PROXY STATEMENT

2019 ANNUAL MEETING OF SHAREHOLDERS

May 7, 2019

Introduction

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of IntelGenx Technologies Corp. (the "**Company**") for use at the Company's Annual Meeting of Shareholders to be held on Tuesday, May 7, 2019, and at any adjournment thereof (the "**Meeting**"). Further, solicitation of proxies may be made personally, by post or by telephone by regularly employed officers and other employees of the Company, who will receive no additional compensation for such.

Only shareholders of record (each a "**Shareholder**" and collectively, the "**Shareholders**") at the close of business on March 11, 2019 (the "**Record Date**") are entitled to vote at the Meeting. As of the Record Date, there were issued and outstanding 93,527,474 shares of the Company's common stock (the "**Common Stock**"). Each outstanding share of Common Stock is entitled to one vote on all matters properly coming before the Meeting. All properly executed, unrevoked proxies on the enclosed form of proxy that are received in time will be voted in accordance with the Shareholder's directions and, unless contrary directions are given, will be voted for the proposals (each a "**Proposal**" and collectively the "**Proposals**") described herein. Anyone giving a proxy may revoke it at any time before it is exercised by giving the board of directors of the Company written notice of the revocation, by submitting a proxy bearing a later date or by attending the Meeting and voting in person.

The presence in person or by properly executed proxy of holders representing one third of the issued and outstanding shares of the Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Meeting. Assuming a quorum is present at the Meeting, approval of proposal 1, 2 and 3 presented herein require the vote of a majority of the shares of Common Stock present or represented by proxy and voting at the Meeting. Votes cast by proxy or in person at the Meeting will be tabulated by our transfer agent, Philadelphia Stock Transfer, Inc., who will act as inspector of elections and who will determine whether or not a quorum is present. Shares of Common Stock represented by proxies that are marked "abstain" will be included in the determination of the number of shares present and voting for purposes of determining the presence or absence of a quorum for the transaction of business. Withhold votes will not be included in vote totals and will not affect the outcome of the vote on Proposal 1. Abstentions are not counted as voted either for or against Proposal 2 and 3 in tabulations of the votes cast on these proposals.

The Board of Directors of the Company (the "Board") has adopted and approved each of the Proposals set forth herein and recommends that the Company's Shareholders vote "FOR" each of the Proposals.

Copies of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 (the "**2018 Fiscal Year**") including the audited financial statements set forth therein, which are incorporated by reference into this Proxy Statement and made a part hereof, are being mailed or sent electronically concurrently herewith to all Shareholders of record at the close of business on March 11, 2019.

This Proxy Statement, the accompanying Notice of Meeting and the form of proxy have been first mailed to the Shareholders on or about March 28, 2019.

The date of this Proxy Statement is March 22, 2019

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

1. WHAT IS A PROXY?

It is your legal designation of another person to vote the stock that you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. Dr. Horst G. Zerbe, our President and Chief Executive Officer, has been designated as a proxy for the Meeting.

2. WHAT IS THE RECORD DATE AND WHAT DOES IT MEAN?

The record date for the Meeting is March 11, 2019. The record date is established by the Company as required by Delaware law and our By-laws. Shareholders (registered shareholders and street name holders) at the close of business on the record date are entitled to:

- (a) receive notice of the Meeting; and
- (b) vote at the Meeting and any adjournments or postponements of the Meeting.

3. WHAT IS THE DIFFERENCE BETWEEN A REGISTERED SHAREHOLDER AND A SHAREHOLDER WHO HOLDS STOCK IN STREET NAME?

If your shares of stock are registered in your name on the books and records of our transfer agent, you are a registered shareholder.

If your shares of stock are held for you in the name of your broker or bank, your shares are held in street name. The answer to Question 13 below describes brokers' discretionary voting authority and when your bank or broker is permitted to vote your shares of stock without instructions from you.

4. WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

(a) Vote By Internet

All Shareholders can vote by internet as instructed on the proxy card.

