It is expected that this Proxy Statement and the enclosed form of Proxy will be mailed to stockholders commencing September 22, 2006.

GENERAL INFORMATION

The holders of outstanding shares of Common Stock and Preferred Stock of the Company at the close of business on August 18, 2006 are entitled to notice of and to vote at the Annual Meeting. The presence in person or by proxy of persons entitled to vote a majority of the issued and outstanding shares of each class of stock entitled to vote will constitute a quorum for the transaction of business at the meeting. As of August 18, 2006, there were 16,804,960 shares of Common Stock outstanding and 437 shares of Preferred Stock outstanding.

Generally, holders of Common and Preferred Stock each vote separately as a class with respect to each matter that the class is authorized to vote on, with each share of stock in each class being entitled to one vote. In connection with the election of directors, the holders of Common Stock are entitled to vote on the election of Group A directors and the holders of Preferred Stock are entitled to vote on the election of Group B directors. The candidates for office who receive the highest number of votes will be elected. Both classes of stock are entitled to vote separately upon the proposal for the approval of the Company's Non-Employee Directors Restricted Stock Plan. The affirmative vote of the holders of a majority of the shares of Preferred Stock and of the holders of a majority of the shares of Common Stock present in person or by proxy at the meeting and entitled to vote thereat is required for approval of the Non-Employee Directors Restricted Stock Plan. Although no other proposals are scheduled to come before the meeting, the affirmative vote of the holders of a majority of the shares of Preferred Stock and of the holders of a majority of the shares of Common Stock present in person or by proxy at the meeting and entitled to vote thereat (or such higher voting requirement as may be specified by law or the Company's Amended and Restated Articles of Incorporation) is required for approval of other proposals.

With respect to shares relating to any Proxy as to which a broker non-vote is indicated on a proposal, those shares will not be considered present and entitled to vote with respect to any such proposal. With respect to any matter brought before the Annual Meeting requiring the affirmative vote of a majority or other proportion of the outstanding shares of a class, an abstention or non-vote will have the same effect as a vote against the matter being voted upon.

Any stockholder giving a Proxy may revoke it at any time prior to its use by executing a later dated Proxy or by filing a written revocation with the Secretary of the Company. A stockholder may also revoke a Proxy by appearing at the meeting and voting by written ballot. The members of these committees throughout the last fiscal year were as follows: Audit Review Committee John E. Byom (Chairman), Michael Braude, Gary Gradinger, Linda E. Miller, Daryl R. Schaller and John R. Speirs; Nominating Committee John R. Speirs (Chairman), John E. Byom and Gary Gradinger; Human Resources and Compensation Committee Daryl R. During the fiscal year ended June 30, 2006, the Board met 5 times, the Audit Review Committee met 5 times, the Human Resources Committee met 5 times and the Nominating Committee met 3 times. Each director attended at least 75% of the meetings of the Board and the Committees of which the director was a member.

Audit Review Committee. The Audit Review Committee reviews the process involved in the preparation of the Company's annual audited financial statements and appoints a firm of independent public accountants to serve as independent auditor and to conduct that audit and review the Company's quarterly financial statements. It also reviews and makes recommendations with regard to the process involved in the Company's implementation of its conflict of interest and business conduct policy and is responsible for establishing and monitoring compliance under the code of ethics applicable to the chief executive and financial officers. In connection with this work, the Committee annually reviews: (a) the adequacy of the Audit Review Committee's written charter that has been adopted by the Board of Directors; (b) the independence and financial literacy of each member of the Audit Review Committee; (c) the plan for and scope of the annual audit; (d) the services and fees of the independent auditor; (e) certain matters relating to the independence of the independent auditor; (f) certain matters required to be discussed with the independent auditor relative to the quality of the Company's accounting principles; (g) the audited financial statements and results of the annual audit; (h) recommendations of the independent auditor with respect to internal controls and other financial matters; (i) significant changes in accounting principles that are brought to the attention of the Committee; and (j) various other matters that are brought to the attention of the Committee.

The Board of Directors has determined that John E. Byom is an audit committee financial expert, as defined in Item 401(h) of SEC Regulation S-K. The Board has determined that Mr. Byom is independent, as independence for audit committees is defined in the applicable listing standards of the NASDAQ National Stock Market. Under SEC regulations, a person who is determined to be an audit committee financial expert will not be deemed an expert for any purpose, including without limitation for purposes of section 11 of the Securities Act of 1933. Further, the designation or identification of a person as an audit committee financial expert does not impose any duties, obligations or liability on such person that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and board of directors in the absence of such designation or identification and does not affect the duties, obligations or liability of any other member of the audit committee or board of directors.

