PROXY STATEMENT
Dated November 10, 2004

ANNUAL MEETING OF SHAREHOLDERS

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

FOR THE FISCAL YEAR ENDED JULY 31, 2004
TO BE HELD ON DECEMBER 14, 2004

GENERAL

This Proxy Statement is being furnished to the shareholders of Accelr8 Technology Corporation, a Colorado corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") from holders (the "Shareholders") of outstanding shares of common stock, no par value, of the Company (the "Common Stock"), for use at the Annual Meeting of the Shareholders for the fiscal year ended July 31, 2004, to be held at 2:00 p.m., local time, on December 14, 2004, at the Warwick Hotel Denver, 1776 Grant Street, Denver, Colorado 80203, and any adjournments or postponements thereof (the "Annual Meeting"). This Proxy Statement, Notice of Annual Meeting of Shareholders and the accompanying Proxy Card are first being mailed to shareholders on or about November 15, 2004.

VOTING SECURITIES AND VOTE REQUIRED

Only Shareholders of record at the close of business on November 10, 2004 (the "Record Date") are entitled to notice of and to vote the shares of Common Stock, no par value, of the Company held by them on such date at the Annual Meeting or any and all adjournments thereof. As of the Record Date, there were 9,961,210 shares of Common Stock issued and outstanding with 1,129,110 shares held in a Rabbi Trust by the Company for the benefit of Thomas V. Geimer. As a result, there are 8,832,100 shares entitled to vote at the Company's Annual Meeting. There was no other class of voting securities outstanding as of the Record Date.

Each share of Common Stock held by a Shareholder entitles such Shareholder to one vote on each matter that is voted upon at the Annual Meeting or any adjournments thereof.

The presence, in person or by proxy, of the holders of 33% of the outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting. Assuming that a quorum is present, the affirmative vote of the holders of a majority of the shares of Common Stock present at the Annual Meeting in person or by proxy will be required to (i) elect each of the three nominees for directors of the Company; (ii) adopt an amendment to the Articles of Incorporation which would effect an increase in the number of authorized shares of Common Stock from 11,000,000 shares to 12,000,000 shares; (iii) approve and ratify the Company's 2004 Omnibus Stock Option Plan, and; (iv) ratify the selection of Anton Collins Mitchell LLP as the independent public accountants of the Company for the fiscal year ending July 31, 2005.

1

Abstentions and broker "non-votes" will be counted toward determining the presence of a quorum for the transaction of business; however, abstentions will have the effect of a negative vote on the proposals being submitted. Abstentions may be specified on all proposals. A broker "non-vote" will have no effect on the outcome of any of the proposals.

If the accompanying proxy is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy Card will vote "FOR" each proposal to be considered by the Shareholders at the Annual Meeting or, if no such recommendation is given, in their own discretion. The Company's executive

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

officers, directors and key employees have advised the Company that they intend to vote their shares (including those shares over which they hold voting power), representing approximately 10.12% as of October 15, 2004, of the outstanding shares of Common Stock, in favor of each of the proposals above. Each Proxy granted by a Shareholder may be revoked by such Shareholder at any time thereafter by writing to the Secretary of the Company prior to the Annual Meeting, or by execution and delivery of a subsequent Proxy or by attendance and voting in person at the Annual Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall have been cast pursuant to the authority conferred by such Proxy.

Representatives from Anton Collins Mitchell LLP are expected to attend the Annual Meeting. As a result, the Company anticipates that a representative from Anton Collins Mitchell LLP will be available to make a statement or respond to any questions at the Annual Meeting.

The cost of soliciting these Proxies, consisting of the printing, handling, and mailing of the Proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of Common Stock, will be paid by the Company.

