PLAN OF DISTRIBUTION

We are registering shares of common stock on behalf of the selling shareholders and we anticipate keeping this registration statement effective for a period of up to two years from its effective date. Selling shareholders includes donees, pledges, transferees or successors-in-interest selling securities received from a named selling shareholders as a gift, pledge or other non-sale related transfer after the date of this prospectus. All costs, expenses and fees, including brokerage commissions and similar selling expense, if any, in connection with the sale of shares will be borne by the selling shareholders.

The selling shareholders have advised us that the shares may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market prices, at varying prices determined at the time of sale and/or at negotiated prices. These sales may be effected at various times in one or more transactions, which may include:

unsolicited brokers transactions and transactions in which the broker-dealer solicits purchasers;

transactions involving cross or block trades or otherwise on the Nasdaq Stock Market or any other stock exchange, market or trading facility on which the shares are traded;

transactions otherwise than on the Nasdaq Stock Market or any other stock exchange, market (including the over-the-counter market) or trading facility on which the shares are traded;

transactions in which brokers, dealers or underwriters purchase the shares for resale;

transactions at the market to or through market makers of our common stock or into an existing market for our common stock;

transactions not involving market makers or established trading markets, including direct sales of the shares to purchasers or sales through agents;

privately negotiated transactions;

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

an exchange distribution or secondary distribution in accordance with the rules of the applicable exchange;

short sales;

a combination of any such methods of sale; or

any other method permitted pursuant to applicable law.

In addition, the selling shareholders may also enter into hedging and/or other monetization transactions. For example, the selling shareholders may:

enter into transactions with a broker-dealer or affiliate of a broker-dealer or other third party in connection with which that other party will become a selling shareholder and engage in short sales of our common stock under this prospectus, in which case the other party may use shares of our common stock received from the selling shareholders to close out any short positions;

itself sell short our common stock under this prospectus and use shares of our common stock held by it to close out any short positions;

engage in short sales against the box (i.e. when the seller owns securities that are the same as, or substantially identical to, securities borrowed and sold short), puts and calls and other transactions in our securities or derivatives of our securities and may sell or deliver shares in connection with these trades;

enter into options, forward contracts or other transactions that require the selling shareholders to deliver, in a transaction exempt from registration under the Securities Act, our common stock to

a broker-dealer or an affiliate of a broker-dealer or other third party who may then become a selling shareholder and publicly resell or otherwise transfer our common stock under this prospectus; or

loan or pledge our common stock to a broker-dealer or client of a broker-dealer or other third party who may then become a selling shareholder and sell the loaned shares or, in an event of default in the case of a pledge, become a selling shareholder and sell the pledged shares, under this prospectus.

The selling shareholders have advised us that they have not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of their shares, nor is there an underwriter or coordinating broker acting in connection with the proposed sale of shares by the selling shareholders.

The selling shareholders may sell shares directly to purchasers or to or through underwriters or broker-dealers, who may act as agents or principals. The underwriters or broker-dealers may receive compensation in the form of discounts, concessions or commissions from the selling shareholders and/or the purchasers of shares for whom the underwriters or broker-dealers may act as agents or to whom they sell as principal, or both. The amount and form of compensation for these services will be determined by the selling shareholders and the purchaser or purchasers, and may be in excess of customary commissions.

Any underwriters or broker-dealers that act in connection with the sale of shares may be characterized as underwriters within the meaning of the Securities Act of 1933, and any commissions received by these underwriters or broker-dealers and any profit on the resale of the shares sold by them while acting as principals might be deemed to be underwriting discounts or commissions under the Securities Act. The selling shareholders may agree to indemnify any underwriter, agent, or broker-dealer (if any) that participates in transactions involving sales of the shares against specified liabilities, including liabilities arising under the Securities Act.

The selling shareholders will be subject to the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the Nasdaq National Market System pursuant to Rule 153 under the Securities Act. We have informed the selling shareholders that the anti-manipulative provisions of Regulation M of the Exchange Act of 1934 may apply to their sales in the market.

If the selling shareholders notify us of any material arrangement entered into with an underwriter or broker-dealer for the sale of shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, under Rule 424(b) under the Securities Act, disclosing

the name of each such selling shareholder and of the participating underwriter or broker-dealer;

the number of shares involved;

the price at which the shares were sold;

the commissions paid or discounts or concessions allowed to the underwriter or, broker-dealer; and

other facts material to the transaction.

In addition, if we are notified by a selling shareholder that a donee, pledgee, transferee or other successor-in-interest intends to sell the shares of common stock under this prospectus, a supplement or an amendment to this prospectus will be filed.