The Board has determined that each member of the Audit Review Committee is independent, as independence for audit committees is defined in the applicable listing standards of the NASDAQ National Stock Market. The Board of Directors has adopted a written charter for the Audit Review Committee.

The information in or referred to in the foregoing paragraph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Human Resources and Compensation Committee. The Human Resources and Compensation Committee recommends to the Board of Directors the compensation of the Chief Executive Officer and other executive officers of the Company. The Committee approves a bonus system for various key employees and reviews the scope and type of compensation plans for management personnel. The Committee administers the Company's 1996, 1998 and 2004 Stock Incentive Plans and the Directors' Stock Option Plans, and also serves as an executive search committee. Each of the members of the Human Resources and Compensation Committee is independent, as defined in the listing standards of the National Association of Securities Dealers applicable to compensation committees.

Nominating Committee. The purposes of the Nominating Committee are to recommend to the Board the qualifications for new director nominees, candidates for nomination and policies concerning compensation and length of service. The Nominating Committee has a charter, a copy of which is available to stockholders on the company's website at www.mgpingredients.com. Each of the members of the Nominating Committee is independent, as defined in the listing standards of the NASDAQ National Stock Market applicable to nominating committees.

In identifying nominees for the Board of Directors, the Nominating Committee relies on personal contacts of the committee members and other members of the Board of Directors and management. The Nominating Committee will also consider candidates recommended by stockholders in accordance with its policies and procedures. However, the Nominating Committee may choose not to consider an unsolicited candidate recommendation if no vacancy exists on the Board. The Nominating Committee may, in its discretion, use an independent search firm to identify nominees.

The Nominating Committee believes each candidate for the Board should be a person known for his or her integrity and honesty and should have, by education or experience, knowledge or skills which may be helpful to the Board in exercising its oversight responsibilities. A sufficient number of Board members must meet the tests for independence set forth in the applicable listing standards of the NASDAQ National Stock Market and Section 10A of the Exchange Act to permit the Company to satisfy applicable NASDAQ and legal requirements. The Committee also believes it is desirable for at least one Board member to be an audit committee financial expert, as defined in Rule 401(h) of Regulation S-K. In considering candidates, the Committee may take into account other factors as it deems relevant.

In evaluating potential nominees, the Nominating Committee determines whether the nominee is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. The Nominating Committee will conduct a check of the individual's background and

will conduct personal interviews before recommending any candidate to the Board. The Nominating Committee in its sole discretion may require candidates (including a stockholder's recommended candidate) to complete a form of questionnaire to elicit information required to be disclosed in the Company's proxy statement.

Stockholders who wish to recommend candidates for consideration by the Nominating Committee in connection with next year's annual meeting should submit the candidate's name and related information in writing to the chairperson of the Nominating Committee in care of the Company's Secretary, at 1300 Main, P.O. Box 130, Atchison, Kansas, 66002, on or before May 25, 2007. In addition to the name of the candidate, a stockholder should submit

- his or her own name and address as they appear on the Company's records;
- if not the record owner, a written statement from the record owner of the shares that verifies the recommending stockholder's beneficial ownership and period of ownership and that provides the record holder's name and address as they appear on the Company's records;
- a statement disclosing whether such recommending stockholder is acting with or on behalf of any other person, entity or group and, if so, the identity of such person, entity or group;
- the written consent of the person being recommended to being named in the proxy statement as a nominee if nominated and to serving as a director if elected;
- pertinent information concerning the candidate's background and experience, including information regarding such person required to be disclosed in solicitations of proxies for election of directors under Regulation 14A of the Securities Exchange Act of 1934, as amended.

PERFORMANCE OF THE COMPANY'S COMMON STOCK

The stock performance graph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The following performance graph compares the performance of the Company's Common Stock during the period beginning June 30, 2001 and ending June 30, 2006, to the Center for Research in Security Prices of the University of Chicago Graduate School of Business (CRSP) index for the NASDAQ Stock Market (the NASDAQ COMPOSITE index consisting of US companies) and a peer group CRSP index consisting of active NASDAQ stocks of US processors of food and kindred products having SIC codes between 2000 - 2099 (the NASDAQ Food index) for the same period. The number of companies in the NASDAQ Food index varies from period to period but consisted of 34 companies at the end of June 2006. The graph assumes a \$100 investment in the Company's Common Stock and in each of the indexes at the beginning of the period and a reinvestment of dividends paid on such investments throughout the period.

