This Form 8-K is being filed to provide information with respect to the Telephone and Data Systems, Inc. (“TDS”) 2016 Officer Bonus Program (the “2016 Plan”), pursuant to paragraph (e) of Item 5.02 of Form 8-K.

The 2016 Plan was approved by the TDS Compensation Committee on June 21, 2016. The 2016 Plan covers all TDS executive officers other than the President and CEO of TDS.

The plan provides that the President and CEO of TDS’ subsidiary, TDS Telecommunications Corporation (“TDS Telecom”), has the same company and individual performance weightings as the other TDS executive officers, provided that the company performance will be based on TDS Telecom’s performance rather than TDS’ consolidated performance.

The 2016 Plan provides that 70% of the bonus will be based on quantitative company performance and 30% will be based on individual performance. The TDS consolidated company performance will be based on the following three metrics with the following weights: consolidated operating revenue (50%); consolidated adjusted EBITDA (35%); and consolidated capital spending (15%).

Notwithstanding any provision of the 2016 Plan to the contrary, a participating officer does not have a legally binding right to a bonus unless and until the bonus amount, if any, is paid and no bonus shall be paid unless the officer remains employed through the actual bonus payout date unless otherwise approved at the discretion of the Compensation Committee or President and CEO of TDS, as applicable.

The foregoing description is qualified by reference to the 2016 Plan which is attached hereto as Exhibit 10.1 and incorporated by reference herein.
