Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective March 31, 2008, the Board of Directors of Mindspeed Technologies, Inc. (the "Company") appointed Jing Cao Senior Vice President, Operations, of the Company. Prior to joining the Company, Mr. Cao, 48, was the Vice President, Operations, of HOYA Corporation USA, formerly Xponent Photonics, Inc. (optical network component manufacturer), from August 2006 to March 2008. Mr. Cao also served as the Vice President, Manufacturing and Technology, from March 2006 to August 2006 and the Director, Assembly Operations, from January 2001 to March 2006 of Vitesse Semiconductor Corporation (semiconductor communications design and development).

Mr. Cao's annual base salary as Senior Vice President, Operations, is \$240,000. Mr. Cao will also receive a relocation assistance package, not to exceed a maximum benefit of \$100,000. In addition, Mr. Cao will receive a one-time bonus of \$50,000, which must be repaid in full in the event that prior to March 31, 2009 he either voluntarily terminates his employment with the Company or is terminated for cause, and \$25,000 of which must be repaid by Mr. Cao in the event that, at any time following March 31, 2009, but prior to March 31, 2010, he voluntarily terminates his employment with the Company or is terminated for cause.

Subject to the approval of the Compensation and Management Development Committee of the Company's Board of Directors (the "Compensation Committee"), Mr. Cao will be awarded 25,000 restricted shares of the Company's common stock pursuant and subject to the provisions of the Company's 2003 Long-Term Incentives Plan (the "Plan"), vesting on November 21, 2008, with such vesting based upon achievement of individual and Company-wide performance goals under the Mindspeed Achievement Plan. In addition, subject to the approval of the Compensation Committee, Mr. Cao will be granted an option to purchase 100,000 shares of the Company's common stock and 25,000 restricted shares of the Company's common stock pursuant and subject to the Plan. The stock option grant will have an exercise price equal to the closing price of the Company's common stock on the grant date and will vest over a four-year period, with 25% vesting after one year and then monthly thereafter. The restricted stock grant will vest 50% on April 30, 2009 and the remaining 50% will vest on April 30, 2010.

Further, the Company entered into a change of control employment agreement with Mr. Cao on March 31, 2008, which is substantially identical to the form of agreement filed as Exhibit 10.8.1 to the Company's Registration Statement on Form 10 (File No. 1-31650) that was filed with the Securities and Exchange Commission on May 13, 2003.

The change of control employment agreement becomes effective upon a change of control of the Company and provides for the continuing employment of Mr. Cao after the change of control on terms and conditions no less favorable than those in effect before the change of control, or, under certain circumstances, for payments upon termination of employment in connection with a change of control. Payments made under the agreement are subject to a "double trigger," meaning that both a change of control and a termination are required. If Mr. Cao's employment is terminated by the Company without cause or if Mr. Cao terminates his own employment for "good reason," as defined in the change of control employment agreement, following a change of control, Mr. Cao is entitled to severance benefits equal to two times his annual compensation, including bonus, and continuation of certain benefits for two years. Mr. Cao is entitled to an additional payment, if necessary, to make him whole as a result of any excise tax imposed on certain change of control payments, subject to some minor adjustments.

For purposes of the change of control employment agreement, a "change of control" generally means:

- the acquisition by any individual, entity or group of beneficial ownership of 20% or more of either the then outstanding shares of the Company's common stock or the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors;

- a change in the composition of a majority of the board, which is not supported by the current board;

- a major corporate transaction, such as a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the Company's assets, which results in a change in the majority of the board or of more than 60% of the Company's stockholders; or
- approval by our stockholders of the complete liquidation or dissolution of the Company.

The foregoing summary of the change of control employment agreement is qualified in its entirety by reference to Exhibit 10.8.1 to the Company's Registration Statement on Form 10 (File No. 1-31650) that was filed with the Securities and Exchange Commission on May 13, 2003.

A copy of the press release issued by the Company with respect to the appointment of Mr. Cao to Senior Vice President, Operations, is attached hereto as Exhibit 99.1.
