EXTRAORDINARY GENERAL MEETING
CONVOCATION

Stockholders are hereby called to an Extraordinary General Meeting of Stockholders on June 22, 2007 at 10 a.m. at the head office, Avenida Barbacena 1200, 18th. Floor, Belo Horizonte, Minas Gerais, Brazil, to decide on changes to the Board of Directors as a result of resignations.

Under Article 3 of CVM Instruction 165 of December 11, 1991, adoption of the multiple voting system for election of members of the company's Board requires the vote of stockholders representing a minimum percentage of 5% (five per cent) of the voting stock.

Any stockholder who wishes to be represented by proxy in this General Meeting should obey the terms of Article 126 of Law 6406/76, as amended, and the sole paragraph of Article 9 of the company's by-laws, by depositing proofs of ownership of the shares, issued by a depositary financial institution, and a power of attorney with special powers, at the management office of the General Secretariat of Cemig at Av. Barbacena 1,200 - 19th floor, B1 wing, Belo Horizonte, state of Minas Gerais, Brazil, preferably by June 21, 2007, or by showing the said proofs of ownership at the time of the meeting.

Belo Horizonte, May 31, 2007. (signed) Wilson Nélío Brumer, Chairman of the Board of Directors.

Before the items on the Agenda of the present meeting were put to debate, the representative of the stockholder **Southern Electric Brasil Participações Ltda.** emphasized that the changes in the Bylaws made by the Extraordinary General Meeting of October 25, 1999, and also subsequent changes, were approved only in view of the suspension of the Stockholders' Agreement, by a decision of the Judiciary, and were, thus, provisional and precarious.

As a result, he said, the acts and operations practiced, or submitted for approval by the management bodies of Cemig, supported by such alterations in the Bylaws made under the protection of the Court decision currently in force, may, at any moment, be reviewed and withdrawn from the legal universe.

On this question, the representative of the stockholder **State of Minas Gerais** reminded the meeting that the decision which annulled the Stockholders' Agreement signed between the **State of Minas Gerais** and **Southern Electric Brasil Participações Ltda.** no longer has an interim or provisional character – being a decision on the merits; and that therefore this is not a case of suspension, but annulment.

He added that there is a decision on the merits, confirmed by the Appeal Court of the State of Minas Gerais, which annuls the Stockholders' Agreement. He further stated that the decisions of this Meeting of Stockholders may only take into account what exists in the present day, and that not to vote on matters while waiting for a Court decision would be irresponsible since, in reality, by force of a Court decision the said Stockholders' Agreement cannot produce any affect, and that decisions taken are taken strictly in compliance with the Court decision. Finally, he said that the Extraordinary and Special Appeals brought by Southern were not allowed for hearing by the Vice-chairman of the Appeal Court of Minas Gerais State, and that the Higher Appeal Court had refused the Interlocutory and Special Appeals filed by **Southern**, reinforcing the legal situation already declared by the Appeal Court of Minas Gerais, that is to say, the inefficacy of the Stockholders' Agreement which is the subject of the action.

Again taking the floor, the representative of the stockholder **Southern Electric Brasil Participações Ltda.** told the meeting that the Interlocutory Appeal filed against the ruling that denied the Extraordinary Appeal was still before the Federal Supreme Court.

Continuing the proceedings, the Chairman advised the Meeting said that because of vacancies on the Board of Directors as a result of the resignations of the Board Members Wilson Nélío Brumer, as reported in the Minutes of the 407th meeting of the Board of Directors, and Fernando Lage de Melo, Luiz Aníbal de Lima Fernandes and Luiz Henrique de Castro Carvalho, as per letters in Cemig's possession, new sitting and substitute members should be appointed to the Board of Directors.

Continuing, he informed the Meeting that the stockholder **Southern Electric Brasil Participações Ltda.** had, in a letter in the Company's possession, requested the adoption of Cumulative Voting, and that a total of 13,082,301 (thirteen million, eighty two thousand three hundred and one) common shares would be necessary for the election of each member of the Board of Directors, and that this

meeting should elect all the sitting and substitute members to serve the present period of office of 3 (three) years begun on April 29, 2006, that is to say up to the Annual General Meeting to be held in 2009.

Finally, the Chairman said, it would be necessary, primarily and considering Clause 12 of the Bylaws, to elect the sitting member and respective substitute member nominated by the holders of preferred shares, so that the instrument of multiple vote could then be applied for election to the other remaining vacancies on the Board of Directors.

Asking for the floor, as holders of preferred shares, the representative of the stockholders **Caixa de Previdência dos Funcionários do Banco do Brasil Previ, Fundação Banco Central de Previdência Privada Centrus, Fundação Petrobras de Seguridade Social Petros, BB Administração de Ativos DTVM S.A., and Fundação dos Economistas Federais Funcef** proposed the following stockholder to be a sitting Member of the Board of Directors:

Wilton de Medeiros Daher • Brazilian, married, bank employee, resident and domiciled in Fortaleza, in the State of Ceará, at Rua Barbosa de Freitas 200/1700, in the district of Meireles, CEP 60170-020, bearer of Identity Card 823372 issued by the Public Security Office of the Federal District and CPF 003534344-34;

- and explained that the respective substitute member would be appointed at a later, opportune time.

The Chairman then put to debate, and subsequently to votes separately, with only holders of preferred shares participating the above nomination, and it was approved, with the following funds voting against it:

Capital International Emerging Markets Fund, Emerging Markets Growth Fund Inc, Capital Guardian Emerging Markets Equity Fund For Tax-Exempt Trust, SEI Investments Canada Company / Société De Placements SEI Canada, Capital Guardian Emerging Markets Equity DC Master Fund, Capital Guardian Emerging Markets Equity Master Fund and Capital Guardian Emerging Markets Restricted Equity Fund For Tax-Exempt Trust;

- and the following funds abstaining:

Again taking the floor, the Chairman explained that, to complete the Board of Directors, the representative of the stockholder **Southern Electric Brasil Participações Ltda.** should nominate five sitting members and respective substitute members, and the representatives of the stockholder State of Minas Gerais should nominate eight sitting members and respective substitutes.

Asking for the floor, the representative of the stockholder **Southern Electric Brasil Participações Ltda.** nominated the following stockholders for membership of the Board of Directors:
