PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation by the Board of Directors (the "Board") of Western Asset High Income Opportunity Fund Inc. (the "Fund") of proxies to be voted at the Annual Meeting of Stockholders of the Fund to be held at 620 Eighth Avenue, 49th Floor, New York, New York, on Tuesday, January 26, 2010 at 3:00 p.m., New York time, and at any adjournments or postponements thereof (the "Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders (the "Notice").

This Proxy Statement and the accompanying materials are being made available to stockholders on or about December 31, 2009.

The Fund is organized as a Maryland corporation and is a registered investment company.

Legg Mason Partners Fund Advisor, LLC ("LMPFA"), whose principal business address is 620 Eighth Avenue, New York, NY 10018, is the Fund's investment adviser and administrator. Pursuant to respective sub-advisory agreements with LMPFA, Western Asset Management Company ("Western Asset") and Western Asset Management Company Limited ("Western Asset Limited") are the Fund's sub-investment advisors. LMPFA, Western Asset and Western Asset Limited are all wholly-owned subsidiaries of Legg Mason, Inc. ("Legg Mason").

Even if you plan to attend the Meeting, please sign, date and return a proxy card, or provide voting instructions by telephone or over the Internet. If you vote by telephone or over the Internet, you will be asked to enter a unique code that has been assigned to you, which is printed on the Notice of Internet Availability of Proxy Materials or your proxy card. This code is designed to confirm your identity, provide access into the voting sites and confirm that your instructions are properly recorded.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or otherwise as provided therein. Unless instructions to the contrary are marked, shares represented by the proxies will be voted "FOR" the election of each nominee in Proposal 1. In accordance with the Fund's By-Laws, a quorum is constituted by the presence in person or by proxy of the holders of record of a majority of the outstanding shares of the Fund's common stock entitled to vote at the Meeting. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions will be treated as shares that are present but which have not been voted.

The Board has fixed the close of business on December 4, 2009 as the record date (the "Record Date") for the determination of stockholders of the Fund entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. Stockholders of the Fund on that date will be entitled to one vote on each matter for each share held, and a fractional vote with respect to fractional shares, with no cumulative voting rights. At the Record Date, the Fund had outstanding 74,462,537 shares of Common Stock, par value \$0.001 per share, the only authorized class of stock.

Annual reports are sent to stockholders of record of the Fund following the Fund's fiscal year end. The Fund will furnish, without charge, a copy of its annual report and most recent semi-annual report succeeding the annual report, if any, to a stockholder upon request. Such requests should be directed to the Fund at 55 Water Street, New York, New York 10041 or by calling toll free at 888-777-0102. Copies of annual and semi-annual reports of the Fund are also available on the EDGAR Database on the Securities and Exchange Commission's Internet site at www.sec.gov.

Please note that only one annual or semi-annual report or Proxy Statement may be delivered to two or more stockholders of the Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual or semi-annual report or the Proxy Statement, or for instructions as to how to request a separate copy of these documents or as to how to request a single copy if multiple copies of these documents are received, stockholders should contact the Fund at the address and phone number set forth above.

Vote Required and Manner of Voting Proxies

A quorum of stockholders is required to take action at the Meeting. A majority of the shares of the Fund entitled to vote at the Meeting, represented in person or by proxy, will constitute a quorum of stockholders at the Meeting.

Votes cast by proxy or in person at the Meeting will be tabulated by the inspector of election appointed for the Meeting. The inspector of election, who is an employee of the proxy solicitor engaged by the Fund, will determine whether or not a quorum is present at the Meeting. The inspector of election will treat abstentions and "broker non-votes" (i.e., shares held by brokers or nominees, typically in "street name," as to which proxies have been returned but (a) instructions have not been received from the beneficial owners or persons entitled to vote and (b) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

If you hold shares directly (not through a broker-dealer, bank or other financial intermediary) and if you return a signed proxy card that does not specify how you wish to vote on a proposal, your shares will be voted "FOR" Proposal 1.

Required Vote

Directors are elected by a plurality of the votes cast by the holders of shares of the Fund's Common Stock present in person or represented by proxy at a Meeting at which a quorum is present.

For purposes of the election of Directors, abstentions and broker non-votes will not be considered votes cast, and do not affect the plurality vote required for the election of Directors.

