**NETLIST, INC.**  
**PROXY STATEMENT**

**GENERAL INFORMATION**

We are sending you this proxy statement in connection with the solicitation of proxies by our Board of Directors for use at the 2013 Annual Meeting of Stockholders of Netlist, Inc, a Delaware corporation (the "Company," "Netlist," "we" or "our"), which we will hold on Monday, June 10, 2013 at 10:00 a.m., Pacific Time, at the offices of Merrill Corporation, 2603 Main Street, Suite 100, Irvine, CA 92614. The record date for the Annual Meeting is April 24, 2013. All holders of record of our common stock on the record date are entitled to notice of and to vote at the Annual Meeting and any meetings held upon any adjournment or postponement thereof. This proxy statement is being initially distributed to our stockholders on or about May 6, 2013.

Whether or not you plan to attend the Annual Meeting in person, please date, sign and return the enclosed proxy card as promptly as possible, in the postage prepaid envelope provided, to ensure that your shares will be voted at the Annual Meeting. Unless you instruct otherwise in the proxy, any proxy that is not revoked will be voted at the Annual Meeting:

- (1) for each nominee to our Board of Directors;
- (2) to ratify the appointment of KMJ Corbin & Company LLP as the Company's independent registered public accounting firm for the fiscal year ending December 28, 2013;
- (3) on an advisory basis, for the compensation of our named executive officers;
- (4) on an advisory basis, for holding an advisory vote on the compensation of our named executive officers;
- (5) as recommended by our Board of Directors, in its discretion, with regard to all other matters as may properly come before the Annual Meeting or any adjournment or postponement thereof.

**Voting Information**

At the Annual Meeting, votes will be counted by written ballot. The presence, in person or by a proxy relating to any matter to be acted upon at the Annual Meeting, of the holders of a majority of the outstanding shares of common stock will constitute a quorum for purposes of the Annual Meeting. Abstentions, broker non-votes, which are explained below, and shares as to which authority to vote on any proposal is withheld, are each included in the determination of the number of shares present at the Annual Meeting for purposes of obtaining a quorum.

Under our Amended and Restated Bylaws ("Bylaws"), when a quorum is present at any meeting, directors are elected by a plurality of the votes cast by the stockholders entitled to vote in the election of directors. All other matters are determined by a majority of the votes cast affirmatively or negatively on the proposal, except when a different vote is required by law, the national securities exchange on which we are listed, our Restated Certificate of Incorporation or our Bylaws. As a result, abstentions and broker non-votes are not considered votes cast on either of the proposals presented at the Annual Meeting and will have no affect on the voting results for such proposals.

A "broker non-vote" occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. Broker non-votes are not deemed to be votes cast on a proposal. Under applicable rules, brokers or other nominees have discretionary voting power with respect to matters that are considered routine, but not

## Edgar Filing: NETLIST INC - Form DEF 14A

with respect to non-routine matters. Proposal No. 1 (the election of directors), Proposal No. 3 (advisory vote on the compensation of our named executive officers) and Proposal No. 4 (frequency of holding an advisory vote on the compensation of our named executive officers) are considered non-routine matters and Proposal No. 2 (ratification of independent registered public accounting firm) is considered a routine matter. A broker or other nominee cannot vote without instructions on non-routine matters such as Proposal Nos. 1, 3 and 4, and therefore there may be broker non-votes on this proposal. Broker non-votes are not expected to result from the vote on Proposal No. 2.

*Election of Directors.* Directors are elected by a plurality of the votes cast. That is, the director nominees receiving the greatest number of votes will be elected. As described above, your broker is not able to vote uninstructed shares on your behalf in any director election. As such, we encourage you to sign and return your proxy and vote your shares in the election of directors before the meeting so that your shares will be represented and voted at the meeting even if you cannot attend in person.