REPORT OF THE HUMAN RESOURCES AND COMPENSATION COMMITTEE

The report of the Human Resources and Compensation Committee of the Board of Directors shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Human Resources and Compensation Committee Interlocks and Insider Participation. Executive compensation is based primarily upon recommendations made to the Board of Directors by the Company's Human Resources and Compensation Committee (the Committee). The Committee for the year ended June 30, 2006, consisted of Daryl R. Schaller, Ph.D. (Chairman), Michael Braude, John E. Byom, Gary Gradinger, Linda E. Miller and John R. Speirs. All of the members of the Committee are non-employee directors of the Company. The Committee recommends to the Board of Directors compensation and compensation plans for the Chief Executive Officer and other executive officers. The recommendations are acted upon by the full board, which includes Messrs. Seaberg and Schrick, who are two of the five highest paid officers of the Company.

This report is provided by the Committee to assist stockholders in understanding the Committee's philosophy in establishing the compensation of the Chief Executive Officer and all other Executive Officers of the Company for the year ended June 30, 2006.

Compensation Philosophy. Historically, executive compensation has been designed to link rewards with business results and stockholder returns consistent with (a) the executive's level of responsibility, (b) compensation paid to the executive in the prior year, (c) the Company's performance for the year and the prior year, (d) the executive's individual performance for the year and the prior year, (e) salary levels for executives in comparable positions in comparable enterprises, (f) inflation, and (g) a variety of other factors. The components of Executive Compensation which reflect this philosophy may consist of (i) annual base salary, (ii) annual cash bonuses, (iii) annual stock bonuses, (iv) stock options or other stock incentives, and (v) equity-based retirement compensation, which is reflected in the Company's Employee Stock Ownership Plan and 401(k) Plan. In formulating its compensation recommendations, the Committee considered information and recommendations provided by management and by Arthur J. Gallagher & Company, a nationally known and recognized firm of management consultants.

Base Salary. The past practice of the Committee has been to establish base salaries of all executives prior to the beginning of the fiscal year based on the various factors described in the preceding paragraph. In fiscal 2006, the Committee set base salaries of the named executive officers at the levels indicated in the Summary Compensation Table to keep salary levels reasonably consistent with inflation and salary levels for executives in comparable positions in comparable enterprises. These amounts were based in large part on studies conducted by Arthur J. Gallagher & Company.

Annual Cash Bonuses. For fiscal 2006, the Committee determined that each officer would have an opportunity to receive a cash bonus equal to a percentage of base salary ranging from a minimum of 30% at target level performance to 80% at maximum level performance (50% to 100% in the case of the Chief Executive Officer), depending upon position and the extent to which certain Company performance measures were met. The Company's performance measures were met and bonuses were paid under this program with respect to fiscal 2006.

The Committee has authorized a \$50,000 bonus pool that may be paid, based upon the recommendation of the Chief Executive Officer, to reward superior performance by any employee of the Company other than the CEO. This bonus pool was utilized in fiscal 2006.

Stock Incentives. The Committee recognizes the need to provide medium term incentives for the retention and motivation of Senior Executives, consistent with the desire to conserve cash. From 1996 through fiscal 2003, the Committee granted stock options to Senior Executives on an annual basis. In fiscal 2004, after consultation with Pearl Meyer & Partners, a compensation consultant, the Committee determined to award

performance accelerated restricted shares instead of stock options with a view to, among other matters, promoting increased financial performance over the long-term, increasing management ownership of stock so as to better motivate performance and matching of management and stockholder interests. Restricted shares were awarded in fiscal 2004, 2005 and 2006 based on salary levels of recipients and generally will vest after seven years, subject to accelerated vesting in three years if the Company meets a specified earnings per share performance target set by the Committee. All options and restricted share awards were granted under stock incentive plans approved by stockholders.

Equity Based Retirement Compensation. The final component of executive compensation consists of equity based retirement compensation through participation in the Company's employee stock ownership plans for salaried and certain hourly employees (Salaried ESOP) and 401(k) Plan. The amount of the Company's contributions to the Salaried ESOP and the 401(k) Plan is determined by the Board each year based upon the recommendation of the Committee. The Committee bases its recommendation primarily upon Company performance for the year.

Under the Salaried ESOP, amounts contributed by the Company are invested in shares of the Company's Common Stock. Shares purchased are allocated to participant accounts in proportion to the participant's eligible compensation (as defined). Generally, accounts are distributed to participants who have completed at least five years of service upon death, permanent disability or retirement. In fiscal 2006, the Company contributed an amount equal to 4-1/2% of eligible compensation for the Salaried ESOP. This is the same amount as in the prior year.

The Company has maintained a 401(k) Plan for the benefit of employees for several years but prior to fiscal 2001 had not made a contribution to it. During fiscal 2001, the Board determined to reduce the Company's contribution to the Salaried ESOP and to contribute an amount equal to the reduction to the 401(k) Plan. Five years service is required for full vesting in the amount of the Company contribution. In fiscal 2006, the Company contributed an amount equal to 4-1/2% of eligible compensation to the 401(k) Plan.

