Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (as amended, the “Exchange Act”) requires our directors, executive officers, and the persons who beneficially own more than 10% of the common stock, par value \$0.01 per share, of the Company (the “Common Stock”) and securities convertible into shares of Common Stock (together with the Common Stock, “Subject Shares”), to file with the SEC initial reports of ownership and reports of changes in ownership of Subject Shares. Directors, officers and greater than 10% beneficial owners of the Subject Shares are required by the SEC’s regulations to furnish us with copies of all forms they file with the SEC pursuant to Section 16(a) of the Exchange Act. Based solely on the reports filed with the SEC, we believe that these persons have complied with all applicable filing requirements during Fiscal 2016.

CORPORATE GOVERNANCE

In accordance with the New York Stock Exchange Listed Company Manual (the “NYSE Rules”), a majority of our Board is comprised of independent directors and we have an Audit Committee (“Audit Committee”), a Compensation Committee (“Compensation Committee”) and a Nominating and Corporate Governance Committee (“NCG Committee”), each of which have written charters addressing each such committee’s purpose and responsibilities and are comprised entirely of independent directors.

Corporate Governance Guidelines and Code of Ethics and Business Conduct

Our Board has adopted Corporate Governance Guidelines to assist it in the exercise of its responsibilities. These guidelines reflect our Board’s commitment to monitor the effectiveness of policy and decision making both at our Board and management level, with a view to enhancing stockholder value over the long term. The Corporate Governance Guidelines address, among other things, our Board and Board committee composition and responsibilities, director qualifications standards and selection of the Chairman of our Board and our Chief Executive Officer.

Our Board has adopted a Code of Business Conduct and Ethics for Directors, Officers and Employees and a Code of Ethics for Chief Executive and Senior Financial Officers to provide guidance to all of our directors, officers and employees, including our principal executive officer, principal accounting officer or controller or persons performing similar functions. Our Board has adopted a corporate governance policy prohibiting our directors and executive officers from (i) hedging the economic risk associated with the ownership of our Common Stock, or (ii) pledging our Common Stock, unless, in each case, first pre-approved by our General Counsel. Our Board has also adopted an equity retention policy for the Company’s senior management and our non-executive Directors.

Director Independence

Our Board has determined that Messrs. Glovier, Ianna, Luterman, McKnight, Steinberg and Whittaker, each a non-management director, qualify as independent directors under our Corporate Governance Guidelines and the NYSE Rules. Under our Corporate Governance Guidelines and the NYSE Rules, no director qualifies as independent unless our Board affirmatively determines that the director has no material relationship with HRG. Based upon information requested from and provided by each director concerning their background, employment and affiliations, our Board has determined that each of the independent directors named above has no material relationship with HRG, nor has any such person entered into any material transactions or arrangements with HRG or its subsidiaries, and is therefore independent under the NYSE Rules. In making such determination, our Board considered a variety of

factors, including certain ordinary course of business transactions from time to time between us and certain entities affiliated with non-management directors, and determined that our non-management directors qualify as independent directors under our Corporate Governance Guidelines and the NYSE Rules.

Meetings of Independent Directors

We generally hold executive sessions at each Board and committee meeting. The Chairman of our Board presides over executive sessions of the entire Board and the chairman of each committee presides over the executive session of that committee.

Executive Summary

Highlights for Fiscal 2016

During Fiscal 2016, we executed on a number of strategic initiatives, including:

At HRG, during Fiscal 2016 we increased our “Net Asset Value” (as defined below) from both the beginning of Fiscal 2016 and the end of Fiscal 2014, which are discussed further below. We believe that Net Asset Value is a good proxy for creation of value for the Company and its stockholders.

At HRG, simplifying our corporate structure by selling our remaining interest in Compass Production Partners, L.P. (“Compass”), selling our remaining 51.0% interest in CorAmerica Capital, LLC (“CorAmerica”), winding down the operations of Energy & Infrastructure Capital, LLC and progressing the wind down of Salus.

At Spectrum Brands, refinancing a portion of its indebtedness to extend maturities and reduce borrowing costs by issuing €425.0 million aggregate principal amount of 4.00% notes due 2026 and using the proceeds to repay a portion of the amounts outstanding on the 6.375% notes due 2020 and amending its credit agreement.

At Spectrum Brands, integrating the recent acquisition of the Global Auto Care business and realizing synergies through a series of initiatives to consolidate certain operations and reduce operating costs, including the exit of certain facilities.

At FGL, continuing to pursue the closing of the merger with Anbang Insurance Group Co., Ltd. and FGL.

At Salus, recovering \$45.4 million on the loan to a significant borrower in default, exceeding the previous estimate of recovery and reversing \$18.0 million of previously recorded allowance for bad debt.

At HGI Energy, completing the sale of the Holly, Waskom and Danville assets for a total cash consideration of \$153.4 million and using the proceeds primarily to reduce Compass’ borrowings under its credit facility.

The foregoing is a highlight summary of only certain of HRG’s performance measures as of the end of Fiscal 2016. Summary of Sound Governance Features of our Compensation Programs for Fiscal 2016

Listed below are some of the Company’s more significant practices and policies that were in effect during Fiscal 2016, which were adopted to drive performance and to align our executives’ interests with those of our stockholders. Our compensation programs, practices and policies are reviewed and re-evaluated periodically, and are subject to change from time to time and at any time.

What We Did For Fiscal 2016

Pay for Performance Philosophy: We designed our Fiscal 2016 executive compensation programs to pay for performance and a significant portion of our executives' compensation was not guaranteed. Target compensation was established for our executive officers at the beginning of Fiscal 2016 by our Compensation Committee and our named executive officers had an opportunity to earn actual compensation that varied from target, based on achievement against pre-established performance targets. The variable component of our compensation program was designed to reward performance and contribution to our corporate and financial objectives.

Independent Executive Compensation Consultants: During Fiscal 2016, our Compensation Committee worked with Hodak Value Advisors ("Hodak"), its independent executive compensation consultant, and separate outside counsel, as it determined appropriate.

Mitigation of Undue Risk: Our Fiscal 2016 compensation program had provisions to mitigate undue risk, including mechanisms that were designed to be partially subject to forfeiture (see "Clawback Policy," "Malus Provision" and "Subsequent Events After Fiscal 2016 Year End" below) and related target performance for Fiscal 2016 to past performance.

Clawback Policy: Our equity awards allow the Company to recover payouts in the event that recoupment is required by applicable law (including pursuant to Sarbanes-Oxley and the Dodd-Frank Wall Street Reform and Consumer Protection Act) or a participant receives for any reason any amount in excess of what should have been received (including, without limitation, by reason of a financial restatement, mistake in calculations or other administrative error).

