Safe Harbor

It should be noted that certain statements herein which are not historical facts, including, without limitation, those regarding: A) benefits of the proposed merger, synergies of the proposed acquisition, and other matters that involve known and unknown risks; B) uncertainties and other factors that may cause actual results, levels of activity, performance or achievements to differ materially from results expressed or implied by this press release; and C) statements preceded by believe, expect, anticipate, foresee, target, designed, may, enhance, will, extend, provide support, provide growth potential or similar expressions are forward-looking statements. Because these statements involve risks and uncertainties, actual results may differ materially from the results that we currently expect. Factors that could cause these differences include, but are not limited to: 1) difficulties encountered in integrating Intellisync, its products and its employees into Nokia and achieving expected synergies; 2) uncertainties as to the timing of the merger; 3) approval of the transaction by Intellisync's stockholders; 4) the satisfaction of closing conditions to the transaction, including the receipt of regulatory approvals; 5) whether certain market segments grow as anticipated; 6) the competitive environment in the mobile communications industry and competitive responses to the proposed merger; 7) whether the companies can successfully develop new products and the degree to which these gain market acceptance as well as 8) the risk factors specified on pages 12-22 of Nokia's Form 20-F for the year ended December 31, 2004 under Item 3.D Risk Factors. and Intellisync's most recent Form 10-K filed with the Securities and Exchange Commission.

Nokia and Intellisync undertake no obligation and do not intend to update these forward-looking statements to reflect events or circumstances occurring after this press release. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this press release. All forward-looking statements are qualified in their entirety by this cautionary statement.

Additional information and where to find it

Intellisync has agreed to file a proxy statement in connection with the proposed acquisition. The proxy statement will be mailed to the stockholders of Intellisync. Intellisync's stockholders are urged to read the proxy statement and other relevant materials when they become available because they will contain important information about the acquisition and Intellisync. Investors and security holders may obtain free copies of these documents (when they are available) and other documents filed with the Securities and Exchange Commission (the SEC) at the SEC's web site at www.sec.gov. In addition, investors and security holders may obtain free copies of the documents filed with the SEC by Intellisync by going to Intellisync's Investor Relations page on its corporate website at www.Intellisync.com.

In addition, Intellisync and its officers and directors may be deemed to be participants in the solicitation of proxies from Intellisync's stockholders with respect to the acquisition. A description of any interests that Intellisync's officers and directors have in the acquisition will be available in the proxy statement. In addition, Nokia may be deemed to be participating in the solicitation of proxies from Intellisync's stockholders in favor of the approval of the acquisition. Information concerning Nokia's directors and executive officers is set forth in Nokia's 2004 annual report on Form 20-F filed with the SEC on March 8, 2005. This document is available free of charge at the SEC's web site at www.sec.gov or by going to Nokia's Investor Relations page on its corporate website at www.nokia.com.