Compensation of the Chief Executive Officer for Fiscal 2006. All of the components of fiscal 2006 compensation of the Chief Executive Officer were determined in accordance with the criteria described above. Salary, bonus and restricted share awards to Mr. Seaberg for fiscal 2006 are as reported in the Compensation Table.

Impact of Internal Revenue Code Section 162(m). Under Section 162(m) of the Code, publicly held companies such as the Company may not deduct compensation paid to certain Executive Officers to the extent that an executive's compensation exceeds \$1,000,000 in any one year, unless such compensation is performance based. Because the company's incentive programs have a retention purpose as well as an incentive purpose, the Committee generally has not viewed it as practicable or in the Company's best interests to qualify compensation programs under 162(m).

This report is being made over the names of Daryl R. Schaller, Ph.D. (Chairman), Michael Braude, John E. Byom, Gary Gradinger, Linda E. Miller and John R. Speirs.

(a) For the purposes of the table, a person is deemed to be a beneficial owner of shares if the person has or shares the power to vote or to dispose of them. Except as otherwise indicated in the table or the footnotes below, each person had sole voting and investment power over the shares listed in the beneficial ownership table and all stockholders shown in the table as having beneficial ownership of 5% or more of either of the classes of stock had business addresses at 1300 Main Street, Atchison, Kansas 66002, as of July 1, 2006. Stockholders disclaim beneficial ownership in the shares described in the footnotes as being held by or held for the benefit of other persons.

(b) The table includes shares which may be acquired pursuant to stock options granted under the Company's stock option plans that become exercisable on or before September 1, 2006. These consist of options held by one non-employee director (Mr. Cray) to purchase 20,000 shares and one non-employee director (Mr. Schaller) to purchase 18,000 shares, two non-employee directors (Messrs. Byom and Speirs) to purchase 4,000 shares each and one non-employee director (Mr. Gradinger) to purchase 2,000 shares, options held by Messrs. Bassi, Cahill, Schrick and Seaberg to purchase 3,500, 49,500, 24,800 and 240,000 shares, respectively, and options held by all executive officers and directors as a group to purchase 432,500 shares.

(c) The Company's Employee Stock Ownership Plans (ESOPs) hold for the benefit of participants 1,327,220 shares of Common Stock, all of which are attributed in the table to each of the five trustees, who are the same for each Plan. The trustees are obligated to vote the shares which are allocated to participants in accordance with instructions given by such participants, all of which were allocated at July 1, 2005. Any unallocated shares are voted by the trustees. The trustees, and the number of shares allocated to their accounts, are as follows: Mr. Seaberg (143,842 shares); Mr. Larson (9,550 shares); Mr. Cahill (29,582 shares); Mr. Rindom (18,858 shares); and Mr. Schrick (39,514 shares). A total of 204,417 shares are allocated to the accounts of all other officers and directors. The number and percentage of ownership shown after the names of each of the Trustees in the table above do not include any of the 1,327,220 shares or any of the shares allocated to their individual accounts. Accordingly, the aggregate beneficial ownership for each of the Trustees may be deemed to be the individual amounts and percentages shown, plus 1,327,220 shares and 8.2%.

(d) The MGP Ingredients, Inc. Voting Trust holds 333 shares of Preferred Stock which are attributed in the table to the trustees, who share the power to vote the shares. The beneficial interests in the voting trust are held by the Cray Family Trust. The trustees of the Voting Trust and the Cray Family Trust are Mr. Cray, Jr., Mr. Seaberg and Mr. Richard B. Cray. The Voting Trust will continue in effect until the last death of the issue of Cloud L. Cray, Sr. who was living at the creation of the Trust. There presently are 19 such persons living, the youngest of which is 31 years old. The Voting Trust may also be terminated by the consent of a majority of the Trustees or the beneficiaries of 90% of the shares held in the Voting Trust or upon the sale of all the shares held in the Voting Trust. Until the Voting Trust is terminated or dissolved, each Trustee may appoint a successor trustee, provided that any successor must be a major officer and stockholder of the Company or of a company which is a member of a controlled group of corporations of which the Company is a part. (The original trustees of the Voting Trust are not subject to this requirement). The trustees are permitted to act with respect to the voting or divestment of shares of the Company's stock held by the Voting Trust in accordance with the decision of a majority of the trustees. Actions by the trustees with respect to the voting or disposition of the shares may be effected by majority vote.

