None of the Reporting Persons, nor, to the best knowledge of each of the Reporting Persons, without independent verification, any person named in Item 2, has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), nor been a party to any civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The aggregate funds used in connection with the purchase of 6,000,000 shares (the “Shares”) of Common Stock were \$13,500,000 (the “Purchase Price”). The Purchase Price was funded with cash provided to CapGen LP by the limited partners of CapGen LP.

Item 4. Purpose of Transaction

On October 23, 2009, CapGen LP and the Issuer entered into a Stock Purchase Agreement, a copy of which is incorporated as Exhibit 2 to this Schedule 13D (the “Purchase Agreement”), pursuant to which on December 17, 2009, CapGen LP purchased from the Issuer 6,000,000 shares of Common Stock (the “Investment”) for investment purposes. The Investment was not motivated by an intent to exercise control, directly or indirectly, over the management, policies or business operations of the Issuer. CapGen LP and CapGen LLC previously obtained the approval of the Board of Governors of the Federal Reserve System (the “Fed”) to acquire control of the Issuer and its bank subsidiary and, as a result, to become bank holding companies, pursuant to the Bank Holding Company Act of 1956, as amended, and Regulation Y promulgated thereunder. CapGen LP and CapGen LLC expect that they would need further approvals from the Fed prior to acquiring additional shares of Common Stock of the Issuer.

To the extent permitted by the Purchase Agreement and applicable bank regulatory limitations, each Reporting Person may directly or indirectly acquire additional shares of Common Stock or associated rights or securities exercisable for or convertible into Common Stock, depending upon an ongoing evaluation of its investment in Common Stock, applicable legal restrictions, prevailing market conditions, liquidity requirements of such Reporting Person and/or other investment considerations. CapGen LP is currently seeking to increase its ownership of Common Stock and is seeking regulatory approval from the Fed for the flexibility to increase its ownership of Common Stock to over 50% of the class through the purchase from time to time of Common Stock in open market transactions, in negotiated transactions with the Issuer, and/or through the exercise of its preemptive rights under the Purchase Agreement, if applicable. If CapGen LP is unsuccessful in increasing its ownership of Common Stock, subject to the limitations imposed by the Purchase Agreement, CapGen LP could seek to dispose of its shares of Common Stock (including, without limitation, distributing some or all of the shares of Common Stock to the Reporting Persons’ respective members, partners, stockholders or beneficiaries, as applicable) from time to time, subject to market conditions and other investment considerations.

To the extent permitted under the Purchase Agreement, the Reporting Persons may engage in discussions with management, the board of directors, other stockholders of the Issuer and other relevant parties concerning the business, operations, board composition, management, strategy and future plans of the Issuer.

Pursuant to the terms of the Purchase Agreement, CapGen LP is entitled to designate one person (the “Board Representative”) for election to the board of directors of the Issuer at each annual meeting of the Issuer for so long as the Shares are beneficially owned or otherwise owned by CapGen LP or any of its affiliates, and subject to satisfaction of all legal and governance requirements applicable to all members of the board of directors of the Issuer. Mr. Robert Goldstein has been appointed to the board of directors as the Board Representative.

The foregoing reference to and description of the Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the Purchase Agreement, which is incorporated by reference to this Item 4.

-6-

Other than as described in this Item 4, each of the Reporting Persons has no present plans or proposals that relate to or would result in any of the events set forth in Items 4(a) through (j) of Schedule 13D.

Item 5. Interests in Securities of the Issuer

The information contained on the cover pages to this Schedule 13D and the information set forth or incorporated in Items 2, 3, 4 and 6 is incorporated herein by reference.

(a) and (b)

Reporting Person	Amount Beneficially Owned	Percent of Class	Sole Power to Vote or Direct the Vote	Shared Power to Vote or Direct the Vote	Sole Power to Dispose or to Direct the Disposition	Shared Power to Dispose or Direct the Disposition

Each of the Reporting Persons and each individual named in response to Item 2 hereof disclaims beneficial ownership of the shares of Common Stock referred to herein that such Reporting Person or individual does not hold directly.

