Item 1.01 Entry into a Material Definitive Agreement.

In July 2006, Kapalua Bay, LLC (Kapalua Bay) entered into a Construction Loan Agreement (the Loan Agreement) with Lehman Brothers Holdings Inc. (Lehman) in connection with constructing a residential development and spa on property that was formerly the site of the Kapalua Bay Hotel (the Project). Kapalua Bay Holdings, LLC (Bay Holdings), in which Maui Land and Pineapple Company, Inc. (the Company) owns a 51% equity interest, is the sole member of Kapalua Bay. Pursuant to the terms of the Loan Agreement, Lehman initially agreed to loan to Kapalua Bay the lesser of \$370 million or 61.6% of the total projected cost of the Project.

In January 2007, the original promissory note issued to Lehman under the Loan Agreement was divided into six separate promissory notes, which were then assigned by Lehman as follows: (1) one note in the principal amount of \$30 million to Central Pacific Bank (Note A-1), (2) one note in the principal amount of \$25 million to Landesbank Baden-Württemberg (Note A-2), (3) one note in the principal amount of \$25 million to Deutsche Hypothekenbank (Note A-3), (4) one note in the principal amount of \$15 million retained by Lehman (Note A-4), (5) one note in the principal amount of \$255 million retained by Lehman (Note A-5), and (6) one note in the principal amount of \$20,000,000 to Swedbank AB, New York Branch (Swedbank) (Note B). Central Pacific Bank, Landesbank Baden-Württemberg and Deutsche Hypothekenbank are sometimes referred to collectively as the Syndicate Lenders.

On October 3, 2008, the Company disclosed that Lehman ceased funding under the Loan Agreement following Lehman's bankruptcy filing on September 15, 2008 (the Filing Date). As a result of Lehman's failure to provide continued construction financing as required under the Loan Agreement, the Company and other members of Bay Holdings agreed to advance funds to Kapalua Bay in order to continue construction of the Project, which has progressed without any material impairments. Since the Filing Date, the Syndicate Lenders and Swedbank have also continued to provide funding.

Approval by Bankruptcy Court of Stipulation, Agreement and Order

On January 9, 2009, after receiving the consent of the creditors' committee appointed by the United States Bankruptcy Court Southern District of New York (the Court), Kapalua Bay, Lehman, the Syndicate Lenders and Swedbank filed a Stipulation, Agreement and Order (the Order) with the Court asking it, among other things, to (1) approve amendments to the terms of the Loan Agreement to restructure the lending obligations and facilitate continued funding under the Loan Agreement (the Amended Terms), (2) stipulate that Lehman's defaults under the Loan Agreement will be deemed cured upon Lehman's entry into a definitive agreement incorporating the Amended Terms and funding of its obligations thereunder, and (3) effect a release of claims by various parties to the Loan Agreement for claims arising prior to the closing of the transactions contemplated by the Amended Terms.

On January 28, 2009, the Court issued an order approving the Amended Terms and agreeing to the additional provisions set forth in the Order.

Amended and Restated Construction Loan Agreement

On February 11, 2009, Kapalua Bay, Lehman, the Syndicate Lenders, Swedbank and MH Kapalua Venture, LLC, an affiliate of Marriott International, Inc. (Marriott) and together with Kapalua Bay, Lehman, the Syndicate Lenders and Swedbank, the Loan Parties) entered into an Amended and Restated Construction Loan Agreement (the Amended Loan Agreement). Pursuant to the Amended Loan Agreement, the

aggregate amount that Kapalua Bay may borrow, including amounts previously funded under the Loan Agreement, is approximately \$354.5 million. Kapalua and the Company believe that this amount will be sufficient to fund the full development of the Project.

Under the terms of the Amended Loan Agreement, the original loan was modified by creating the following tranches of notes: (1) a new facility A in the amount of \$120.1 million consisting of \$35.0 million to be funded by Lehman, \$20.1 million to be funded by the Syndicate Lenders pursuant to existing obligations, \$55.0 million to be funded by the Syndicate Lenders pursuant to new obligations, and \$10.0 million to be funded by Marriott (Facility A), (2) a new facility B-1 in the amount of \$28.0 million consisting of \$16.2 million of advances from the Syndicate Lenders following the Filing Date, \$10.0 million of loans previously advanced by Kapalua Bay's joint venture partners following the Filing Date, and \$1.8 million of interest advances by Lehman following the Filing Date (Facility B-1), (3) a new facility B-2 in the amount of \$4.1 million consisting of the advances made by Swedbank under Note B following the Filing Date (Facility B-2), (4) a new facility C-1 in the amount of \$191.4 million consisting of the amounts outstanding under Notes A-1 through A-5 prior to the Filing Date (Facility C-1), and (5) a new facility C-2 in the amount of \$10.9 million consisting of the balance of Note B prior to the Filing Date (Facility C-2).