Malus Provision: Our Fiscal 2016 annual bonus program provided for an automatic deferral of payouts in excess of two times the target bonus pool and deferred cash compensation from prior years was subject to reduction if the Company did not meet certain specified performance criteria in Fiscal 2016. For Fiscal 2016, the Company satisfied the applicable performance criteria and, as a result the Malus provisions of our 2016 annual bonus program were not applicable (see "How We Determine Each Element of Compensation" and "Subsequent Events After Fiscal 2016 Year End").

Negative Discretion and Other Reductions: Our Fiscal 2016 annual bonus program provided our Compensation Committee with the right to exercise negative discretion to reduce awards under the bonus plan.

Award Caps: Amounts that could be earned under our Fiscal 2016 annual bonus program by any individual were capped at \$20 million per year ("Award Cap").

Equity Retention: We maintain an equity retention policy for senior management, requiring each member of senior management to retain ownership of at least 25% of his or her covered shares, net of taxes and transaction costs, until the earlier of (i) the date of such senior management member's termination of employment with the Company or (ii) the date such person is no longer a member of senior management.

What We Did Not Do for Fiscal 2016

No 280G or Section 409A Excise Tax Gross-Ups: We do not provide "gross-ups" for any taxes imposed with respect to Section 280G (change of control) or Section 409A (nonqualified deferred compensation) of the Internal Revenue Code.

No Pensions or Supplemental Pensions: Our named executive officers are not provided with pension or supplemental executive retirement plans.

No Single-Trigger Equity Acceleration: In Fiscal 2016, we did not provide our named executive officers "single-trigger" equity vesting upon a change of control of the Company.

No Repricing of Underwater Stock Options without Stockholder Approval: We do not lower the exercise price of any outstanding stock options, unless stockholders approve this.

No Discounted Stock Options: The exercise price of our stock options is not less than 100% of the fair market value of our Common Stock on the date of grant.

No Unauthorized Hedging or Pledging: Our Board has adopted a corporate governance policy prohibiting our directors and executive officers from (i) hedging the economic risk associated with the ownership of our Common Stock and (ii) pledging our Common Stock, unless, in each case, first pre-approved by our General Counsel.

Compensation Philosophy and General Objectives

For Fiscal 2016, our executive compensation philosophy was focused on pay for performance and was designed to reflect appropriate governance practices aligned with the needs of our business. We granted target levels of compensation that were designed to attract and retain employees who are able to meaningfully contribute to our success. Our Compensation Committee considered several factors in designing target levels of compensation, including, but not limited to, historical levels of pay for each executive, actual turnover in the executive ranks, market data on the compensation of executive officers at similar companies, and its judgment about retention risk with regards to each executive relative to their importance to the Company. In reviewing market data, our Compensation Committee reviewed the total compensation of executives in the same or similar positions in an appropriate market comparison group, which includes business development or private equity companies, adjusting the total compensation observed at these peers for their size relative to the Company. The peer group consisted of the same seventeen companies from Fiscal 2015: American Capital, Ltd., Apollo Global Management, LLC, Blackstone Group LP, Capital Southwest Corp, Carlyle Group, Compass Diversified Holdings, Harris & Harris Group, Hercules Tech Growth Cap, Icahn Enterprises, KKR, Kohlberg Capital Corp, Leucadia, Loews Corp, Main Street Capital Corp, MCG Capital Corp, Safeguard Scientifics Inc. and Triangle Capital Corp. The Compensation Committee does not use market data to target specific components of total compensation, such as salary or bonuses, and instead determines the target total level of compensation necessary to be competitive for each executive in the relevant market for that executive's talent.

Components of Executive Compensation

Our Fiscal 2016 compensation program generally had three basic elements: salary, incentive compensation and other benefits. Salary and benefits are designed to aid in the retention of our employees. Incentive compensation generally consists of bonuses for individual and company performance, and may be awarded as cash or equity. Equity awards will typically be vested over a period of years to enhance both retention and alignment of interests.

We believe that the various components of our executive compensation program are effective in attracting and retaining our employees and providing a strong alignment of their interests with those of our stockholders. Although each element of compensation described below is considered separately, our Compensation Committee makes its determinations regarding each individual component of the compensation program in the context of the aggregate effect on total compensation for each named executive officer.

The principal elements of compensation for our named executive officers in Fiscal 2016 were:

- base salary;
- variable compensation potential consisting of cash and equity payouts; and
- limited benefits.

How We Determine Each Element of Compensation

Our Compensation Committee is responsible for our executive compensation program design and administration, including a review of our compensation programs and evaluation of management performance and awards consistent with our bonus plan. In Fiscal 2016, our Compensation Committee was advised by Hodak, its independent executive compensation firm, and separate outside counsel, as it deemed appropriate.

In light of SEC rules and NYSE Rules, our Compensation Committee considered the independence of its compensation consultant, including assessment of the following factors: (i) other services provided to the Company by the consultant; (ii) fees paid as a percentage of the consulting firm's total revenue; (iii) policies or procedures maintained by the consulting firm that are designed to prevent a conflict of interest; (iv) any business or personal relationships between the individual consultants involved in the engagement and any member of our Compensation Committee; (v) any Company stock owned by the individual consultants involved in the engagement; and (vi) any business or personal relationships between our executive officers and the consulting firm or the individual consultants involved in the engagement. Our Compensation Committee has concluded that no conflict of interest exists that would prevent our compensation consultant from independently representing our Compensation Committee.

Base Salary

The base salary of our named executive officers is intended to provide a level of fixed compensation that contributes to the attraction or retention of our named executive officers. For Fiscal 2016, our Compensation Committee determined that the base salaries provided to our named executive officers represented an appropriate level of fixed

compensation relative to each such named executive officer's respective target total compensation, which varies by position in accordance with each such executive officer's job responsibilities and contributions to our Company.

Annual Bonus Plan

For Fiscal 2016, Messrs. Asali and Maura were eligible to participate in the bonus plan established by the Compensation Committee (the "2016 Bonus Plan"). The 2016 Bonus Plan provided for annual bonuses to be comprised of two components. The first component was an individual bonus (the "individual bonus") based on the achievement of personal performance goals and the

second component was a corporate bonus (the “corporate bonus”) based on the achievement of corporate performance measured in terms of the change in the Company’s “Net Asset Value” (as defined below) from the beginning of the Company’s fiscal year to the end of the Company’s fiscal year end (“NAV Return”), in excess of a threshold NAV Return, which for Fiscal 2016 was set at \$230.7 million (the “Fiscal 2016 Threshold NAV Return”), which represented a seven percent (7%) increase from the Company’s NAV in Fiscal 2014. Because the Company’s NAV Return was negative in Fiscal 2015, the 2016 Bonus Plan required that the NAV Return exceed the Company’s NAV Return for Fiscal 2014. In Fiscal 2016, the Company produced a NAV Return of \$663.8 million. The 2016 Bonus Plan provided that 12% of the excess of the NAV Return for Fiscal 2016 over the Fiscal 2014 NAV Return would be allocated to fund the corporate bonus pool for bonuses to Mr. Asali, Mr. Maura and certain other key employees. For Messrs. Asali and Maura, for Fiscal 2016, 85% of their target annual bonus was the corporate bonus (based on NAV Return) and 15% was the individual bonus based on performance of individual goals. The performance goals for the individual bonus were determined by our Compensation Committee on an individual basis. Participants could earn between 0 and 200% of their individual target bonus based on achievement of the individual performance goals.

