The principal executive offices of the Company are located at 1185 Avenue of the Americas, New York, NY 10036. The Company has set the close of business on April 8, 2013 as the record date (the "Record Date") for determining the Stockholders entitled to vote at the 2013 Annual Meeting.

According to the Company's Proxy Statement, as of March 15, 2013, there were 343,123,070 shares of Common Stock of the Company issued and outstanding and expected to be entitled to vote on all matters presented at the 2013 Annual Meeting. As of April 2, 2013, Elliott Associates is the direct record owner of 17,500 shares of Common Stock and is the beneficial owner of an additional 5,407,508 shares of Common Stock, and Elliott International is the direct record owner of 32,500 shares of Common Stock and is the beneficial owner of an additional 10,042,492 shares of Common Stock, which together represent approximately 4.52% of the issued and outstanding shares of Common Stock (based

on information disclosed in the Company's Proxy Statement regarding the number of issued and outstanding shares of Common Stock on March 15, 2013).

In addition, (i) Paul E. Singer ("Singer"), Elliott Capital Advisors, L.P. ("Capital Advisors"), a Delaware limited partnership which is controlled by Singer, and Elliott Special GP, LLC ("Special GP"), a Delaware limited liability company which is controlled by Singer, are the general partners of Elliott Associates and may all be deemed to beneficially own the shares of Common Stock held by Elliott Associates, (ii) Singer, Braxton Associates, Inc. ("Braxton"), a Delaware corporation, and Elliott Asset Management LLC ("Asset Management"), a Delaware limited liability company, are the general partners of Capital Advisors and may be deemed to beneficially own the shares of Common Stock held by Elliott Associates, (iii) The Liverpool Limited Partnership ("Liverpool Partnership"), a Bermuda limited partnership, is a wholly-owned subsidiary of Elliott Associates that acquired a portion of the shares of Common Stock beneficially owned by Elliott Associates, and Liverpool Associates Ltd. ("Liverpool Associates"), a Bermuda company, is a wholly-owned subsidiary of Elliott Associates and is the sole general partner of Liverpool Partnership and may be deemed to beneficially own the shares of Common Stock held by Liverpool Partnership, and (iv) Elliott International Capital Advisors Inc. ("EICA"), a Delaware corporation, as investment manager of Elliott International, Hambledon, Inc. ("Hambledon"), a Cayman Islands corporation which is also controlled by Singer, as the sole general partner of Elliott International and Singer, may be deemed to beneficially own the shares of Common Stock held by Elliott International (we refer to Elliott, Singer, Capital Advisors, Special GP, Braxton, Asset Management, Liverpool Partnership, Liverpool Associates, EICA, Hambledon and Elliott Management Corporation, a Delaware corporation which provides management services to Elliott and their affiliates, and the Nominees and Alternate Nominees, collectively as the "Elliott Participants").

We intend to vote all of the Common Stock that we beneficially own at the 2013 Annual Meeting **"FOR"** the election of our Nominees (or, if applicable, the Alternate Nominees), **"FOR"** the Company's proposal to ratify the selection by the Audit Committee of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013, **"AGAINST"** the Company's proposal to approve, on an advisory basis, the compensation of the Company's named executive officers, **"FOR"** the Company's proposal to approve an amendment to the Company's Certificate of Incorporation and By-Laws to declassify the Board, **"FOR"** the stockholder proposal recommending that the Board adopt a policy that requires an independent chairman, **"FOR"** the stockholder proposal recommending that the Board take action to implement a simple majority vote standard, **"FOR"** the stockholder proposal recommending that the Company provide a report regarding political contributions, **"FOR"** the Elliott Proposal, and in our discretion with respect to such other business as may properly come before the 2013 Annual Meeting.

We are soliciting your vote because we believe that our Nominees and Alternate Nominees would contribute significant value to the Board. After extensive study and analysis, we are convinced that tremendous value is trapped inside the Company as a result of poor oversight by a board of directors lacking both the experience and independence to set a clear, shareholder-focused, value-creating strategy. As a result, we have identified and are submitting for election at the Company's 2013 Annual Meeting a slate of five independent, highly qualified nominees to join the Board. The Nominees and Alternate Nominees each bring substantial expertise and deep experience and were selected specifically for what we believe to be their ability to foster the boardroom dynamics that are required to unlock the Company's enormous potential. We believe that unlocking this trapped value could produce a substantial increase in share price, resulting in considerable upside and significant enterprise value creation.

We believe our Nominees and Alternate Nominees would, consistent with the best interests of the Company, advocate for a thorough exploration of all pathways to deliver value to the Stockholders and will bring fresh, independent perspectives and insights to this essential review process. We would expect these pathways to include, but not be limited to, strategic transactions, such as spinning off certain

parts of the business, divesting downstream assets, monetizing resource play infrastructure and streamlining the Company's remaining international portfolio. We urge the Stockholders to support us in this effort by voting "**FOR**" our Nominees (or, if applicable, the Alternate Nominees).

This proxy solicitation is being made by Elliott and *not* on behalf of the Board or the Company's management.

Why are we soliciting your vote?

After extensive study and analysis, we are convinced that tremendous value is trapped inside the Company as a result of poor oversight by a board of directors lacking both the experience and independence to set a clear, shareholder-focused, value-creating strategy. This information has been furnished to Elliott by the Nominees and Alternate Nominees. In addition, the table below sets forth a brief discussion of the specific experience, qualifications, attributes or skills that led to the conclusion that the Nominee or the Alternate Nominee should serve as a director for the Company as of the date hereof, in light of the Company's business and structure.

Mr. McManus has also served as a director of Rockhopper Exploration plc, an exploration company with assets in the Falkland Islands, since 2011, and as a director of Caza Oil & Gas Inc., since 2012. Elliott believes that the attributes, skills and qualifications that Mr. McManus has obtained as an exceptionally experienced international business leader in the energy industry will provide the Board and the Company with project management and commercial expertise.</p>

The Board currently consists of 14 directors, divided into three classes, of which one class, consisting of five directors, is up for election at the 2013 Annual Meeting. According to the Company's Proxy Statement, the Board intends to nominate five candidates for election as directors at the 2013 Annual Meeting. This Proxy Statement is soliciting proxies to elect Messrs. If elected, the Nominees (or Alternate Nominees, if applicable) will be a minority of the directors and will not alone be able to adopt resolutions or otherwise cause the Board to act. However, the Nominees (and Alternate Nominees, if elected) expect to be able to actively engage other Board members in full discussion of the issues facing the Company and resolve them together. By utilizing their respective experiences and working constructively with Board members, the Nominees and Alternate Nominees believe they can effect positive change at the Company.

The corporate governance guidelines of the Company, which are available on the Company's website at <http://phx.corporate-ir.net/phoenix.zhtml?c=101801&p=irol-govhighlights>, provide that determinations of independence shall be made in accordance with the criteria for independence required by the NYSE. Based on the information furnished by the Nominees and the Alternate Nominees, Elliott believes each of the Nominees and Alternate Nominees is independent under such standards and Elliott has no knowledge of any facts that would prevent the determination that each of the Nominees and Alternate Nominees is independent under such standards.

Who are the Alternate Nominees and under what circumstances will they be selected by Elliott for election to the Board?

The Alternate Nominees are William B. Berry and Jonathan R. Macey. Under the circumstances described in this Proxy Statement, Elliott reserves the right to nominate Mr. Berry or Mr. Macey in substitution for one or more Nominees.

Who can vote at the 2013 Annual Meeting?

According to the Company's Proxy Statement, holders of record of Common Stock at the close of business on April 8, 2013 will be entitled to vote at the 2013 Annual Meeting. Each share of Common Stock will be entitled to one vote. On March 15, 2013 (the most practicable date prior to the date of the Company's Proxy Statement), according to the Company's Proxy Statement, there were 343,123,070 shares of Common Stock outstanding and no other voting securities of the Company outstanding.