(e) Includes 216,196 shares of Common Stock held by the Cray Medical Research Foundation with respect to which Mr. Cray, Jr. is a director, 939,750 shares of Common Stock held by other family trusts with respect to which Mr. Cray, Jr. or his spouse is a trustee and 44,000 shares held by the Cloud L. Cray Foundation.

(f) Includes 333 shares of Preferred Stock held by the MGP Ingredients, Inc. Voting Trust and 44,000 shares of Common Stock held by a foundation with respect to which Mr. Richard B. Cray is a Trustee.

(g) Includes 2,178 shares held by Mr. Schrick's wife.

(h) Includes 221,710 shares held by Mr. Seaberg's wife.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of the Company's Common Stock, to file reports of ownership and changes in ownership with the SEC and NASDAQ. Executive officers, directors and greater-than-10% beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to the Company, the Company believes that during fiscal 2006, all of its executive officers, directors and greater-than-10% beneficial owners complied with the Section 16(a) filing requirements.

RELATED TRANSACTIONS

During fiscal 2006, the Company bought \$75,521 of paper goods, janitorial supplies, food and beverage products from Atchison Wholesale Grocery, Incorporated, a company owned by members of Mr. Schrick's family and of which he is an officer.

MGP INGREDIENTS, INC. NON-EMPLOYEE DIRECTORS' RESTRICTED STOCK PLAN

General

The Board of Directors is submitting to the stockholders for their approval the MGP Ingredients, Inc. Non-Employee Directors' Restricted Stock Plan (the Directors' Plan). The Directors' Plan will become effective when approved by the stockholders. A copy of the Directors' Plan is attached to this Proxy Statement as Exhibit A.

The affirmative vote of the holders of a majority of the shares of Preferred Stock and of the holders of a majority of the shares of Common Stock present in person or by proxy at the meeting and entitled to vote thereat is required for approval of the Directors' Plan. For this purpose, abstentions and broker non-votes will have the same effect as a vote against the Directors' Plan.

Background and Purpose

The Human Resources and Compensation Committee of the Board of Directors retained a Non-Employee consulting group (the Consultant) to review the Company's compensation program for non-employee Directors (Non-Employee Directors), which has been unchanged since 1996, and to provide recommendations for changes in the current program. The Consultant recommended that each Non-Employee Director be paid a retainer at the rate of \$3,750 quarterly and meeting fees of \$1,000 for each meeting of the Board or committee thereof attended. The Consultant also recommended that the chairperson of the Audit Committee be paid an additional retainer of \$1,250 quarterly and that the chairpersons of the Human Resources and Compensation Committee and the Nominating Committee be paid additional retainers of \$625 quarterly. The Board adopted these recommendations in December 2005.

The Consultant also recommended that the existing equity component of the Non-Employee Directors' compensation, which has consisted of an annual grant of options to acquire 2,000 shares of stock, be changed to an annual award of shares valued at \$12,500. This recommendation was suggested in order to provide Non-Employee Directors a direct ownership opportunity, similar to that of current shareholders, rather than a claim on future share price appreciation. The purpose of Directors' Plan is to provide a means of compensating Non-Employee Directors that will help attract and retain qualified candidates to serve as Directors and to facilitate increases in the stock ownership and proprietary interest in the Company of Non-Employee Directors and thus their identification with the interests of the Company's stockholders.

Presently there are seven persons eligible to participate in the Directors' Plan. Each of the nominees for director and the continuing directors, other than Messrs. Schrick and Seaberg, will be Non-Employee Directors under the Directors' Plan.

Material Features of the Directors' Plan

The following brief description of the material features of the Directors' Plan is qualified in its entirety by reference to the full text of the attached copy of the Directors' Plan.

Award Amounts. The Directors' Plan provides that on the first business day following each annual meeting of stockholders, beginning with the 2006 Annual Meeting of Stockholders, each Non-Employee Director will receive a grant of shares of restricted stock with a fair market value of \$12,500. A person who is

elected or appointed to the Board on a date other than the date of an Annual Meeting and who is Non-Employee Director shall be awarded shares of restricted stock as of the first business day following such date of election or appointment with a fair market value of \$12,500. As long as the Company's shares are reported on the NASDAQ Stock Market, fair market value will be the closing price of a share of stock as reported by NASDAQ on the date of an award. As of September 1, 2006, the fair market value of a share of the Company's stock as determined under the Directors' Plan was \$24.74.

Shares Subject to Plan. Subject to adjustments in the case of a recapitalization, reorganization, merger, consolidation, spin-off, combination, repurchase, exchange of shares or other securities of the Company, stock split, reverse stock split, stock dividend, extraordinary dividend, liquidation, dissolution, or other similar corporate transaction or event affecting the Company, the aggregate number of shares of stock that may be delivered under the Directors' Plan is 75,000. Shares issued under the plan will be treasury shares of the Company.