*Ratification of the Appointment of the Independent Registered Public Accounting Firm.* The affirmative vote of a majority of the votes cast affirmatively or negatively on this proposal is required to approve the proposal to ratify the appointment of KMJ Corbin & Company LLP as our independent registered public accounting firm. Broker non-votes are not expected to result from the vote on Proposal No. 2. Abstentions will have no effect on the outcome of the vote on this proposal.

*Advisory Vote on the Compensation of Named Executive Officers.* Approval of this proposal requires the affirmative vote of a majority of the votes cast on the proposal. Broker non-votes and abstentions will have no effect on the outcome of the vote on this proposal.

*Advisory Vote on the Frequency of Holding an Advisory Vote on the Compensation of Named Executive Officers.* The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be considered the frequency for the advisory vote on executive compensation that is preferred by our stockholders. Broker non-votes and abstentions will have no effect on the outcome of the vote on this proposal.

If any other matters are properly presented at the Annual Meeting for consideration, including, among other things, consideration of a motion to adjourn the meeting to another time or place, the individuals named as proxies and acting there under will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. If the Annual Meeting is postponed or adjourned, a stockholder's proxy may remain valid and may be voted at the postponed or adjourned meeting. A stockholder will still be able to revoke the stockholder's proxy until it is voted. As of the date of this Proxy Statement, the Board of Directors does not know of any matters other than those described in this Proxy Statement that will be presented at the Annual Meeting.

**Proxies properly executed and received by us prior to the Annual Meeting and not revoked will be voted as directed therein on all matters presented at the Annual Meeting. In the absence of specific direction from a stockholder, proxies will be voted "FOR" the election of all named director nominees and "FOR" proposals 2 and 3 and for a THREE YEAR frequency with respect to proposal 4.**

### Shares Outstanding and Required Vote

Only holders of record of shares of our common stock at the close of business on the record date, April 24, 2013, will be entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. At the close of business on April 24, 2013, the Company had 30,409,553 shares of common stock outstanding and entitled to vote held by 37 stockholders of record. Each holder of record of shares of our common stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

## How to Vote

You may vote by attending the Annual Meeting and voting in person or you may vote by submitting a proxy. If you hold your shares of common stock in street name you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares. Your broker, bank or other nominee may allow you to deliver your voting instructions via the Internet and may also permit you to submit your voting instructions by phone.

If you plan to attend the annual meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note that if your shares are held of record by a broker, bank or other nominee, and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from your broker, bank or other nominee. Even if you plan to attend the Annual Meeting, we encourage you to submit your proxy to vote your shares in advance of the Annual Meeting.

## Revocation of Proxies

You are a stockholder of record if at the close of business on the record date your shares were registered directly in your name with Computershare Trust Company, N.A., our transfer agent. If you are a stockholder of record and give a proxy, you may revoke it at any time before its use, either:

- (1) by revoking it in person at the Annual Meeting;
- (2) by writing, delivered to our Corporate Secretary at 51 Discovery, Suite 150, Irvine, California, 92618 before the proxy is used; or
- (3) by a later dated proxy card delivered to us at the above noted address before the proxy is used.

Your presence at the meeting will not revoke your proxy, but if you attend the meeting and cast a ballot, your proxy will be revoked as to the matters on which the ballot is cast. If you hold your shares through a broker, bank, trustee or other nominee, please follow the instructions provided by your broker or other nominee as to how you may change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the Annual Meeting.

## Proxy Solicitation Costs

We will pay for the cost of preparing, assembling, printing and mailing these proxy materials to our stockholders, as well as the cost of soliciting proxies relating to the Annual Meeting. We may request banks and brokers to solicit their customers who beneficially own our common stock listed of record in names of nominees. We will reimburse these banks and brokers for their reasonable out-of-pocket expenses regarding these solicitations. Our officers, directors and employees may supplement the original solicitation by mail of proxies by telephone, facsimile, e-mail and personal solicitation. We will pay no additional compensation to our officers, directors and employees for these activities.