(b) In Writing:

All Shareholders can vote by mailing in their completed proxy card (in the case of registered shareholders) or their completed vote instruction form (in the case of street name holders).

(c) In Person:

All Shareholders may vote in person at the Meeting (unless they are street name holders without a legal proxy).

5. HOW CAN I REVOKE A PROXY?

You can revoke a proxy prior to the completion of voting at the Meeting by:

- (a) giving written notice to our Corporate Secretary;
- (b) delivering a later-dated proxy; or

(c) voting in person at the Meeting.

6. WHAT ARE THE VOTING CHOICES WHEN VOTING ON DIRECTOR NOMINEES, AND WHAT VOTE IS REQUIRED TO ELECT DIRECTORS?

When voting on the election of director nominees to serve until the 2020 Annual Meeting of Shareholders, shareholders may:

6

- (a) vote "FOR" of a specific nominee; or
- (b) "WITHHOLD" vote as to a specific nominee.

Directors will be elected by a plurality of the votes cast at the Meeting. Our Board recommends a vote "**FOR**" all of the nominees.

7. WHAT ARE THE VOTING CHOICES WHEN VOTING ON THE RATIFICATION OF THE SELECTION OF RICHTER LLP, AND WHAT VOTE IS REQUIRED TO RATIFY ITS SELECTION?

When voting on the ratification of the selection of Richter LLP as our independent registered public accounting firm, shareholders may:

- (a) vote "FOR" of the ratification;
- (b) vote "AGAINST" the ratification; or
- (c) "ABSTAIN" from voting on the ratification.

The selection of Richter LLP as our independent registered public accounting firm will be ratified if a majority of the shares present in person or by proxy and entitled to vote at the Meeting votes "**FOR**" the proposal. Our Board recommends a vote "**FOR**" this proposal.

8. WHAT ARE THE VOTING CHOICES WHEN VOTING TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS ON AN ADVISORY, NON-BINDING BASIS, AND WHAT VOTE IS REQUIRED TO APPROVE THIS PROPOSAL?

When voting to approve the compensation of our named executive officers on an advisory, non-binding basis, shareholders may:

- (a) vote "FOR" ;
- (b) vote "AGAINST"; or
- (c) "ABSTAIN" from voting.

The compensation for our named executive officers will be approved, on an advisory, non-binding basis, if a majority of the shares present in person or by proxy and entitled to vote at the Meeting votes "**FOR**" the proposal. Our Board recommends a vote "**FOR**" this proposal.

9. WHO IS ENTITLED TO VOTE?

You may vote if you owned stock as of the close of business on March 11, 2019. Each share of our Common Stock is entitled to one (1) vote.

10. WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that your shares are registered differently or that you have multiple accounts with brokers or our transfer agent. Please vote all of these shares. We recommend that you contact your broker or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent for the Proxy Service is Philadelphia Stock Transfer, Inc. 2320 Haverford Rd., Suite 230, Ardmore, PA 19003, Tel. 484-416-3124.

11. WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

If your shares are registered in your name, they will not be voted unless you submit your proxy card, or vote in person at the Meeting. If your shares are held in street name, see "What is a Broker Non-Vote?" below regarding the ability of banks, brokerage firms or other such holders of record to vote the uninstructed shares of their customers or other beneficial owners in their discretion, under some circumstances.

12. WHAT IF A SHAREHOLDER DOES NOT SPECIFY A CHOICE FOR A MATTER WHEN RETURNING A PROXY?

7

Shareholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, proxies which are signed and returned or submitted by e-mail will be voted "FOR" the election of all director nominees, "FOR" the proposal to ratify the selection of Richter LLP and "FOR" the compensation of executive officers.

13. WHAT IS A BROKER NON-VOTE?

If you are the beneficial owners of shares held in street name, you should instruct the organization which holds your shares how to vote your shares. If you do not provide the organization that holds your shares with specific voting instructions then, under applicable rules, the organization that holds your shares may generally vote on "routine" matters but cannot vote on "non-routine" matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote."

