## Edgar Filing: SI INTERNATIONAL INC - Form 8-K

Barbara M. Reed and Cindy Andre (the Sellers ). The terms of the Agreement provide that SI International will acquire all of the outstanding capital stock of Zen Technology for \$60 million in cash, of which \$6 million will be held back by *SI International* for 15 months after closing in order to secure post-closing indemnity obligations of the Sellers. The purchase price is subject to a two-way adjustment based upon whether the working capital of Zen Technology at the closing of the acquisition is above or below the target working capital specified in the Agreement. Each of the parties to the Agreement has made customary representations

and warranties and agreed to certain indemnification obligations. The Agreement also contemplates a non-competition covenant agreed to by each of the Sellers and a post-closing consulting relationship between SI International and each of Mr. Reed, Ms. Butler and Ms. Andre.

SI International's February 27, 2006 press release announcing the closing of the acquisition of Zen Technology is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The press release filed herewith contains various remarks about the future expectations, plans and prospects of SI International, Inc. that constitute forward-looking statements for purposes of the safe harbor provisions under The Private Securities Litigation Reform Act of 1995. The actual results of SI International may differ materially from those indicated by these forward-looking statements as a result of various risks and uncertainties, including the following risks and uncertainties that relate specifically to the acquisition: (i) the risk that the Zen Technology businesses will not be integrated successfully into SI International; (ii) the risk that the expected benefits of the acquisition may not be realized, including the realization of accretive effects from the acquisition and cross-selling opportunities; and (iii) SI International's increased indebtedness after the acquisition. Other non-acquisition related risks and uncertainties include: differences between authorized amounts and amounts received by SI International under government contracts; government customers' or prime contractor's failure to exercise options under contracts; changes in Federal government (or other applicable) procurement laws, regulations, policies and budgets; SI International's ability to attract and retain qualified personnel; and the important factors discussed in the Risk Factors section of the annual report on Form 10-K filed by SI International, Inc. with the Securities and Exchange Commission and available directly from the Commission at [www.sec.gov](http://www.sec.gov).

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
