**MINUTES
OF THE EXTRAORDINARY GENERAL MEETING OF STOCKHOLDERS
HELD ON DECEMBER 10, 2009**

At 11 a.m. on December 10, 2009, **stockholders representing more than two-thirds of the voting stock** of Companhia Energética de Minas Gerais Cemig **met in Extraordinary General Meeting** at its head office, on first convocation, at Av. 1 Change in the composition of the **Board of Directors**, as a result of a resignation, as per correspondence filed at the company.

2 Orientation of vote, for the representatives of Companhia Energética de Minas Gerais at the Extraordinary General Meetings of Stockholders of Cemig Distribuição S.A. Table of Contents

Before the items on the agenda of this meeting were put to debate and to the vote, the representative of the stockholder **Southern Electric Brasil Participações Ltda.** stated that the changes in the Bylaws made by the Extraordinary General Meeting of Stockholders of October 25, 1999, and also the subsequent alterations, were approved only by virtue of the suspension of the Stockholders' Agreement, by decision of the Courts, and were thus provisional and precarious.

He said that hence the acts and operations practiced or submitted to approval by the management bodies of Cemig, supported by the said changes in the Bylaws made under the protection of the Court decision in force today, may, at any moment, be reviewed and withdrawn from the world of legal existence.

On this question, the representative of the stockholder The **State of Minas Gerais** reminded the meeting that the decision which annulled the Stockholders' Agreement signed between the **State of Minas Gerais** and **Southern Electric Brasil Participações Ltda.** no longer has an interim or provisional character. It is, he said, a decision on the merit and it is thus a case not of suspension but of annulment. He added that there is already in existence a decision on the merit that annuls the Stockholders' Agreement, confirmed by the Appeal Court of the State of Minas Gerais.

He further stated that the decisions of this Meeting can only take into account what exists at the present moment, and that it would be irresponsible not to vote on matters, in expectation of Court decisions, since, in reality, the said Stockholders' Agreement, by force of Court judgment, cannot produce any effect and the decisions taken are being taken within strict compliance with the Court decision.

Finally, he noted that the Extraordinary and Special Appeals brought by **Southern Electric Brazil** have not been admitted by the Vice-chairman of the Minas Gerais Appeal Court, and that the Higher Appeal Court refused the interlocutory and special appeals brought by **Southern Electric Brazil**, thus underlining and reinforcing the legal situation already stated by the Minas Gerais Appeal Court, that is to say, inefficacy of the Stockholders' Agreement subject of the action.

Once again taking the floor, the representative of **Southern Electric Brasil Participações Ltda.** stated that the Interlocutory Appeal brought against the dispatch denying the Extraordinary Appeal is awaiting judgment in proceedings in the Federal Supreme Court.

The Chairman then informed the meeting that the Board member **Eduardo Lery Vieira** had **resigned** as a member of the Board of Directors, as per correspondence in the company's possession. Continuing, he stated that since adoption of the Multiple Vote was requested by the stockholder Southern Electric Brasil Participações Ltda., in a letter in the Company's possession, 16,652,145 common shares will be necessary for the election of each member of the Board of Directors, and that this Meeting should now elect all the sitting and substitute members of the Board of Directors to complete the period of office of 3 (three) years begun on April 29, 2009, that is to say, up to the Ordinary General Meeting to be held in 2012.

Finally, the Chairman explained that it would be necessary firstly and in view of Clause 12 of the Bylaws, to proceed to election of the sitting member and his respective substitute member put forward by representatives of the holders of the preferred shares, and only then to apply the instrument of Multiple Vote to fill the remaining vacancies on the Board of Directors.

Edgar Filing: ENERGY CO OF MINAS GERAIS - Form 6-K

Asking for the floor, as owners of preferred shares, the representatives of the stockholders **Previ** (Banco do Brasil Pension Fund) and **Forluz** (*Fundação Forluminas de Seguridade Social*) proposed the following stockholders to be members of the Board of Directors:

as sitting member:

MATERIAL ANNOUNCEMENT

Cemig (*Companhia Energética de Minas Gerais*), (**Cemig**) a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, in accordance with CVM Instructions 358 of January 3, 2002, as amended, and 319 of December 3, 1999, **hereby publicly informs** the Brazilian Securities Commission (CVM), the São Paulo Stock, Commodities and Futures Exchange (BM&F Bovespa S.A.) and the market in general, **that:**

At an Extraordinary General Meeting to be held on **December 31, 2009**, at 10:00 a.m. Cemig will make a **proposal** to its stockholders for **absorption, by Cemig, of its proportionate holding in RME (Rio Minas Energia Participações S.A.)** through a process of split, on the terms and conditions below.