In the event that a quorum is not present, or if sufficient votes to elect Directors in Proposal No. 1 as set forth in the Notice and this Proxy Statement are not received by the time scheduled for the Meeting, the persons named as proxies may move for one or more adjournments of the Meeting to permit further solicitation of proxies with respect to such proposal. In determining whether to adjourn the Meeting, the following factors may be considered: the nature of the proposal that is the subject of the Meeting, the percentage of votes actually cast, the nature of any further solicitation and the information to be provided to stockholders with respect to the reasons for the solicitation. Any such adjournment will require the affirmative vote of a majority of the shares present at the Meeting. If an adjournment is proposed, the persons named as proxies will vote the shares that they are entitled to vote in their discretion.

Important Notice Regarding the Availability of Proxy Materials for the Meeting to be Held on January 26, 2010

The proxy statement and related materials are available at <http://www.amstock.com/proxyservices/viewmaterial.asp?CoNumber=14642>

Proposal No. 1: Election of Directors

In accordance with the Fund's Charter, the Board is currently classified into three classes: Class I, Class II and Class III. The Directors serving in Class III have terms expiring at the Meeting, and they have been nominated by the Board of Directors for election at the Meeting to serve for a term of three years (until the 2013 Annual Meeting of Stockholders), or until their successors have been duly elected and qualified or until they resign or are otherwise removed. The terms of office of the remaining Class I and Class II Directors expire at the year 2011 and 2012 Annual Meeting of Stockholders, respectively, or thereafter until their successors have been duly elected and qualified or until they resign or are otherwise removed. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

The persons named in the proxy intend to vote at the Meeting (unless directed not to vote) "FOR" the election of the nominees named below. Each of the nominees is currently a member of the Fund's Board of Directors and has indicated that he or she will serve if elected. However, if any nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named in the proxy in their discretion.

Certain information concerning the nominees is set forth on the following page.

(3) Each Director currently holds 21 investment company directorships.

Responsibilities of the Board of Directors

The Board of Directors is responsible for ensuring that the Fund is managed in the best interest of its stockholders. The Directors oversee the Fund's business by, among other things, meeting with the Fund's management and evaluating the performance of the Fund's service providers including LMPFA, Western Asset, Western Asset Limited, the custodian and the transfer agent. As part of this process, the Directors consult with the Fund's independent auditors and with their own separate independent counsel.

The Board of Directors has four regularly scheduled meetings each year, and additional meetings are scheduled as needed. In addition, the Board has an Audit Committee and a Nominating Committee that meet periodically and whose responsibilities are described below.

During the fiscal year ended September 30, 2009, the Board of Directors held four regular meetings and one special meeting. Each Director attended at least 75% of the aggregate number of meetings of the Board and the committees for which he or she was eligible. The Fund does not have a formal policy regarding attendance by Directors at annual meetings of stockholders.

The Directors review the Fund's financial statements, performance and market price as well as the quality of the services being provided to the Fund. As part of this process, the Directors review the Fund's fees and expenses to determine if they are reasonable and competitive in light of the services being received and while also ensuring that the Fund continues to have access to high quality services in the future. Based on these reviews, the Directors periodically make suggestions to the Fund's management and monitor to ensure that responsive action is taken. The Directors also monitor potential conflicts of interest among the Fund, LMPFA and its affiliates and other funds and clients managed by LMPFA, Western Asset and Western Asset Limited to ensure that the Fund is managed in a manner which is in the best interest of the Fund's stockholders.

Audit Committee

The Fund's Audit Committee is composed of all Directors who have been determined not to be "interested persons" of the Fund, LMPFA, Western Asset or their affiliates within the meaning of the 1940 Act, and who are "independent" as defined in the New York Stock Exchange listing standards. Currently, the Audit Committee is composed of Ms. Colman and Messrs. Cronin, Cucchi, Gelb, Hutchinson, Roett and Salacuse. The principal functions of the Audit Committee are: to (a) oversee the scope of the Fund's audit, the Fund's accounting and financial reporting policies and practices and its internal controls and enhance the quality and objectivity of the audit function; (b) approve, and recommend to the Independent Board Members (as such term is defined in the Audit Committee Charter) for their ratification, the selection, appointment, retention or termination of the Fund's independent registered public accounting firm, as well as approving the compensation thereof; and (c) approve all audit and permissible non-audit services provided to the Fund and certain other persons by the Fund's independent registered public accounting firm. This Committee met five times during the fiscal year ended September 30, 2009. The Fund's Board of Directors most recently reviewed and adopted an Audit Committee Charter at a meeting held on February 5, 2009, a copy of which is attached hereto as Annex A.

