Additional Shareholder Proposal Sent to the Fund on April 28, 2017

VIA FEDERAL EXPRESS & ELECTRONIC MAIL April 28, 2017

Madison Strategic Sector Premium Fund
Attn: Holly S. Baggot, Secretary
550 Science Drive
Madison, Wisconsin 53711

Re: Shareholder Proposal for the Madison Strategic Sector Premium Fund ("MSP" or the "Fund")

Ms. Baggot:

In addition to Karpus Management, Inc.'s ("Karpus") 14a-8 proposal duly submitted to the Madison Strategic Sector Premium Fund ("MSP" or the "Fund") on February 8, 2017, this letter shall serve as notice to MSP, as to Karpus' timely submittal of a shareholder proposal outside of Rule 14a-8 for presentation to MSP shareholders at the Fund's next annual shareholders' meeting anticipated to be held in September 2017, or any postponement or adjournment thereof (the "Meeting"). Karpus' non-binding shareholder proposal (the "Proposal") is as follows:

BE IT RESOLVED, the shareholders of the Madison Strategic Sector Premium Fund ("MSP" or the "Fund") request that the Trustees promptly consider authorizing a self-tender offer for all outstanding common shares of the Fund at or close to net asset value ("NAV"). If more than 50% of the Fund's outstanding common shares are tendered, the tender offer should be cancelled and the Board should take the steps necessary to liquidate, merge, or convert the Fund to an open-end mutual fund or exchange traded fund.

Supporting Statement

At MSP's 2016 annual shareholder meeting, shareholders approved the same proposal that we put forth today. However, because the proposal is "non-binding," MSP's Board chose not to implement it. In our opinion, **ignoring shareholders is NOT acceptable**. The Board's press release dated November 15 (which didn't appear to be adequately disseminated until nearly two months after its initial release) cited: (1) recent discount narrowing, and (2) "consideration" that a substantial portion of the shares voting in favor of the proposal were held by a small number of shareholders. Addressing the first point, the discount has narrowed. However, we don't think this has **anything** to do with what the Board has done. Instead, the discount narrowing of the Fund appears to be a reaction of the market that an otherwise unrecognized and inactive Board might actually do something to enhance shareholder value. Addressing the second point, the last we checked, a vote is a vote in a corporate democracy. It is irrelevant whether "a substantial portion of shares were held by a small number of shareholders." What is relevant is that the proposal passed by the required amount (even though the Fund would have had the market believe otherwise with their original miscalculation). Because of these two facts, we question whether the decision not to implement the proposal was in the best interest of shareholders or the best interests of the Fund's Advisor. Surely, maintaining the status quo is the highest fee generating option for Madison Asset Management, LLC. The same argument, however, cannot be made for MSP shareholders. Does the Board not think that MSP is a strategy that shareholders could get elsewhere or that could be implemented efficiently through another investment vehicle? After shareholders asked for liquidity close to

full value, how can a fiduciary such as the Board argue that doing so is not in their best interest? To us, the only party "harmed" in such a scenario are those that chose to vote against the 2016 proposal in the first place. In that case, they could have the option to not tender their shares, just as they had the option to vote how they saw fit. We do not believe that the Fund's current discount has anything to do with what the Board or the Fund's Advisor has done. If you agree, please vote **FOR** Karpus' Proposal and tell our Fund's Trustees that you want them to listen and take the actions that were already approved.

END OF PROPOSAL

Attached as Exhibits 1 and 2 are letters from U. S. Bank N.A. and the "record" holder of the referenced shares, verifying that the referenced shares were continuously and beneficially owned, and had a market value of \$2,000 or more, for at least a one year period prior to the date of the submittal of the above Proposal. Karpus intends to hold the shares referenced through the date of the Meeting. Please advise us immediately if this notice is deficient in any way or if any additional information is required so that Karpus may promptly provide it in order to cure any deficiency. Karpus intends to deliver a proxy statement and form of proxy to holders of at least the percentage of the company's voting shares required under applicable law to carry the Proposal.

Sincerely,

/s/