NAV Return is believed to be a good proxy for creation of value for the Company and its stockholders because it encourages, among other things, the generation of cash flow by the Company’s subsidiaries and transactions resulting in appreciation of the assets of the Company and its subsidiaries. If in Fiscal 2016, the Company had not produced a NAV Return greater than \$230.7 million, no corporate bonuses would have been earned.

For the purpose of the foregoing calculation, the Company’s “Net Asset Value” is generally calculated by (i) starting with the value of the Company’s “Net Asset Value,” as such term is defined in the Company’s Certificate of Designation of Series A Participating Convertible Preferred Stock of the Company dated as of May 12, 2011 (the “Preferred Stock Certificate”), (ii) then subtracting from such amount the Company’s deferred tax liabilities, (iii) then adding to such amount the Company’s capital contributions to fund start-up businesses, which is subject to a \$20 million cap, (iv) then adding to such amount the Company’s deferred financing costs, (v) then adding to such amount the value of the Company’s assets that have not been appraised, which is subject to a \$50 million cap, (vi) then eliminating the effect of any increase in legacy liabilities associated with our predecessor entity, Zapata Corporation and its subsidiaries, (vii) then adding to such amount expenses incurred in connection with completing any acquisitions by the Company within the past twelve months, and (viii) excluding any accretion on preferred stock (calculated in the manner contained in the Preferred Stock Certificate).

For Fiscal 2016, our Compensation Committee established only objective performance goals for Mr. Asali’s individual bonus, which were (i) receipt of \$51 million of dividends and other sources of cash, (ii) identify two companies that are undervalued with attractive financial or strategic characteristics that meet or exceed investment committee criteria, and (iii) meet or exceed all debt covenants.

For Fiscal 2016, our Compensation Committee established only objective performance goals for Mr. Maura’s individual bonus, which were (i) Spectrum Brands’ achievement of \$925 million of adjusted EBITDA (as defined below), (ii) Spectrum Brands’ achievement of \$500 million of adjusted free cash flow and (iii) receipt of \$45 million of dividends by the Company from Spectrum Brands. For the purposes of Mr. Maura’s performance measure, “adjusted EBITDA” was defined as reported operating income plus certain defined add-backs for depreciation, amortization, acquisition, integration and restructuring related charges.

Based on the strong corporate and individual performance during Fiscal 2016, Messrs. Asali and Maura each would have been eligible to receive a bonus at approximately the Award Cap under the 2016 Bonus Plan. Notwithstanding the foregoing, as further described below in the Section titled “Subsequent Events After Fiscal 2016 Year End”, in connection with certain changes in the strategic objectives and direction of the Company, the Company and Messrs. Asali and Maura mutually agreed in November 2016 to enter into alternative arrangements with the Company. As a result, instead of compensation pursuant to the 2016 Bonus Plan, Messrs. Asali and Maura received compensation for Fiscal 2016 pursuant to such arrangements. For further details on the bonus amounts paid to Messrs. Asali and Maura for Fiscal 2016, see the section titled “Subsequent Events After Fiscal 2016 Year End” and the “Summary Compensation Table”.

Mr. Nicholson did not participate in the 2016 Bonus Plan, but instead, pursuant to his employment agreement with the Company was eligible to receive a bonus target amount equal to \$275,000, subject to his achievement of performance goals.

Mr. Williams did not participate in the 2016 Bonus Plan given that his employment with the Company terminated prior to the end of Fiscal 2016.

Initial Long Term Equity Grant

Historically, we grant service-based initial long term equity to our named executive officers when our Compensation Committee or Board determines that it would be to the advantage and in the best interests of the Company and its stockholders to grant such equity, as an inducement to enter into or remain in the employ of the Company or as an incentive for increased efforts during such employment. No initial long term equity grants were made to our named executive officers in Fiscal 2016.

Benefits

During Fiscal 2016, we provided our named executive officers with standard medical, dental, vision, disability and life insurance benefits available to employees generally.

We limit the use of perquisites as a method of compensation and provide executive officers with only those perquisites that we believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. In this regard, our named executive officers are eligible to participate in a flexible perquisite account under our FlexNet Program, which permits them to be reimbursed for certain eligible personal expenses, up to a per year cap of \$50,000 for Messrs. Asali, Maura and Williams and \$25,000 for Mr. Nicholson. Eligible expenses include, but are not limited to, reimbursement for tax preparation, legal services, education programs, health and wellness programs, technology and personal computers, wills and estate planning services and transportation services. Participants are responsible for payment of taxes on FlexNet payments. Reimbursements, at participants' elections, can be net of taxes and/or include an estimated tax payment, subject to the annual maximum reimbursement cap. Further, we may provide from time to time in our discretion reimbursement for other employment related expenses. The perquisites provided to the named executive officers are quantified in the Summary Compensation Table below.

We sponsor a 401(k) Retirement Savings Plan (the "401(k) Plan") in which eligible participants may defer a fixed amount or a percentage of their eligible compensation, subject to limitations. In Fiscal 2016, we made discretionary matching contributions of up to 5% of eligible compensation.

HRG Subsidiary and Affiliate Fees

During Fiscal 2016, certain of our employees provided certain services to certain of our subsidiaries and were compensated for such services during Fiscal 2016. At the discretion of our Compensation Committee, compensation such persons are otherwise entitled to receive from the Company may be reduced by all, none or a portion of the compensation received from our subsidiaries. During Fiscal 2016, Mr. Asali received director fees from Spectrum Brands and FGL in the form of equity, which was valued by our Compensation Committee at \$383,092 and compensation that Mr. Asali was entitled to receive from HRG in Fiscal 2016 was reduced by such amount. On January 20, 2016, Mr. Maura and the Company entered into a Subsidiary Service Agreement (the "Services Agreement"). Separately, on January 20, 2016, Mr. Maura and Spectrum Brands entered into an employment agreement ("SPB Agreement"). Pursuant to the SPB Agreement, in addition to Mr. Maura's continuing role as an employee and director of the Company, Mr. Maura also serves as the Executive Chairman of the board of directors of Spectrum Brands. Pursuant to the Services Agreement, the Company and Mr. Maura agreed to reduce certain compensation that Mr. Maura has received or will receive from the Company by compensation that Mr. Maura has received or will receive from Spectrum Brands in the future. In connection with entering into the SPB Agreement, in February 2016, Spectrum Brands granted to Mr. Maura fully vested shares of Spectrum Brands common stock valued at \$6,000,000 on the date of the grant (the "Initial Equity Grant"). Mr. Maura's Fiscal 2016 compensation from HRG was reduced by the Initial Equity Grant and by (i) an annual bonus granted by Spectrum Brands to Mr. Maura valued at \$1,243,312, (ii) an annual equity award granted by Spectrum Brands to Mr. Maura valued at \$3,000,000 (iii) an equity award granted by Spectrum Brands to Mr. Maura valued at \$4,500,000 and (iv) the director fees granted by Spectrum Brands to Mr. Maura valued at \$101,607. For further details, see the Spectrum Brands Definitive Proxy Statement filed on December 21, 2016. In addition, pursuant to the Services Agreement, Mr. Maura no longer receives a base salary from the Company while he receives a base salary from Spectrum Brands, and as of April 20, 2016, no longer participated in the Company's benefit plans (except for the Company's FlexNet program). The Subsidiary Services Agreement was terminated in connection with the Maura Separation and Release Agreement (as defined below) because Mr. Maura became a full time employee of Spectrum Brands.