Nominating Committee

The Fund's Corporate Governance and Nominating Committee (the "Nominating Committee"), the principal function of which is to select and nominate candidates for election as Directors of the Fund, is currently composed of Ms. Colman and Messrs. Cronin, Cucchi, Gelb, Hutchinson, Roett and Salacuse. Only Directors who are not "interested persons" of the Fund as defined in the 1940 Act and who are "independent" as defined in the New York Stock Exchange listing standards are members of the Nominating Committee. The Nominating Committee may accept nominees recommended by the stockholder as it deems appropriate. Stockholders who wish to recommend a nominee should send recommendations to the Fund's Secretary that include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Directors. A recommendation must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. The Nominating Committee met once during the Fund's fiscal year ended September 30, 2009. The Fund's Board of Directors most recently reviewed and adopted a Corporate Governance and Nominating Committee Charter at a meeting held on February 5, 2009, a copy of which is attached hereto as Annex B.

The Nominating Committee identifies potential nominees through its network of contacts, and may also engage, if it deems appropriate, a professional search firm. The Nominating Committee meets to discuss and consider such candidates' qualifications and then chooses a candidate by majority vote. The Nominating Committee does not have specific, minimum qualifications for nominees and has not established specific qualities or skills that it regards as necessary for one or more of the Fund's Directors to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard). However, as set forth in the Nominating Committee Charter, in evaluating a person as a potential nominee to serve as a Director of the Fund, the Nominee Committee may consider the following factors, among any others it may deem relevant:

whether or not the person is an "interested person" as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director of the Fund;

whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment manager of the Fund, Fund service providers or their affiliates;

whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related mutual fund complexes;

whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Director of the Fund;

the contribution which the person can make to the Board and the Fund (or, if the person has previously served as a Director of the Fund, the contribution which the person made to the Board during his or her previous term of service), with consideration being given to the person's business and professional experience, education and such other factors as the Committee may consider relevant;

the character and integrity of the person; and

whether or not the selection and nomination of the person would be consistent with the requirements of the Fund's retirement policies.

Officers

The Fund's executive officers are chosen each year at a regular meeting of the Board of Directors of the Fund, to hold office until their respective successors are duly elected and qualified. In addition to Mr. Gerken, the Fund's Chairman, CEO and President, the executive officers of the Fund currently are:

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "1934 Act") and Section 30(h) of the 1940 Act in combination require the Fund's Directors and officers and persons who own more than 10% of the Fund's common stock, as well as LMPFA and certain of its affiliated persons, to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC") and the New York Stock Exchange, Inc. ("NYSE"). Such persons and entities are required by SEC regulations to furnish the Fund with copies of all such filings. Based solely on a review of those forms furnished to the Fund, the Fund believes that for the fiscal year ended September 30, 2009, all relevant persons have complied with applicable filing requirements, except that Jeffrey Nattans, a director of the subadviser filed his form 3 late. However, Mr. Nattans did not buy or sell Fund Shares prior to the filing and has since made the required form 3 filing.

Report of the Audit Committee

Pursuant to a meeting of the Audit Committee on November 19, 2009, the Audit Committee reports that it has: (i) reviewed and discussed the Fund's audited financial statements with management; (ii) discussed with KPMG LLP ("KPMG"), the independent registered public accounting firm of the Fund, the matters required to be discussed by Statement on Auditing Standards No. 61; and (iii) previously received written confirmation from KPMG that it is independent and written disclosures regarding such independence as required by Independence Standards Board Standard No. 1, and discussed with KPMG the independent registered public accounting firm's independence.

Pursuant to the Audit Committee Charter adopted by the Fund's Board, the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements and recommending the selection of the Fund's independent registered public accounting firm. The Audit Committee advises the full Board with respect to accounting, auditing and financial matters affecting the Fund. The independent registered public accounting firm is responsible for planning and carrying out the proper audits and reviews of the Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are responsible for oversight. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principals and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on the review and discussions referred to in items (i) through (iii) above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Fund's annual report for the Fund's fiscal year ended September 30, 2009.

Board Recommendation and Required Vote

Directors are elected by a plurality of the votes cast by the holders of shares of the Fund's common stock present in person or represented by proxy at a meeting at which a quorum is present. For purposes of the election of Directors, abstentions and broker non-votes will not be considered votes cast, and do not affect the plurality vote required for Directors.

The Board of Directors, including the Directors who are not "interested" persons unanimously recommends that stockholders of the Fund vote FOR each of the nominees for Director.