All valid proxies received prior to the meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the proxy, the shares of Common Stock will be voted in accordance with that specification. POLITICAL CONTRIBUTIONS; (XIII) "FOR" THE REPEAL OF ANY PROVISION OF OR AMENDMENT TO THE BY-LAWS ADOPTED BY THE BOARD WITHOUT THE APPROVAL OF THE STOCKHOLDERS AFTER FEBRUARY 2, 2011 AND BEFORE THE 2013 ANNUAL MEETING; AND (XIV) IN THE PROXY HOLDERS' DISCRETION AS TO OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE 2013 ANNUAL MEETING.

We do not know of any other matters to be presented for approval by the Stockholders at the 2013 Annual Meeting. Unless you indicate otherwise on the **GREEN** proxy form or through the telephone or Internet voting procedures, you also authorize your proxy holders to vote your shares of Common Stock in their discretion on any matters not known by Elliott at the time this Proxy Statement was printed and that, under the Company's By-Laws, may be properly presented for action by the Stockholders at the 2013 Annual Meeting.

What do I need to attend the 2013 Annual Meeting?

The 2013 Annual Meeting will be held at Hess Corporation, 1501 McKinney Street, Houston, Texas 77010 on Thursday, May 16, 2013 at 9:00 a.m., local time. You should be prepared to present valid government-issued photo identification, such as a driver's license or passport, for admittance. In addition, if you are a stockholder of record, your name will be verified against the list of stockholders of record prior to admittance to the 2013 Annual Meeting. If you are a beneficial owner, you must provide proof of beneficial ownership on the Record Date, such as your account statement showing that you owned your stock as of April 8, 2013, a copy of the voting instruction form provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide valid government-issued photo identification and comply with the other procedures outlined above, you will not be admitted to the 2013 Annual Meeting. You do not need to attend the 2013 Annual Meeting to vote. Even if you plan to attend the 2013 Annual Meeting, please submit your vote in advance as instructed in this Proxy Statement.

What is the quorum requirement for the 2013 Annual Meeting?

A majority of the outstanding shares of Common Stock, present in person or represented by proxy, will constitute a quorum at the 2013 Annual Meeting. Abstentions will be counted as shares present for purposes of determining the presence of a quorum for the transaction of business.

What is the effect of an "ABSTAIN" vote?

Abstentions are considered to be present and entitled to vote with respect to each relevant proposal, but will not be considered a vote cast with respect to that proposal. Therefore, an abstention will effectively be a vote against each of the proposals, except for the election of directors.

What is a broker non-vote?

A "broker non-vote" occurs when a beneficial owner of shares held by a broker, bank or other nominee fails to provide the record holder with voting instructions on any "non-routine" matters brought to a vote at a stockholder meeting.

Under the rules of the New York Stock Exchange, "non-routine" matters include the election of directors, the advisory vote to approve the compensation of named executive officers, amendments to the Company's charter to declassify the Board, the stockholder proposals and the Elliott Proposal described in this Proxy Statement. As such, a broker may not vote your shares with respect to such matters without your instructions. **Given the contested nature of the election, the rules of the New York Stock Exchange do not permit broker discretionary authority to vote on any proposals to be voted on at the meeting, whether routine or not.**

Table of Contents

If your shares are held of record by a bank, broker or other nominee, we urge you to give instructions to your bank, broker or other nominee as to how you wish your shares to be voted so you may participate in the stockholder voting on these important matters.

What vote is required to elect the Nominees or Alternate Nominees?

According to the Company's Proxy Statement, the election of directors at the 2013 Annual Meeting is considered a contested election as defined in the Company's By-Laws, and the five nominees receiving the highest number of "FOR" votes will be elected. Withhold votes will be counted as present for purposes of this vote but are not counted as votes cast. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

What vote is required to approve the other proposals described in this Proxy Statement?

Proposal 2: Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013 requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted as present and will have the effect of a vote against the proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

Proposal 3: The proposal to approve executive compensation on an advisory basis is not binding on the Company, the Board or the compensation and management development committee of the Board, and will be considered to have been approved if it receives the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted as present for the purposes of this vote, and therefore will have the same effect as a vote against this proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

Proposal 4: The proposal to amend the Company's Certificate of Incorporation and By-Laws to declassify the Board requires the affirmative vote of 80% of the outstanding shares of Common Stock. Accordingly, abstentions and broker non-votes will have the effect of a vote against the proposal.

Proposal 5: Approval of the stockholder proposal recommending that the Board adopt a policy that requires an independent chairman requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted for purposes of this vote and therefore will have the same effect as a vote against this stockholder proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

Proposal 6: Approval of the stockholder proposal recommending that the Board take action to implement a simple majority vote standard requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted for purposes of this vote and therefore will have the same effect as a vote against this stockholder proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

Proposal 7: Approval of the stockholder proposal recommending that the Company provide a report regarding political contributions requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted for purposes of this vote and therefore will have the same effect as a vote against this stockholder proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

Table of Contents

Proposal 8: Approval of the Elliott Proposal requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted for purposes of this vote and therefore will have the same effect as a vote against this stockholder proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

If other matters are properly brought before the 2013 Annual Meeting, the vote required will be determined in accordance with applicable law, the NYSE Rules and the Company's Certificate of Incorporation and By-Laws, as applicable.

Unless revoked in the manner set forth above and subject to the foregoing, duly authorized proxies in the form enclosed will be voted at the 2013 Annual Meeting in accordance with your instructions. We request that a copy of any revocation sent to the Company or any revocation notification sent to the person responsible for a bank or brokerage account also be sent to us, care of Okapi Partners LLC, at the address listed above, so that we may be aware of any revocation of a proxy.

BACKGROUND OF THE SOLICITATION

On January 25, 2013, Elliott notified the Company by letter that it intended to file notices under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 ("HSR") to enable Elliott to acquire more than \$800 million of the Common Stock, including those shares Elliott already owned. In a separate letter from Elliott's counsel, Elliott informed the Company that it was considering nominating candidates for election to the Board at the 2013 Annual Meeting and asked the Company to confirm whether a proposed form of representations that would be provided by the Nominees complied as to form. By written letter to Elliott's counsel that same day, the Company provided the requested confirmation and advised Elliott of the nomination deadline.

On January 28, 2013, the Company publicly confirmed that it had received the foregoing notices from Elliott.

On January 29, 2013, Elliott publicly filed various solicitation materials, including a presentation and press release including an open letter to stockholders, in which Elliott announced its intention to nominate the Nominees (or Alternate Nominees) for election at the 2013 Annual Meeting and called upon Hess to conduct a full strategic and operational review of the Company to consider all pathways to maximize stockholder value.

On January 30, 2013, Elliott delivered a notice to the Company proposing to nominate the Nominees (or Alternate Nominees) to stand for election at the 2013 Annual Meeting and identifying the Nominees and the Alternate Nominees. The notice also included Elliott's proposal to repeal any provisions or amendments of the By-Laws adopted without stockholder approval after February 2, 2011 and before the 2013 Annual Meeting.

On February 5, 2013, Elliott submitted a request for certain stocklist materials pursuant to Section 220 of the Delaware General Corporation Law.

On February 13, 2013, the Federal Trade Commission granted Elliott early termination of the HSR waiting period.

On February 26, 2013, the Company and Elliott executed a confidentiality agreement in connection with Elliott's request for certain stocklist materials.

On March 4, 2013, the Company announced several restructuring initiatives and that it would be nominating five new director candidates for election at the 2013 Annual Meeting and had appointed a sixth additional new director to the Board to fill a vacancy created by the resignation of an existing director. Later that day, Elliott publicly filed an open letter to stockholders outlining Elliott's belief that the steps announced by the Company were insufficient in light of the challenges confronting the Company and highlighting various concerns raised by the Company's announcement.

On March 13, 2013, Elliott publicly filed a presentation entitled "Accountability Needed to Recoup Shareholder Value". That presentation set out in detail the basis for Elliott's belief that Hess is a company with premier assets and tremendous potential value, but that it has suffered from a lack of oversight and accountability.

On March 20, 2013, Elliott filed its preliminary proxy statement and on March 29, 2013, Elliott filed Amendment No. 1 thereto.

On March 21, 2013, the Company filed the Company's Proxy Statement, indicating therein that it intended to mail the Company's Proxy Statement to Stockholders on or about March 21, 2013.