There can be no assurance that the selling shareholders will sell all or any of the shares of common stock pursuant to this prospectus. In addition, any common stock covered by this prospectus that qualifies for sale pursuant to an exemption from the registration requirements of the Securities Act may be sold pursuant to that exemption, including sales under Rule 144 (provided they meet the criteria and conform to the requirements of that rule), rather than under this prospectus. The common stock may be sold in some states only through registered or licensed brokers or dealers. In addition, in some states the shares of common stock may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification is available and complied with.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Equity Sales and Related Transactions Zumiez Holdings LLC

In October and November 2002, we entered into a series of transactions with the certain affiliates of Brentwood Private Equity III, LLC, a private equity firm (the Brentwood Affiliates) and certain of our shareholders (these transactions are referred to as the 2002 Recapitalization). As part of the 2002 Recapitalization, we entered into a contribution agreement, or the Contribution Agreement, and certain other agreements, pursuant to which Zumiez Holdings LLC, a Delaware limited liability company, or Zumiez Holdings, was formed and substantially all of our then-outstanding shares of capital stock were contributed to Zumiez Holdings. In connection with the 2002 Recapitalization, we paid \$143,000 in fees on behalf of Zumiez Holdings. As a result of this and other payments, we had a receivable from Zumiez Holdings in the amount of \$149,000. This receivable was forgiven in the six months ended July 30, 2005 on the dissolution of Zumiez Holdings after our initial public offering in May 2005 and recorded as selling, general and administrative expense. The initial members of Zumiez Holdings were Brentwood-Zumiez Investors, LLC, an entity controlled by the Brentwood Affiliates, Thomas D. Campion, our Co-Founder and Chairman, Richard M. Brooks, our President and Chief Executive Officer, and John G. Haakenson, our Co-Founder. In addition, Thomas E. Davin and William M. Barnum, Jr., each of whom is currently a member of our Board of Directors, were associated with the Brentwood Affiliates at the time of the 2002 Recapitalization and Mr. Barnum is currently associated with the Brentwood Affiliates. Pursuant to the terms of the Zumiez Holdings limited liability company agreement, or the Holdings LLC Agreement, the assets of Zumiez Holdings, which consisted solely of shares of our common stock, were distributed to the persons entitled thereto and Zumiez Holdings was dissolved at the time of our initial public offering. Prior to this distribution, Zumiez Holdings held approximately 95% of our outstanding shares of common stock.

Services Agreement

In connection with the 2002 Recapitalization, we entered into a Corporate Development and Administrative Services Agreement, dated November 4, 2002, or the Services Agreement, with Brentwood Private Equity III, pursuant to which we were obligated to pay Brentwood Private Equity III an annual consulting fee, the amount of which fee depended on our adjusted EBITDA, and to reimburse Brentwood Private Equity III for certain expenses. For fiscal 2002, 2003 and 2004 and the six months ended July 30, 2005, we paid Brentwood Private Equity III consulting fees of \$31,000, \$200,000, \$200,000 and \$53,000, respectively, under the Services Agreement. We were also obligated under the Services Agreement to pay Brentwood Private Equity III an advisory fee based upon: (1) the aggregate consideration paid by us (A) in connection with an acquisition of all or substantially all of the capital stock, business or assets of another individual or business entity and (B) in connection with any joint venture or minority investment and (2) the amount of any equity interest or similar securities issued by us with the assistance of Brentwood Private Equity III. We were not obligated to pay Brentwood Private Equity III any fees pursuant to clause (2) of the preceding sentence, or any additional advisory or other fees, under the Services Agreement in connection with our initial public offering. The Services Agreement terminated upon the consummation of our initial public offering in May of 2005. The terms of the Services Agreement were negotiated in connection with the 2002 Recapitalization and such negotiations were conducted on an arms-length basis.

Expense Agreement

In connection with the 2002 Recapitalization, we entered into an Expense Agreement, dated November 4, 2002, or the Expense Agreement, with Zumiez Holdings pursuant to which we were obligated to reimburse Zumiez Holdings, or such other parties as Zumiez Holdings designated, for reasonable expenses incurred in connection with facilitating investments in us. The Expense Agreement terminated upon the consummation of our initial public offering in May of 2005. The terms of the Expense Agreement were negotiated in connection with the 2002 Recapitalization and such negotiations were conducted on an arms-length basis.

Section 23B.08.560 of the WBCA authorizes a corporation to agree to so indemnify and obligate itself to advance or reimburse expenses without regard to the limitations of Section 23B.08.510 through 23B.08.550 of the WBCA; provided, however, that no such indemnity shall be made for or on account of any:

intentional misconduct or a knowing violation of law, (2) conduct violating Section 23B.08.310 of the WBCA (which section relates to unlawful distributions) or (3) any transaction from which the director will personally receive a benefit in money, property or services to which the director is not legally entitled.

II-1

Our articles of incorporation provide that we shall indemnify our directors to the fullest extent permitted by the WBCA, subject to exceptions, and require that we advance expenses for such persons pursuant to our bylaws or a separate directors resolution or contract. The bylaws provide that we shall indemnify our directors, officers and employees to the fullest extent permitted by applicable law, and also provide that we may indemnify our agents. Our bylaws also provide that we may, or in certain cases must, provide advances for expenses to such indemnified individuals who are parties to such a proceeding. Our articles of incorporation provide that a director shall not be personally liable to us or to any of our shareholders for monetary damages for conduct as a director, subject to the limitations set forth in our articles of incorporation. Our bylaws also provide that we may maintain, at our expense, insurance to protect us and an indemnified director, officer, employee or agent against any liability, whether or not we would have the power to indemnify such director, officer, employee or agent against the same liability under Sections 23B.08.510 or 23B.08.520 of the WBCA.

We have entered into separate indemnification agreements with each of our directors and officers to effectuate the provisions discussed above and to purchase director and officer liability insurance. The effect of such provisions is to indemnify our directors and officers against all costs, expenses and liabilities incurred by them in connection with any action, suit or proceeding to which they are involved by reason of their affiliation with us to the fullest extent permitted by law.

(i) Include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) Reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effect amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) Include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

II-2

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) of this chapter) that is part of the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of

the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