**The Board of Directors recommends a vote FOR the election of each of the named nominees as directors.**

## Director Independence

Our Board of Directors has determined that each of our current directors and each of our directors during fiscal 2012, other than Chun Ki Hong, qualify as "independent" as the term is defined by Nasdaq Marketplace Rule 5605(a)(2). The Board has determined that Chun Ki Hong is not independent because he is an executive officer of our company. In making this determination, the Board of Directors reviewed and discussed information provided by the directors and management with regard to each director's business and personal activities as they may relate to our management.

## Information Regarding our Board of Directors and its Committees

Our Board of Directors consisted of six members during the fiscal year ended 2012: Chun Ki Hong, Thomas F. Lagatta, Claude M. Leglise, Alan H. Portnoy, Richard H. Char and HK Desai. Mr. Char resigned from our Board of Directors effective December 26, 2012. Mr. Desai resigned from our Board of Directors effective April 1, 2013.

Our Board of Directors met four times during fiscal year 2012. Each of our directors attended 100% of the total number of meetings of the Board of Directors and of the committees of the Board of Directors on which he served during fiscal year 2012. Our Board of Directors has established the following committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.

### *Audit Committee*

HK Desai (Chair), Thomas Lagatta and Claude Leglise served on our Audit Committee during fiscal year 2012. Our Board of Directors determined that Mr. Desai qualified as an "audit committee financial expert" in accordance with Securities and Exchange Commission (the "SEC") rules. In April 2013, Mr. Desai resigned from the Board of Directors and the Board appointed Mr. Portnoy as a member of the Audit Committee. As a result of Mr. Desai's resignation, we do not currently have an "audit committee financial expert" serving on our Board. We are actively seeking candidates for membership on our Board who will qualify as an "audit committee financial expert." Our Board has affirmatively determined that each current member of the Audit Committee and each member of the Audit Committee during fiscal year 2012 is or was independent under Nasdaq Marketplace Rule 5605(a)(2), and meets all other qualifications under Nasdaq Marketplace Rule 5065(e) and the applicable rules of the Securities and Exchange Commission.

Our Board of Directors has adopted a written charter for our Audit Committee. The charter is set forth on our website, located at <http://www.netlist.com>. Our Audit Committee (a) oversees the integrity of our consolidated financial statements, our financial reporting process, systems of accounting, internal controls and disclosure controls and procedures, and our financial reporting legal and regulatory compliance, (b) reviews and approves in advance any transactions by us with related parties, (c) appoints our independent registered public accounting firm, (d) monitors the independence and performance of our independent registered public accounting firm, (e) is responsible for setting the corporate tone for quality financial reporting and sound business risk practices and ethical behavior and, (f) provides an avenue of communication among the independent registered public accounting firm, management, and our Board of Directors. The Audit Committee must also pre-approve all audit services and, subject to a "de minimus" exception, all other services performed by the independent registered public accounting firm. Our Audit Committee also has the responsibility to review with management and approve in advance any transactions or courses of dealing with related parties. Our Audit Committee met four times during fiscal year 2012 and met with our independent registered public accounting firm without management present on four occasions in fiscal year 2012.

*Compensation Committee*

Richard Char (Chair) and Thomas Lagatta served on our Compensation Committee during fiscal year 2012. In April 2013, Mr. Lagatta became the Chair of the Compensation Committee and Mr. Alan Portnoy joined the committee. Each of the members of our Compensation Committee is independent in accordance with Nasdaq Marketplace Rule 5605(a)(2). Each of the members of this committee is also currently a "non-employee director" as that term is defined under Rule 16b-3 of the Securities Exchange Act of 1934 (the "Exchange Act") and an "outside director" as that term is defined in Internal Revenue Service Regulations. Our Compensation Committee reviews the performance of our chief executive officer and other executives and makes decisions and specific recommendations regarding their compensation to the Board of Directors with the goal of ensuring that our compensation system for our executives, as well as our philosophy for compensation for all employees, is aligned with the long term interests of our stockholders and does not encourage our executives to take excessive or unnecessary risks that might threaten our long-term value. The Compensation Committee also oversees the development of executive succession plans. Pursuant to its charter, the Compensation Committee may select, retain and terminate such compensation consultants, outside counsel and other advisors as it deems necessary or appropriate in its sole discretion and has the authority to approve the fees and retention terms relating to such consultants. The Compensation Committee met one time during fiscal year 2012. The charter of the Compensation Committee is set forth on our website, located at <http://www.netlist.com>.