On April 3, 2013, Elliott filed this definitive Proxy Statement.

As of the date hereof, the Company and Elliott have not had any other material contacts.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

We propose that the Stockholders elect Rodney F. Chase, Harvey Golub, Karl F. Kurz, David McManus and Marshall D. Smith (or, if any of the foregoing Nominees is unable or unwilling to serve or under certain other circumstances as described below, Mr. Berry or Mr. Macey in substitution for one or more such Nominees) as directors of the Company at the 2013 Annual Meeting. According to the Company's Proxy Statement, the Board currently consists of 14 directors, divided into three classes, of which one class, consisting of five directors, is up for election at the 2013 Annual Meeting.

According to the Company's Proxy Statement, the election of directors at the 2013 Annual Meeting is considered a contested election as defined in the Company's By-Laws, and the five nominees receiving the highest number of "FOR" votes will be elected. Withhold votes will be counted as present for purposes of this vote, but are not counted as votes cast. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

The Nominees or Alternate Nominees, if elected at the 2013 Annual Meeting, would hold office until the 2016 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified. Each of the Nominees and Alternate Nominees has consented to being named as a nominee in this Proxy Statement and, if elected, to serving as a director of the Company.

The corporate governance guidelines of the Company, which are available on the Company's website at <http://phx.corporate-ir.net/phoenix.zhtml?c=101801&p=irol-govhighlights>, provide that determinations of independence shall be made in accordance with the criteria for independence required by the NYSE. Based on the information furnished by the Nominees and Alternate Nominees, Elliott believes each of the Nominees and Alternate Nominees is independent under such standards and Elliott has no knowledge of any facts that would prevent the determination that each of the Nominees and Alternate Nominees is independent under such standards.

In addition, each of the Nominees and Alternate Nominees understands that, if elected as a director of the Company, each Nominee and Alternate Nominee would have an obligation to act in the best interests of the Company and the Stockholders in accordance with his duties as a director.

We are not seeking control of the Board at the 2013 Annual Meeting. If elected, the Nominees (and, if applicable, the Alternate Nominees) would be a minority of the directors and would not alone be able to adopt resolutions or otherwise cause the Board to act. However, the Nominees (and Alternate Nominees, if elected) expect to be able to actively engage other Board members in full discussion of the issues facing the Company and resolve them together. By utilizing their respective experiences and working constructively with Board members, the Nominees and Alternate Nominees believe they can effect positive change at the Company.

Elliott reserves the right to nominate the Alternate Nominees in substitution of any of the Nominees. Elliott also reserves the right to nominate the Alternate Nominees in the event the Company purports to increase the number of directorships, replaces directors not up for reelection at the 2013 Annual Meeting, makes or announces any changes to the By-Laws or takes or announces any other action that purports to have, or if consummated would purport to have, the effect of disqualifying any of the Nominees, and/or any Nominee is unable to serve or for good cause will not serve. To the extent that the Company proposes to put up for election more than five nominees at the 2013 Annual Meeting, Elliott reserves the right to nominate an equal number of additional persons, which Elliott believes would be an available remedy under Delaware law in response to any attempt by the Company to interfere with the voting rights of the Company's stockholders. Additional nominations made pursuant to the foregoing are without prejudice to the position of Elliott that any attempt to change the size of the Board or disqualify any of the Nominees or Alternate Nominees through Bylaw amendments or otherwise would constitute unlawful manipulation of the Company's corporate machinery. Elliott reserves the right to challenge any action by the Company that has, or if consummated would have, the effect of disqualifying any Nominee or Alternate Nominee. To the extent only five director slots are up for election at the 2013 Annual Meeting, Elliott will use proxies solicited

Table of Contents

only to vote for the five Nominees identified in the Proxy Statement, or if one or more of the Nominees is unwilling or otherwise unable to serve, then for one or both of the Alternate Nominees, as the case may be. In the case that Elliott substitutes a nominee or proposes an additional nominee, Elliott will file and deliver supplemental proxy materials, including a revised proxy card, disclosing the information relating to any substitute nominee or additional nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Section 14 of the Exchange Act. Only in such case will the shares of Common Stock of the Company represented by the enclosed **GREEN** proxy form be voted for substitute nominees or additional nominees.

Information Regarding the Nominees and Alternate Nominees

Information pertaining to the Nominees and Alternate Nominees, including the name, age, present principal occupation, business address and business experience for the past five years and certain other information, is set forth in the question and answer section of this Proxy Statement under the section entitled "Who are the Nominees and Alternate Nominees?", which we urge you to read. This information has been furnished to Elliott by the Nominees and Alternate Nominees. Other than as disclosed in this Proxy Statement, there is no arrangement or understanding between any of the Nominees or Alternate Nominees and any other person(s) pursuant to which any such Nominee or Alternate Nominee was or is to be selected as a director or nominee of the Company.

Arrangements between Elliott and the Nominees

In consideration of the substantial time and effort that each Nominee (and, if applicable, Alternate Nominee) will need to dedicate to instill proper governance and restore accountability to the Stockholders, and to align the Nominees with the long-term interests of the Stockholders, Elliott and each Nominee and Alternate Nominee has entered into an Engagement and Indemnification Agreement, the form of which is attached hereto as *Annex B*. Pursuant to these agreements, Elliott will pay:

A one-time fee of \$50,000 in cash to each Nominee and Alternate Nominee, payable upon submission by Elliott to the Secretary of the Company of a notice of nomination of candidates for election to the Board at the 2013 Annual Meeting.

An amount equal to \$10,000 for each 1% of outperformance (up to a maximum of 300% outperformance), with outperformance measured as the amount by which the total return on Common Stock of the Company exceeds the average total return on the publicly traded common stock of a group of peer companies from the effective date of the applicable Engagement and Indemnification Agreement to, except as provided below, the end of three years following the 2013 Annual Meeting (the "Initial Participation Amount"). The Initial Participation Amount is payable to each Nominee and Alternate Nominee (other than Mr. Macey) if any Nominee or Alternate Nominee is appointed or elected as a director of the Company in connection with the 2013 Annual Meeting.

An additional amount equal to \$20,000 for each 1% of outperformance (measured and limited as described above). This additional amount is payable only to those Nominees or Alternate Nominees who are appointed or elected as a director of the Company in connection with the 2013 Annual Meeting and serve as director of the Company until at least the first annual meeting of stockholders of the Company following the 2013 Annual Meeting (the "Enhanced Participation Amount"). The Enhanced Participation Amount will, if payable, be in addition to the Initial Participation Amount. The Enhanced Participation Amount will be pro-rated down if the individual receiving it does not serve as a director for the entire measurement period.

The Engagement and Indemnification Agreement of each Nominee and Alternate Nominee is in the form attached as *Annex B*, except that Elliott and Mr. Macey have agreed that Mr. Macey will not be entitled to the Initial Participation Amount. Also, if Mr. Macey is appointed or elected as a director of the Company in connection with the 2013 Annual Meeting and serves as director of the Company

Table of Contents

until the first annual meeting of stockholders of the Company following the 2013 Annual Meeting, Mr. Macey will receive an Enhanced Participation Amount equal to \$30,000 (rather than \$20,000) for each 1% of outperformance (to compensate for not having received the Initial Participation Amount).

Elliott set the effective date of each Engagement and Indemnification Agreement which in each case was in January 2013 as the beginning of the measurement period for the payments described above in order to provide a baseline valuation unaffected by market reaction to the announcement of Elliott's campaign and the announcement of the Nominees and Alternate Nominees or any actions taken by the Company in response to Elliott's campaign. Elliott believes that using this unaffected price provides the most appropriate measure of changes in value achieved by the Nominees and Alternate Nominees' participation in this proxy contest and tenure on the Board. As an example of the arrangements described above, if (x) a Nominee were elected to the Board and (y) during the three years following the 2013 Annual Meeting the Common Stock had a total return of 30%, as compared to an average total return of the peer group of 20% (so, an outperformance of 10%) and (z) that Nominee served as a director for the entire three-year period, then:

each Nominee and Alternate Nominee (other than Mr. Macey) would receive an Initial Participation Amount of \$100,000 (\$10,000 × 10); and

that Nominee would receive an Enhanced Participation Amount of \$200,000 (\$20,000 × 10).