In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the Company to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of the Company's Common Stock as of October 15, 2004 by (i) each person who is known by the Company to own beneficially more than 5% of the Company's outstanding Common Stock; (ii) each of the Company's executive officers and directors; and (iii) all executive officers and directors as a group. On October 15, 2004, the Company had 9,961,210 shares of its Common Stock issued and outstanding, including the 1,129,110 shares which are held by the Rabbi Trust for the benefit of Thomas V. Geimer that are treated as outstanding in the calculation of beneficial ownership but are not included in Mr. Geimer's total as set forth below, and have not been included in the calculation of the shares entitled to vote. Common Stock not outstanding but deemed beneficially owned by virtue of the right of an individual to acquire shares is treated as outstanding only when determining the amount and percentage of Common Stock owned by such individual. Except as noted, each person or entity has sole voting and sole investment power with respect to the shares shown.

BOARD OF DIRECTORS AND COMMITTEE MEETINGS

The Board of Directors currently consists of three members, each of whom is proposed for election at the Annual Meeting.

The Board of Directors maintains a Compensation Committee and an Audit Committee. The Audit Committee and Compensation Committee is comprised of Messrs. Arnold and Gerretson, the Company's independent directors. The primary function of the Compensation Committee is to review and make recommendations to the Board with respect to the compensation, including bonuses, of the Company's officers and to administer the Company's stock option plans. The function of the Audit Committee is to review and approve the scope of audit procedures employed by the Company's independent auditors, to review and approve the audit reports rendered by the Company's independent auditors and to approve the audit fee charged by the independent auditors. The Audit Committee reports to the Board of

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

Directors with respect to such matters and recommends the selection of independent auditors. The Audit Committee's financial expert is Charles E. Gerretson. The board of directors does not have a Nominating Committee or any committee performing similar functions and the Board of Directors participates in the consideration of new nominees as members of the Board of Directors.

During fiscal year ended July 31, 2004, the board of directors held two board meetings with all board members present, except that Mr. Arnold attended one of the board meetings. The Audit Committee held five meetings with no director attending fewer than 75% of the aggregate of all the meetings of the Audit Committee. The Compensation Committee did not meet during the last fiscal year.

The Audit Committee has also discussed with Anton Collins Mitchell LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has received and reviewed the written disclosures and the letter from Anton Collins Mitchell LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and has discussed with Anton Collins Mitchell LLP their independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report on Form 10-KSB for the year ended July 31, 2004 filed with the Securities and Exchange Commission.

As noted above, the members of the Audit Committee are A. Alexander Arnold III and Charles E. Gerretson, both of whom are independent directors as defined in Section 121 of the American Stock Exchange listing standards, as applicable and as may be modified or supplemented.

Effective as of June 9, 2000, the Board of Directors of the Company adopted a written charter for the Audit Committee.

Employment Agreements

Effective December 1, 2002, we entered into a new employment agreement with our Chairman, Chief Executive Officer and Chief Financial Officer and Secretary, Mr. Thomas V. Geimer. The agreement was negotiated and approved by the Compensation Committee. The agreement provides for an annual base salary of \$165,000 with annual deferred compensation of \$75,000. The agreement expires on December 31, 2007. In the event of termination by mutual agreement, termination "with cause," as defined in the agreement, death or permanent incapacity or voluntary termination, Mr. Geimer or his estate would be entitled to the sum of the base salary and unreimbursed expenses accrued to the date of termination and any other amounts due under the agreement. In the event of termination "without cause," as defined in the agreement, Mr. Geimer would be entitled to the sum of the base salary and unreimbursed expenses accrued to the date of termination and any other amounts due under the agreement and an amount equal to the greater of Mr. Geimer's annual base salary (12 months of salary) or any other amounts remaining due to Mr. Geimer under the agreement, which as of July 31, 2004 would be \$863,750. Additionally, in the event of a change in control, any unpaid

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

amounts due under the initial term of the agreement for both base salary and deferred compensation would be payable plus five times the sum of the base salary and deferred compensation.