Disclosure of Fees Paid to Independent Registered Public Accounting Firm

Audit Fees. The aggregate fees billed in the last two fiscal years ended September 30, 2008 and September 30, 2009 for professional services rendered by KPMG for the audit of the Fund's annual financial statements, or services that are normally provided in connection with the statutory and regulatory filings or engagements in those fiscal years, were \$32,600 and \$34,500, respectively.

Audit-Related Fees. The aggregate fees billed by KPMG in connection with assurance and related services related to the annual audit of the Fund and for review of the Fund's financial statements, other than the Audit Fees described above, for the fiscal years ended September 30, 2008 and September 30, 2009 were \$0 and \$0, respectively.

In addition, there were no Audit Related Fees billed in the fiscal years ended September 30, 2008 and September 30, 2009 for assurance and related services by KPMG to LMPFA and any entity controlling, controlled by or under common control with LMPFA that provides ongoing services to the Fund (LMPFA and such other entities together, the "Service Affiliates"), that were related to the operations and financial reporting of the Fund.

Tax Fees. The aggregate fees billed by KPMG for tax compliance, tax advice and tax planning services, which include the filing and amendment of federal, state and local income tax returns, timely regulated investment company qualification review and tax distribution and analysis planning to the Fund for the fiscal years ended September 30, 2008 and September 30, 2009 were \$3,200 and \$3,400, respectively.

There were no fees billed by KPMG to the Service Affiliates for tax services for the fiscal years ended September 30, 2008 and September 30, 2009 that were required to be approved by the Fund's Audit Committee.

All Other Fees. There were no other fees billed for other non-audit services rendered by KPMG to the Fund for the fiscal years ended September 30, 2008 and September 30, 2009.

There were no other non-audit services rendered by KPMG to the Service Affiliates in the fiscal years ended September 30, 2008 and September 30, 2009.

Generally, the Audit Committee must approve (a) all audit and permissible non-audit services to be provided to the Fund and (b) all permissible non-audit services to be provided to the Service Affiliates that relate directly to the operations and financial reporting of the Fund. The Audit Committee may implement policies and procedures by which such services are approved other than by the full Committee but has not yet done so.

For the Fund, the percentage of fees that were approved by the Audit Committee, with respect to: Audit-Related Fees were 100% and 100% for the fiscal years ended September 30, 2008 and September 30, 2009; Tax Fees were 100% and 100% for the fiscal years ended September 30, 2008 and September 30, 2009; and for Other Fees paid were 100% and 100% for the fiscal years ended September 30, 2008 and September 30, 2009.

The Audit Committee shall not approve non-audit services that the Committee believes may impair the independence of the registered public accounting firm. As of the date of the approval of the Audit Committee Charter, permissible non-audit services include any professional services (including tax services), that are not prohibited services as described below, provided to the Fund by the independent registered public accounting firm, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. Permissible non-audit services may not include: (i) bookkeeping or other services related to the accounting records or financial statements of the Fund; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment adviser or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service the Public Company Accounting Oversight Board determines, by regulation, is impermissible.

Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Manager and any Covered Service Provider constitutes not more than 5% of the total amount of revenues paid to the independent registered public accounting firm during the fiscal year in which the permissible non-audit services are provided to (a) the Fund, (b) LMPFA and (c) any entity partially controlled by or under common control with LMPFA that provides ongoing services to the Fund during the fiscal year in which the services are provided that would not have to be approved by the Committee; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee (or its delegate(s)) prior to the completion of the audit.

The aggregate non-audit fees billed by KPMG for non-audit services rendered to the Fund and Service Affiliates for the fiscal years ended September 30, 2008 and September 30, 2009 were \$0 and \$0, respectively.

The Audit Committee has considered whether the provision of non-audit services to the Service Affiliates that were not pre-approved by the Audit Committee (because they did not require pre-approval) is compatible with maintaining KPMG's independence. All services provided by KPMG to the Fund or to the Service Affiliates that were required to be pre-approved by the Audit Committee were pre-approved.

A representative of KPMG, if requested by any stockholder, will be present via telephone at the Meeting to respond to appropriate questions from stockholders and will have an opportunity to make a statement if he or she chooses to do so.