At the Meeting, the election of directors and the advisory vote on executive compensation are "non-routine" matters and the verification of the auditors is a "routine" matter. For additional information on the impact of broker non-votes, see Question 15 below.

14. WHAT IS AN ABSTENTION?

An abstention is a shareholder's affirmative choice to decline to vote on a proposal. Under applicable rules, abstentions will not be included in vote totals and will not affect the outcome of the vote.

15. WHAT IS THE EFFECT OF BROKER NON-VOTES, WITHHELD VOTES AND ABSTENTIONS?

On Proposal 1 (election of directors), broker non-votes and withheld votes will not be included in vote totals and will not affect the outcome of the vote.

On Proposal 2 (ratification of auditors), abstentions will not be included in vote totals and will not affect the outcome of the vote.

On Proposal 3 (advisory vote on executive compensation), broker non-votes and abstentions will not be included in vote totals and will not affect the outcome of the vote.

16. HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

To hold the Meeting and conduct business, one-third of our outstanding voting shares as of March 11, 2019 must be present or represented by proxy at the Meeting. On this date, 93,527,474 shares of our Common Stock were outstanding and entitled to vote. Shares representing one-third must be present. This is called a quorum.

Votes are counted as present at the Meeting if the shareholder either:

- (a) Is present and votes in person at the Meeting; or
- (b) Has properly voted by Internet or submitted a proxy card.

17. WHERE CAN I FIND THE VOTING RESULTS OF THE ANNUAL MEETING?

We will announce preliminary voting results at the annual Meeting and publish final results on a current report filed on Form 8-K within four business days of the end of the Meeting.

18. UNDER WHAT CIRCUMSTANCES WOULD THE ANNUAL MEETING BE ADJOURNED?

The annual Meeting may be adjourned in the absence of a quorum for the purpose of obtaining a quorum.

Any adjournment may be made without notice, other than by an announcement made at the annual Meeting, by the affirmative vote of a majority of the voting shares present in person or by properly executed proxy at the annual Meeting.

CORPORATE GOVERNANCE

Board Leadership Structure

The Company's Board is responsible for overseeing the business and affairs of the Company. Members of the Board are kept informed of our business through discussions with the Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in regular quarterly and special meetings of the Board and its committees.

The Charter of the Board is posted on our website at <http://www.intelgenx.com>.

The Board is currently comprised of Dr. Horst G. Zerbe, who serves as our Chairman and five directors, four of which are independent. Dr. Zerbe is also our President and Chief Executive Officer. We believe, because of the size of our Company, that the Company, like many U.S. companies, is currently best served by having one person serve as both Chief Executive Officer and Chairman of the Board. The Board believes that through this leadership structure, Dr. Zerbe is able to draw on his intimate knowledge of the daily operations of the Company and its relationships with partners, customers and employees to provide the Board with leadership in setting its agenda and properly focusing its discussions. As the individual with primary responsibility for managing our day-to-day operations, Dr. Zerbe is also best-positioned to chair regular Board meetings and ensure that key business issues are brought to the Board's attention. The combined role as Chairman and Chief Executive Officer also ensures that the Company presents its message and strategy to shareholders, partners, customers, employees and other stakeholders with a unified, single voice.

In 2014 the Board created the position of Vice Chairman, who serves as the independent Lead Director. The role of Lead Director is to facilitate the functioning of the Board, to help ensure that appropriate processes are followed, to assist in fostering and seeking input of independent directors, and to ensure independent director participation in all Board decisions.

The Lead Director ensures that the Board's relationship with management functions effectively and furthers the best interest of the Company, including working with the committees appointed by the Board to ensure they have the proper structure and appropriate assignments. The Lead Director also regularly communicates with the Chairman and Chief Executive Officer so that he is aware of any concern of the independent directors and any concerns communicated by our shareholders. The role and responsibilities of the Lead Director are in addition to and distinct from the role of the chair of each of the committees of the Board.

The mandate of the Vice Chair (Lead Director) is posted on our website at <http://www.intelgenx.com>.

