REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the board of directors and shareholders of
La Fern, Inc. d/b/a
Leisure Link International,

We have audited the accompanying balance sheets of La Fern, Inc. d/b/a Leisure Link International as of December 31, 2005 and 2004 and the related statements of operations, changes in stockholders' deficit and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of La Fern, Inc. d/b/a Leisure Link International for December 31, 2005 and 2004 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

La Fern, Inc. d/b/a
Leisure Link International

NOTES TO FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Edgar Filing: ONLINE VACATION CENTER HOLDINGS CORP - Form 8-K/A

Company Background

La Fern Inc. (the Company), a Florida corporation founded in 1998, conducts business under its Leisure Link International brand and the related internet website, eLeisureLink.com. Its primary role is as a travel agency, whereby the Company provides travel services such as vacation packages, hotel rooms, airfare, rental cars, and cruises at discounted prices. The company's mission is to provide uniquely valuable vacations in a friendly and convenient manner, offer a one-stop location for the world's greatest vacation values in a convenient and leisurely manner, and to eliminate the need to shop around for discount vacations by providing the foremost site for value travel in a convenient and leisurely manner. Customers can utilize the Company's services either through the website or via telephone.

Revenue Recognition

The Company presents revenue in accordance with the provision of Staff Accounting Bulletin (SAB) No. 104 "Revenue Recognition in Financial Statements", which states that revenue is realized or realizable and earned when all of the following criteria are met: Persuasive evidence of an arrangement exists, delivery has occurred or services have been rendered, the seller's price to the buyer is fixed or determinable, and collectibility is reasonably assured. In addition, the Company also presents revenue in accordance with Emerging Issues Task Force (EITF) Issue No. 99-19, "Reporting Revenue Gross as a Principal versus Net as an Agent", which includes the weighing of the relevant qualitative factors regarding the Company's status as a primary obligor and the extent of their pricing latitude.

The primary source of the Company's revenue is commissions earned on the sale of vacation packages, hotel rooms, airfare, rental cars, and cruises for suppliers of these products. The method of net revenue presentation does not impact operating profit, net income, earnings per share or cash flows. Based upon the Company's evaluation of sales transactions and in accordance with the various indicators identified in EITF Issue No. 99-19, the Company's suppliers assume the majority of the business risks such as providing the service and the risk of unsold travel packages. As such, these sales transactions are to be recorded at the net amount, which is the amount charged to the customer less the amount to be paid to the supplier. Sales transactions are billed to customers at the time of booking, however revenue is not recognized on the accompanying financial statements until the customer's travel departure.

6

La Fern, Inc. d/b/a
Leisure Link International

NOTES TO FINANCIAL STATEMENTS

For select products, the Company pre-purchases travel products and resells it to consumers. The Company's evaluation of sales transactions and in accordance with the various indicators identified in EITF Issue No. 99-19, the Company assumes the majority of the business risks, such as the risk of unsold travel packages. As such, all sales transactions for these select products are to be recorded at the gross amount, with the cost of the travel packages recorded as cost of sales. Sales transactions are billed to customers at the time of booking, however revenue is not recognized on the accompanying financial statements until the customer's travel departure.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure at the date of the financial statements and during the reporting period. The most significant of the estimates relates to third-party payer contractual allowances and the allowance for doubtful accounts. It is reasonably possible that these estimates will change in the near term due to one or more future confirming events. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. At December 31, 2005 and 2004 cash and cash equivalents include cash on hand and cash in the bank.

Commissions Receivable

Suppliers generally pay commissions between 60 days before to 90 days after travel has commenced and overrides in the first quarter following the year earned. The Company determines its allowance by considering a number of factors, including the length of time trade accounts receivable are past due, the Company's previous loss history, the specific supplier's current ability to pay its obligation to the Company and the condition of the general economy and the industry as a whole. Based on the above factors, the Company has made no allowance for doubtful accounts as of December 31, 2005 and 2004 as all amounts are considered fully collectible.

La Fern, Inc. d/b/a
Leisure Link International

NOTES TO FINANCIAL STATEMENTS

Property and Equipment

Property and equipment are recorded at cost and depreciation is provided using the straight-line method over the estimated useful lives of the assets.

Major replacements and betterments are capitalized and depreciated over the remaining useful lives of the assets.

Income Taxes

Federal and state income tax regulations do not require a Sub Chapter S Corporation to pay income taxes. Rather each member's allocable share of the Company's profit or loss is reported in each member's individual income tax return. Accordingly, no provision or liability for income taxes is reflected in the accompanying financial statements.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to

Edgar Filing: ONLINE VACATION CENTER HOLDINGS CORP - Form 8-K/A

concentrations of credit risk consist principally of commissions receivable.