Compensation Pursuant to Plans

Deferred Compensation Plan. In January 1996, we established a deferred compensation plan for our employees. Contributions to the plan are provided for under the employment agreement detailed above. For each of the fiscal years ended July 31, 2004 and 2003, we contributed \$75,000 to the plan. The \$75,000 contribution for the fiscal year ended July 31, 2004 was made on October 13, 2004.

On October 14, 1997, Thomas V. Geimer exercised an aggregate of 1,140,000 warrants and options to acquire 1,140,000 shares of the Company's Common Stock at an exercise price of \$0.24 per share. Under the terms of the Rabbi Trust, we will hold the shares in trust and carry the shares as held for employee benefit by the Company. The Rabbi Trust provides that upon Mr. Geimer's death, disability, or termination of his employment the shares will be released ratably over the subsequent ten (10) years, unless the Board of Directors determines otherwise.

The 1996 Stock Option Plans

The Board of Directors of the Company has adopted an incentive stock option plan (the "Qualified Plan") which provides for the grant of options to purchase an aggregate of not more than 700,000 shares of the Company's Common Stock. The purpose of the Qualified Plan is to make options available to management and employees of the Company in order to provide them with a more direct stake in the future of the Company and to encourage them to remain with the Company. The Qualified Plan provides for the granting to management and employees of "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986 (the "Code").

The Board of Directors of the Company has adopted a non-qualified stock option plan (the "Non-Qualified Plan") which provides for the grant of options to purchase an aggregate of not more than 300,000 shares of the Company's Common Stock. The purpose of the Non-Qualified Plan is to provide certain key

6

employees, independent contractors, technical advisors and directors of the Company with options in order to provide additional rewards and incentives for contributing to the success of the Company. These options are not incentive stock options within the meaning of Section 422 of the Code.

The Qualified Plan and the Non-Qualified Plan (the "Stock Option Plans") are administered by a committee (the "Committee") appointed by the Board of Directors which determines the persons to be granted options under the Stock Option Plans and the number of shares subject to each option. No options granted under the Stock Option Plans are transferable by the optionee other than by will or the laws of descent and distribution and each option is exercisable, during the lifetime of the optionee, only by such optionee. Any options granted to an employee terminate 90 days after his ceasing to be an employee, except in limited circumstances, including death of the employee, and where the Committee deems it to be in the Company's best interests not to terminate the options.

The exercise price of all incentive stock options granted under the Qualified Plan must be equal to the fair market value of such shares on the date of grant as determined by the Committee, based on guidelines set forth in the Qualified Plan. The exercise price may be paid in cash or (if the Qualified Plan

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

shall meet the requirements of rules adopted under the Exchange Act) in Common Stock or a combination of cash and Common Stock. The term of each option and the manner in which it may be exercised will be determined by the Committee, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. With respect to an incentive stock option granted to a participant who owns more than 10% of the voting rights of the Company's outstanding capital stock on the date of grant, the exercise price of the option must be at least equal to 110% of the fair market value on the date of grant and the option may not be exercisable more than five years after the date of grant.

The Stock Option Plans were approved by our shareholders at a special shareholders meeting held on November 8, 1996. At the annual meeting of shareholders held on December 12, 2002, shareholders approved the following amendments to the Qualified Plan and the Non-Qualified Plan: (i) the Committee was given the power to amend and alter the Qualified Plan and the Non-Qualified Plan so long as the amendments do not affect any outstanding options; (ii) provide that any shares cancelled, terminated, or expired pursuant to the Qualified Plan and the Non-Qualified Plan be made available for purposes of the Qualified Plan and the Non-Qualified Plan; (iii) provide that the cashless exercise provision of the Qualified Plan and the Non-Qualified Plan be in the sole discretion of the Committee; and (iv) extended the expiration date of the Qualified Plan and the Non-Qualified Plan until December 12, 2012.

As of July 31, 2004, 300,000 options had been granted to the Company's Board members and certain consultants pursuant to the Non-Qualified Plan with 225,000 options outstanding and 75,000 options exercised. As of July 31, 2004, a total of 490,000 options had been granted to employees pursuant to the Qualified Plan with 487,500 options outstanding and 2,500 options exercised.

