Item 1.01 Entry into a Material Definitive Agreement.

On September 27, 2005, we entered into a Product Supplement/Award Letter with Sun Microsystems, Inc. and Sun Microsystems International B.V. (collectively, Sun), pursuant to our Product Purchase Agreement with Sun, dated May 24, 2002, as amended. The Award Letter adds certain new disk array controller and chassis products to the Product Purchase Agreement so that Sun may obtain these products from us on the terms contained in the Product Purchase Agreement. This award is based on the RAID controller technology that we acquired in our acquisition of Chaparral Network Storage, Inc. in February 2004. The Award Letter provides for the option of an alternative supply chain model for delivery and sale of such products and sets forth a methodology to share cost reductions we may achieve for these products. The Award Letter also permits Sun to obtain Embedded Management Controller and Embedded Storage Controller software, including Data Management Services, from us, subject to Sun's payment to us of applicable license fees.