The various debt facilities mentioned in the foregoing paragraph has the following ranking for payment, lien priority, and collateral: Facility A has first priority, Facility B-1 has second priority, Facility B-2 has third priority, Facility C-1 has fourth priority, and Facility C-2 has fifth priority. Interest accrues on Facility A at a floating rate equal to the one month LIBOR rate plus 5.0%. Interest accrues on Facility B-1, Facility B-2 and Facility C-1 at a floating rate equal to the one month LIBOR rate plus 1.7%. Interest accrues on Facility C-2 at a floating rate equal to the one month LIBOR rate plus 10.95%. Subject to certain limitations, Kapalua Bay may elect to have the then-current adjusted LIBOR rate apply to some or all of the outstanding loan amount. In addition, subject to the provisions of the Amended Loan Agreement, the maturity date of Facility A is February 11, 2010 and the maturity date of Facility B-1, Facility B-2, Facility C-1 and Facility C-2 is August 11, 2011. Kapalua Bay may prepay the loans in whole or in part, provided that it pays certain costs and fees as set forth in the Amended Loan Agreement.

Under the Amended Loan Agreement, Central Pacific Bank will replace Lehman as administrative agent (the Agent) for all purposes. Kapalua Bay is not required to pay any additional lender fees or commissions in connection with the closing of the Amended Loan Agreement or the receipt of funds thereunder. Disbursements under the Amended Loan Agreement are contingent upon, among other things, no event of default occurring with respect to Kapalua Bay or the Project, the delivery of certain documents to the Agent, the representations and warranties of Kapalua Bay being true and correct as of the time of the disbursement, and the satisfaction of other conditions customary in a transaction of this type. The full amount advanced under the Amended Loan Agreement will continue to be secured by a mortgage on the Project assets, including the land owned by Kapalua Bay upon which the Project is being constructed. The amounts which may be borrowed under the Amended Loan Agreement are not revolving in nature and amounts repaid may not be subsequently advanced.

All loan proceeds disbursed under the Amended Loan Agreement shall be used only for items specified in the construction budget relating to the Project. The Amended Loan Agreement contains customary affirmative and negative covenants for transactions of this type, including those with respect to proper zoning, required governmental approvals, deviation from Project plans, avoidance of construction liens, minimum insurance requirements, payment of taxes and other similar covenants.

Master Assignment and Assumption and Modification Agreement

In connection with entering into the Amended Loan Agreement, the Loan Parties executed a Master Assignment and Assumption and Modification Agreement (the Master Assignment). Pursuant to the Master Assignment, the holders of Note A-1, Note A-2, Note A-3, Note A-4, Note A-5 and Note B collectively agreed to transfer and assign all of their respective rights and obligations under those notes and a portion of their unfunded loan commitments under the Loan Agreement to the new holders of Facility A, Facility B-1, Facility B-2, Facility C-1 and Facility C-2 as specified in the Amended Loan Agreement. In connection therewith, the aggregate commitments outstanding pursuant to Note A-1, Note A-2, Note A-3, Note A-4, Note A-5 and Note B were cancelled. In addition, Marriott agreed to immediately advance \$10 million of its undisbursed loan commitment under the Amended Loan Agreement and Kapalua agreed to immediately make a payment of approximately \$700,000 to Swedbank to reduce the outstanding principal loan amount originally evidenced by Note B.

Second Omnibus Amendment to Construction Loan Documents

In connection with entering into the Amended Loan Agreement and the Master Assignment, the Loan Parties also executed a Second Omnibus Amendment to Construction Loan Documents (the Omnibus Amendment). Pursuant to the Omnibus Amendment, certain amendments were made to the various loan documents relating to the Amended Loan Agreement and the Master Assignment to incorporate the changes required by the Amended Loan Agreement. In addition, the Omnibus Amendment served to confirm that each of the Loan Parties are parties to the various loan documents relating to the Amended Loan Agreement and the Master Assignment, and ratified the obligations of the Loan Parties with respect thereto.