Independence of Members of the Board

The Board has determined that four of our directors, J. Bernard Boudreau, Bernd Melchers, John Marinucci and Mark Nawacki are independent within the meaning of the director independence standards of both The Nasdaq Stock Market, LLC ("NASDAQ") and the Securities and Exchange Commission ("SEC"), including Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended.

Meetings of the Board

The Company's Board held four regular meetings and various Special Meetings during our 2018 Fiscal Year. All our directors attended at least 75% of the board meetings and of the committee meetings on which they served.

The Company encourages the members of the Board to attend the Meeting to be available to answer Shareholders' questions. All but one of our directors attended the last Annual Meeting in May 2018.

Compensation of the Board

Directors are reimbursed for their out-of-pocket expenses incurred in attending meetings of the Board. As described below in "Director Compensation", during our 2018 Fiscal Year, our Directors of the Board (except for the CEO) received an annual stipend of \$36,000, the Vice-Chairman of the Board received an additional annual stipend of \$14,500, and each chairman of a Board Committee received \$7,500. Director fees are paid in quarterly installments at the beginning of each quarter.

In November 2016, the Board resolved to compensate non-employee directors for their efforts on special or ad hoc committees or for board approved initiatives that fall outside the scope of customary director's duties. A daily (per 8 hours) per diem rate of \$754 (CA\$ 1,000) was established. The Audit Committee Chair needs to approve per diem charges submitted by directors. During fiscal year 2018, no charges were submitted or paid under the new policy.

Deferred Share Unit Plan. Effective February 7, 2018, the Board approved a Deferred Share Unit Plan ("**DSU Plan**") to compensate non-employee directors as part of their annual remuneration. Under the DSU Plan, the Board may grant Deferred Share Units ("**DSUs**") to the participating directors at its discretion and, in addition, each participating director may elect to receive all or a portion of his or her annual cash stipend in the form of DSUs. To the extent DSUs are granted, the amount of compensation that is deferred is converted into a number of DSUs, as determined by the market price of our common shares on the effective date of the election. The earliest redemption date will be six months following retirement of the participant from any position at the Company or its subsidiaries. These DSUs are converted back into a cash amount at the expiration of the deferral period based on the market price of our Common Stock on the expiration date and paid to the director in cash in accordance with the payout terms of the DSU Plan. As the DSUs are on a cash-only basis and no shares of Common Stock will be reserved or issued in connection with the DSUs, no approval was required from the security authorities or shareholders. On May 16, 2018, 57,471 DSUs were granted to each of the five non-employee directors under the DSU Plan.

Prior to the adoption of the DSU Plan, the non-employee directors received an annual grant of 50,000 stock options. In connection with the adoption of the DSU Plan, the annual grants were terminated effective January 1, 2018. Going forward, the Company intends on compensating non-employee directors with DSUs instead of grants of stock options.

Committees of the Board

The Board has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nomination Committee. Furthermore, in August 2016, we implemented an ad-hoc-Succession Committee.

Audit Committee. Our Audit Committee is comprised of independent members of our Board and is currently composed of Bernd Melchers, John Marinucci and Mark Nawacki. The Audit Committee held four meetings during our 2018 Fiscal Year.

Our Audit Committee assists our Board in fulfilling its responsibilities for oversight and supervision of financial and accounting matters. The chairman of the Audit Committee is Mr. Bernd Melchers. Our Audit Committee's responsibilities include, among others (i) recommending to the Board the engagement of the external auditor and the terms of the external auditor's engagement; (ii) overseeing the work of the external auditor, including dispute resolution between management and the external auditor, if required; (iii) pre-approving all non-audit services to be provided to us by our external auditor; (iv) reviewing our financial statements, management's discussion and analysis and annual and interim earnings press releases before this information is publicly disclosed; (v) assessing the adequacy of procedures for our public disclosure of financial information; (vi) establishing procedures to deal with

complaints received by us relating to our accounting and auditing matters; and (vii) reviewing our hiring policies regarding employees of our external auditor or former auditor.

