Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 19, 2012, El Paso Corporation (the “Company”) approved the inclusion of Brent J. Smolik, Executive Vice President and President of EP Energy Corporation, in a retention plan for full-time employees of the Company who primarily provide services to the Company’s exploration and production business (the “Retention Plan”). Retention bonuses under the Retention Plan are earned based in part on the continued performance of services, in part on the attainment of specified levels of gross sale proceeds in respect of EP Energy business assets sold no later than twelve months after the consummation of the transactions contemplated in the Agreement and Plan of Merger entered into by, among others, Kinder Morgan, Inc. and the Company on October 16, 2011, and in part on the specific time at which such assets are sold. As a participant in the Retention Plan, Mr. Smolik will be eligible to earn a retention bonus in an amount expressed as a percentage interest in a pool, the value of which (as described above) depends on the attainment of the level of gross sale proceeds and on the time at which such assets are sold, which is not determinable at this time. Mr. Smolik’s percentage interest in the pool will be no less than 12.97%. Assuming \$8.0 billion in gross sale proceeds and the EP Energy business assets are sold on or within 30 days following the closing of the merger between Kinder Morgan, Inc. and the Company, Mr. Smolik’s payment would be no less than approximately \$810,625.

The terms and conditions of the Retention Plan and Mr. Smolik’s interest therein are qualified in their entirety by reference to the actual Retention Plan document and the applicable form of award letter adopted thereunder, copies of which are filed herewith as Exhibits 10.A and 10.B, respectively.