By contrast, under the same circumstances, if the Common Stock had a total return during the same period of 30% and the average total return of the peer group was 35%, no Nominee or Alternate Nominee would receive any payment under these arrangements.

Elliott has been informed that the arrangements described above have been mischaracterized as paying Nominees and Alternate Nominees \$9,000,000 to sell the Company. As noted above, these arrangements pay solely on the realization of comparative value. Further, the \$9,000,000 does not represent any likely payment under the arrangements, but rather represents the maximum possible payment based on the 300% cap on outperformance described above. In order to achieve a \$9,000,000 payment, the Company would need to outperform its proxy peers by 300%. To place that into historical perspective, as Elliott has detailed in its public filings, the Company has *underperformed* its proxy peers by 29% over the past three years, by 33% over the past five years and by 333% over the 17-year tenure of the current Chief Executive Officer.

For purposes of calculating the payment amounts above, the peer group of companies is the same list of companies identified as the Company's peer firms in the Company's Proxy Statement and, according to the Company's Proxy Statement, the same list used to determine payouts to the Company's senior management under the Company's performance share unit program introduced in 2012.

The peer companies are:

Anadarko Petroleum Corporation
Apache Corporation
BP plc
Chevron Corporation
ConocoPhillips
Devon Energy Corporation
EOG Resources, Inc.
Exxon Mobil Corporation
Marathon Oil Corporation
Murphy Oil Corporation
Occidental Petroleum Corporation
Royal Dutch Shell plc
Statoil ASA
Talisman Energy Inc.
Total S.A.

Table of Contents

For both the Company and the peer group companies, in the event of a "sale transaction" prior to the end of the three-year period, total return will be determined based on the economic value for the relevant securities reflected in that transaction. The term "sale transaction" is defined in the agreements to include a sale of all or substantially all assets of the relevant company or a change of control transaction that does not result in there being a publicly traded stock primarily relating to the business of that company. This mechanism was included in order to account for the possibility, in the context of a mechanic based upon market prices of securities, that either the Company or one or more of the peer companies might engage in a transaction during the measurement period that would result in there no longer being a relevant publicly traded security with respect to that company. With respect to the Company, a sale transaction would result in an early termination of the measurement period. As a result of this mechanic, the payments to Nominees or Alternate Nominees could be favorably or unfavorably affected by a sale transaction by the Company or by a sale transaction by one or more of the peer companies. Elliott believes that this feature of the compensation arrangements does not prevent those arrangements from representing a valuable mechanism for aligning the interests of newly elected directors, who have not had the opportunity through long tenure on the Board to build substantial stakes of Company Common Stock, with those of stockholders. Under these arrangements, the Nominees and Alternate Nominees will have the opportunity to profit if the Company creates value for stockholders over an extended time horizon based upon their initial term as directors. These arrangements use the same three-year time horizon that is used for full vesting under the Company's restricted stock awards, performance share units and stock options, but offer a narrower concept of change of control than is included in those Company incentive plans. Given the range of opportunities identified by Elliott in its public filings for realizing stockholder value none of which involve a sale of the Company and the ideas Elliott expects its Nominees and Alternate Nominees to bring if elected to the Board, Elliott believes these arrangements offer a powerful incentive that is consistent with the interests of all stockholders.

In addition, Elliott has agreed to indemnify the Nominees and Alternate Nominees against losses incurred in connection with their service as nominees or alternate nominees, as applicable, for election as directors of the Company and in connection with the solicitation of proxies in respect thereof, to the extent that indemnification is not otherwise available, including from the Company, and to reimburse the Nominees and the Alternate Nominees for out-of-pocket expenses incurred in their capacity as nominees or alternate nominees, as applicable, including, without limitation, reimbursement for reasonable travel expenses. Also under the agreements, each Nominee and Alternate Nominee agreed to maintain the confidentiality of information provided to such individual by Elliott or its agents, subject to customary exceptions for information available to the public or disclosure required by law. This confidentiality undertaking was included to permit Elliott to share information regarding its analysis and strategies with the nominees during this proxy campaign. Elliott has undertaken to terminate these confidentiality provisions with respect to any Nominee or Alternate Nominee who is elected to the Board. As such, Elliott does not believe that these undertakings would have any impact on any Nominee or Alternate Nominee if such person were elected to the Board.

Elliott entered into the fee arrangements described above because Elliott believes that the level of personal commitment required of the Nominees and Alternate Nominees to participate in this campaign to endure intense public scrutiny and the resistance of an entrenched management and commit their time and reputations to the mission of unlocking the potential of the Company should be appropriately compensated. Elliott believes that, by providing a payment tied entirely to the objective performance of the Company's Common Stock as compared to those of its proxy peers, these arrangements support an appropriate alignment of the interests of the Nominees and Alternate Nominees with those of all Stockholders.

While Elliott recognizes that the arrangements described above would provide a benefit to some directors not shared by others, Elliott believes that what is important is that all directors have the proper incentives to align their interests with those of stockholders, not that all of those incentives be

Table of Contents

uniform in type or amount. In any board of directors, there will be individuals with different incentives greater holdings of company stock than others, stock bought for more or less than others, greater or lesser amounts of options or incentive equity, being closer to or farther from retirement, closer relationships with management, etc. that will shape their individual views. Elliott believes that the arrangements described above are an appropriate mechanism to align the interests for newly elected directors with those of all stockholders.

The above description of the terms of the Engagement and Indemnification Agreements is qualified in its entirety by reference to the form of Engagement and Indemnification Agreement, which is attached as *Annex B* to this Proxy Statement and incorporated herein by reference. We urge you to read the full form of Engagement and Indemnification Agreement, which includes the detailed terms, conditions and definitions applicable to the arrangements described above.

Compensation of the Company's Directors

If elected to the Board, except as set forth above or in *Annex A*, the Nominees (or, if applicable, Alternate Nominees) will not receive any compensation from Elliott to serve as nominees for election or as a director, if elected, of the Company.

They will, however, receive whatever compensation the Board has established for non-employee directors of the Company unless and until the Board determines to change such compensation. The following discussion summarizes the Company's compensation and indemnification of directors based solely on the Company's Proxy Statement.

According to the Company's Proxy Statement, in 2012, each director who was not an employee of the Company or any of its subsidiaries received an annual cash fee of \$110,000 for membership on the Board, except Samuel A. Nunn who received \$45,834 constituting a pro-rata annual fee. These directors received an additional annual cash fee of \$10,000 for membership on each committee of the Board on which such director served, except for Audit Committee members who each received an annual cash fee of \$25,000. The chairperson of each committee received an annual cash fee of \$15,000, except for the chairman of the Audit Committee, who received an annual cash fee of \$30,000. In addition, in March 2012 each non-employee director received 2,722 shares of fully vested Common Stock (constituting approximately \$175,000 in value on the date of award), except Mr. Nunn who received 1,340 shares in September 2012 constituting a pro-rata award. These awards are made from shares purchased by the Company in the open market.

The Company maintains, at its expense, a policy of insurance which insures its directors and officers. The By-Laws also contain provisions that provide for indemnification of directors, unless otherwise prohibited by law. The Certificate of Incorporation contains provisions eliminating the personal liability of a director to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, subject to some exceptions.

None of the Nominees, Alternate Nominees or any associate of any Nominee or any Alternate Nominee, has received any cash compensation, cash bonuses, deferred compensation, compensation pursuant to plans or other compensation, from, or in respect of, services rendered on behalf of the Company, or is subject to any arrangement described in Item 402 of Regulation S-K promulgated under the Securities Act of 1933, as amended ("Regulation S-K").

None of the Nominees or Alternate Nominees has any position or office with the Company and no occupation or employment with which the Nominees or Alternate Nominees have been involved during the past five years was carried on with the Company or any corporation or organization that is a parent, subsidiary or other affiliate of the Company. None of the Nominees or Alternate Nominees has ever served on the Board.