16

We have adopted, along with our Audit Committee, a written charter of the Audit Committee setting out the mandate and responsibilities of the Audit Committee which provides that the Audit Committee convene no less than four times per year.

The Audit Committee Charter is posted on our website at <http://www.intelgenx.com>.

Accordingly, the Audit Committee discusses with Richter LLP, our auditors, our audited financial statements, including, among other things, the quality of our accounting principles, the methodologies and accounting principles applied to significant transactions, the underlying processes and estimates used by our management in our financial statements and the basis for the auditor's conclusions regarding the reasonableness of those estimates, in addition to the auditor's independence.

Audit Committee Financial Expert. Mr. Bernd Melchers and Mr. John Marinucci are audit committee financial experts under the rules of the SEC. Mr. Melchers and Mr. Marinucci are "independent directors" as defined in the Nasdaq Stock Market, Inc. Marketplace Rules and meet the independence and experience requirements of the SEC.

Compensation Committee. Our Compensation Committee is comprised of a majority of independent members of our Board and currently consists of the Chairman of the Compensation Committee, John Marinucci, J. Bernard Boudreau, and Clemens Mayr. The Compensation Committee held about six meetings in 2018.

Our Compensation Committee reviews and makes recommendations to our Board concerning the compensation of our directors and executive officers which include the review of our executive compensation and other human resource policies, the review and administration of any bonuses, stock options and equity compensations and major changes to our benefit plans as well as the review of and recommendations regarding the performance of the Chief Executive Office, the Executive Vice President and Chief Financial Officer, the Vice President of Business and Corporate Development, the Vice President of Research and Development and the Vice President of Operations of our Company and its subsidiary.

We have adopted, along with our Compensation Committee, a written charter of the Compensation Committee setting out the mandate and responsibilities of the Compensation Committee which provides that the Compensation Committee convene no less than three times per year.

The Compensation Committee Charter is posted on our website at <http://www.intelgenx.com>.

Compensation Committee Interlocks and Insider Participation. As stated above, the Compensation Committee consists of John Marinucci, J. Bernard Boudreau and Clemens Mayr. There are no interlocking relationships, as described by the Securities and Exchange Commission, between the Compensation Committee members.

Corporate Governance and Nomination Committee (CG&N). Our Corporate Governance and Nomination Committee is comprised of members of our Board and currently consists of the Chairman of the CG&N Committee, J. Bernard Boudreau, Horst G. Zerbe, Clemens Mayr and Mark Nawacki. The CG&N Committee was implemented in August 2015 and held two meetings in 2018.

The CG&N Committee is responsible for performing the duties set out in its Charter to enable the Board to discharge its responsibilities and obligations with respect to identifying and recommending candidates for election to the Board and all committees of the Board. Furthermore, the CG&N Committee is responsible for developing an effective corporate governance system for IntelGenx Technologies Corp., and for reviewing and assessing on an ongoing basis our corporate governance and public disclosure.

In considering a potential candidate, the CG&N Committee considers both the qualities and skills that the Board, considered in its entirety, currently possesses and that the Board should possess. Based on the skills and experiences

already represented on the Board, the CG&N Committee will consider the experience, personal attributes and qualities that a candidate should possess in light of the anticipated growth and development of the Company. The CG&N Committee recognizes the benefits of promoting diversity at the Board level. Diverse perspectives linked in common purpose contribute to innovation and growth of the Company. In considering candidates and selecting nominees for the Board, diversity, including gender diversity, is an important factor considered by the CG&N Committee. In assessing a candidate's suitability, the CG&N Committee also takes into consideration the existing commitments of the individual to ensure that each member has sufficient time to discharge such member's duties.

Notwithstanding the fact that the CG&N Committee is charged with the responsibility of identifying potential new Board members, all members of the Board are eligible to put forth candidates for the CG&N Committee to consider. Additionally, the Board may engage recruiting firms to assist with identifying qualified candidates. Once candidates have been approved by the CG&N Committee and their interest level gauged, the entire Board discusses, both formally and informally, the suitability of a particular candidate.