7

CERTAIN TRANSACTIONS

During fiscal year 1996, we established a deferred compensation plan for our employees. We may make discretionary contributions to the plan based on recommendations from the Board of Directors. As of July 31, 2004, the Board of Directors had authorized deferred compensation totaling \$675,000 since fiscal year 1996 to Mr. Geimer of which \$600,000 had been funded. The \$75,000 representing the difference between the authorized deferred compensation and the funded deferred compensation was funded on October 13, 2004.

In connection with the settlement reached with the SEC on July 12, 2001, we agreed to indemnify Thomas V. Geimer with respect to the civil penalties assessed against him on an after tax basis. See "Involvement in Certain Legal Proceedings."

There were no other transactions or series of transactions for the fiscal year ended July 31, 2004, nor are there any currently proposed transactions, or series of the same to which we are a party, in which the amount involved exceeds \$60,000 and in which, to the knowledge of the Company, any director, executive officer, nominee, 5% shareholder or any member of the immediate family of the foregoing persons, have or will have a direct or indirect material interest.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act, generally requires the Company's directors and executive officers and persons who own more than 10% of a registered class of the Company's equity securities ("10% owners") to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors and executive officers and 10% owners are required by Securities and Exchange Commission

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

regulation to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely on review of copies of such reports furnished to us and verbal representations that no other reports were required to be filed during the fiscal year ended July 31, 2004, all Section 16(a) filing requirements applicable to its directors, executive officers and 10% owners were met, except that David Howson, President of the Company failed to timely file a Form 3 in April, 2004 and filed the Form 3 in May, 2004.

Involvement in Certain Legal Proceedings

On July 12, 2001, without admitting or denying any liability, Thomas V. Geimer consented to the entry of a final judgment in the United States District Court for the District of Colorado, Civil Action No. 99-D-2203. The final judgment enjoined Mr. Geimer from future violations of Section 13 of the Exchange Act, and Rules 12b-20, 13a-1, and 13a-13 promulgated thereunder. In connection with the settlement, Mr. Geimer paid a civil penalty of \$65,000. The costs of Mr. Geimer's defense plus the civil penalties were borne by the Company.

8

PROPOSAL 1

The Company is advised that all nominees have indicated their availability and willingness to serve if elected. In the event that any nominee becomes unavailable or unable to serve as a director of the Company prior to the voting, the proxy holder will vote for a substitute nominee in the exercise of his best judgment.

Board Recommendation

The Board recommends a vote FOR the election of each of the three nominees for directors of the Company.

9

PROPOSAL 2

PROPOSED AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors has approved a resolution, subject to Shareholder approval, to amend the Company's Articles of Incorporation to increase the total number of authorized shares of Common Stock from 11,000,000 shares of Common Stock to 12,000,000 shares of Common Stock. The form of amendment (the "Amendment") to the Articles of Incorporation is attached as Appendix A, and reference is made to the Amendment for the complete terms thereof.

The Company's Articles of Incorporation currently authorize the issuance of 11,000,000 shares of Common Stock, no par value. As of October 15, 2004, 9,961,210 shares of Common Stock were issued and outstanding. The Amendment will not affect the number of shares of Common Stock issued and outstanding, but will only affect the total number of shares of Common Stock authorized for issuance by the Company. The Board of Directors believes that adoption of this Proposal will increase acceptance of the Company's common stock by the financial community and the investing public and, accordingly, should enhance shareholder value. Further, this proposal will provide the shares necessary for the Company's 2004 Omnibus Stock Option Plan. See Proposal 3.

If approved by the Shareholders, the Amendment to the Articles of Incorporation will increase the Company's authorized capital stock to 12,000,000 shares of Common Stock from 11,000,000 shares of Common Stock. There will be no further vote by the Shareholders prior to any issuance of these shares of Common Stock.