Establishment and Purpose

This document serves as the Charter for the Audit Committee (the "Committee") of the Board of each registered investment company (the "Fund") advised by Legg Mason Partners Fund Advisor, LLC or one of its affiliates ("Adviser") listed on Appendix A hereto (each such Charter being a separate Charter). The primary purposes of the Committee are to (a) assist Board oversight of (i) the integrity of the Fund's financial reporting, (ii) the Fund's compliance with legal and regulatory requirements (iii) the qualifications and independence of the Fund's independent registered public accountants and (iv) the performance of the Fund's internal audit function and independent registered public accountants; (b) approve, and recommend to the Independent Board Members (as such term is defined below) for their ratification, the selection, appointment, retention or termination of the Fund's independent registered public accountants, as well as approving the compensation thereof; (c) approve all audit and permissible non-audit services provided to the Fund and certain other persons by the Fund's independent registered public accountants; and (d) for each closed-end Fund, prepare the report required to be prepared by the Committee pursuant to the rules of the Securities and Exchange Commission for inclusion in the Fund's annual Proxy Statement.

(1) The Committee shall not approve non-audit services that the Committee believes may impair the independence of the independent registered public accountants. As of the date of the approval of this Audit Committee Charter, permissible non-audit services include any professional services (including tax services), that are not prohibited services as described below, provided to the Fund by the independent registered public accountants, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. 8. Review, in consultation, as appropriate, with the independent registered public accountants and significant Fund service providers, matters relating to internal controls over financial reporting and disclosure controls and procedures of the Fund and of the Fund's significant service providers.
9. Request, receive and/or review from the independent registered public accountants such other materials as deemed necessary or advisable by the Committee in the exercise of its duties under this Charter; such materials may include, without limitation, any other material written communications bearing on the Fund's financial statements, or internal or disclosure controls, between the independent registered public accountants and the Fund, the Adviser or other Fund service providers, such as any management letter or schedule of unadjusted differences, and any comment or "deficiency" letter (to the extent such letters relate to financial reporting) received from a regulatory or self-regulatory organization addressed to the Fund or the Adviser that relates to services rendered to the Fund.
10. For each closed-end Fund, establish procedures regarding the receipt, retention and treatment of complaints that the Fund may receive regarding Fund accounting, internal accounting controls or auditing matters, including procedures for the confidential or anonymous submission by Fund officers, employees, stockholders or service providers of concerns regarding questionable accounting or auditing matters related to the Fund.
11. For each closed-end Fund, obtain and review a report by the Fund's independent registered public accountants describing (i) the auditing firm's internal quality-control procedures; (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the auditing firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditing firm, and any steps taken to deal

12. For each closed-end Fund, discuss policies with respect to risk assessment and risk management.

13. For each closed-end Fund, review hiring policies for employees or former employees of the Fund's independent registered public accountants.

14. For each closed-end Fund, discuss with management and the Fund's independent registered public accountants the Fund's audited and discuss with management the Fund's unaudited financial statements, including any narrative discussion by management concerning the Fund's financial condition and investment performance and, if appropriate, recommend the publication of the Fund's annual audited financial statements in the Fund's annual report in advance of the printing and publication of the annual report.

15. For each closed-end Fund, discuss the Fund's earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies;

16. For each closed-end Fund, review and evaluate annually the performance of the Committee and the adequacy of this Charter and recommend any proposed changes to the Charter to the Board for approval.

The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain, as it deems necessary to carry out its duties, special counsel and other experts or consultants at the expense of the Fund. The Fund shall provide appropriate funding, as determined by the Committee, for the Committee to carry out its duties and its responsibilities, including (a) for compensation to be paid to, or services to be provided by, the Fund's independent registered public accountants or other public accounting firm providing audit, review or attest services for the Fund, (b) for payment of compensation to any outside legal, accounting or other advisors, counsel or consultants employed by the Committee and (c) for the ordinary administrative expenses of the Committee. In performing its duties, the Committee shall consult as it deems appropriate with the members of the Board, officers and employees of the Fund, the Adviser, the Fund's sub-adviser(s), if any, the Fund's counsel, counsel to the Independent Board Members and the Fund's other service providers.

Composition

The Committee shall be composed of each Board member who has been determined not to be an "interested person," as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended ("1940 Act"), of the Fund (the "Independent Board Members"), or such lesser number as the Board of the Fund may specifically determine and reflect in the Board's minutes, each of whom shall be financially literate and at least one of whom shall have accounting or related financial management expertise as determined by the Fund's Board in its business judgment. Each member of the Committee must also meet the independence and experience requirements as set forth in the New York Stock Exchange's Listed Company Manual or as set forth in the American Stock Exchange's listing standards, as applicable, and the independence requirements applicable to investment companies set forth in the Securities Exchange Act of 1934. For those Funds listed on the New York Stock Exchange, no member of the Committee may serve on the audit committees of more than three public companies, including the Funds, unless the Board determines that such simultaneous service would not impair

the ability of such member to serve on the Committee effectively. The Committee shall elect a Chairperson, who shall preside over Committee meetings. The Chairperson shall serve for a term of three years, which term may be renewed from time to time.