Table of Contents

Interests of the Nominees and Alternate Nominees

We expect that each of the Nominees and Alternate Nominees, if elected, will be (i) entitled to receive compensation customarily paid by the Company to its non-employee directors; (ii) indemnified for service as a director of the Company to the same extent indemnification is provided to the current directors of the Company; and (iii) covered by the Company's director and officer liability insurance.

The Nominees and the Alternate Nominees may be deemed to have an interest in their nominations for election to the Board by virtue of compensation the Nominees and the Alternate Nominees will receive from the Company as a director, if elected to the Board, and as described elsewhere in this Proxy Statement.

PROPOSAL NO. 2 RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

As discussed in further detail in the Company's Proxy Statement, the Company has proposed that the Stockholders ratify the Audit Committee's selection of Ernst & Young LLP as the Company's

Table of Contents

independent registered public accounting firm for the fiscal year ending December 31, 2013. We do not object to the ratification of the Audit Committee's selection of Ernst & Young LLP and recommend that you vote "**FOR**" this proposal by checking the appropriate box and signing, dating and returning the enclosed **GREEN** proxy form. Additional information regarding this proposal is contained in the Company's Proxy Statement.

Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013 requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted as present and will have the effect of a vote against the proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

Additional information regarding this proposal is contained in the Company's Proxy Statement.

**PROPOSAL NO. 3 ADVISORY VOTE TO APPROVE THE COMPENSATION
OF THE NAMED EXECUTIVE OFFICERS**

As discussed in further detail in the Company's Proxy Statement and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Company has proposed that the Stockholders vote to approve, on an advisory basis, the compensation of those of the Company's named executive officers as described in the Company's Proxy Statement in accordance with the compensation disclosure rules of the SEC. This proposal, commonly known as a "say on pay" proposal, gives the Stockholders an opportunity to approve, reject or abstain from voting with respect to the Company's overall fiscal 2012 executive compensation programs and policies and the compensation paid to the Company's named executive officers as disclosed in the Company's Proxy Statement. This advisory vote on executive compensation is not binding on the Company, the Board or the compensation and management development committee of the Board, and will be considered to have been approved if it receives the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted as present for the purposes of this vote, and therefore will have the same effect as a vote against this proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

As Elliott has argued in detail in its public filings, we believe that the Company's executive compensation program fails to align compensation with performance and overall stockholder return. We believe the Board should undertake a comprehensive review of the Company's executive compensation practices, with the goal of developing and implementing a program that properly aligns executive compensation with stockholder interest.

As such, we recommend that you vote "**AGAINST**" the approval, on an advisory basis, of the compensation of the Company's named executive officers by checking the appropriate box and signing, dating and returning the enclosed **GREEN** proxy form.

Additional information regarding this proposal is contained in the Company's Proxy Statement.

**PROPOSAL NO. 4 PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION AND BY-LAWS TO
DECLASSIFY THE BOARD**

As discussed in further detail in the Company's Proxy Statement, the Company has proposed that the Stockholders vote to approve amendments to the Company's Certificate of Incorporation and By-Laws to declassify the Board and provide for the annual election of the entire Board of Directors. The full text of these proposed amendments is attached as *Annex C* to this Proxy Statement. Pursuant to the Company's Certificate of Incorporation, the affirmative vote of 80% of the outstanding shares of Common Stock is required to adopt the proposed amendments. Accordingly, abstentions and broker non-votes will effectively be votes against the proposal.

Table of Contents

We believe that the election of directors is the primary avenue for stockholders to influence corporate governance and that the annual election of directors will encourage accountability of the Board to the Stockholders. Accordingly, we recommend that you vote **"FOR"** this proposal by checking the appropriate box and signing, dating and returning the enclosed **GREEN** proxy form.

Additional information regarding this proposal is contained in the Company's Proxy Statement.

PROPOSAL NO. 5 STOCKHOLDER PROPOSAL FOR AN INDEPENDENT CHAIRMAN

According to the Company's Proxy Statement, the Company has received notice from the Indiana Laborers Pension Fund, 905 16th Street, NW, Washington, DC 20006, of its intention to present the following resolution for action at the 2013 Annual Meeting. Approval of this proposal requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted for purposes of this vote and therefore will have the same effect as a vote against this stockholder proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

"PROPOSAL FOR AN INDEPENDENT CHAIRMAN

RESOLVED: That the stockholders of Hess Corporation, ("Hess" or "the Company") ask the board of directors to adopt a policy that, whenever possible, the board's chairman should be an independent director who has not previously served as an executive officer of the Company. The policy should be implemented so as not to violate any contractual obligation. The policy should also specify (a) how to select a new independent chairman if a current chairman ceases to be independent during the time between annual meetings of shareholders; and, (b) that compliance with the policy is excused if no independent director is available and willing to serve as chairman."

As Elliott has argued extensively in its public filings, it is Elliott's view that the Company has long suffered from an absence of effective, independent oversight and that this failure in governance has substantially contributed to the historic underperformance of the Company when compared to its peers. We see no support in the Company's historic performance for the assertion made in the Company's Proxy Statement that the combination of the chairman and chief executive officer roles "promotes better alignment of strategic development and execution, more effective implementation of strategic initiatives and clearer accountability for their success or failure." Rather, over the 17 years of Chief Executive Officer John Hess's tenure, the Company's Common Stock has underperformed the peer companies identified in the Company's 2011 Proxy Statement by 332.9%. Elliott believes that, together with the election of the Nominees and the declassification of the Board, the separation of the chief executive officer and chairman roles would introduce a valuable additional measure of oversight and accountability to the governance of the Company.

Accordingly, we recommend that you vote **"FOR"** this proposal by checking the appropriate box and signing, dating and returning the enclosed **GREEN** proxy form.

PROPOSAL NO. 6 STOCKHOLDER PROPOSAL FOR A SIMPLE MAJORITY VOTE STANDARD

According to the Company's Proxy Statement, the Company has received notice from James McRitchie, 9295 Yorkship Court, Elk Grove, CA 95758, of his intention to present the following resolution for action at the 2013 Annual Meeting. Approval of this proposal requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted for purposes of this vote and therefore will have the same effect as a vote against this stockholder proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

"PROPOSAL FOR SIMPLE MAJORITY VOTE RIGHT

RESOLVED, Shareholders request that our board take the steps necessary so that each voting requirement in our charter and by-laws that calls for a greater than simple majority vote be eliminated,

Table of Contents

and replaced by a requirement for a majority of the votes cast for and against applicable proposals, or a simple majority in compliance with applicable laws. If necessary this means the closest standard to a majority of the votes cast for and against such proposals consistent with applicable laws."

Under the Certificate of Incorporation and the By-Laws, approval of 80% of the outstanding shares entitled to vote is required to alter, amend or repeal provisions in the Certificate of Incorporation and By-Laws relating to stockholder meetings, board structure and meetings, director elections and board vacancies, or to remove directors from the Board. In addition, the Company's Certificate of Incorporation requires the approval of at least two-thirds of the outstanding shares entitled to vote for certain business combinations with a 20% stockholder and the sale, lease or exchange of all or substantially all of the assets or property of the Company.

According to the Company's Proxy Statement, the Board has determined that these supermajority vote requirements are in the best interests of stockholders because, "in the absence of these supermajority vote requirements, it would be possible for a small number of very large stockholders to make fundamental corporate changes, including changes to the structure of the board, that would have long lasting impact on the company and all of its stockholders." Elliott believes that, in the context of a company with a market capitalization exceeding \$23 billion, there is little risk of a small number of shareholders obtaining a majority of the Company's stock and imposing their will to the detriment of other stockholders. We note, however, that, according to the Company's Proxy Statement, more than 11% of the Company's Common Stock is beneficially owned by directors and executive officers, and more than 10.6% is beneficially owned personally by Chief Executive Officer John Hess. Elliott believes that this level of concentrated ownership, when combined with the supermajority voting requirements, creates the very real risk that changes and transactions that would benefit all stockholders could be blocked by a small number of stockholders aligned with an entrenched management.

Accordingly, we recommend that you vote "**FOR**" this proposal by checking the appropriate box and signing, dating and returning the enclosed **GREEN** proxy form.