*Nominating and Corporate Governance Committee*

Alan Portnoy (Chair) and Claude Leglise served on our Nominating and Corporate Governance Committee during fiscal year 2012. Each of the members of our Nominating and Corporate Governance Committee is independent in accordance with Nasdaq Marketplace Rule 5605(a)(2). The charter of the Nominating and Corporate Governance Committee and our corporate governance guidelines are set forth on our website, located at <http://www.netlist.com>. Our Nominating and Corporate Governance Committee reviews and makes recommendations to the Board of Directors about our governance processes, assists in identifying and recruiting candidates for the Board of Directors, reviews the performance of our Board of Directors and its committees, recommends to the Board proposed nominees for Board membership and makes recommendations to our Board of Directors regarding the membership and chairs of the committees of our Board of Directors. Our Nominating and Corporate Governance Committee did not meet during fiscal year 2012.

**Board Leadership Structure**

Both the Chairman of the Board and the Chief Executive Officer positions are currently held by Mr. Chun Ki Hong. We do not have a lead independent director. However, all Board committee members are independent directors.

The Board of Directors believes that our Chief Executive Officer is best situated to serve as Chairman of the Board of Directors because, as one of our founders, he possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its businesses and is best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. Further, Mr. C.K. Hong is intimately involved in the day-to-day operations of our company and is thus in a position to elevate the most critical business issues for consideration by the independent directors of the Board. His combined role, along with his significant ownership in the Company, ensures clear accountability and enhances the Company's ability to communicate its message and strategy clearly and consistently to the relevant stakeholders. The Board of Directors believes that combining the role of the Chairman and Chief Executive Officer at this point in time promotes strategy development and execution, and facilitates information flow between management and the Board of Directors, which are essential to effective governance.

## Edgar Filing: NETLIST INC - Form DEF 14A

Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the company and industry, while the Chief Executive Officer brings company-specific experience and expertise. All Board committee members are independent directors, and the independent directors of the Board meet regularly in executive session (with no management directors or management present) as often as they deem advisable, but at least semi-annually. Executive sessions of the independent directors are called and chaired by the chairman of the Board's Nominating and Corporate Governance Committee. These executive session discussions may include such topics as the independent directors determine. During our fiscal year 2012, the independent directors met four times in executive session.

Our Board of Directors has always been small in number, with strong participation by all Board members. The Nominating and Corporate Governance Committee and Board of Directors have considered the need for, and desirability of, the separation of the Chief Executive Officer and Chairman positions or the formal appointment of a lead independent director. After consideration, both the Nominating and Corporate Governance Committee and the Board of Directors have concluded that the independent nature of the Board committees, as well as the practice of our independent directors regularly meeting in executive session without Mr. C.K. Hong and the other members of our management present, ensures that our Board maintains a level of independent oversight of management that is appropriate for our company.

