Item 4. Purpose of Transaction.

The Reporting Persons first published City of London Investment Management Company Limited's publicly-available Statement on Corporate Governance and Voting Policy for Closed-End Funds in 1999. The document is now in its Tenth Edition, having been most recently updated in March, 2016. As a result of an imbalance between the supply and demand for emerging markets closed-end funds ("CEFs") many such CEFs, including the Issuer, can trade at price levels which reflect a wide discount (more than 10%) relative to their published net asset value (NAV). City of London intends to engage in discussions and other communications with the Boards of Directors of these CEFs, including the Issuer, following the parameters and guidelines set forth in City of London's Statement on Corporate Governance and Voting Policy for Closed-End Funds, to the extent deemed necessary or appropriate if it believes it is in the best interests of all shareholders to do so. City of London also intends to vote against Directors as per the parameters and guidelines in the above-mentioned document.
