bebe stores, inc. Announces Second Quarter Earnings Increase of 75% to \$24.3 Million vs. \$13.9 Million in the Prior Year

BRISBANE, CALIF. January 20, 2005 bebe stores, inc. (Nasdaq:BEBE) today announced financial results for the second quarter ended January 1, 2005.

Net sales for the second quarter of fiscal 2005 were \$152.6 million, up 36.3% from \$112.0 million reported for the second quarter a year ago. As previously reported, same store sales for the quarter increased 27.3% compared to an increase of 7.1% in the prior year.

Gross profit as a percentage of net sales increased to 51.3% in the second quarter of fiscal 2005, compared to 48.3% in the second quarter of fiscal 2004. The increase in gross profit as a percentage of net sales from the prior year of 3.0% was primarily the result of favorable occupancy leverage as a result of higher comparable store sales, and improved merchandise margins.

SG&A expenses for the second quarter of fiscal 2005 were \$40.3 million, or 26.3% of net sales, compared to \$32.3 million, or 28.9% of net sales for the same period of the prior year. The decrease in SG&A expenses as a percent of sales is primarily due to reductions in compensation and increased leverage on fixed expenses as a result of higher comparable store sales.

Net earnings for the second quarter increased 75% to \$24.3 million, compared to \$13.9 million for the same period of the prior year. Diluted earnings per share for the second quarter increased 70% to \$0.39 based on 62.0 million weighted average shares outstanding versus \$0.23 based on 59.5 million weighted average shares outstanding in the same period of the prior year. Earnings per share amounts have been adjusted for the recently announced 3 for 2 stock split.

Net sales for the year-to-date period ended January 1, 2005 were \$255.7 million, up 30.7% from \$195.6 million reported for the year-to-date period ended December 31, 2003. As previously reported, same store sales for the year-to-date period beginning July 1, 2004 and ending

bebe stores, inc. Announces Second Quarter Earnings Increase of 75%to \$24.3 Million vs. \$13.9 Million in the Prior

Edgar Filing: BEBE STORES INC - Form 8-K

January 1, 2005 increased 20.8% compared to an increase of 6.9% for the year-to-date period beginning July 1, 2003 and ending December 31, 2003. Net earnings for the year-to-date period ended January 1, 2005 were \$35.7 million, an increase of 79.4% from \$19.9 million for the year-to-date period ended December 31, 2003. Diluted earnings per share for the year-to-date period ended January 1, 2005 were \$0.58 based on 61.2 million weighted average shares outstanding compared to \$0.34 based on 59.3 million weighted average shares outstanding for the year-to-date period ended December 31, 2003. Earnings per share amounts have been adjusted for the recently announced 3 for 2 stock split.

For the third quarter of fiscal 2005, the Company currently anticipates comparable store sales to be in the positive mid teens range and diluted earnings per share to be in the range of \$0.11 to \$0.14 per share based on 62.1 million weighted average shares outstanding, versus \$0.09 based on 59.7 million weighted average shares outstanding in the third quarter of fiscal 2004.

The Company currently anticipates opening twenty new stores in fiscal 2005, which includes eleven bebe stores and nine BEBE SPORT stores. For fiscal year 2005, our planned capital expenditures are approximately \$20 million.

bebe stores, inc. will host a conference call on Thursday, January 20, 2005 at 9:30 A.M. Pacific Time to discuss second quarter results. Interested parties are invited to listen to the conference by calling (888) 241-2232. A replay of the call will be available for approximately one week by calling (800) 642-1687 and using the passcode "3260350". A link to the audio replay will be available on our web site at www.bebe.com following the conference call.

bebe stores, inc. designs, develops and produces a distinctive line of contemporary women's apparel and accessories, which it markets under the bebe, BEBE SPORT and bebe O brand names. bebe currently operates 205 stores, of which 180 are bebe stores and 25 are BEBE SPORT stores. These stores are located in the United States, Puerto Rico and Canada. In addition, we have an online store at www.bebe.com.

The statements in this news release, other than the historical financial information, contain forward-looking statements that involve risks and uncertainties that could cause actual results to differ from anticipated results. Wherever used, the words "expect," "plan," "anticipate," "believe" and similar expressions identify forward-looking statements. Any such forward-looking statements are subject to risks and uncertainties and the company's future results of operations could differ materially from historical results or current expectations. Some of these risks include, without limitation, miscalculation of the demand for our products, effective management of our growth, decline in comparable store sales performance, ongoing competitive pressures in the apparel industry, changes in the level of consumer spending or preferences in apparel, and/or other factors that may be described in the company's annual report on Form 10-K and/or other filings with the Securities and Exchange Commission. Future economic and industry trends that could potentially impact revenues and profitability are difficult to predict.