Risk Review

Our Compensation Committee reviewed, analyzed and discussed the incentives created by our 2016 Bonus Plan. Our Compensation Committee does not believe that any aspect of our 2016 Bonus Plan encouraged our named executive officers to take unnecessary or excessive risks. Our 2016 Bonus Plan had provisions to mitigate undue risk, including clawbacks and the use of negative discretion.

Compensation in Connection with Termination of Employment and Change-In-Control

In determining our employees' compensation packages, our Compensation Committee recognizes that an appropriate incentive in attracting talent is to provide reasonable protection against loss of income in the event the employment relationship terminates without fault of the employee. Thus, compensation practices in connection with termination of employment generally have been designed to achieve our goal of attracting highly qualified executive talent. During

Fiscal 2016, Messrs. Asali, Maura and Nicholson had employment agreements which provided for termination compensation in the form of payment of bonuses and salary and benefit continuation ranging from six to twenty-four months following involuntary termination of employment. During Fiscal 2016, our compensation programs did not provide for any “golden parachute” tax gross-ups to any named executive officer. During Fiscal 2016, we also did not provide any of our named executive officers any “single-trigger” payments due to the occurrence of a change of control of the Company.

In connection with the termination of Mr. Williams’ employment on January 1, 2016, and pursuant to the Retention and Release Agreement, dated August 6, 2015 between the Company and Mr. Williams, Mr. Williams received certain payments and benefits upon his termination of employment, as described under the heading “Compensation and Benefits - Summary Compensation Table.”

In addition, as described more fully under the Section titled “Subsequent Events After Fiscal 2016 Year End”, the Company entered into a transition agreement with Mr. Asali and a separation agreement with Mr. Maura in November 2016 that, among other things, provides Messrs. Asali and Maura with certain payments upon termination of employment.

You can find additional information regarding our practices in providing compensation in connection with termination of employment to our named executive officers under the heading “Payments Upon Termination and Change of Control” below.

Impact of Tax Considerations

With respect to taxes, Section 162(m) of the Internal Revenue Code imposes a \$1 million limit on the deduction that a company may claim in any tax year with respect to compensation paid to each of its Chief Executive Officer and three other named executive officers (other than the Chief Financial Officer), unless certain conditions are satisfied. Certain types of performance-based compensation are generally exempted from the \$1 million limit. Performance-based compensation can include income from stock options, performance-based restricted stock, and certain formula driven compensation that meets the requirements of Section 162(m). In structuring the compensation for our named executive officers our Compensation Committee will review a variety of factors including the deductibility of such compensation under Section 162(m), to the extent applicable. However, this is not the driving or most influential factor. Our Compensation Committee has approved, and is expected to approve in the future, non-deductible compensation arrangements and specifically reserves the right to do so.

Advisory Vote on Executive Compensation

Our Compensation Committee and our Board considered the results of our stockholder vote regarding the non-binding resolution on executive compensation presented at the 2014 Annual Meeting, where 91.16% of votes cast approved the compensation program described in the Company’s proxy statement for the 2014 Annual Meeting. Our Compensation Committee and our Board have continued to maintain a generally similar compensation philosophy. At the 2014 Annual Meeting, a majority of our stockholders approved, as recommended by our Board, a proposal for our stockholders to be provided with the opportunity to cast a non-binding advisory vote on compensation of our named executive officers every three years. Our Board believed that this frequency is appropriate as a triennial vote would provide the Company with sufficient time to engage with stockholders to understand and respond to the “say-on-pay” vote results and to put in place any changes to the Company’s compensation program as a result of such discussions, if necessary. The next stockholder advisory (non-binding) vote on executive compensation as well as a vote on the frequency of the say-on-pay vote will be held at our upcoming 2017 Annual Meeting.

Subsequent Events After Fiscal 2016 Year End

As described further below, following the completion of Fiscal 2016, the Company entered into a Transition Agreement with Mr. Asali and a Separation and Release Agreement with Mr. Maura. It is expected that Mr. Asali’s employment with the Company will cease in Fiscal 2017 and Mr. Maura’s employment with the Company ceased on November 29, 2016. In connection with the foregoing and certain changes in the strategic objectives and direction of the Company, the Company, in consultation with the Compensation Committee and its compensation advisors, determined that for Fiscal 2017 and thereafter, compensation arrangements will no longer be based on the NAV Return of the Company and the NAV bonus plan was terminated effective as of September 30, 2016. In January 2017, the Company also entered into retention agreements with its remaining executives (other than Mr. Asali and Mr. Maura) that specify the potential amounts of bonus payments for Fiscal 2017. For more information see “Nicholson Retention Letter” below.

Asali Transition Agreement

On November 17, 2016, the Company announced that Mr. Asali plans to leave the Company. In connection with the foregoing, on November 17, 2016, the Company and Mr. Asali entered into a Transition Agreement (the “Asali Transition Agreement”). The Asali Transition Agreement provides that Mr. Asali will receive from the Company (i) for Fiscal 2016, a bonus of \$8,000,000 in cash and (ii) for Fiscal 2017, a bonus for \$3,000,000 in cash, on the earlier of March 31, 2017 and the date on which the Company announces that it has entered into definitive documentation which, if the transactions contemplated thereby were consummated, would result in a sale, merger, change in control or other strategic transaction of or involving the Company and substantially all of its assets (such a transaction, a “Transaction”, and such date, an “Announcement Date”). In addition, Mr. Asali would be eligible to receive an additional

payment of \$3,000,000 (or such higher amount as determined by the Board), if (x) the Company enters into definitive documentation with respect to a Transaction, Mr. Asali remains employed through the Announcement Date and shareholder approval of the Transaction contemplated in connection with the Announcement Date is obtained or (y) there is a Specified Triggering Event (defined below) on or prior to the Announcement Date, and within 18 months following such Specified Triggering Event the Company enters into definitive documentation, and obtains the required shareholder approvals, with respect to a Transaction.