(c) Except as set forth in this Schedule 13D, none of the Reporting Persons nor, to the best knowledge of each of the Reporting Persons, without independent verification, any person named in Item 2, has engaged in any transaction during the past 60 days involving the securities of the Issuer.

(d) Other than the Reporting Persons, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities of the Issuer referred to in this Item 5.

(e) Not applicable.

Item 6. Contracts, Arrangements or Understandings with Respect to Securities of the Issuer

The information set forth or incorporated in Items 3 and 4 is incorporated herein by reference.

On October 23, 2009, CapGen LP entered into the Purchase Agreement with the Issuer, pursuant to which CapGen LP acquired the Shares in exchange for the Purchase Price.

The Purchase Agreement includes, among other provisions, the following terms:

Representations and Warranties. Customary representations and warranties were made by the Issuer to CapGen LP relating to the Issuer, its business and the issuance of the Shares.

Board Representation. Pursuant to the terms of the Purchase Agreement, CapGen LP is entitled to designate one person for election to the board of directors of the Issuer at each annual meeting of the Issuer for so long as the Shares are beneficially owned or otherwise owned by CapGen LP or any of its affiliates, and subject to satisfaction of all legal and governance requirements applicable to all members of the board of directors of the Issuer. Mr. Robert Goldstein has been appointed to the board of directors as the Board Representative.

Explanation of Responses:

-7-

Preemptive Rights. If the Issuer makes a public or private offering, solely for cash, of Common Stock and any securities convertible into or exercisable or exchangeable for Common Stock, any time during a period of 24 months commencing on December 17, 2009, subject to customary exceptions, including but not limited to, Common Stock issued in acquisitions, to employees, and in exchange for currently outstanding securities, CapGen LP will have a preemptive right to acquire from the Issuer for the same price and on the same terms such securities as are offered in the aggregate up to the amount that is required to enable CapGen LP to maintain its then-current percentage ownership of the total number of shares of Common Stock then outstanding.

In addition, on October 27, 2009, the Issuer and CapGen executed a Registration Rights Agreement, dated as of October 23, 2009 (the "Registration Rights Agreement"), a copy of which is included as Exhibit 3 to this Schedule 13D. Pursuant to the Registration Rights Agreement, the Issuer agreed to prepare and file a registration statement with the Securities and Exchange Commission (the "SEC") as expeditiously as reasonably possible upon the receipt of a written request from the holder of the securities sold pursuant to the Purchase Agreement if such request covers (i) at least 25% of the then outstanding shares of Common Stock owned by the holder or (ii) a lesser percent if the anticipated aggregate offering price based on the then-current market prices, net of underwriting discounts and commissions, would exceed \$3,000,000, subject to certain limitations set forth in the Registration Rights Agreement. Furthermore, the Issuer agreed to use its reasonable best efforts to file by April 15, 2010 with the SEC a registration statement to cover the resale of the shares of Common Stock held by the holders, unless such shares may then be sold in certain exempt transactions without volume limitations, and subject to certain other limitations set forth in the Registration Rights Agreement. A copy of the Registration Rights Agreement is filed with this Schedule 13D as Exhibit 3 and is incorporated by reference herein.

The foregoing references to and description of the Purchase Agreement and the Registration Rights Agreement do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the Purchase Agreement and the Registration Rights Agreement, which are incorporated by reference to this Item 6.

On January 26, 2010, Mr. Goldstein was appointed to the board of directors of the Issuer. The Reporting Persons disclaim their potential status as directors by deputization by virtue of Mr. Goldstein's position on the board of directors of the Issuer.

Except as described above, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons or between such persons and any other person with respect to any securities of the Issuer, including but not limited to the transfer or voting of any securities of the Company, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, divisions of profits or loss, or the giving or withholding of proxies.
