was the fair value of the stock on the grant date.
- (3) Non-Equity Incentive Plans. At the beginning of each plan year, the Compensation Committee establishes targets for net income, originated loans outstanding and total deposits. Each participant in the Company's Incentive Compensation Plan is assigned a combination of these three factors, aggregating to 100%. The extent to which these individualized targets are accomplished determines the percentage of payout earned by each participant. The payout, in turn, is a percentage of base salary, and the percentage will vary based on the title and duties of the participant. No awards will be made unless the Company's net income equals 90% of the target established for the year, even though other target components may exceed the related goal. Thus, the minimum award cannot be quantified. There is no maximum award. The awards are not vested until paid in the year following the plan year, except in the case of a "change of control" in which case the payment is 100% earned and payable on the change of control effective date. For the year ended December 31, 2009 the performance of the Company with respect to the targets established by the Compensation Committee was as follows: net income: 109.8% of target; loans outstanding: 109.6% of target; and total deposits: 110.7% of target. Based on the weighting of these components, the total payout was 109.9% of the amount established for each individual participant.

Potential Payments Upon Termination Due to a Change in Control

Change in Control Severance Agreements. The Bank has entered into a change in control severance agreement with Kent C. Lufkin, President and Chief Executive Officer, Dennis R. Stewart, Executive Vice President and Chief Financial Officer, Floyd P. Hagggar, Senior Vice President and Chief Lending Officer, and Elizabeth A. Kaspersn, Senior Vice President and Chief Retail Banking Officer. The severance agreement for Mr. Lufkin has a term of thirty-six months. The severance agreements for Messrs. Stewart and Hagggar, and Ms. Kaspersn all have a term of twenty-four months. The agreements are terminable by the Company and the Bank for just cause as defined in the agreements. If the Company or the Bank terminates the employee without just cause following a change in control as defined in such agreements, the employee will be entitled to a severance payment. With respect to Mr. Lufkin's agreement, such agreement contains a provision stating that in the event of the termination of employment in connection with any change in control of the Bank, Mr. Lufkin will be paid an amount equal to 2.99 times his most recent three calendar years' average annual total compensation. The agreements with Messrs. Stewart and Hagggar, and Ms. Kaspersn provide for payments equal to 2.00 times the prior three calendar years' average annual total compensation upon termination of employment following a change in control. It is anticipated that all such payments made by the Bank under such agreements would be a tax-deductible compensation expense for federal tax purposes. The aggregate payments that would be made to such individuals net of the federal tax benefit would be an expense to the Bank, thereby reducing net income and the Bank's capital by such amount. The agreements may be renewed annually by the Board of Directors within the Board's sole discretion.

DIRECTOR COMPENSATION

Each director of the Company was also a director of the Bank throughout 2009, with the exception of John R. Stranford, Carl F. Gregory, and Dennis L. McCartney who serve as directors of the Company only. For 2009, non-employee directors of the Company received a quarterly retainer of \$3,000 (\$16,400 for the Chairman of the Company's Board). During 2009, each non-employee director of the Bank received a fee of \$1,000 per board meeting attended (\$3,500 for the Chairman of the Bank's Board, and \$2,000 for the Vice Chairman of the Bank's Board) and, depending on the committee, either \$500 per committee meeting attended (\$600 for the Chairman of the Committee) or \$1,000 per quarter regardless of the number of meetings. The director fees shown in the table below include fees paid for service on the Company's Board and any fees paid for service on the boards of the subsidiaries of the Company.

The Company has entered into a change in control severance agreement with Robert N. Dusek, Chairman of the Board. Mr. Dusek's agreement stipulates a payment of \$250,000 upon termination of service following a change in control.

All members of the Board of Directors other than Mr. Lufkin, current President and CEO, and Mr. Stranford, former President and CEO, are independent under the rules of the Nasdaq Stock Market.