These terms and conditions were published in a Material Announcement issued by **Light S.A. (Light)**, on November 16, 2009, advising the market that its holding company, **RME Rio Minas Energia Participações S.A. (RME)**, would undertake a stockholding reorganization in such a way as to cause the stockholders in RME (**Andrade Gutierrez Concessões S.A., Companhia Energética de Minas Gerais Cemig, Luce Fundo de Investimento em Participações and Equatorial Energia S.A.**) to own stockholding interests directly in the registered capital of **Light** itself.

1. Present stockholding structure: **Cemig** owns **25%** of the registered capital of **RME**, which in turn controls **Light** with a stockholding of **52.13%**.

2. The transaction proposed: **RME** will be split, disproportionately, into three parts: The parts resulting from the split will be absorbed by **Cemig**, by **Andrade Gutierrez Concessões S.A. (AGC)**, and the part currently held by **Luce Brasil Fundo de Investimento em Participações** by **Luce Empreendimentos e Participações S.A. (Luce Empreendimentos)**. **Equatorial Energia S.A. (Equatorial)** will remain as the sole stockholder of **RME**.

3. Reasons for and benefits of the transaction: The intended transaction aims to comply with the Stockholders' Agreement of RME, currently in effect, and simplify the stockholding structure by elimination of the holding company **RME**, the sole function of which, at present, is to hold the stockholding in **Light**. The present Stockholders' Agreement of **RME** will be replaced by a new Agreement between the four **stockholders** of **Light**, which will reproduce the rights and obligations currently in effect.

4. Tax benefit: In the intended transaction, there will be no goodwill to be amortized as a tax benefit, in the terms specified by Subclause b , Sub-item I, Paragraph 1, of Article 2 of CVM Instruction 319.

5. Absorption of liabilities: Except as specified in item 9.4 (b) below, as far as **Cemig** and **RME** are aware, there are no liabilities nor unaccounted contingency liabilities to be absorbed by **Cemig** as a result of the absorption of the proportion of stockholding which it is intended that **Cemig** should absorb.

6. Costs of the intended transaction: It is estimated that the total cost of the transaction the split of **RME**, and the absorption of the resulting portions by **Cemig**, **AGC** and **Luce Empreendimentos**, will be approximately R\$ 235,000.00 (two hundred and five thousand Reais), as follows: (i) R\$ 150,000.00 (one hundred and fifty thousand Reais) for fees of valuers, legal advisors and counsel; (ii) R\$ 20,000.00 (twenty thousand Reais) for expenses on costs of filing and legal publication; and (iii) R\$ 65,000.00 (sixty five thousand Reais) for other expenses on assistance and/or advisory services in the transaction.

7. Corporate and business actions relating to the intended transaction: As part of the stockholding reorganization announced, on November 17, 2009 **RME** absorbed **Lidil Comercial Ltda.**, a company which held **2.74%** of the shares in **Light**.

On December 15, 2009, a meeting of the Board of Directors of Cemig was held to approve the proposal for split of RME followed by absorption, and its submission to the stockholders, under the document named *Private Instrument of Protocol and Justification of Partial Split of RME followed by Absorption of the Resulting Partial Holdings by Cemig, AGC and Luce Empreendimentos* , signed by the management of **RME** and **Cemig** on December 15, 2009 (the **Protocol and Justification**).

8. Registered capital, absence of impacts: Considering that the parties absorbing the separated portions of the assets and liabilities of RME are, with the exception of **Luce Empreendimentos**, holders of portions of its registered capital, the transaction will result in the substitution of those investments by the respective attributable portions of the assets and liabilities absorbed, without any change in the registered capital of the absorbing companies.

The registered capital of **RME** will be reduced in the proportion of the assets and liabilities to be separated, from R\$ 709,309,572.00 (seven hundred and nine million three hundred and nine thousand five hundred and seventy two Reais) to R\$ 177,327,393.00 (one hundred and seventy seven million three hundred and twenty seven thousand three hundred and ninety three Reais).

9. Valuation of Stockholders equity: Subject to approval by the stockholders of the companies involved, **AMKS Contadores e Consultores Ltda.** (**AMKS**) has been retained for valuation of the stockholders equity of **RME**, and to be the company responsible for valuation of the assets comprising the portions of Stockholders Equity for the purpose of the partial split of **RME** followed by absorption, and for preparation of the relevant valuation opinion (the Valuation Opinion). **AMKS** the **Valuation Company** registered in the São Paulo Regional Accounting Council under N° 2SP016.295/O-7, and in the CNPJ/MF under N° 66.056.086/0001-82, has its articles of association registered in the 7th Corporate Notaries Office under No. 05777, and its head office in the city of São Paulo, at Avenida

Table of Contents

Brigadeiro Faria Lima 1656, 8th Floor, Suite 83-C. The Valuation Company has stated that it has no real or potential conflict or community of interests with the stockholders of **Cemig**, nor with the partners of RME, nor in relation to the transaction itself.