PROPOSAL NO. 7 STOCKHOLDER PROPOSAL FOR A REPORT REGARDING POLITICAL CONTRIBUTIONS

According to the Company's Proxy Statement, the Company has received notice from Paul and Eileen LeFort, represented by Trillium Asset Management LLC, 711 Atlantic Avenue, Boston, MA 02111, of its intention to present the following resolution for action at the 2013 Annual Meeting. Approval of this proposal requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will be counted for purposes of this vote and therefore will have the same effect as a vote against this stockholder proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

Table of Contents

"PROPOSAL FOR POLITICAL CONTRIBUTIONS REPORT

Resolved, that the shareholders of Hess Corporation ("Hess" or "Company") hereby request that the Company provide a report, updated semiannually, disclosing the Company's:

1. Policies and procedures for making, with corporate funds or assets, contributions and expenditures (direct or indirect) to (a) participate or intervene in any political campaign on behalf of (or in opposition to) any candidate for public office, or (b) influence the general public, or any segment thereof, with respect to an election or referendum.
2. Monetary and non-monetary contributions and expenditures (direct and indirect) used in the manner described in section 1 above, including:
 - a. The identity of the recipient as well as the amount paid to each; and
 - b. The title(s) of the person(s) in the Company responsible for decision-making.

The report shall be presented to the board of directors or relevant board committee and posted on the Company's website."

As stockholders of the Company, we support policies that apply transparency and accountability to corporate spending on political activities. We believe such disclosure is consistent with public policy and in the best interests of the Company's shareholders. As a result, we do not object to the approval of the stockholder proposal recommending that the Company provide a report regarding political contributions and recommend that you vote **"FOR"** this proposal by checking the appropriate box and signing, dating and returning the enclosed **GREEN** proxy form.

**PROPOSAL NO. 8 ELLIOTT PROPOSAL TO REPEAL CERTAIN PROVISIONS OF OR AMENDMENTS TO THE BY-LAWS
ADOPTED SINCE FEBRUARY 2, 2011**

Pursuant to Section 2 of Article XIV of the By-Laws and Section 7 of Article V of the Certificate of Incorporation, the Board is authorized to make, alter, amend or repeal the By-Laws without stockholder approval; provided that Sections 7 (Call of Special Meetings of Stockholders) and 10 (Stockholder Action; Written Consents) of Article III; Sections 1 (Number, Election and Terms of Directors), 6 (Special Meetings of Directors), 8 (Newly Created Directorships and Vacancies) and 9 (Removal of Directors) of Article IV; and Article XIV of the By-Laws (Amendments to the By-Laws) may not be altered, amended or repealed and any provision inconsistent therewith may not be adopted without the affirmative vote of the holders of at least 80% of the combined voting power of the Company then outstanding and entitled to vote, voting together as a single class. Elliott believes that the Stockholders should have the opportunity to amend or repeal any amendments unilaterally adopted by the Board after February 2, 2011, which is the date of the last publicly available By-Laws, and before the 2013 Annual Meeting.

Adoption of this resolution could have the effect of counteracting any unilateral adoption, amendment or repeal of the By-Laws by the Board that would impede the effectiveness of the proposed election of the Nominees or Alternate Nominees, as applicable, negatively impact our ability to solicit and/or obtain proxies from Stockholders, countermand the will of the Stockholders expressed in those proxies or modify the Company's corporate governance guidelines. To the extent that Stockholders support a provision or amendment of the By-Laws unilaterally approved by the Board and that is repealed as a result of this resolution, adoption of this resolution would countermand the will of such Stockholders. Although adoption of this proposal could have the effect of repealing previously undisclosed By-Law amendments, including those unrelated to the proposed election of the Nominees, without considering the beneficial nature, if any, of such amendments to the Stockholders, it would not repeal any such amendments that were approved by the Stockholders.

Table of Contents

Adoption of this resolution requires the affirmative vote of a majority of the shares present at the 2013 Annual Meeting, in person or by proxy, and entitled to vote on the proposal at the 2013 Annual Meeting. Abstentions will have the same effect as a vote against this proposal. Abstentions will be counted for purposes of this vote and therefore will have the same effect as a vote against this stockholder proposal. Broker non-votes will not be counted as present and are not entitled to vote on the proposal.

Proposal 4, the Proposal to Amend the Company's Certificate of Incorporation and By-Laws to Declassify the Board, would not be affected by this Proposal 8, as the proposed By-Law amendments that are part of Proposal 4 are being submitted to the Stockholders for their approval at the 2013 Annual Meeting as provided in this Proxy Statement.

Proposal No. 8 provides for the adoption of the resolution in the following form:

"RESOLVED, that each provision or amendment of the By-Laws adopted by the Board without the approval of the Company's stockholders subsequent to February 2, 2011 (purportedly the last date of reported changes) and prior to the approval of this resolution be, and they hereby are, repealed, effective as of the time this resolution is approved by the Company's stockholders."

WE STRONGLY URGE YOU TO VOTE "FOR" AND TO USE THE GREEN PROXY FORM TO AUTHORIZE A PROXY TO VOTE "FOR" THE REPEALING OF ANY PROVISION OF OR AMENDMENT TO THE BY-LAWS ADOPTED BY THE BOARD WITHOUT THE APPROVAL OF THE STOCKHOLDERS AFTER FEBRUARY 2, 2011 AND BEFORE THE 2013 ANNUAL MEETING.

OTHER PROPOSALS

We do not know of any other matters to be presented for approval by the Stockholders at the 2013 Annual Meeting. If, however, other matters are properly presented, the persons named in the enclosed **GREEN** proxy form will vote the Common Stock represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

NO APPRAISAL OR DISSENTER'S RIGHTS

Stockholders will not have rights of appraisal or similar dissenter's rights with respect to any matters identified in this Proxy Statement to be acted upon at the 2013 Annual Meeting.

SOLICITATION OF PROXIES

Proxies may be solicited by mail, facsimile, telephone, telegraph, electronic mail, in person and by advertisements. Solicitations may also be made by certain of the respective directors, officers, members and employees of Elliott, none of whom will, except as described in *Annex A* attached hereto or elsewhere in this Proxy Statement, receive additional compensation for such solicitation. The Nominees and Alternate Nominees may make solicitations of proxies but, except as described herein, will not receive compensation for acting as nominees or alternate nominees.

We have retained Okapi Partners LLC ("Okapi") for solicitation and advisory services in connection with solicitations relating to the 2013 Annual Meeting. WHEREAS, Elliott has asked and Nominee has agreed to be (i) a nominee for election to the Board of Directors (the "*Board of Directors*") of Hess Corporation, a Delaware corporation (the "*Company*"), at the 2013 annual meeting of stockholders of the Company, including any adjournments or postponements thereof or any special meeting that may be called in lieu thereof (the "*Annual Meeting*") and (ii) named as such in the proxy soliciting materials related to the Annual Meeting;

WHEREAS, Elliott may solicit proxies from the stockholders of the Company in support of Nominee's election as a director of the Company at the Annual Meeting (the "*Solicitation*"); and

Table of Contents

"Cause" shall mean (i) fraud by Nominee, (ii) a material violation by Nominee of applicable laws in connection with Nominee's nomination or service as a director of the Company, or (iii) Nominee's refusal to serve as a nominee for the Board of Directors of the Company in connection with the Annual Meeting or, if elected or appointed, as a member of the Board of Directors of the Company (other than as a result of death or disability).

"Claim" means any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative, formal or informal, investigative or other), whether instituted by Elliott, the Company or any other party, or any inquiry or investigation that Nominee in good faith believes might lead to the institution of any such action, suit or proceeding.

"Commencement Value" means, with respect to a given security, the closing stock price of such security on the last trading day prior to the date of this Agreement.

"End Date" means the third anniversary of the Annual Meeting or, if earlier, the date of completion of a Sale Transaction.

"End Value" means, with respect to each share of a given security, the sum of (x) the closing stock price of such security on the last trading day prior to the End Date (or, if the End Date occurs in connection with a Sale Transaction, the implied economic equivalent ascribed to the value of each share of the Company's common stock in connection with such Sale Transaction), plus (y) the total fair market value of dividends per share paid with respect to such security between the date of this Agreement and the End Date.