Shareholders may recommend individuals to our Board for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials to our principal office, 6420 Abrams, Ville St. Laurent, Quebec H4S 1Y2, Attn: Corporate Secretary. Assuming that appropriate biographical and background material has been provided on a timely basis, our Board will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If our Board determines to nominate a shareholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next annual meeting.

We have adopted, along with our GC&N Committee, a written charter of the GC&N Committee setting out the mandate and responsibilities of the GC&N Committee which provides that the Committee convene as frequently as it determines necessary but not less frequently than twice each year.

The Corporate Governance and Nomination Committee Charter is posted on our website at <http://www.intelgenx.com>.

Ad-hoc Succession Committee. Our ad-hoc Succession Committee is comprised of members of our Board and currently consists of the Vice Chairman of the Board, J. Bernard Boudreau, Clemens Mayr and Horst G. Zerbe. The ad-hoc Succession Committee was implemented in August 2016 with the objective to establish the framework for the search of the planned and/or unplanned, interim or permanent successor of our current CEO and President. The committee had met on several occasions to create an Interim CEO Replacement Plan. The Board adopted the plan in November of 2016, which provides directions for the temporary succession of the CEO in the event of his planned or potentially unplanned departure or leave of absence. The decision on a CEO successor will be made at some appropriate future date by the full Board

Board's Role in Risk Oversight

Our management has responsibility for managing day-to-day risk and for bringing the most material risks facing the Company to the Board's attention. The Board takes an active role in risk oversight related to the Company both as a full Board and through its committees. To facilitate the Board's risk oversight responsibility, management provides the Board with information about its identification, assessment and management of critical risks and its risk mitigation strategies. This information is communicated to the Board and its committees at regular and special meetings, through reports, presentations and discussions with key management personnel and representatives of outside advisors, such as our independent auditors, as appropriate. During regular Audit Committee meetings, committee members discuss the financial results for the most recent fiscal quarter with the independent auditors, Chief Financial Officer and Chief Executive Officer. The Audit Committee also meets with and provides instruction to the independent auditors outside the presence of management. These discussions allow the members of the Audit Committee to analyze any significant risks that could materially impact the financial health of our business.

The Compensation Committee oversees the company's executive compensation arrangements, including the identification and management of risks that may arise from the Company's compensation policies and practices.

Executive Compensation

The key objectives of the Company's executive compensation policies are to attract and retain key executives who are important to the long-term success of the Company and to provide incentives for these executives to achieve high

levels of job performance and enhancement of shareholder value. The Company seeks to achieve these objectives by paying its executives a competitive level of base compensation for companies of similar size and industry and by providing its executives an opportunity for further reward for outstanding performance in both the short term and the long term.

18

Executive Officer Compensation. The Company's executive officer compensation program is comprised of three elements: base salary, annual cash bonus and long-term incentive compensation in the form of stock option grants and/or **RSU** awards.

Salary. The Compensation Committee and the Board will review base salaries for the Company's executive officers, taking into account individual experience, job responsibility and individual performance during the prior year. These factors are not assigned a specific weight in establishing individual base salaries. The Compensation Committee will also consider the Company's executive officers' salaries relative to salary information for executives in similar industries and similarly sized companies.

Cash Bonuses. The purpose of the cash bonus component of the compensation program is to provide a direct financial incentive in the form of cash bonuses to executives. The cash bonuses are paid on the base of executives achieving annual individual and corporate objectives, which are set annually by the board and the CEO and reviewed by the compensation committee.

Long Term Incentive Compensation. Until May 2018, stock options were the primary vehicle for rewarding long-term achievement of Company goals. At the 2018 annual meeting, the Shareholders approved the Performance and Restricted Share Unit Plan ("**PRSU Plan**"), which provides the Company with an additional vehicle to compensate its officers. On a going forward basis, the Company intends to compensate executive officers primarily with RSUs rather than stock options.

