MARKET ANNOUNCEMENT

Cemig (Companhia Energética de Minas Gerais), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, makes this public announcement in compliance with its commitment to best corporate governance practices and of CVM Instruction 358 of January 3, 2002. Cemig has become aware that some shareholders received correspondence, in December 2008, from Rima Industrial S.A. (Rima) questioning the accounting treatment applied by Cemig to the legal proceedings in which Cemig and Rima are parties.

This is an Action for Recovery of an amount unduly paid, in which Cemig, though having only complied with authorization by the Regulator, was the subject of a court order to repay to Rima the amounts paid under the tariff adjustment ordered by Ministerial Order 45 of March 5, 1986, issued by the DNAEE (National Water and Electricity Department). In the settlement phase of the action the judge, deciding a dispute filed in the settlement process, accepted Cemig's contestation and set the total value of the debit, updated to November 30, 2005, at R\$ 9,172,682.12, including winning party's legal fees.

We inform the public that this amount, duly updated, is in the Company's accounting records, in strict obedience to the precepts of the Brazilian Securities Commission (CVM), and included in the Accounting Statements, also in accordance with the Cemig's current practice on court contingencies, pursuant to CVM Decision 489 of October 3, 2005.

We take this opportunity to reiterate our Management's commitment to total transparency in accounting statements, showing concern for and commitment to good accounting practice and obedience to legislation, and that efforts to uphold and maintain the regularity and transparency of its information are a primary principle of practice for Cemig, aware of its responsibility to its stockholders, investors and capital market analysts.