"Enhanced Participation Amount" means an amount equal to the product of (x) the Hess Outperformance Percentage, if greater than zero, multiplied by (y) \$2,000,000 multiplied by (z) the lesser of 1 and the quotient of (A) the number of full months in which Nominee served as a director of the Company divided by (B) the number of full months elapsed between the Annual Meeting and the End Date.

"Expenses" means all reasonable attorneys' fees and all other reasonable fees, costs, expenses and obligations paid or incurred in connection with the Solicitation or related matters, as applicable, including without limitation, investigating, defending or participating (as a party, witness or otherwise), in (including on appeal), or preparing to defend or participate in, any Claim relating to any Indemnifiable Event, including the costs and expenses of Nominee seeking enforcement of this Agreement, in each case except to the extent arising out of or resulting from Nominee's gross negligence, willful misconduct, bad faith or an intentional material misstatement or omission in the information provided by Nominee in connection with the Solicitation and in each case to the extent not otherwise covered by insurance or indemnification from another source (including, without limitation, the Company).

"Hess Outperformance Percentage" means the amount (expressed as a percentage), if any, by which the Total Return on the Company's common stock exceeds the average Total Return of the publicly traded common stock of the companies in the Benchmark Peer Group; provided, however, that in no event will the Hess Outperformance Percentage be greater than 300%. Solely for illustrative purposes, if the Total Return of the Company's common stock is 10%, and Total Return of the Benchmark Peer Group is 5%, then the Hess Outperformance Percentage would be 5%.

"Indemnifiable Event" means any event or occurrence relating to or directly or indirectly arising out of, or any action taken or omitted to be taken in connection with, the Solicitation or related matters (including in Nominee's capacity as a nominee for election to the Board of Directors of the Company at the Annual Meeting), in each case except to the extent arising out of or resulting from Nominee's gross negligence, willful misconduct, bad faith or an intentional material misstatement or omission in the information provided by the Nominee in connection with the Solicitation and, in each case excluding any action or omission for which Nominee would be

"*Loss or Losses*" means any and all damages, judgments, fines, penalties, amounts paid or payable in settlement, deficiencies, losses and Expenses (including all interest, assessments, and other charges paid or payable in connection with or in respect of such Losses), in each case except to the extent arising out of or resulting from Nominee's gross negligence, willful misconduct or bad faith and in each case to the extent not otherwise covered by insurance or indemnification from another source (including, without limitation, the Company).

"*Participation Amount*" means the Enhanced Participation Amount or Initial Participation Amount, as the context may dictate.

"*Sale Transaction*" means any sale, merger, tender offer or other business combination in which the equity holders owning a majority of the voting securities of the Company prior to such transaction do not own a majority of the voting securities of the surviving entity after giving effect to such transaction (other than (x) a holding company or other similar transaction and (y) a transaction in which the shares of the Company are exchanged for shares of a company that is listed on a national securities exchange, in which case references herein to common stock of the Company shall refer to the publicly traded shares of such resulting company, appropriately adjusted for the exchange ratio applicable to such transaction), or any sale of all or substantially all of the assets of the Company.

"*Total Return*" means, with respect to a given security, the quotient (expressed as a percentage) of (x) End Value minus Commencement Value, over (y) Commencement Value.

2. *Consideration.*

(a) In consideration of Nominee's agreement to be a nominee for election to the Board of Directors of the Company and to be named as such in the proxy soliciting materials related to the Annual Meeting, whether or not Nominee is elected to the Board of Directors of the Company, Elliott will pay (or cause to be paid to) Nominee, on the terms and subject to the conditions set forth herein, (i) a one-time fee of \$50,000 in cash, payable upon submission of the name of Nominee to the Company by delivery of written notice nominating Nominee (the "*Fee*"), and (ii) (A) if any individual nominated by Elliott for election as a director or any alternate nominee proposed by Elliott is appointed or elected as a director of the Company in connection with the Annual Meeting, the Initial Participation Amount, and (B) if Nominee is appointed or elected as a director of the Company in connection with the Annual Meeting, and serves as director of the Company until at least the first annual meeting of stockholders of the Company following the Annual Meeting, the Enhanced Participation Amount.

(b) Nominee will be entitled to receive the applicable Participation Amount within 30 days following the End Date; provided, that Elliott shall, in its sole discretion, pay (or cause to be paid) the applicable Participation Amount to Nominee in the form of (x) cash, or (y) shares of Company common stock having an aggregate market value equal to the applicable Participation Amount as of the close of trading on the last trading day prior to such payment date. All computations hereunder shall be determined in good faith by Elliott in its reasonable discretion. Nominee understands and agrees that, if the applicable Participation Amount is not a positive number, then Nominee will not be entitled to any additional compensation described in Section 2(a)(ii) above. For the avoidance of doubt, in no event will Nominee be required to pay any amount to Elliott in connection with the payment obligations described in Section 2(a)(ii) above. Nominee further agrees that Elliott shall be entitled to terminate its payment obligations pursuant to Section 2(a)(ii).

of this Agreement at any time prior to the End Date for "Cause," in which case no compensation shall be payable hereunder pursuant to Section 2(a)(ii) of this Agreement.

(c) Notwithstanding anything to the contrary herein, the parties hereto acknowledge and agree that, (i) in the event of any extraordinary transaction, stock split, reverse stock-split, reorganization, recapitalization or other similar event relating to any of the securities of the Company or any company included in the Benchmark Peer Group, Elliott will make appropriate adjustments to the calculations hereunder, in its reasonable discretion, to effectuate the intended economic arrangements and understandings of the parties contemplated hereby, and (ii) in the event of any ambiguity hereunder, Elliott will exercise its reasonable discretion in good faith to effectuate the intended economic arrangements and understandings of the parties contemplated hereby.

(d) Notwithstanding anything to the contrary herein, Elliott shall be entitled to deduct and withhold from the consideration otherwise payable to Nominee pursuant to this Agreement such amounts as Elliott is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended, or any provision of state, local or foreign tax law. To the extent that such amounts are so withheld and paid over to the proper governmental authority, such withheld and deducted amounts will be treated for all purposes of this Agreement as having been paid to Nominee.

3. *Indemnification.*

(a) In the event Nominee was, is or becomes a party to or other participant in, or is threatened to be made a party to or other participant in, a Claim by reason of (or arising or allegedly arising in any manner out of or relating to in whole or in part) an Indemnifiable Event, Elliott, to the fullest extent permitted by applicable law, shall indemnify and hold harmless Nominee from and against any and all Losses suffered, incurred or sustained by Nominee or to which Nominee becomes subject, resulting from, arising out of or relating to such Claim (it being understood and agreed that except as provided in Section 3(c) with respect to Expenses, reimbursements of any such Losses payable hereunder shall be made as soon as practicable but in any event no later than 15 days after written request is made to Elliott accompanied by supporting documentation). Nominee shall give Elliott written notice of any Claim (accompanied by such reasonable supporting documentation as may be in Nominee's possession) as soon as practicable after Nominee becomes aware thereof; *provided*, that the failure of Nominee to give such notice shall not relieve Elliott of its indemnification obligations under this Agreement, except to the extent that such failure prejudices the rights of Elliott.