Impairment of Long-lived Assets

The Company reviews long-lived assets for impairment whenever circumstances and situations change such that there is an indication that the carrying amounts may not be recovered. At December 31, 2005 and 2004 the Company believes that there has been no impairment of its long-lived assets.

Fair Value of Financial Instruments

The Company's financial instruments include cash and commissions receivable. The carrying amount of these financial instruments has been estimated by management to approximate fair value.

Earnings Per Share

Basic earnings per share is computed by dividing net income available to common shareholders by the weighted average number of common shares outstanding during the period. Diluted earnings per share reflects the potential dilution that could occur if stock options and other commitments to issue common stock were exercised or equity awards vest resulting in the issuance of common stock that could share in the earnings of the Company.

NOTES TO FINANCIAL STATEMENTS

Recent Accounting Pronouncements

Share-Based Payment

In December 2004, the FASB issued SFAS No. 123 (revised 2004), "Share--Based Payment" (SFAS No. 123(R)). This statement is a revision of SFAS No. 123, "Accounting for Stock--Based Compensation," and supersedes APB Opinion No. 25, "Accounting for Stock Issued to Employees," and its related implementation guidance. In March 2005, the Securities and Exchange Commission (SEC) issued Staff Accounting Bulletin (SAB) No. 107, which expresses the staff's views on interactions between SFAS No. 123(R) and certain SEC rules and regulations and provides interpretations of the valuation of share-based payments for public companies. SFAS No. 123(R) will require the Company to measure all stock-based compensation awards using a fair value method and record such expense in its consolidated financial statements. In addition, the adoption of SFAS No. 123(R) will require additional accounting related to the income tax effects and additional disclosure regarding the cash flow effects resulting from share-based payment arrangements. In April 2005, the SEC extended the effective date for SFAS No. 123(R), and the statement is effective as of January 1, 2006 for The Company. The Company does not believe the adoption of SFAS No. 123(R) will have a material impact on its financial statements.

Conditional Asset Retirement

In March 2005, the FASB issued FASB Interpretation (FIN) No. 47 -

Edgar Filing: ONLINE VACATION CENTER HOLDINGS CORP - Form 8-K/A

"Accounting for Conditional Asset Retirement Obligations - an Interpretation of SFAS 143 (FIN No. 47). FIN No. 47 clarifies the timing of liability recognition for legal obligations associated with the retirement of a tangible long-lived asset when the timing and/or method of settlement are conditional on a future event. FIN No. 47 is effective no later than December 31, 2005. FIN No. 47 did not impact the Company for the year ended December 31, 2005.

Accounting Changes and Error Corrections

In May 2005, the FASB issued SFAS No. 154, "Accounting Changes and Error Corrections." This statement replaces APB Opinion No. 20, "Accounting Changes", and SFAS No. 3, "Reporting Accounting Changes in Interim Financial Statements," and changes the requirements for the accounting for and reporting of a change in accounting principle. This statement applies to all voluntary changes in accounting principles. It also applies to changes required by an accounting pronouncement in the

La Fern, Inc. d/b/a
Leisure Link International

NOTES TO FINANCIAL STATEMENTS

unusual instance that the pronouncement does not include specific transition provisions. When a pronouncement includes specific transition provisions, those provisions should be followed. SFAS No. 154 requires retrospective application to prior periods' financial statements of voluntary changes in accounting principles. SFAS No. 154 is effective for accounting changes and corrections of errors made during 2007, beginning on January 1, 2007. The Company does not believe the adoption of SFAS No. 154 will have a material impact on its financial statements.

Inventory Cost

In November 2004, the FASB issued SFAS No. 151, "Inventory Costs--an Amendment of ARB No. 43, Chapter 4." SFAS No. 151 amends Accounting Research Bulletin ("ARB") No. 43, Chapter 4, to clarify that abnormal amounts of idle facility expense, freight, handling costs, and wasted materials (spoilage) should be recognized as current-period charges. In addition, this statement requires that allocation of fixed production overheads to the costs of conversion be based on the normal capacity of the production facilities. The provisions of this statement are effective for inventory costs incurred beginning in The Company's first quarter of 2006. The Company does not believe that the adoption of SFAS No. 151 will have a material impact on its financial statements.

NOTE 3. DEFERRED REVENUE

Deferred revenue consists of sales commission received from vacation travel suppliers in advance of passenger travel dates, net of cancellations. The advance sales commission is considered unearned revenue and recorded as deferred revenue in the accompanying balance sheets. At December 31, 2005 and 2004, deferred revenues were \$117,769 and \$78,475, respectively.

NOTE 4. SUBSEQUENT EVENTS

Subsequent to December 31, 2005, the Company was acquired by Online Vacation Center Holdings Corp. ("OVCH") on October 3, 2006. The Company will become a wholly owned subsidiary of OVCH and continue its operations as such.