### **Director Qualifications and Review of Director Nominees**

Our Nominating and Corporate Governance Committee identifies qualified individuals to become members of our Board of Directors and recommends to the Board proposed nominees for Board membership. Our Nominating and Corporate Governance Committee does not have a specific set of minimum criteria for membership on the Board of Directors. In making its recommendations, however, it takes into account an individual's skills, expertise, industry and other knowledge and business and other experience that may be useful to the effective oversight of the Company's business. This committee also considers continuing director tenure and takes steps as may be appropriate to ensure that our Board of Directors is open to new ideas. Pursuant to our Corporate Governance Guidelines, a majority of our Board of Directors must qualify as "independent" under the NASDAQ rules and Section 10A of the Exchange Act and no director may stand for re-election who has not participated in at least 65% of the combined total of the Board and committee meetings, unless excused for a medical purpose, during the entire term for which he or she was elected. Per our Corporate Governance Guidelines, no director may concurrently serve on the board of directors of more than three public companies and our Chief Executive Officer and any other director that is employed fulltime may not serve on the Board of Directors of more than two public companies, including our Board of Directors. The Nominating and Governance Committee assess the effectiveness of the Corporate Governance Guidelines, including with respect to director nominations and qualifications, through completion of the annual self-evaluation process.

Our Nominating and Corporate Governance Committee will consider nominees for directors recommended by stockholders upon submission in writing to our Secretary of the names and qualifications of such nominees at the following address: Netlist, Inc., 51 Discovery, Suite 150, Irvine, California 92618. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate was recommended by a stockholder or not. The submissions should include a current resume and curriculum vitae of the candidate and statement describing the candidate's qualifications and contact information for personal and professional references. ### **Corporate Governance Guidelines; Code of Business Conduct**

Our Board of Directors has adopted a set of corporate governance guidelines established to assist the Board of Directors and its committees in performing their duties and serving the best interests of the company and our stockholders. Our corporate governance guidelines are available on our website, located at <http://www.netlist.com>. We also have a Code of Business Conduct and Ethics. This code describes certain ethical principles that we have established for the conduct of our business and outlines certain key legal requirements of which all employees must be generally aware and with which all employees must comply. Our Code of Business Conduct and Ethics is available on our website, located at <http://www.netlist.com>.

### **Risk Oversight**

The Board of Directors as a whole is responsible for risk management oversight of the Company. The involvement of the full Board of Directors in setting our business strategy and objectives is integral to the Board's assessment of our risk and also a determination of what constitutes an appropriate level of risk and how best to manage any such risk. This involves receiving reports and/or presentations from applicable members of management and the committees of the board. The full Board of Directors conducts on-going risk assessment of our financial risk, legal/compliance risk and operational/strategic risk and addresses individual risk issues with management throughout the year as necessary.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, the Board delegates responsibility for certain aspects of risk management to its committees. In

particular, the Audit Committee focuses on financial risks and related controls and processes. Per its charter, the Audit Committee discusses with management our financial statements and the reasonableness of significant judgments and the adequacy and effectiveness of the accounting and financial controls. The Compensation Committee strives to create incentives that encourage a level of risk-taking behavior consistent with our business strategy and objectives. Finally, the Nominating and Governance Committee is responsible for overseeing our corporate governance and developing and reviewing our Code of Business Conduct and Ethics. Additionally, the full Board regularly receives reports from our Chief Executive Officer and Chief Financial Officer, the two executive officers principally responsible for aiding the Board in identifying, evaluating and implementing risk management controls and methodologies to address identified risks.

### Board of Directors' Attendance at Annual Meeting of Stockholders

We do not have a policy requiring that directors attend our annual meeting of stockholders. None of our independent directors attended the 2012 annual meeting.

### Compensation of Non-Employee Directors

Our non-employee directors receive annual base compensation of \$30,000, which is paid in four quarterly installments, and compensation of \$1,000 for each regularly scheduled board meeting, and each board committee meeting not held on the same day as a board meeting, that is attended by the director. The chairperson of our Audit Committee receives an additional \$5,000 per year. All of our directors, including our non-employee directors, are reimbursed for their reasonable out-of-pocket expenses incurred in attending board and board committee meetings. Our non-employee directors are also granted options to purchase 25,000 shares of our common stock upon appointment or initial election to the Board of Directors. In addition, beginning with fiscal year 2012, each of our non-employee directors receives a grant of options to purchase 20,000 shares of our common stock for each year in which they continue to be a director. These option grants are subject to vesting in equal installments over four years, contingent upon continued service as a director on the vesting date, and have an exercise price equal to the fair market value of the shares of common stock underlying the option on the date of grant as determined in accordance with the terms of the Company's Amended and Restated 2006 Equity Incentive Plan (the "Plan"). The following table sets forth a summary of the compensation we paid to our non-employee directors in our fiscal year 2012.

