**Magyar Telekom announces proposed dividend for 2005 earnings**

## Edgar Filing: Magyar Telekom Plc. - Form 6-K

Budapest December 5, 2006 Magyar Telekom (Reuters: NYSE: MTA.N, BSE: MTEL.BU and Bloomberg: NYSE: MTA US, BSE: MTELEKOM HB), the leading Hungarian telecommunications service provider, announces that the Board of Directors has reviewed the 2005 annual reports of Magyar Telekom Plc. prepared in accordance with Hungarian Accounting Rules (HAR), and that of Magyar Telekom Group prepared in accordance with the IFRS, and proposes them for approval to the General Meeting. The Board of Directors also proposes a HUF 70 per share dividend payment for the financial year 2005 plus a HUF 3 per share compensation for the late payment for approval to the General Meeting.

As announced earlier, the Board of Directors of Magyar Telekom considers a dividend payment of HUF 70 per share for the financial year 2005 to be reasonable. The Board also proposes to pay an additional HUF 3 per share dividend to compensate shareholders for the delay in dividend payment. As a result, the total dividend of HUF 73 per share (par value HUF 100) for the 2005 financial year will be proposed for approval to the General Meeting.

The dividend level of HUF 70 is in line with our growth strategy and the aim of maintaining our net debt ratio (net debt to net debt plus equity plus minority interest) in the targeted range of 30-40%. In addition, it reflects the current level of profitability and financial position of the Magyar Telekom Group.

Magyar Telekom will hold its Extraordinary General Meeting on December 21st, 2006.

This investor news contains forward-looking statements. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. These statements are based on current plans, estimates and projections, and therefore should not have undue reliance placed upon them. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update publicly any of them in light of new information or future events.

Forward-looking statements involve inherent risks and uncertainties. We caution you that a number of important factors could cause actual results to differ materially from those contained in any forward-looking statement. Such factors are described in, among other things, our Annual Report on Form 20-F for the year ended December 31, 2004 filed with the U.S. Securities and Exchange Commission.

**Signatures**