The Asali Transition Agreement provides that Mr. Asali's last day of employment will be the earliest of the date of his (i) death, (ii) termination for disability, (iii) termination by the Company without cause or the date he resigns for good reason, (iv) the Announcement Date (clauses (i) through (iv) each, a "Specified Triggering Event") or (v) termination for cause or resignation

without good reason. Mr. Asali will continue to receive payment of his base salary and any unpaid vacation time and unreimbursed business expenses through the date his employment ends. Following his separation after a Specified Triggering Event and subject to his compliance with terms of the Asali Transition Agreement, Mr. Asali will receive a \$500,000 cash payment as severance and COBRA reimbursement for a period of up to 12 months. In addition, Mr. Asali's options and restricted stock awards, which were scheduled to vest and settle on November 29, 2016, will continue to vest and settle on November 29, 2016 and his options and restricted stock, which were scheduled to vest and settle in November 29, 2017, will vest and settle on the earlier of March 31, 2017, the Announcement Date, a Specified Triggering Event or a change in control of the Company.

Mr. Asali remains subject to certain non-solicitation restrictions of the Company's employees for 18 months post-termination of employment and confidentiality provisions indefinitely. The Asali Transition Agreement also contains a customary mutual release of claims.

Maura Separation and Release Agreement

On November 28, 2016, the Company and Mr. Maura, entered into a Separation and Release Agreement (the "Maura Separation and Release Agreement") pursuant to which Mr. Maura resigned his employment with the Company effective November 29, 2016, but will continue to serve as the Executive Chairman of Spectrum Brands and as a member of the Company's Board of Directors. The Services Agreement was terminated in connection with the Maura Separation and Release Agreement.

In connection with the foregoing, Mr. Maura received a lump sum cash payment of \$500,000 and will receive COBRA reimbursement for a period of up to 12 months. In addition, Mr. Maura's 48,408 unvested options and 110,212 remaining shares of unvested restricted stock that were each awarded prior to November 28, 2016 fully vested, but shall be exercisable/settled on November 29, 2017.

Mr. Maura received a bonus for Fiscal 2016, consisting of (i) \$1,540,000 payable in cash in December 2016, (ii) \$1,815,080 payable in cash on November 1, 2018 and (iii) a fully vested option to acquire 318,190 shares of common stock of the Company on December 14, 2016. Such options will be exercisable as follows: 30,626 on the date of grant, 30,626 on the first anniversary of the date of grant, 128,469 on the second anniversary of the date of grant and 128,469 on the third anniversary of the date of grant. Mr. Maura also received a cash bonus of \$2,150,000 for Fiscal 2017. The cash bonuses for Fiscal 2016 and Fiscal 2017 shall not be subject to clawback or forfeiture based on the NAV of the Company in Fiscal 2017 or thereafter. Mr. Maura also received any earned but unpaid salary and any unpaid vacation time and unreimbursed business expenses through November 29, 2016.

Mr. Maura remains subject to certain non-solicitation restrictions of the Company's employees for 18 months post-termination of employment and confidentiality provisions indefinitely. The Maura Separation and Release Agreement also contains a customary mutual release of claims.

Nicholson Retention Letter

On January 20, 2017, the Company and Mr. Nicholson entered into a retention letter agreement (the "Nicholson Retention Agreement") pursuant to which Mr. Nicholson will be employed by the Company as its Senior Vice President, Chief Financial Officer and Chief Accounting Officer, effective as of January 20, 2017. In addition, his base salary will be increased to \$325,000 effective as of January 1, 2017 and he will receive a one-time bonus equal to \$100,000 within ten days after January 20, 2017. Subject to Mr. Nicholson's continued employment with the Company through the earliest of November 30, 2017, the date the Company files its Annual Report on Form 10-K for Fiscal 2017 or an earlier date selected by the Company (the "Retention End Date"), he will receive (i) a retention payment equal to \$325,000 and (ii) a bonus equal to \$400,000. The separation payment is in lieu of the separation payments Mr. Nicholson was entitled to receive under his employment agreement, and the bonus represents Mr. Nicholson's bonus for Fiscal 2017 through the Retention End Date (Mr. Nicholson is not entitled to any other bonus through the Retention End Date). In addition, he will be eligible to receive COBRA reimbursement for a period of up to 12 months if his employment is terminated. Mr. Nicholson will also receive these payments if his employment is terminated by the Company without Cause or by Mr. Nicholson for Good Reason. However, if Mr. Nicholson's employment is terminated by the Company for Cause or if he resigns without Good Reason, he will not be eligible for the retention payment, bonus and COBRA reimbursement. The retention payment, bonus and COBRA reimbursement are conditioned upon Mr. Nicholson's execution of a customary release and will be in lieu of any severance or bonus payments pursuant to his employment agreement. Mr. Nicholson will be entitled to receive accrued but unpaid base

salary, unused vacation time accrued and unreimbursed business expenses incurred through the date of termination.

COMPENSATION AND BENEFITS

Summary Compensation Table

The following table discloses compensation for Fiscal 2016, Fiscal 2015 and Fiscal 2014 received by Messrs. Asali, Maura, Nicholson and Williams, each of whom was a “named executive officer” for all or a portion of Fiscal 2016. As disclosed in greater detail elsewhere in this report, Mr. William’s employment with the Company terminated on January 1, 2016, Mr. Maura’s employment with the Company terminated on November 29, 2016 and Mr. Asali and the Company have entered into a Transition Agreement pursuant to which his employment with the Company is expected to cease during Fiscal 2017.

In reading the table below, it should be noted that under the Company's bonus plan, the Company does not pay any bonuses with respect to any fiscal year until the completion of such fiscal year. Pursuant to SEC disclosure rules, cash compensation payable for any fiscal year is included in the column titled "Non-Equity Incentive Plan Compensation" for such fiscal year (although no amounts are actually payable until after the end of such fiscal year). However, in the case of equity awards, the SEC disclosure rules require that the Summary Compensation Table and the Grants of Plan-Based Awards Table include for each fiscal year the aggregate fair value, as of the grant date, of equity awards granted only during the applicable fiscal year. Since under the Company's bonus plan equity compensation for any fiscal year is not granted until the completion of such fiscal year, the value of such equity is not included in the Summary Compensation Table or the Grants of Plan-Based Awards Table for such year, but in accordance with SEC rules is, or will be, as applicable, included in next year's compensation disclosure. For more details, please see footnote (2) to the Summary Compensation Table.