The objectives of the stock option and the RSU program are to align employees' and shareholder long-term interests by creating a strong and direct link between compensation and increases in share value. Under the Company's 2016 Stock Option Plan, the Board may authorize the grant of options to purchase common stock of the Company to key employees of the Company. The options generally vest in increments over a period of two years established at the time of grant. Under the PRSU Plan, the Board may authorize the award of restricted share units. The vesting of such restricted share units is determined by the Board at the time of the award.

Share Ownership Policy. In August 2017 the Board adopted a Share Ownership Policy (the "**Ownership Policy**") to align the interests of senior executives and non-employee directors of the Company with the interests of the Company's shareholders and to mitigate excessive risk taking by requiring participants in the Ownership Policy to attain and maintain a stated level of share ownership in the Company. Each participant is required to acquire and maintain ownership of shares of Common Stock equal to a specified multiple of his or her base salary or annual cash stipend, which ranges from 0.5 to 3 times base salary or annual cash stipend. Each participant must retain 25% of all net shares (post-tax) that vest until achieving his or her minimum share ownership requirement. Participants are expected to fulfill their full ownership requirements under the Ownership Policy within five years of becoming subject to it. If a participant receives an increase in his or her base salary or annual retainer, leading to an increase in the ownership requirement, the Participant will have five years from the date of such increase to achieve the incremental share ownership requirement. As of the date of this filing, the only participant to have achieved the ownership requirement is Dr. Zerbe.

None of our officers or directors have, during the last ten years: (i) been convicted in or is currently subject to a pending criminal proceeding; (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to any federal or state securities or banking laws including, without limitation, in any way limiting involvement in any business activity, or finding any violation with respect to such law, nor (iii) has any bankruptcy petition been filed by or against the business of which such person was an executive officer or a general partner, whether at the time of the bankruptcy or for the two years prior thereto or been subject to any of the items set forth under Item 401(f) of Regulation S-K, other than Mr. Boudreau who was formerly

the Vice President of Pharmeng International Inc. from 2005 to 2008, which since filed for bankruptcy on April 14, 2009. He was also a Director of Pharmeng until April 13, 2009.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires directors, officers and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and change in ownership with the SEC. Directors, officers and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of such forms that we received during the fiscal year ended December 31, 2018, we believe that each person who at any time during the fiscal year was a director, officer, or beneficial owner of more than ten percent of our Common Stock complied with all Section 16(a) filing requirements during such fiscal year, except for Andre Godin and Ingrid Zerbe who were late in reporting the common shares received in lieu of cash on the 8% Debenture Notes on July 5, 2018.

If particular communications are directed to the full Board, independent directors as a group, or individual directors, the Chairman of the Board or the Chairman of the Audit Committee, as applicable, will route these communications to appropriate committees or directors if the intended recipients are clearly indicated.

(4) Vice-Chairman

Effective April 1, 2015, our Directors of the Board (except for the CEO) received an annual stipend of CA\$36,000, the Vice-Chairman of the Board received an additional stipend of CA\$14,500 and each Chairman of a Board committee received additional CA\$7,500. Director fees are paid in quarterly installments at the beginning of each quarter. Effective January 2017, the previous currency of Canadian Dollar for Director's compensation changed to U.S. Dollar. The amounts remained the same.

In November 2016, the Board resolved to compensate non-employee directors for their efforts on special or ad hoc committees or for board approved initiatives that fall outside the scope of customary director's duties. A daily (per 8 hours) per diem rate of \$770 (CA\$ 1,000) was established. The Audit Committee Chair needs to approve per diem charges submitted by directors. During fiscal year 2018, no charges were submitted or paid under the policy.

Effective February 7, 2018, the Board approved a DSU Plan to compensate non-employee directors as part of their annual remuneration. Under the DSU Plan, the Board may grant DSUs to the participating directors at its discretion and, in addition, each participating director may elect to receive all or a portion of his or her annual cash stipend in the form of DSUs. To the extent DSUs are granted, the amount of compensation that is deferred is converted into a number of DSUs, as determined by the market price of our Common Stock on the effective date of the election. These DSUs are converted back into a cash amount at the expiration of the deferral period based on the market price of our Common Stock on the expiration date and paid to the director in cash in accordance with the payout terms of the DSU Plan. As the DSUs are on a cash-only basis and no shares of Common Stock will be reserved or issued in connection with the DSUs, no approval was required from the security authorities or shareholders. During 2018, 57,471 DSUs valued at CA\$50,000 (US\$38,589) were awarded to each of the five non-employee directors.