**PROPOSAL 2****RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected KMJ Corbin & Company LLP as our independent registered public accounting firm with respect to our financial statements for the fiscal year ending December 28, 2013. In taking this action, the Audit Committee considered KMJ Corbin & Company LLP's independence with respect to the services to be performed and other factors that the Audit Committee and the Board of Directors believe are advisable and in the best interest of the stockholders. As a matter of good corporate governance, the Audit Committee has decided to submit its selection to stockholders for ratification. In the event that this selection of independent registered public accounting firm is not ratified by a majority vote of the shares of common stock present or represented at the Annual Meeting, it will be considered as a direction to the Audit Committee to consider the selection of a different firm.

Representatives of KMJ Corbin & Company LLP are expected to attend the 2013 Annual Meeting and will be available to respond to appropriate questions and to make a statement if they so desire. If KMJ Corbin & Company LLP should decline to act or otherwise become incapable of acting, or if KMJ Corbin & Company LLP's engagement is discontinued for any reason, the Audit Committee will appoint another independent registered public accounting firm to serve as our independent registered public accounting firm for our 2013 fiscal year.

**Required Vote**

Approval of this proposal requires the affirmative vote of a majority of the votes cast affirmatively or negatively on the proposal at the Annual Meeting. Abstentions will have no effect on the outcome of the vote on this proposal.

**The Board of Directors recommends that you vote "FOR" approval of the ratification of KMJ Corbin & Company LLP as our independent registered public accounting firm for the 2013 fiscal year.**

**Fees Paid to Independent Registered Public Accounting Firm**

In connection with the audit of our consolidated financial statements for fiscal year 2012, we entered into an agreement with KMJ Corbin & Company LLP which sets forth the terms by which KMJ Corbin & Company LLP will perform audit services for the company. The following table presents the aggregate fees billed for the indicated services performed by KMJ Corbin & Company LLP during fiscal years 2012 and 2011:

All Other Fees		
<b>Total Fees</b>	<b>\$ 143,630</b>	<b>\$ 160,000</b>

*Audit Fees.* Audit fees consist of the aggregate amount of fees billed to us for the fiscal years ended December 29, 2012 and December 31, 2011 by KMJ Corbin & Company LLP, the company's independent registered public accounting firm, for the audit of our annual consolidated financial statements and the review of our quarterly consolidated financial statements. the review of our registration statements on Form S-3 and Form S-8 and certain other related matters such as the delivery of comfort letters and consents in connection with our registration statements.

KMJ Corbin & Company LLP did not bill any audit-related fees, tax fees or other fees to us in fiscal years 2012 or 2011.

### **Pre-approval Policies and Procedures**

Our Audit Committee's charter requires our Audit Committee to pre-approve all audit and permissible non-audit services to be performed for the Company by our independent registered public accounting firm, giving effect to the "de minimus" exception for ratification of certain non-audit services allowed by the applicable rules of the SEC, in order to assure that the provision of such services does not impair the auditor's independence. Our Audit Committee pre-approved all services performed by KMJ Corbin & Company LLP in fiscal year 2012 and concluded that such services were compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

### **AUDIT COMMITTEE REPORT**

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. Messrs. Desai, Leglise and Lagatta served on our Audit Committee during fiscal year 2012. Each member of the Audit Committee is an independent director. Management is responsible for internal controls and the financial reporting process. The independent registered public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). The Audit Committee's responsibility is to monitor and oversee these processes.