(1) All stock and option awards were granted under the Harbinger Group Inc. 2011 Omnibus Equity Award Plan, as amended (the "2011 Plan"). These columns reflect the aggregate grant date fair value of the awards computed in accordance with FASB ASC Topic 718 (disregarding any risk of forfeiture assumptions). For a discussion of the relevant valuation assumptions, See Note 18 to Consolidated Financial Statements included in the Original 10-K. The equity awards presented in this table were granted in November and December 2015 pursuant to the bonus plan for Fiscal 2015 (the "2015 Bonus Plan"). The equity awards made pursuant to the 2015 Bonus Plan were not included in the Summary Compensation Table or Grants of Plan-Based Awards Table in our report for Fiscal 2015 because such awards were not granted until after the end of our Fiscal 2015. These awards were disclosed, however, in the Compensation Discussion and Analysis in our report for Fiscal 2015. Pursuant to the 2015 Bonus Plan, the following grants were made in November 2015: (A) On November 24, 2015, Mr. Asali was granted (i) \$121,386 in the form of 8,714 fully vested shares of our Common Stock, (ii) \$121,400, in the form of 8,715 shares of restricted stock which vest on November 29, 2016, and (iii) \$46,454, in the form of nonqualified stock options to purchase 9,163 shares of our Common Stock which vest as follows: 4,581 were vested on the date of grant and 4,582 on November 29, 2016. In addition, Mr. Maura received compensation from Spectrum Brands for services performed in Fiscal 2016, as fully disclosed in their Proxy Statement filed pursuant to Section 14(a) of the Securities Exchange Act of 1934, filed on December 21, 2016.

Agreements with Named Executive Officers

Employment Agreements with Messrs. Asali, Maura and Williams

On February 11, 2014, the Company entered into amended and restated employment agreements with Messrs. Asali, Maura and Williams. Each amended and restated employment agreement provides for a one year term which automatically renews each October 1, subject to earlier termination. The amended and restated employment agreements provide for an annual base salary of \$500,000 and entitle the executives to participate in the Company's annual bonus plan comprised of a mix of cash and equity. Messrs. Asali, Williams and Maura previously received an initial equity grant of stock options and restricted stock, in connection with each executive's entry into his original employment agreement.

Retention Agreement with Mr. Williams

The Company and Mr. Williams entered into a Retention and Release Agreement, dated August 6, 2015, as described more fully under the heading “Compensation and Benefits - Payments Upon Termination and Change of Control.”

Employment Agreement with Mr. Nicholson

On November 19, 2015, the Company entered into an employment agreement with Mr. Nicholson as its Senior Vice President and Chief Accounting Officer, and on December 26, 2015, Mr. Nicholson was promoted to the additional position of Acting Chief Financial Officer of the Company, effective as of January 4, 2016. Mr. Nicholson’s annual base salary was \$275,000 and Mr. Nicholson is also eligible for an annual bonus in a target amount equal to \$275,000. Mr. Nicholson is subject to certain non-competition and non-solicitation restrictions for six months following termination of employment, as well as perpetual confidentiality and non-disparagement provisions. As described more fully under the heading “Subsequent Events After Fiscal 2016 Year End”, in Fiscal 2017, Mr. Nicholson’s base salary was increased and he was also promoted to Chief Financial Officer.

Grants of Plan-Based Awards for Fiscal 2016

The following table provides information concerning awards granted in Fiscal 2016 to our named executive officers. In reading the table below, it should be noted that SEC disclosure rules require that this table include for each fiscal year the aggregate fair value, as of the grant date, of equity awards granted only during the applicable fiscal year. Since under the Company’s bonus plan equity compensation for any fiscal year is not granted until the completion of such fiscal year, the value of such equity is not included in the Summary Compensation Table or the Grants of Plan-Based Awards Table for such year, but in accordance with SEC rules is, or will be, as applicable, included in next year’s compensation disclosure. For more details, please see footnote (2) to the Summary Compensation Table.

Payments Upon Termination and Change of Control

Termination Payments Payable to Messrs. Asali and Maura

The following describes payment that Messrs. Asali and Maura would have been entitled to receive had their employment been terminated in Fiscal 2016 under certain circumstances; however, as noted above in the section titled “Subsequent Events after Fiscal 2016 Year End”, Messrs. Asali and Maura did not receive the payments described below and have entered into new arrangements with the Company that will govern their respective termination payments during Fiscal 2017 (such arrangements

do not provide for enhanced severance upon a Change in Control of the Company). If during the term of the amended and restated employment agreements, the Company terminates an executive's employment without "Cause" (as defined in each amended and restated employment agreement) or if the executive terminates his employment for "Good Reason" (as defined below), subject to the executive executing a general release of claims in favor of the Company, the Company is required to pay or provide the executive with: (i) his base salary for twelve months in continuing installments; (ii) vesting of the initial equity grant on the dates it would otherwise have vested (and the restrictions on the restricted stock will lapse) had executive continued to be an active employee of the Company; (iii) vesting of 100% of the unpaid deferred cash portion, if any, of annual bonuses awarded for years prior to the year of termination, with payment on the same scheduled payment dates (provided that the deferral shall not be for more than four years) and vesting of 100% of the unvested equity portion, if any, of annual bonuses awarded for years prior to the year of termination, with such vesting to occur on the same dates that such equity would otherwise vest had the executive continued to be an active employee of the Company; (iv) eligibility to receive a pro-rata annual bonus for the year of termination, based on achievement of performance, provided that the cash portion of such bonus shall be paid and the equity portion of such bonus shall be granted in the same proportion of cash and equity that are granted to other Company executives, and 50% of such amounts shall be paid within 74 days after the end of the fiscal year and the remaining 50% shall be paid on the first anniversary of such date and (v) COBRA reimbursement for a period of up to twelve (12) months (the "Benefits Continuation"). In addition, the Company shall pay the executive any accrued but unpaid base salary and vacation time and any properly incurred but unreimbursed business expenses.

In addition, during the period beginning sixty days prior to a Change in Control (as defined in each amended and restated employment agreement) or, if earlier, upon the signing of a definitive agreement to enter into a Change in Control (which in each case actually results in a Change in Control) and ending upon the first anniversary of such Change in Control, if the Company terminates the executive's employment without Cause or if the executive terminates his employment for Good Reason, then in lieu of the severance described above, the Company shall pay or provide the executive with: (i) the sum of two times (x) his base salary and (y) the greater of (A) target variable compensation (per the relevant year's bonus plan) or (B) \$2.5 million, payable in installments over 24 months; (ii) vesting of the initial equity grant as set forth above; (iii) vesting of 100% of any unvested equity for annual bonuses awarded prior to the year of termination; (iv) 100% vesting of the unpaid deferred cash portion, if any of annual bonuses awarded for years prior to the year of termination, with payment within 74 days after the Change in Control or cessation of employment (unless Section 409A of the Internal Revenue Code requires payment on the original payment dates); (v) eligibility for a pro rata annual bonus for the year of termination, based on achievement of performance determined in accordance with the employment agreement, provided that 50% of such amounts shall be paid in cash within 74 days after the end of the fiscal year and the remaining 50% shall be paid in cash on the first anniversary of such date; (vi) outplacement services; and (vii) COBRA reimbursement for up to 18 months.