Vesting; forfeiture. Shares of restricted stock awarded under the plan will be issued as promptly as practical following an award date, but will not be released to a director until they have vested. Shares will vest on the third anniversary of the date of the award, subject to accelerated vesting upon the death of the director or a change in control, as defined in the Directors' Plan. The Human Resources and Compensation Committee may authorize accelerated vesting in any given case should a director retire or not stand for reelection at the end of his or her term or if the director's service is terminated because of the inability to perform substantially his or her duties due to a physical or mental condition. Shares of restricted stock also are subject to forfeiture if, prior to vesting, a director resigns from the Board during his or her term as a director.

Rights of Holders. During the vesting period, a director will have all rights of a stockholder with respect to his or her restricted shares, including the right to vote the shares and receive dividends thereon, but may not sell or dispose of the shares during the vesting period.

Administration. The Directors' Plan will be administered by the Human Resources and Compensation Committee of the Board of Directors (the Committee). That Committee will have full power and authority to construe and administer the Directors' Plan. The Committee's interpretations and actions shall be final, conclusive and binding upon all persons for all purposes. No member of the Board or the Committee, nor any officer or employee of the Company acting on behalf of the Board or the Committee, shall be personally liable for any action, determination or interpretation taken or made in good faith with respect to the Plan, and all members of the Board and the Committee and any officer or employee of the Company acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company in respect to any such action, determination or interpretation.

New Directors' Plan Benefits and Participation

If the Directors' Plan is approved at the 2006 Annual Meeting of Stockholders, each Non-Employee Director elected at that meeting and each continuing member of the Board who is a Non-Employee Director will be entitled to receive, as of the first business day following the date of such meeting, shares of restricted stock having a fair market value of \$12,500.

No restricted stock will be awarded if the Directors' Plan is not approved at the Annual Meeting.

Existing Equity Compensation Plans.

The Company has four equity compensation plans under which there are awards outstanding. These are the Stock Incentive Plan of 2004, the Stock Incentive Plan of 1996, the 1998 Stock Incentive Plan for Salaried Employees and the 1996 Stock Option Plan for Outside Directors. (Directors who are not employees are not eligible to participate under the 1996, 1998 or 2004 Incentive Plans.) No new awards may be granted under the Stock Incentive Plan of 1996, and after October 10, 2006, no new awards may be granted under the 1996 Stock Option Plan for Outside Directors. The following is a summary of securities authorized for issuance under all equity compensation plans as of June 30, 2006.

	Number of shares to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average of exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a) (1) (c)
Equity compensation plans approved by security holders	578,850	\$5.43	758,020
Equity compensation plans not approved by security holders			
Total	578,850	\$5.43	758,020

(1) Of these securities, as of June 30, 2006, of 677,600 shares may also be issued as performance or restricted stock awards under the terms of the Stock Incentive Plan of 2004 and 10,390 shares may be issued as performance or restricted stock awards under the terms of the 1998 Stock Incentive Plan for Salaried Employees.

Amendments to the Directors Plan

The Board may amend or terminate the Directors Plan at any time, provided that the Board may not amend or terminate the Directors Plan without the consent of any director if such amendment or termination would adversely affect the director's rights under outstanding awards. In addition, stockholder approval of any amendment is required if stockholder approval is required under applicable law or the rules of any national securities exchange or automated quotation system on which any of the Company's equity securities are listed or quoted.

Discussion of Federal Income Tax Consequences

A recipient of restricted stock under the Directors Plan will recognize ordinary income in an amount equal to the fair market value of the stock. Generally the income will be recognized at the time the stock vests and will equal the fair market value of the stock on the date it vests. However, a recipient may, by following certain procedures, elect to recognize the income at the date of the grant of the stock. In this case, the amount of income recognized will equal the fair market value of the stock on the date of grant. In general, the Company will receive a compensation expense deduction with respect to grants of restricted stock made under the Directors Plan. The amount of the deduction in any tax year will generally be equal to the amounts included as compensation in the income of grant recipients in that year. Accordingly, the amount and timing of the Company's deduction will depend, among other things, on the value of the Company's stock from time to time and on whether recipients make the election to recognize income on the date grants are made.

The Company will not be able to deduct, with respect to grants of restricted stock made under the Directors Plan, any amount that would not be deductible under the ordinary rules relating to the deduction of compensation. For example, under certain circumstances, accelerated vesting of restricted stock in connection with a change in control of the Company could, when combined with other compensation that might be paid by the Company in connection with such event, give rise to a so-called "excess parachute payment" for tax purposes. If this were to occur, the Company will not be able to deduct the excess parachute payment.