(b) In the case of the commencement of any Claim against Nominee in respect of which he may seek indemnification from Elliott hereunder, Elliott will be entitled to participate therein, including, without limitation, the negotiation and approval of any settlement of such action. To the extent that Elliott may wish to assume the defense of any Claim against Nominee in respect of which Nominee may seek indemnification from Elliott hereunder, Elliott shall provide Nominee with written notice of Elliott's election to so assume the defense of such Claim. Such notice shall include Elliott's written acknowledgment that such Claim is subject to indemnification under the terms of this Agreement. From and after such election by Elliott to assume defense of a Claim, Elliott will not be liable to Nominee under this Agreement for any Expenses subsequently incurred by Nominee in connection with the defense thereof other than reasonable costs of investigation and preparation therefor (including, without limitation, appearing as a witness and reasonable fees and expenses of legal counsel in connection therewith). If in any action for which indemnity may be sought hereunder Elliott shall not have timely assumed the defense thereof with counsel reasonably satisfactory to Nominee, or Nominee shall have been advised by his counsel that it would constitute a conflict of interest for the same counsel to represent both Nominee and Elliott

Table of Contents

in such action, or if Nominee has been advised by counsel that Nominee have separate or additional defenses with regard to such action, Nominee shall have the right to employ his own counsel reasonably satisfactory to Elliott in such action, in which event Elliott shall pay directly or reimburse Nominee for any costs not paid directly for all reasonable legal fees and expenses incurred by him in connection with the defense thereof. Elliott shall in no event be liable for any settlement of any action effected without its prior written consent (which consent shall not be unreasonably withheld). Elliott shall not settle any Claim in any manner that would impose any expense, penalty, obligation or limitation on Nominee, or would contain language (other than a recitation of any amounts to be paid in settlement) that could reasonably be viewed as an acknowledgment of wrongdoing on the part of Nominee or as detrimental to the reputation of Nominee, without Nominee's prior written consent.

(c) Nominee's right to indemnification pursuant to this Section 3 shall include the right of Nominee to be advanced by Elliott any Expenses incurred in connection with any Indemnifiable Event as such expenses are incurred by Nominee; *provided, however*, that all amounts advanced in respect of such Expenses shall be repaid to Elliott by Nominee to the extent it shall ultimately be determined in a final judgment that Nominee is not entitled to be indemnified for such Expenses.

(d) Notwithstanding any other provision of this Agreement to the contrary, the indemnity and expense reimbursement obligations of Elliott provided by this Agreement will not apply to any event or occurrence relating to or directly or indirectly arising out of Nominee's service as a director of the Company.

4. *No Agency.* Each of Elliott and Nominee acknowledges that Nominee is not acting as an agent of Elliott or in a fiduciary capacity with respect to Elliott and that Nominee is not assuming any duties or obligations to Elliott other than those expressly set forth in this Agreement. Nothing contained herein shall be construed as creating, or be deemed to create, the relationship of employer and employee between the parties, nor any agency. Each of Elliott and Nominee further acknowledges that, should Nominee be elected to the Board of Directors of the Company, all of Nominee's activities and decisions as a director of the Company will be governed by applicable law and subject at all times to his fiduciary duties.

5. *Partial Indemnity; No Evading of Obligations.* If Nominee is entitled under any provision of this Agreement to indemnification by Elliott for some or a portion of any Loss, but not for all of the total amount thereof, Elliott shall nevertheless indemnify Nominee, subject to the terms and conditions hereof, for the portion thereof to which Nominee is entitled. Elliott agrees not to take any action for the sole purpose of evading its obligations under this Agreement.

6. *No Presumptions.* For purposes of this Agreement, the termination of any claim, action, suit or proceeding, by judgment, order, settlement (whether with or without court approval), or upon a plea of nolo contendere, or its equivalent, shall not create a presumption that Nominee did not meet any particular standard of conduct or have any particular belief or that a court has determined that indemnification is not permitted by applicable law.

7. *Nonexclusivity, Etc.* The rights of Nominee hereunder shall be in addition to any other rights, if any, Nominee may have under any by-law, insurance policy, the Delaware General Corporation Law, or otherwise.

8. *Amendment, Etc.* No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any provision of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

9. *Subrogation.* In the event of payment under this Agreement, Elliott shall be subrogated to the extent of such payment to all of the rights of recovery of Nominee, and Nominee shall execute all

Table of Contents

papers required and shall do everything that may be necessary to secure such rights, including the execution of such documents necessary to enable Elliott effectively to bring suit to enforce such rights.

10. *No Duplication of Payments.* Elliott shall not be liable under this Agreement to make any payment in connection with a Claim made against Nominee to the extent Nominee has otherwise actually received payment (under any insurance policy, by-law or otherwise) of the amounts otherwise indemnifiable hereunder; *provided*, that if Nominee for any reason is required to disgorge any payment actually received by him, Elliott shall be obligated to pay such amount to Nominee in accordance with the other terms of this Agreement (i.e., disregarding the terms of this Section 10).

11. *Notices.* All notices, requests and other communications to any party hereunder shall be in writing (including telecopy or similar writing) and shall be given to such party,

if to Elliott, to:

or such other address or telecopy number as such party may hereafter specify for the purpose by notice to the other party hereby given in accordance with this Section 11. Each such notice, request or other communication shall be effective when delivered at the address specified in this Section 11.

12. *Termination.* This Agreement shall terminate upon delivery of written notice by Elliott to Nominee; *provided*, that, except as set forth in Section 2(b) above in connection with a termination by Elliott for Cause of the payment obligations described in Section 2(a)(ii) of this Agreement, Elliott may not terminate this Agreement without consent of Nominee following such time as Elliott has submitted the name of Nominee to the Company as a nominee for election to the Board of Directors of the Company.

13. *Nominee Acknowledgement.* Nominee acknowledges that Elliott shall be under no obligation to nominate Nominee for election. Nominee agrees to provide Elliott with such true and correct information as Elliott may reasonably request in connection with the Solicitation. Nominee acknowledges that Elliott will rely upon information provided by Nominee for purposes of preparing submissions to the Company, proxy solicitation materials and other public disclosure.

14. *Governing Law; Consent to Jurisdiction.* This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to principles of conflicts of laws. Each party to this Agreement hereby irrevocably agrees that any legal action or proceeding arising out of or relating to this Agreement or any agreements or transactions contemplated hereby shall be brought in the state courts of the State of New York located in New York County, or in the United States District Court for the Southern District of New York, and hereby expressly submits to the personal jurisdiction and venue of such courts for the purposes thereof and expressly waives any claim of improper venue and any claim that such courts are an inconvenient forum. Each party hereby

irrevocably consents to the service of process of any of the aforementioned courts in any such suit, action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to the address set forth or referred to in Section 11, such service to become effective ten days after such mailing.

15. *Execution by Counterparts/Facsimile.* This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. This Agreement may also be executed by facsimile or PDF.

16. *Expense Reimbursement.* Elliott hereby agrees to reimburse Nominee for his reasonable, documented out-of-pocket expenses incurred as a result of being a nominee, including, without limitation, reimbursement for reasonable travel expenses; *provided*, that Nominee hereby agrees that in the event Nominee reasonably determines that he needs to retain legal counsel to represent him in connection with being a nominee (other than in connection with a claim for indemnification, which is addressed in Section 3) he will employ counsel selected by Elliott and reasonably satisfactory to Nominee. Should Nominee be elected to the Board of Directors of the Company, other than as expressly set forth herein, Elliott will not be liable for any expenses or any other liabilities incurred by Nominee during the period following election to the Board of Directors of the Company.

17. *Non Disclosure.* Nominee acknowledges and agrees to hold in strict confidence and will not use nor disclose to third parties information Nominee receives from Elliott or any of its agents or representatives or information developed by Nominee based upon such information Nominee receives, except for (a) information which was public at the time of disclosure or becomes part of the public domain without disclosure by Nominee, (b) information which Nominee learns from a third party (other than Elliott or its agents or representatives) which does not have a legal, contractual or fiduciary obligation of confidentiality to Elliott or its agents or representatives, (c) following Nominee's election as a director of the Company, information which is necessary for Nominee to disclose in order to comply with Nominee's fiduciary duties under applicable law, or (d) information which is required to be disclosed by applicable law; provided, that in the event of any required disclosure pursuant to this clause (d), Nominee hereby agrees to use commercially reasonable efforts to notify Elliott promptly so that Elliott may seek a protective order or other appropriate remedy or, in Elliott's sole discretion, waive compliance with the terms of this Section 17; provided, further, that in the event that no such protective order or other remedy is obtained, or that Elliott waives compliance with the terms of this Section 17, Nominee further agrees to furnish only that portion of the confidential information which Nominee is advised by counsel is legally required and will cooperate with Elliott's efforts, without incurring any monetary expense, to obtain assurance that confidential treatment will be accorded to the confidential information.

18. *Entire Agreement.* This Agreement constitutes the entire agreement among the parties hereto with respect to the matters covered hereby and supersedes all previous written, oral or implied understandings among them with respect to such matters
