Item 4. Changes in Registrant's Certifying Accountant

On February 2, 2004, the Registrant was informed that its current independent accountant, Rogelio G. Castro, had resigned as the principal accountant to audit the Registrant's financial statements. The independent accountant's report on the financial statements for the Registrant over the past two years has not contained an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles, except for the fact that the accountant, in his report for the past two fiscal years has included an opinion that, due to the Registrant's lack of revenue producing assets and history of losses, there is doubt about the Registrant's ability to continue as a going concern.

1

During the two most recent fiscal years and the interim period preceding the resignation, there have been no disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of the former accountant, would have caused it to make reference to the subject matter of the disagreements in connection with the reports.

## Edgar Filing: NUTRA PHARMA CORP - Form 8-K/A

On March 5, 2004, the Registrant received a letter from its former independent accountant, stating agreement with the statements made by the Registrant with respect to his resignation. The letter is filed as an exhibit to this amended report.