Approval of the Amendment requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to notice of, and to vote at, the Annual Meeting. If the Amendment is approved by the Shareholders, it will become effective as of the date and time it is filed with the office of the Secretary of State of Colorado. The filing will be made as soon as practicable following the approval of the Amendment by the Shareholders.

Board Recommendation

The Board recommends a vote FOR the adoption of the Amendment to the Company's Articles of Incorporation to increase the authorized shares of Common Stock from 11,000,000 shares to 12,000,000 shares, and each of the Resolutions with respect thereto set forth in Exhibit A hereto.

A-3

6. Exercise of Option.

(a) The number of shares optioned to an Optionee shall be exercised for fractional shares of the stock of the Company, subject to any applicable vesting period.

In the event the Company or the Shareholders of the Company enter into an agreement to dispose of all or substantially all of the assets or stock of the Company by means of a sale, reorganization, liquidation or otherwise, an Option shall become immediately exercisable with respect to the full number of shares subject to that Option, notwithstanding the preceding provisions of this Section 6(a), during the period commencing as of the date of such agreement and ending when the disposition of assets or stock contemplated by the agreement is consummated or the agreement is terminated. The Company shall seek to notify Optionees in writing of any event which may constitute such sale, reorganization, liquidation or otherwise.

(b) An Option may only be exercised when written notice of such exercise has been given to the Company at its principal business office by the person entitled to exercise the Option and full payment for the shares with respect to which the Option is exercised has been received by the Company. Until the issuance of stock certificates, no right to vote or receive dividends or any other rights as a Shareholder shall exist with respect to the optioned shares notwithstanding the exercise of the Option. No adjustment will be made for a dividend or other rights for which the record date is prior to the date the stock certificate is issued except as provided in Section 9.

(c) An Option may be exercised by the Optionee other than a director only while he is, and has continually been since the date of the grant of the Option, an employee, independent contractor, technical advisor or consultant of the Company, its subsidiaries, its parent or its successor companies, except that to the extent that installments have accrued and remain unexercised on the date of the Optionee's death, such Option of the deceased Optionee maybe exercised within one year after the death of such Optionee, but in no event later than five years after the date of grant of such Option, by (and only by) the person or persons to whom his rights under such Option shall have passed by will or by laws of descent and distribution. Directors shall have thirty (30) days from the effective date of resignation, removal as a director or failure to stand for reelection, to exercise Options granted pursuant to the Plan.

(d) An Option may be exercised in accordance with this Section 6 as to all or any portion of the shares subject to the Option from time to time, but shall not be exercisable with respect to fractions of a

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

share.

(e) Any Option granted under the Plan cancelled by mutual consent or that terminates or expires for any reason without having been exercised in full, the number of shares subject thereto shall again be made available for purposes of the Plan.

7. Options not Transferable. Options under this Plan may not be sold, pledged, assigned or transferred in any manner otherwise than by will or the laws of descent or distribution, and may be exercised during the lifetime of an Optionee only by such Optionee. Further, no Option shall be pledged or otherwise encumbered or subject to execution, attachment or similar legal process. Any attempted assignment, transfer, pledge, hypothecation or similar disposition of

A-4

the Option, contrary to the provisions of this Agreement, or the levy of any execution, attachment or similar process upon the Option, shall void the Option. Notwithstanding the above, any "derivative security," as such term is defined under Rule 16b-3, issued under the Plan shall be transferable by the Optionee only to the extent such transfer is not or would not be prohibited by Rule 16b-3. In addition, the shares of Stock acquired upon exercise of Options granted pursuant to this Plan shall not be transferable by the Optionee until six months after the date of grant, unless the Committee consents to such transfer.

8. Amendment or Termination of the Plan. The Committee may at any time and from time to time alter, amend, suspend or terminate the Plan in whole or in part, provided however, that (i) any amendment which must be approved by the stockholders of the Company to comply with applicable law, shall not be effective unless and until such stockholder approval has been obtained in compliance with such law, and (ii) provisions of the Plan which govern the amount, price or timing of the award of an Option shall not be amended more than once every six months. No amendment or termination shall, without the written consent of the holder of a Option therefore awarded under the Plan, adversely affect the rights of such holder with respect thereto.