Upon a termination of employment due to the executive's death or "Disability" (as defined in the employment agreements), the Company shall pay or provide such executive with (i) payment of any non-deferred portion of the annual bonus for the prior year which was earned but unpaid, (ii) the Benefits Continuation, subject to receiving a signed waiver and general release of claims from the executive, and (iii) any accrued but unpaid base salary and vacation time and any properly incurred but unreimbursed business expenses.

"Good Reason" for each of Messrs. Asali and Maura means the occurrence, without an executive's express written consent, of any of the following events: (A) a material diminution in executive's authority, duties, responsibilities or title; (B) a diminution of base salary; (C) a change in the geographic location of the executive's principal place of performance of his services to a location more than thirty (30) miles outside of New York City that is also more than thirty (30) miles from his primary residence at the time of such change, except for travel consistent with the terms of the employment agreement; (D) the Company gives notice that the term of the employment agreement is not to be extended so long as the executive continues to perform his duties for the Company through the end of the term and separates from the Company at the end of the term; (E) a material breach by the Company of the employment agreement; (F) the failure by the Company to provide for executive's participation in an annual bonus arrangement (whether paid annually or over a period not to exceed four fiscal years); or (G) the Company's material reduction in the target amount or maximum bonus opportunity that may be earned under the Company's bonus arrangement if the performance criteria are satisfied (and for Mr. Asali only, modification of the Company's bonus arrangement in a

manner that materially reduces executive's reasonable opportunity to achieve such bonus, relative to executive's prior participation). In addition, for Mr. Asali only, Good Reason includes if Mr. Asali is not re-nominated to the Board (unless such nomination would violate any legal restriction or order or would cause the Board to be in breach of its fiduciary obligations). An executive must give the Company a written notice (specifying in detail the event or circumstances claimed to give rise to Good Reason) within ninety (90) days after the executive has knowledge that an event constituting Good Reason has occurred, or is deemed to have occurred and must give the Company thirty (30) days to cure. If not cured, the executive must actually terminate his or her employment within 120 days following the event constituting Good Reason; otherwise, that event will no longer constitute Good Reason (except with respect to (D) above).

Termination Payments Payable to Mr. Nicholson

The following describes the payments that Mr. Nicholson would have been entitled to receive had his employment been terminated under certain circumstances during Fiscal 2016.

If during the term of his employment agreement, the Company terminates Mr. Nicholson's employment without "Cause" (as defined in his employment agreement) or if Mr. Nicholson resigns his employment for "Good Reason" (as defined below), then, subject to receiving a signed separation agreement and general release of claims from Mr. Nicholson, the Company shall pay or provide Mr. Nicholson with (i) severance equal to twelve months base salary, and (ii) payment of any annual bonus for the prior year which was earned but unpaid. In addition, the Company shall pay Mr. Nicholson any accrued but unpaid base salary and vacation time and any properly incurred but unreimbursed business expenses.

"Good Reason" for Mr. Nicholson means the occurrence, without an executive's express written consent, of any of the following events: (A) a material diminution in executive's authority, duties, responsibilities or title (provided that it shall not constitute Good Reason if Mr. Nicholson is required to report to the Chief Financial Officer or another designee of the CEO); (B) a diminution of base salary; (C) a change in the geographic location of the executive's principal place of performance of his services to a location more than thirty (30) miles outside of New York City that is also more than thirty (30) miles from his primary residence at the time of such change, except for travel consistent with the terms of the employment agreement; or (D) a material breach by the Company of the employment agreement. Mr. Nicholson must give the Company a written notice (specifying in detail the event or circumstances claimed to give rise to Good Reason) within twenty-five (25) days after the executive has knowledge that an event constituting Good Reason has occurred, and must give the Company thirty (30) days to cure. If not cured, the executive must actually terminate his employment within 120 days following the event constituting Good Reason; otherwise, that event will no longer constitute Good Reason.

Williams Retention Agreement

Mr. Williams' employment was terminated on January 1, 2016 and he received payments pursuant to a Retention and Release Agreement ("the Williams Retention Agreement") entered into with the Company in August 2015. The Williams Retention Agreement provided that, subject to Mr. Williams' providing a customary release of claims and his compliance with his post-termination restrictive covenants, the Company will pay and provide him the following: (i) \$500,000 payable over a period of twelve (12) months following the termination date; (ii) vesting on March 5, 2016 of unvested options to purchase 35,000 shares of Company stock that were awarded to Mr. Williams in 2012; (iii) vesting of 100% of the unpaid deferred cash portion of Mr. Williams' annual bonuses awarded for years prior to the termination date, in an amount equal to \$3,126,000 with payment thereof to be on the dates such bonuses are paid to other senior executives of the Company; (iv) continued vesting of 100% of the unvested options to purchase shares of Company stock and the unvested shares of restricted stock of the Company, that were awarded to Mr. Williams in respect of the annual bonuses for years prior to the termination date, such that such options and restricted stock units shall vest on the dates they would otherwise vest had Mr. Williams remained an employee of the Company; and (v) COBRA reimbursement for a period up to twelve (12) months following the Designated Date, with an approximate value equal to \$39,800. Pursuant to the Williams Retention Agreement, Mr. Williams also received a cash bonus for Fiscal 2015 equal to \$1 million. Except for such bonus, Mr. Williams was not entitled to, and did not receive, any other bonus for Fiscal 2015 and Fiscal 2016. Mr. Williams received payment of his base salary and any unpaid vacation time and unreimbursed business expenses through the termination date. Mr. Williams remains subject to post-employment restrictive covenants in favor of the Company, including certain non-competition restrictions for six (6) months post-termination of employment, certain non-solicitation restrictions for eighteen (18) months post-termination of employment, and four year post-employment cooperation provision.

Summary of Termination Payments

The following table sets forth amounts of compensation that would have been paid to Messrs. Asali, Maura and Nicholson if their employment was terminated without Cause or for Good Reason. The amounts shown assume that such termination was effective as of September 30, 2016.

As discussed above, Mr. Williams is not included in the summary table below because he was no longer employed on September 30, 2016 and received the amounts described above under the heading "Williams Retention Agreement." Newly elected directors are only entitled to receive the annual equity award in the first fiscal year commencing immediately following the date such newly elected director becomes a member of the Board. Item 13. Certain Relationships and Related Transactions, and Director Independence

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Our Board has adopted a Statement of Policy with Respect to Related Party Transactions (the “Related Party Transactions Policy”). A “Related Party Transaction” is defined in the Related Party Transactions Policy as any financial transaction or any series of similar transactions in which we are a participant and in which a related person (i.e., a director, officer, beneficial owner of more than 5% of any class of our capital stock or a family member or controlling or controlled entity of the foregoing persons) has a direct or indirect interest, other than: (i) our payment of compensation to a related person for the related person’s service in the capacity that give rise to the person’s status as a “related person”; (ii) transactions available to all of our employees or all of our stockholders on the same terms; and (iii) transactions which, when aggregated with the amount of all other transactions between us and the related person, involve in a fiscal year the lesser of (a) \$100,000 or (b) 1% of the average of our total assets at year-end for the last two completed fiscal years. Pursuant to the Related Party Transaction Policy, the Related Party Transaction proposed to be entered into must be reported to our Board for review. In reviewing and determining whether to approve a proposed Related Party Transaction presented to our Board, the disinterested members of our Board will analyze such factors as they deem appropriate. We may only enter into a Related Party Transaction upon approval by our Board. Our Board may delegate its authority to review and approve Related Party Transactions to the Audit Committee, a special committee or other committee of our Board.