A recipient of restricted stock under the Directors Plan who elects to recognize income at the date of the grant of the stock may later forfeit the stock. In this case the Company will have to add to its taxable income an amount equal to any compensation expense deduction received by it with respect to the grant.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE DIRECTORS PLAN.

NON-EMPLOYEE DIRECTORS RESTRICTED STOCK PLAN

1. ***Introduction***

1.1 The Plan; Effective Date; Duration. This MGP Ingredients, Inc. Non-Employee Directors Restricted Stock Plan (the Plan) shall be effective as of the date of the 2006 Annual Meeting of Stockholders, if approved by stockholders at such Annual Meeting. No award shall be made under the Plan after October 31, 2016. This Plan is intended to be exempt from the provisions of Section 409A of the Internal Revenue Code of 1986, as amended, as a plan which provides for the transfer of restricted property as described in Prop. Reg. § 1.409A-1(b)(6), and is to be construed in accordance with this intent.

1.2 Purpose. The purpose of the Plan is to provide each non-employee member (Director) of the Board of Directors (the Board) of MGP Ingredients, Inc. (the Company) with awards (Restricted Stock Awards) of shares of common stock, no par value (Stock), of the Company, subject to the restrictions and other provisions of the Plan. It is intended that the plan will (a) provide a means of compensating Directors that will help attract and retain qualified candidates to serve as Directors, and (b) permit Directors to increase their stock ownership and proprietary interest in the Company and their identification with the interests of the Company s stockholders.

1.3 Shares of Stock Available Under the Plan.

(a) Subject to the provisions of clause (c) below, the number of shares of Stock that may be delivered under the Plan during the term of the Plan is seventy-five (75,000). If there is an insufficient number of shares available to deliver to all Directors on any date as of which an award is made, the available shares shall be delivered to Directors on such date pro-rata.

(b) Shares of Stock awarded under the Plan (Restricted Stock) will be previously-issued shares of Stock reacquired by the Company, including shares purchased in the open market.

(c) Appropriate and equitable adjustment shall be made in the number and kind of shares of Stock available under the Plan and covered by Restricted Stock Awards in the event of any recapitalization, reorganization, merger, consolidation, spin-off, combination, repurchase, exchange of shares or other securities of the Company, stock split, reverse stock split, stock dividend, extraordinary dividend, liquidation, dissolution, or other similar corporate transaction or event affecting the Company. If any such adjustment would result in a fractional security being (i) available under this Plan, such fractional security shall be disregarded; or (ii) subject to an award under this Plan, the Company shall pay the holder of such award an amount in cash determined by multiplying (x) the fraction of such security (rounded to the nearest hundredth) by (y) the Fair Market Value thereof on the date of such adjustment. The decision of the Committee (as defined in Section 3.1) regarding such adjustment or substitution shall be final, binding and conclusive.

2. ***Restricted Stock Awards***

2.1 *Award Dates* ■

(a) During the term of this Plan, commencing in 2006, each Director in office on the first business day following the date of each annual meeting of stockholders (Annual Meeting) shall be awarded shares of Restricted Stock with a Fair Market Value of \$12,500, as determined on such first business day following the Annual Meeting, subject in all cases to the limits imposed in Section 1.3.

A-1

(b) A Director who is elected or appointed to the Board on a date other than the date of an Annual Meeting shall be awarded shares of Restricted Stock as of the first business day following such date of election or appointment with a Fair Market Value of \$12,500, as determined on such first business day following the date of election or appointment, subject in all cases to the limits imposed in Section 1.3

(c) The Fair Market Value of a share of Restricted Stock on the date as of which fair market value is to be determined shall be: (a) if the Stock is reported on the NASDAQ Stock Market., the closing price of a share of Stock as reported by NASDAQ as of the day on which the award was made; or (b) if the Stock is listed on another established securities exchange or exchanges, the highest reported closing price of a share of Stock on such exchange or exchanges as of day on which the award was made. The Fair Market Value of the Restricted Stock, if not so reported or listed, and the Fair Market Value of any other property on the date as of which Fair Market Value is to be determined, shall mean the fair market value as determined by the Committee in its sole discretion, using a reasonable valuation method consistently applied as provided in Prop. Reg. § 1.409A-1(b)(5)(iv)(B).

2.2 Issuance of Stock. As promptly as practical after the date as of which an award is made, the Company shall issue a certificate (Certificate), registered in the name of each Director receiving an award, representing the number of shares of Restricted Stock covered by the Director s award.