In fulfilling its responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss our December 29, 2012 consolidated financial statements and our fiscal year 2012 interim consolidated financial statements, including the disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our most recent annual report on Form 10-K, any material changes in accounting policies used in preparing such consolidated financial statements prior to filing the annual report on Form 10-K or our quarterly reports on Form 10-Q with the SEC, and the items required to be discussed by Statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), with respect to annual consolidated financial statements, and Statement of Auditing Standards No. 100, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 722), with respect to quarterly consolidated financial statements.

In addition, the Audit Committee received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accounting firm's communications with the Audit Committee concerning independence, and discussed with the independent registered public accounting firm such firm's independence from the Company and its management. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and our management.

## Edgar Filing: NETLIST INC - Form DEF 14A

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 29, 2012, for filing with the SEC.

**PROPOSAL NO. 3**

**ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") added Section 14A to Securities Exchange Act of 1934, as amended (the "Exchange Act"), which enables our stockholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

Our named executive officer compensation program is designed to attract, motivate and retain our named executive officers, who are critical to our success. The Compensation Committee believes an effective compensation program is one that is designed to recruit and retain executive leadership focused on attaining long-term corporate goals and increasing stockholder value. The Compensation Committee believes that it has taken a responsible approach to compensating our named executive officers.

Please read the "Executive Compensation" section of this proxy statement for additional details about our executive compensation program.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's proxy statement for the 2013 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission."

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

**Required Vote**

Approval of this proposal requires the affirmative vote of a majority of the votes cast on the proposal.

**The Board of Directors recommends a vote "FOR" the approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.**

**PROPOSAL NO. 4**

**ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION**

Section 14A of the Exchange Act, as added by the Dodd-Frank Act, also enables our stockholders to indicate their preference as to how frequently we should seek an advisory vote on the compensation of our named executive officers. By voting on this proposal, stockholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every year, once every two years, or once every three years. Stockholders also may abstain from voting on this proposal.

After careful consideration of this proposal, the Board has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative for the Company, and therefore your Board recommends that you vote for a three year (3-year) frequency for the advisory vote on executive compensation.

In formulating its recommendation, our Board considered that a triennial vote will allow stockholders to better evaluate our executive compensation program in relation to our short- and long-term company performance. Additionally, a triennial vote will provide us with time to respond to stockholder concerns and implement appropriate revisions.

The proxy card provides stockholders with the opportunity to choose among four options (holding the advisory vote on executive compensation every one, two or three years, or abstain from voting) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the board of directors. You may cast your vote on your preferred voting frequency by choosing the option of once every year ("1 year"), once every two years ("2 years"), once every three years ("3 years"), or you may abstain from voting.

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be considered the frequency for the advisory vote on executive compensation that is preferred by our stockholders. However, because this vote is advisory and not binding on the Board of Directors or the Company in any way, the Board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option preferred by our stockholders.

**Required Vote**

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be considered the frequency for the advisory vote on executive compensation that is preferred by our stockholders.

**The Board of Directors recommends a vote for a three year (3-year) frequency for the advisory vote on executive compensation.**

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information regarding the ownership of our common stock as of April 24, 2013 by (a) all persons known by us to own beneficially more than 5% of our common stock, (b) each of our directors and named executive officers, and (c) all of our directors and executive officers as a group. We know of no agreements among our stockholders which relate to voting or investment power over our common stock or any arrangement the operation of which may at a subsequent date result in a change of control of us.

Beneficial ownership is determined in accordance with Rule 13d-3 under the Exchange Act and generally includes voting or investment power over securities. Under this rule, a person is deemed to be the beneficial owner of securities that can be acquired by such person within 60 days of April 24, 2013 upon the exercise of options. Each beneficial owner's percentage ownership is determined by assuming that all options held by such person that are exercisable within 60 days of April 24, 2013 have been exercised. Except in cases where community property laws apply or as indicated in the footnotes to this table, we believe that each stockholder identified in the table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the stockholder.