Meetings

The Committee shall meet on a regular basis, but not less frequently than twice a year. Special meetings may also be held upon reasonable notice to the members of the Committee. An agenda shall be established for each meeting. The Committee may request any officer or employee of the Fund, the Fund's counsel, counsel to the Independent Board Members, the Adviser, the Fund's independent registered public accountants or other interested persons to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. The Committee will meet periodically with the Fund's independent registered public accountants outside the presence of the Fund's and the Adviser's officers and employees. The Committee will also meet periodically with the Fund's management outside the presence of the Fund's independent registered public accountants. Meetings of the Committee may be held in person, by telephone or by other appropriate means.

One-third of the Committee's members, but not fewer than two members, shall constitute a quorum. At any meeting of the Committee, the decision of a majority of the members present and voting shall be determinative as to any matter submitted to a vote.

Reporting

The Chairperson shall report regularly to the Board on the result of the Committee's deliberations and make such recommendations as deemed appropriate.

Limits on Role of Committee

The function of the Committee is oversight. The Fund's management is responsible for (i) the preparation, presentation and integrity of the Fund's financial statements, (ii) the maintenance of appropriate accounting and financial reporting principles and policies and (iii) the maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accountants are responsible for planning and carrying out proper audits and reviews. In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not employees of the Fund. As such, it is not the duty or responsibility of the Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Fund from which it receives information and (ii) the accuracy of the financial and other information provided to the Committee by such persons and organizations absent actual knowledge to the contrary (which shall be promptly reported to the Fund's Board) and (iii) statements made by the officers and employees of the Fund, the Adviser or other third parties as to any information technology, internal audit and other non-audit services provided by the independent registered public accountants to the Fund. The designation of a person as an "audit committee financial expert," within the meaning of the rules adopted and implemented under Section 407 of the Sarbanes-Oxley Act of 2002, shall not impose any greater responsibility or liability on

that person than the responsibility and liability imposed on such person as a member of the Committee, nor does it decrease the duties and obligations of other Committee members or the Board.

In carrying out its responsibilities, the Committee's policies and procedures shall be adapted, as appropriate, in order to best react to a changing environment.

Amendments

This Charter may be amended by a vote of a majority of the Board members.

ANNEX B

NOMINATING COMMITTEE CHARTER

Organization

The Nominating Committee of each registered investment company listed on Appendix A hereto (each, a "Fund" and together, the "Funds") shall be composed solely of Directors who are not "interested persons" of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act") and, with respect to those Funds listed on the New York Stock Exchange, who are "independent" as defined in the New York Stock Exchange listing standards ("Independent Directors"). The Board of Directors of the Fund (the "Board") shall nominate the members of the Committee and shall designate the Chairperson of the Committee. The Chairperson shall preside at each meeting of the Committee.

Responsibilities

The Committee shall select and nominate persons for election or appointment by the Board as Directors of the Fund.

Evaluation of Potential Nominees

In evaluating a person as a potential nominee to serve as a Director of the Fund, the Committee should consider among other factors it may deem relevant:

whether or not the person is an "interested person" as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve as a Director of the Fund;

whether or not the person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment manager of the Fund, other Fund service providers or their affiliates;

whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related mutual fund complexes;

whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Director of the Fund;

the contribution which the person can make to the Board and the Fund (or, if the person has previously served as a Director of the Fund, the contribution which the person made to the Board during his or her previous term of service), with consideration being given to the person's business and professional experience, education and such other factors as the Committee may consider relevant;

the character and integrity of the person; and

whether or not the selection and nomination of the person would be consistent with the requirements of the Fund's retirement policies.

While the Committee is solely responsible for the selection and nomination of Directors, the Committee may consider nominees recommended by Fund stockholders as it deems appropriate. Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund that include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Directors. The recommendation must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders.

Quorum

A majority of the members of the Committee shall constitute a quorum for the transaction of business, and the act of a majority of the members of the Committee present at any meeting at which there is a quorum shall be the act of the Committee.

Nomination of Directors

After a determination by the Committee that a person should be selected and nominated as a Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration.

Meetings

The Committee may meet either on its own or in conjunction with meetings of the Board. Meetings of the Committee may be held in person, video conference or by conference telephone. The Committee may take action by unanimous written consent in lieu of a meeting.