On March 18, 2014, HRG entered into the Letter Agreement with Leucadia (the “Letter Agreement”). The Letter Agreement was entered into in connection with the consummation of the transactions contemplated by that certain Preferred Securities Purchase Agreement, dated March 18, 2014 (the “PSPA”), by and among the Master Fund, Harbinger Capital Partners Special Situations Fund, L.P. and Global Opportunities Breakaway Ltd. (collectively, the “HCP Stockholders”) and Leucadia, pursuant to which Leucadia acquired, following receipt of regulatory approval, 23 million shares of Common Stock, at a price of \$11.00 per share of Common Stock, for an aggregate purchase price of \$253.0 million in cash. Pursuant to the Letter Agreement, Leucadia has designated two directors to HRG’s board. The Letter Agreement further provides, among other things, that without the prior approval of a majority of the directors on HRG’s Board (other than the Leucadia designees), Leucadia and its affiliates will not acquire additional shares or voting rights of HRG that would increase Leucadia’s beneficial ownership above 27.5% of the voting power of HRG’s outstanding securities. The Letter Agreement also restricts Leucadia’s and its affiliates’ ability to make certain proposals or solicit such proxies and limits their ability to sell Leucadia’s investment in HRG to counterparties who hold, or after giving effect to a sale would hold, in excess of 4.9% of HRG’s voting stock (subject to certain exceptions). Leucadia also agreed to vote in favor of the slate of directors nominated by a majority of HRG’s board (other than the Leucadia designees). The Letter Agreement expired by its terms on March 18, 2016. In connection with the March 2014 transaction with Leucadia, under the terms of an existing registration rights agreement, the HCP Stockholders transferred a portion of their rights under the registration rights agreement with respect to the shares underlying Leucadia’s Preferred Stock and HRG entered into a Registration Rights Acknowledgment among it, the HCP Stockholders and Leucadia acknowledging such transfer.

In Fiscal 2016, Jefferies, a wholly owned subsidiary of Leucadia, which through subsidiaries beneficially owns more than 10% of HRG’s outstanding shares of Common Stock, acted as one of the initial purchasers of Spectrum Brands’ offering of €425.0 million of its 4.00% Notes due 2026, for which Jefferies received \$0.3 million in discounts, commissions and reimbursements of expenses.

On October 7, 2015, FGL, entered into an engagement letter with Jefferies (the “Engagement Letter”) pursuant to which Jefferies agreed (on a non-exclusive basis) to provide financial advisory services to FGL in connection with a transaction involving a merger or other similar transaction with respect to at least a majority of the capital stock of FGL. HRG was also a party to the Engagement Letter. Under the Engagement Letter, Jefferies is entitled to receive a fee which represents a percentage of the value of the transaction, plus reimbursement for all reasonable out-of-pocket expenses incurred by Jefferies in connection with their engagement. FGL has also agreed to indemnify Jefferies for certain liabilities in connection with their engagement. HRG is required to reimburse FGL for compensation paid by FGL to Jefferies under certain circumstances. Specifically, if compensation to Jefferies becomes payable in respect of a transaction that involves a disposition of shares of FGL held by HRG (and not other stockholders of FGL), HRG will reimburse FGL for the full amount of such compensation. If compensation to Jefferies becomes payable in

respect of a transaction that involves a disposition of shares of FGL held by HRG and a disposition of not more than 50% of the shares of FGL held by stockholders of FGL other than HRG, HRG will reimburse FGL for its pro rata portion of such compensation (based on its relative number of shares compared to those held by stockholders of FGL other than HRG).

On October 9, 2015, HGI Funding entered into a Stock Purchase Agreement, by and among HGI Funding, HC2 Holdings, Inc. (“HC2”) and the purchasers party thereto, whereby HGI Funding sold its remaining equity interest in HC2 for an aggregate purchase price of \$35.1 million. Jefferies agreed to purchase 1.2 million shares in the transaction at a purchase price of \$7.50 per share. In addition, Mr. Falcone purchased through a Harbinger Capital entity 540,000 shares in the transaction at a purchase price of \$7.50 per share.

On October 23, 2015, Front Street Cayman sold bonds issued by Phoenix Life Insurance Company and received approximately \$14.0 million in aggregate proceeds from the sale. Jefferies acted as the principal in the transaction and received a customary fee.

FGL has invested in collateralized loan obligations (“CLOs”) issued by Fortress Credit Opportunities III CLO LP (“FCO III”) and also invested in securities issued by Fortress Credit BSL Limited (“Fortress BSL”). The collateral managers of both FCO III

and Fortress BSL are affiliates of funds managed by affiliates of Fortress. The CLOs had an aggregate total carrying value of \$203.2 million as of September 30, 2016.

Director Independence

The disclosure included in Item 10 of this Form 10-K/A under the heading “Corporate Governance - Director Independence” is incorporated by reference into this Item 13 of this Form 10-K/A.

Item 14. Principal Accounting Fees and Services

In accordance with Sarbanes-Oxley, the Audit Committee Charter provides that the Audit Committee of our Board has the sole authority and responsibility to pre-approve all audit services, audit-related tax services and other permitted services to be performed for the Company by our independent registered public accounting firm and the related fees. Pursuant to its charter and in compliance with rules of the SEC and Public Company Accounting Oversight Board (“PCAOB”), the Audit Committee has established a pre-approval policy and procedures that require the pre-approval of all services to be performed by the independent registered public accounting firm. The independent registered public accounting firm may be considered for other services not specifically approved as audit services or audit-related services and tax services, so long as the services are not prohibited by SEC or PCAOB rules and would not otherwise impair the independence of the independent registered public accounting firm. The Audit Committee has also delegated pre-approval to the Audit Committee Chairman to pre-approve audit services of up to \$200,000 and certain permitted non-audit services up to \$50,000 per engagement; however, any services pre-approved by the Audit Committee Chairman must be reported to the full Audit Committee at its next meeting.

The table below sets forth the professional fees we paid to our independent registered public accounting firm for professional services rendered for the Company, FS Holdco II Ltd. (excluding FGL), HGI Energy and HGI Funding. Professional fees paid for such services by our other reporting affiliates, FGL and its subsidiaries, Spectrum Brands and its subsidiaries and NZCH, are disclosed in such affiliates’ Annual Reports on Form 10-K or amendments thereto.