9.1 In view of the fact that the split of RME will be disproportional, the transaction of absorption of the separated part is equivalent to the absorption of a wholly-owned subsidiary by its stockholders. This being so, since there will be no minority stockholders, nor indeed any ratio of exchange or substitution of shares, **Cemig** applied to the CVM for dispensation from the requirement to prepare a valuation of **Cemig** at market prices under Article 264 of Law 64094 of December 15, 1976 (the Corporate Law). By a meeting of its Committee held on December 1, 2009, the CVM granted this application by **Cemig**.

9.2 The base date for the transaction of partial split and absorption is December 8, 2009 (the Base Date).

9.3 The stockholders' equity of **RME** was valued at book value, based on the special balance sheet of **RME** raised on December 8, 2009 (the **Balance Sheet**), which was prepared in accordance with accounting practices adopted in Brazil, containing all the elements necessary and sufficient for the partial split, and duly adjusted for (a) equity gains/losses by **Light** arising from in its subsidiaries by the Equity Method, carried out on the basis of the Verification Balance Sheet of **Light** raised on October 31, 2009, audited by **KPMG** Auditores Independentes; and (b) the incorporation of the subsidiary **Lidil Comercial Ltda.** carried out on November 17, 2009, as per the stockholding actions of **RME** and of **Lidil Comercial Ltda.** itself.

9.4 According to the Valuation Opinion on RME, the total value of the accounts representing assets, rights and obligations that make up the net total assets and liabilities of the part of **RME** to be allocated to **Cemig** is R\$ 337,854,073.91 (three hundred and thirty seven million, eight hundred and fifty four thousand and seventy three Reais and 91 cents). Highlights among the goods, rights and obligations include the following:

(a) the 26,576,149 (twenty six million five hundred and seventy six thousand one hundred and forty nine) nominal common shares without par value in **Light**, held by **RME**, and the dividends receivable under title to these shares; and

(b) the rights and obligations corresponding to the Public Interest legal Action brought by Marco Aurélio Flores Carone, Case nº 0024.08.008.068-2, in progress before the third Taxes Court of Belo Horizonte, Minas Gerais state, and of the Ordinary Action, Case No. 2007.001.199782-8, brought against **Nova Opção Ltda.**, in progress before the 8th Civil Court of Belo Horizonte, Minas Gerais State, which will be managed by RME.

9.5 Considering that the Base Date of the transaction of partial split and absorption does not coincide with the date of the corporate events at which it is envisaged that the Protocol and Justification will be approved, **RME** will account any changes in the valuation of Stockholders' equity between November 8 and December 31, 2009, and will take into account any respective tax effects that may arise in this interval. The balances of the creditor and debtor accounts of RME, in relation to the separated parts, will, with the necessary adaptations, be transferred to the books of account of **Cemig**, **AGC** and **Luce**.

Table of Contents

Empreendimentos, in the proportion of the respective portions of assets and liabilities absorbed, namely: (a) accounting postings; (b) additions and deductions inherent to the change in the equity value of the separated assets and liabilities; (c) division of the creditor and debtor balances in Stockholders' equity in accordance with the separated parts; and (d) respective post-split transfers.

10. Conditions of the Intended Transaction: The bases of the intended transaction, which are given in detail in the Protocol and Justification, are subject to final approval by the Extraordinary General Meeting of Stockholders of the Company and of the other absorbing companies, and also by an Extraordinary General Meeting of Stockholders of RME.

11. Substitution ratio, policy and equity advantages, and right to withdraw: Due to the registered capital of RME being exclusively held by four stockholders, in the proportion of 25% of the shares in RME each, the absorption of the portion arising from the non-proportional split intended by **Cemig**, as in the case of absorption of a wholly-owned subsidiary, will not result in an increase of capital, and also there is no relationship of substitution of shares in RME by shares in **Cemig**. The policy and equity advantages and other rights of the company's stockholders will not undergo any change as a result of the absorption. Also, stockholders of **Cemig** will not have the right to withdraw.

12. Approval by authorities: The absorption is not subject to the approval of any Brazilian or non-Brazilian anti-trust or competition authorities.

13. Documents of the transaction available: The documents related to the partial split and absorption are available to stockholders, as from today's date, at **Cemig**'s head office, and on its website (<http://ri.cemig.com.br>). In compliance with Article 2, §1, XVII of CVM Instruction 319/99, these documents have been sent to the CVM (Brazilian Securities Commission) and to the BM&FBovespa (São Paulo Equity, Commodities and Futures Exchange).