9. Adjustments Upon Changes In Capitalization. If all or any portion of an Option is exercised subsequent to any stock dividend, split-up, recapitalization, combination or exchange of shares, merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, as a result of which shares of any class shall be issued in respect of outstanding shares of Stock or shares of Stock shall be changed into the same or a different number of shares of the same or another class or classes, the person or persons so exercising such an Option shall receive, for the aggregate price payable upon such exercise of the Option, the aggregate number and class of shares which, if shares of Stock (as authorized at the date of the granting of such Option) had been purchased at the date of granting of the Option for the same aggregate price (on the basis of the price per share provided in the Option) and had not been disposed of, such person or persons would be holding at the time of such exercise, as a result of such purchase and any such stock dividend, split-up, recapitalization, combination or exchange of shares, merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation; provided, however, that no fractional share shall be issued upon any such exercise, and the aggregate price paid shall be appropriately reduced on account of any fractional share not issued. In the event of any such change in the outstanding Stock of the Company, the aggregate number of and class of shares remaining available under the Plan shall be that number and class which a person, to whom an Option had been granted for all of the available shares under the Plan on the date preceding such change, would be entitled to receive as provided in the first sentence of this Section 9.

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

10. Optionee as Shareholder. An Optionee shall have no rights as a shareholder of the Company with respect to the shares of the Company' Stock covered by such Option until the date of the issuance of stock certificate(s) to him. No adjustment will be made for dividends or other rights with respect to which the record date is prior to the date of such stock certificate or certificates.

11. Employment of Optionee. The existence of this Plan shall not impose or be construed as imposing upon the Company, or any parent or Subsidiary of the Company, any obligation to employ or contract for services with the Optionee for any period of time, and shall not supersede or in any way increase the obligations of the Company, or any parent or subsidiary of the Company, under any employment or other contract now or hereafter existing with any Optionee.

A-5

12. Taxes. The Company or any Subsidiary is authorized to withhold from any distribution of Stock, or any other payment to a Optionee, amounts of withholding and other taxes due in connection with any transaction involving an Option, and to take such other action as the Committee may deem advisable to enable the Company and Optionees to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Option. This authority shall include authority to withhold or receive Stock or other property and to make cash payments in respect thereof in satisfaction of a Optionee's tax obligations.

13. Agreement and Representations of Optionee. As a condition to the exercise of any portion of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required under the Securities Act of 1933, as amended (the "Act") or any other applicable law, regulation or rule of any government agency.

14. Securities to be Unregistered. The Company shall be under no obligation to register or assist the Optionee in registering either the Options or the Stock covered by an Option under the federal securities law or any state securities law, and both the Options and all Stock issuable thereunder shall be "restricted securities" as defined in Rule 144 of the General Rules and Regulations of the Act, and may not be offered for sale, sold or otherwise transferred except pursuant to an effective registration statement under the Act, or pursuant to an exemption from registration under the Act, the availability of which is to be established to the satisfaction of the Company. Accordingly, all certificates evidencing shares covered by the Option, and any securities issued and replaced or exchanged therefor, shall bear a restrictive legend to this effect.

15. Reservation of Shares of Stock. The Company, during the term of this Plan, will at all times reserve and keep available, and will seek or obtain from any regulatory body having jurisdiction, any requisite authority in order to issue and sell such number of shares of its Stock as shall be sufficient to satisfy the requirements of the Plan. Inability of the Company to obtain from any regulatory body having jurisdiction authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares of its stock hereunder, shall relieve the Company of any liability in respect of the non-issuance or sale of such stock as to which such requisite authority shall not have been obtained.

16. Governing Law. This Plan shall be governed and construed in accordance with the laws of the State of Colorado.