Upon issuance of a Certificate, the Director in whose name the Certificate is registered shall, subject to the provisions of the Plan, have all of the rights of a stockholder with respect to the shares of Restricted Stock represented by the Certificate, including the right to vote the shares and receive cash dividends and other cash distributions thereon.

2.4 Vesting Period. The Restricted Stock shall be subject to the restrictions set forth in Sections 2.5 and 2.7 of the Plan. The Restricted Stock shall also be subject to a vesting period (the Vesting Period) commencing on the date as of which the Restricted Stock is awarded (the Award Date). The Restricted Stock becomes fully vested on the occurrence of one of the following events (the Vesting Events): (1) the third anniversary of the Award Date with respect to an award of Restricted Stock to a Director; (2) the death of the Director; or (3) a Change in Control, as defined below. Further, the Committee is authorized to accelerate vesting in any given case

- (b) the termination of the Director s service on the Board as a result of the Director s not standing for reelection for the Board; or

As used herein the term **Change in Control** means:

- (x) The acquisition (other than from the Company) by any person, entity or group, within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act, (excluding, for this purpose, the Company or its subsidiaries, any employee benefit plan of the Company or its subsidiaries, trustees of the MGP Ingredients, Inc. If any of the events enumerated in clauses (x) through (z) occur, the Committee shall determine the effective date of the Change in Control resulting therefrom for purposes of the Plan.

2.5 Forfeiture of Restricted Stock. - (d) **Any additional Stock or other securities or property (other than cash) that may be issued with respect to Restricted Stock as a result of any stock dividend, stock split, business combination or other event, shall be subject to the restrictions and other provisions of the Plan.**
- (e) **The issuance of any Restricted Stock award shall be subject to and contingent upon (i) completion of any registration or qualification of the Stock under any federal or state law or government rule or regulation that the Company, in its sole discretion, determines to be necessary or advisable; and (ii) the execution by the Director and delivery to the Company of (A) any agreement reasonably required by the Company, and (B) the stock power referred to in Section 2.7(c).**

3. *General Provisions.*

3.1 *Administration.* The Plan shall be administered by a committee (the **Committee**) that shall be the Human Resources and Compensation Committee of the Board. The Committee shall have full power, discretion and authority to interpret and administer the Plan. The Committee's interpretations and actions shall be final, conclusive and binding upon all persons for all purposes. No member of the Board or the Committee, nor any officer or employee of the Company acting on behalf of the Board or the Committee, shall be personally liable for any action, determination or interpretation taken or made in good faith with respect to the Plan, and all members of the Board and the Committee and any officer or employee of the Company acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company in respect to any such action, determination or interpretation.

3.2 *No Retention Rights.* Neither the establishment of the Plan nor the awarding of Restricted Stock to a Director shall be considered to give the Director the right to be retained on, or nominated for reelection to, the Board, or to any benefits or awards not specifically provided for by the Plan.

3.3 *Interests Not Transferable.* Except as to withholding of any tax required under the laws of the United States or any state or locality, no benefit payable at any time under the Plan shall be subject in any manner to alienation, sale, transfer, assignment, pledge, attachment, or other legal process, or encumbrance of any kind. Any attempt to alienate, sell, transfer, assign, pledge, attach or otherwise encumber any such benefits whether currently or thereafter payable, shall be void. No benefit shall,

in any manner, be liable for or subject to the debts or liabilities of any person entitled to such benefits. If any person shall attempt to, or shall alienate, sell, transfer, assign, pledge or otherwise encumber such person's benefits under the Plan, or if by reason of such person's bankruptcy or any other event, such benefits would devolve upon any other person or would not be enjoyed by the person entitled thereto under the Plan, then the Committee, in its discretion, may terminate the interest in any such benefits of the person entitled thereto under the Plan and hold or apply them to or for the benefit of such person entitled thereto under the Plan or such person's spouse, children or other dependents, or any of them, in such manner as the Committee may deem proper.

3.4 *Amendment and Termination.* The Board may at any time amend or terminate the Plan; provided that:

- (a) no amendment or termination shall, without the written consent of a Director, adversely affect the Director's rights under outstanding awards of Restricted Stock; and**
- (b) Stockholder approval of any amendment shall be required if stockholder approval is required under applicable law or the rules of any national securities exchange or automated quotation system on which are listed or quoted any of the Company's equity securities.**

3.5 *Severability.* If all or any part of the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not serve to invalidate any portion of the Plan not declared to be unlawful or invalid. Any Section or part thereof so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part thereof to the fullest extent possible while remaining lawful and valid.

3.6 *Controlling Law.* The law of Kansas, except its law with respect to choice of law, shall be controlling in all matters relating to the Plan.

3.3 *Interests Not Transferable.* Except as to withholding of any tax required under the laws of the United States of America,