At December 31, 2018 Mr. Boudreau, Mr. Melchers, Mr. Marinucci, Mr. Mayr and Mr. Nawacki held 175,000, 175,000, 150,000, 175,000 and 125,000 vested options to purchase Common Stock respectively.

On May 9, 2016, the Board adopted the 2016 Stock Option Plan which amended and restated the 2006 Stock Option Plan, which expired in August 2016. As a result of the adoption of the 2016 Stock Option Plan, no additional options will be granted under the 2006 Stock Option Plan and all previously granted options will be governed by the 2016 Stock Option Plan. Due to the nature of the changes made to the 2006 Stock Option Plan it was determined that no shareholder approvals were required by the TSX Venture Exchange. The number represents only securities available under the PRSU Plan.

(3) Represents the maximum number of shares of our Common Stock available for grants under the 2016 Stock Option Plan as of December 31, 2018.

2016 Stock Option Plan

The 2016 Stock Option Plan was adopted by the Board in order to make the terms of the Company's stock option plan more consistent with the requirements of the TSX Venture Exchange and to remove certain provisions which would have enabled the Company to grant incentive stock options in compliance with Section 422 of the Internal Revenue Code. The 2016 Stock Option Plan permits the granting of options to officers, employees, directors and eligible consultants of the Company. A total of 6,361,525 shares of Common Stock were reserved for issuance under this plan, which includes stock options granted under the previous 2006 Stock Option Plan. In August 2018, the Board approved the amendment of the 2016 Stock Option Plan to increase the total number of shares of Common Stock reserved under the plan to 9,347,747. Options may be granted under the 2016 Stock Option Plan on terms and at prices as determined by the Board except that the options cannot be granted at less than the market closing price of the Common Stock on the TSX Venture Exchange on the date prior to the grant. Each option will be exercisable after the period or periods specified in the option agreement, but no option may be exercised after the expiration of 10 years from the date of grant. The 2016 Stock Option Plan provides the Board with more flexibility when setting the vesting schedule for options which was otherwise fixed in the 2006 Stock Option Plan.

PRSU Plan

The PRSU Plan was approved by Shareholders at the 2018 annual meeting on May 7, 2018. The primary purpose of this PRSU Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified executive officers of the Company and its Subsidiaries and to reward such executive officers for their contributions

toward the long term goals and success of the Company and to enable and encourage such executive officers to acquire shares of Common Stock as long term investments and proprietary interests in the Company.

The PRSU Plan permits the Board to grant RSU awards to employees, consultants or directors of the Company and Performance Share Unit ("**PSU**") awards to employees and consultants of the Company. In each case, the award of RSUs or PSUs are subject to restrictions in connection with the termination of employment, engagement or term in office. The Board may, in its sole discretion, grant the majority of the awards to insiders of the Company. The number of shares of Common Stock reserved for issuance under this plan is equal to a number that: (a) does not exceed 1,000,000 shares if, and for so long as the Company is listed on the TSX Venture Exchange, or (b) 2.5% of the issued and outstanding Common Stock of the Company, if the Company is listed on the Toronto Stock Exchange. The Board has the authority to condition the grant of RSUs or PSUs upon the attainment of specified performance goals, or such other factors (which may vary between awards) as the Board determines in its sole discretion. The Board has the authority to determine at the time of grant, in its sole discretion, the duration of the vesting period and other vesting terms applicable to the grant of RSUs or PSUs. In the case of PSUs, such awards may be adjusted in accordance with the applicable PSU award agreement.

On a going forward basis, the Company intends to primarily compensate executive officers with RSUs and compensate non-executive employees with stock options.
